1. To approve an amendment to the Jack in the Box Inc. Restated Certificate of Incorporation, as amended, to increase the total number of shares of capital stock that Jack in the Box Inc. is authorized to issue from 90,000,000 shares to 190,000,000 shares by increasing the total number of authorized shares of common stock from 75,000,000 shares to 175,000,000 shares and;
2. To transact such other business as may properly come before the special meeting or any adjournment or postponement thereof.

The Board of Directors of Jack in the Box Inc. has adopted a resolution stating the proposed amendment to the Jack in the Box Inc. The Board of Directors has fixed August 14, 2007, as the record date for determining the stockholders entitled to notice of and to vote at the special meeting and, consequently, only stockholders whose names appeared on the Company's books as owning the Company's common stock at the close of business on August 14, 2007, will be entitled to notice of and to vote at the special meeting and any adjournment or postponement thereof.

ALL STOCKHOLDERS ARE CORDIALLY INVITED TO ATTEND THE SPECIAL MEETING IN PERSON. It is important that your shares of common stock be represented and voted at the special meeting. Whether or not you expect to attend the special meeting, please complete, date, sign and return the enclosed proxy card as promptly as possible in order to ensure your representation at the special meeting. Should you receive more than one proxy card because your shares of common stock are held in multiple accounts or registered in different names or addresses, please sign, date and return each proxy card to ensure that all of your shares of common stock are voted. A postage-prepaid envelope is enclosed for that purpose. You may also vote your proxy by calling the toll-free telephone number shown on your proxy card or by visiting the Internet website address shown on your proxy card. Your proxy may be revoked at any time prior to the special meeting. If you attend the special meeting and vote by ballot, any proxy that you previously submitted will be revoked automatically and only your vote at the special meeting will be counted. However, if your shares of common stock are held of record by a broker, bank or other nominee, your vote in person at the special meeting will not be effective unless you have obtained and present a proxy issued in your name from the record holder.

PROXY STATEMENT

SPECIAL MEETING OF STOCKHOLDERS

September 21, 2007

SOLICITATION OF PROXIES

The Board of Directors of Jack in the Box Inc., a Delaware corporation (the Company, we, us, and our) solicits your proxies for the Special Meeting of Stockholders to be held at 2:00 p.m. on Friday, September 21, 2007, at the Company's headquarters, 9330 Balboa Avenue San Diego, California, and at any postponements or adjournments of the meeting, for the purposes set forth in the Notice of Special Meeting of Stockholders (the Special Meeting). This Proxy Statement and the enclosed form of proxy are being mailed to stockholders on or about August 20, 2007.

We will pay for the cost of preparing, assembling and mailing the Notice of Special Meeting of Stockholders, Proxy Statement and form of proxy. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. In addition to solicitation by mail, proxies may be solicited personally, by telephone or other means by directors, officers or employees of the Company, who will receive no additional compensation for such services. In addition, we may retain a proxy solicitor, to assist us in the solicitation of proxies. We anticipate the cost of proxy solicitation would be approximately \$5,500 plus reasonable out-of-pocket expenses.

VOTING INFORMATION

Only holders of record of common stock at the close of business on August 14, 2007, (the Record Date) will be entitled to notice of and to vote at the Special Meeting. At the close of business on the Record Date, there were 30,869,195 shares of Jack in the Box Inc. common stock, \$.01 par value, outstanding, (excluding 11,758,028 shares of common stock held in treasury). The Company treasury shares will not be voted. You are entitled to one vote for each share you own on any matter that may be properly presented for consideration and action by stockholders at the meeting.

Quorum and Required Vote. The presence, in person or by proxy, of the holders of at least a majority of the total number of shares of Common Stock entitled to vote is necessary to have a quorum at the Special Meeting. Abstentions and broker non-votes (described below) are counted for the purpose of determining whether a quorum is present. Abstentions will have the same effect as a negative vote. If there are insufficient votes to constitute a quorum at the time of the Special Meeting, we may adjourn the Special Meeting to solicit additional proxies. The affirmative vote of at least a majority of the shares outstanding is required to approve the Amendment.

Broker Non-Votes. A broker non-vote occurs when your broker submits a proxy card for your shares but does not indicate a vote on a particular matter because the broker has not received voting instructions from you and does not have authority to vote on that matter without such instructions. Under the rules of the New York Stock Exchange, if your broker holds shares in your name and delivers this Proxy Statement to you, the broker, in the absence of voting instructions from you, is entitled to vote your shares on Proposal 1 and other routine matters.

