Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to Be Held on January 26, 2016

Our Proxy Statement and Annual Report to Shareholders, are available at <https://www.materials.proxyvote.com/887098>. The following materials are available for review:

- Proxy Statement;
- proxy card; and
- Annual Report to Shareholders.

Directions to attend the annual meeting, where you may vote in person, can be found online at <http://www.timberlandbank.com>.

Who is Entitled to Vote?

We have fixed the close of business on December 2, 2015 as the record date for shareholders entitled to notice of and to vote at our annual meeting. Only holders of record of Timberland's common stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of Timberland common stock you own. On December 2, 2015, there were 6,994,148 shares of Timberland common stock outstanding and entitled to vote at the annual meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all shareholders on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. This answer provides voting instructions for shareholders of record. You are a shareholder of record if your shares of Timberland common stock are held in your name. If you are a beneficial owner of Timberland common stock held by a broker, bank or other nominee (i.e., in "street name"), please see the instructions in the following question.

Shares of Timberland common stock can only be voted if the shareholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a shareholder of record.

Voting instructions are included on your proxy card. Shares of Timberland common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the shareholder's instructions. Where properly executed proxies are returned to us with no specific instruction as how to vote at the annual meeting, the persons named in the proxy will vote the shares FOR the election of each of our director nominees, FOR advisory approval of the compensation of our executive officers as disclosed in this Proxy Statement and FOR ratification of the selection of Delap LLP as our independent auditor. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if My Shares Are Held in Street Name?

If you are the beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If your common stock is held in street name, you will receive instructions from your broker that you must follow in order to have your shares voted. Your broker may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction

form that accompanies this Proxy Statement. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, shares not voted are treated as “broker non-votes.” The proposals to elect directors and provide advisory approval of executive compensation are considered non-discretionary items; therefore, you must provide instructions to your broker in order to have your shares voted on these proposals.

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

How Will My Shares of Common Stock Held in the Employee Stock Ownership Plan Be Voted?

We maintain the Timberland Bank Employee Stock Ownership and 401(k) Plan (“ESOP and 401(k) Plan”) for the benefit of our employees. Each participant may instruct the trustee how to vote the shares of Timberland common stock allocated to his or her account under the ESOP portion of the plan by completing the voting instruction sheet distributed by the administrator. If a participant properly executes the voting instruction sheet, the administrator will instruct the trustee to vote the participant’s shares in accordance with the participant’s instructions. Unallocated shares of Timberland common stock held in the ESOP portion of the plan and allocated shares for which proper voting instructions are not received will be voted by the trustee in the same proportion as shares for which the trustee has received voting instructions.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of Timberland common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the shareholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the adjourned meeting is set to be held 120 days or more after the original meeting. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a plurality of the votes cast, in person or by proxy, at the annual meeting by holders of Timberland common stock. Accordingly, the three nominees for election as directors who receive the highest number of votes actually cast will be elected. Pursuant to our Articles of Incorporation, shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld and broker non-votes will have no effect on the outcome of the election because the nominees receiving the greatest number of votes will be elected. Our Board of Directors unanimously recommends that you vote FOR the election of each of its director nominees.

Vote Required to Approve Proposal 2: Advisory Approval of Executive Compensation

Approval on an advisory (non-binding) basis of our executive compensation requires the affirmative vote of a majority of the votes cast at the annual meeting. Abstentions and broker non-votes do not constitute votes cast and therefore will have no effect on the proposal. Our Board of Directors unanimously recommends that you vote FOR approval of the compensation of our named executive officers.

Vote Required to Approve Proposal 3: Ratification of the Selection of the Independent Auditor

Ratification of the selection of Delap LLP as our independent auditor for the fiscal year ending September 30, 2016 requires the affirmative vote of a majority of the votes cast at the annual meeting. Abstentions do not constitute votes cast and therefore will have no effect on the proposal. Our Board of Directors unanimously recommends that you vote FOR the ratification of the selection of the independent auditor.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date;
- notifying the Corporate Secretary of Timberland in writing before the annual meeting that you have revoked your proxy; or
- voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in street name, you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of December 2, 2015, the voting record date, information regarding share ownership of:

- those persons or entities (or groups of affiliated person or entities) known by management to beneficially own more than five percent of Timberland's common stock other than directors and executive officers;
- each director and director nominee of Timberland;
- each executive officer of Timberland or Timberland Bank named in the Summary Compensation Table appearing under "Executive Compensation" below (known as "named executive officers"); and
- all current directors and executive officers of Timberland and Timberland Bank as a group.

Persons and groups who beneficially own in excess of five percent of Timberland's common stock are required to file with the Securities and Exchange Commission ("SEC"), and provide us a copy, reports disclosing their ownership pursuant to the Securities Exchange Act of 1934. To our knowledge, no other person or entity, other than the ones set forth below, beneficially owned more than five percent of the outstanding shares of Timberland's common stock as of the close of business on the voting record date.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. In accordance with Rule 13d-3 of the Securities Exchange Act, a person is deemed to be the beneficial owner of any shares of common stock if he or