Voting and Revocability of Proxies. Your proxy will be voted as you direct, either in writing or by telephone or Internet. If you give no direction, your proxy will be voted **FOR** the amendment to our Restated Certificate of Incorporation. The enclosed proxy gives discretionary authority as to any matters not specifically referred to therein. See Other Business. The telephone and Internet voting procedures, available only

if you are a stockholder of record, are designed to authenticate your identity, to allow you to vote your shares and to confirm that your instructions have been properly recorded. The enclosed proxy card sets forth specific instructions that you must follow if you qualify to vote via telephone or Internet and wish to do so. You may revoke your proxy at any time before it is voted at the Special Meeting by filing a written notice of revocation with the Secretary of the Company at our headquarters, 9330 Balboa Avenue, San Diego, California 92123, by filing a duly executed written proxy bearing a later date or, if you qualify, by a later proxy delivered using the telephone or Internet voting procedures. Your proxy will not be voted if you are present at the Special Meeting and elect to vote in person. Attendance at the meeting will not, by itself, revoke a proxy.

PROPOSAL ONE APPROVAL OF AN AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION

The Board of Directors has determined that it is in our best interest and in the best interest of our stockholders to amend our Restated Certificate of Incorporation (as amended, the Certificate of Incorporation) to increase the total number of authorized shares of capital stock from 90,000,000 shares to 190,000,000 shares by increasing the total number of authorized shares of common stock from 75,000,000 shares to 175,000,000 shares. The Board of Directors unanimously approved the proposed amendment to the Certificate of Incorporation, in substantially the form attached hereto as Exhibit A (the Amendment), declared it to be advisable and hereby seeks the approval of the Amendment by our stockholders.

If the Amendment is approved by our stockholders, the Amendment will become effective upon the filing of a certificate of amendment with the Delaware Secretary of State, which filing is expected to occur promptly after the Special Meeting.

Purpose and Effects of the Amendment

The purpose of the Amendment is to increase the total number of authorized shares of capital stock from 90,000,000 shares to 190,000,000 shares by increasing the total number of authorized shares of common stock from 75,000,000 shares to 175,000,000 shares. On August 3, 2007, the Board of Directors approved a 2-for-1 stock split of our common stock, effected in the form of a stock dividend. The proposed increase in our authorized common stock would provide us with sufficient authorized and unissued shares of common stock to ensure consummation of the stock split, effected in the form of a stock dividend, satisfy our obligations under our benefit plans as well as for other corporate purposes. Stockholder approval of a stock split effected in the form of a stock dividend is not required under Delaware law, is not being solicited by this Proxy Statement and will not be solicited in the future in order to effect the stock split of our common stock, effected in the form of a stock dividend. We have no present plans, arrangements, commitments or understandings with respect to the issuance of any of the additional shares of common stock that will be authorized by adoption of the Amendment.

The objective of a stock split, effected in the form of a stock dividend, is to lower the market price of the common stock in inverse proportion to the stock split, effected in the form of a stock dividend. Such lower price will be expected to increase the liquidity and broaden the marketability of the common stock to a larger group of investors.

Upon the effectiveness of the stock split, effected in the form of a stock dividend, each stockholder will receive, for each share of common stock held by such stockholder on the record date for the stock split, effected in the form of a stock dividend, a dividend of one share of common stock. In addition, our outstanding stock options, performance vested stock awards, non-vested stock awards, non-management director deferred stock equivalents, stock purchase rights and warrants, if any, will be proportionately adjusted such that the number of shares underlying these instruments will be doubled and the exercise price, if any, will be halved. Upon the effectiveness of the stock split, effected in the form of a stock dividend, we will apply for listing of the additional shares of common stock to be

issued on the New York Stock Exchange.

If the Amendment is approved by our stockholders, each stockholder of record as of the close of business on October 2, 2007 shall receive one additional share of common stock for each share of common stock held by them on that date. The additional shares shall be distributed on or about October 15, 2007, by our transfer agent, BNY Mellon Shareowner Services.

Table of Contents

As of the Record Date, there were 30,869,195 shares of common stock outstanding and held by our stockholders, (excluding, 11,758,028 shares of common stock held in treasury). The Company's treasury shares will not be voted and no stock dividend will be paid with respect to such treasury shares in connection with the stock split, effected in the form of a stock dividend. As a result of the 2-for-1 stock split, to be effected as a stock dividend on or about October 15, 2007, and based on the number of outstanding shares as of the Record Date, we estimate there will be approximately 61,738,390 shares of common stock issued and outstanding and 8,410,894 shares of common stock reserved for employee benefit plans and equity compensation plans. Therefore, we estimate that effective on or about October 15, 2007, the total shares of common stock issued and outstanding or reserved for benefit and compensation plans will be approximately 70,149,284 compared to total authorized shares of common stock of 175,000,000.

Other possible business and financial uses for the additional shares of common stock include, without limitation, future stock splits, raising capital through the sale of common stock, acquiring other companies, businesses or products in exchange for shares of common stock, attracting and retaining employees and non-employee directors by the issuance of additional securities under our various equity compensation plans, and other transactions and corporate purposes that the Board of Directors deems are in our best interest. The additional authorized shares will enable us to act quickly in response to opportunities that may arise for these types of transactions, in most cases without the necessity of obtaining further stockholder approval and holding a special stockholders' meeting before such issuance(s) could proceed, except as provided under Delaware law or under the rules of the New York Stock Exchange. Other than the stock split, effected in the form of a stock dividend, and potential issuances pursuant to employee benefit plans and equity compensation plans, as of the date of this Proxy Statement we have no current plans, arrangements or understandings regarding the additional shares that will be authorized pursuant to this proposal. However, we review and evaluate potential capital-raising activities, transactions and other corporate actions on an on-going basis to determine if such actions would be in the best interests of us and our stockholders.

Upon issuance, the additional shares of authorized common stock will have rights identical to the currently outstanding shares of common stock. Adoption of the Amendment will not have any immediate dilutive effect on the proportionate voting power or other rights of existing stockholders. The proposed stock split, effected in the form of a stock dividend, will reduce our earnings per share but will not affect voting rights of current stockholders, as each stockholder will continue to hold the same percentage interest in the Company. However, to the extent that the additional authorized shares of common stock are issued in the future outside of the proposed stock split, effected in the form of a stock dividend, they may decrease existing stockholders' percentage equity ownership and, depending on the price at which they are issued, could be dilutive to the voting rights of existing stockholders and have a negative effect on the market price of the common stock. Current stockholders have no preemptive or similar rights, which means that current stockholders do not have a prior right to purchase any new issue of common stock in order to maintain their proportionate ownership thereof.

We have not proposed the increase in the number of authorized shares of common stock with the intention of using the additional authorized shares for anti-takeover purposes, but we will be able to use the additional shares to oppose a hostile takeover attempt or delay or prevent changes in control or management of the Company. For example, without further stockholder approval, the Board of Directors could sell shares of common stock in a private transaction to purchasers who would oppose a takeover or favor the current Board of Directors. Although this proposal to increase the authorized number of shares of common stock has been prompted by business and financial considerations and not by the threat of any known or threatened hostile takeover attempt, stockholders should be aware that approval of this proposal could facilitate future efforts by us to oppose changes in control of the Company and perpetuate our management, including transactions in which the stockholders might otherwise receive a premium for their shares over then current market prices.

We could also use the additional shares of common stock for potential strategic transactions including, among other things, acquisitions, spin-offs, strategic partnerships, joint ventures, restructurings, divestitures, business combinations

and investments, although we have no present plans to do so. We cannot provide assurances that any such transactions will be consummated on favorable terms or at all, that they will enhance stockholder value or that they will not adversely affect our business or the trading price of the common stock. Any such transactions may require us to incur non-recurring or other charges and may pose significant integration challenges and/or management and business disruptions, any of which could materially and adversely affect our business and financial results.

Table of Contents

The 2-for-1 stock split, effected as a stock dividend, should be a tax-free distribution under the Internal Revenue Code of 1986, as amended. The holding period of the new stock, for determining whether capital gain or loss on a sale or exchange is long-term or short-term, will include the period during which the shareholder held the existing common stock. A stockholder who receives a nontaxable distribution of stock must allocate the basis of the stock, with respect to which the distribution is made, between the old stock and the new stock in proportion to the relative fair market values of each on the date of distribution. This discussion should not be considered as tax or investment advice, and the tax consequences of the stock split, effected as a stock dividend, may not be the same for all stockholders. Stockholders should consult their own tax advisors regarding their individual federal, state, local and foreign tax consequences.
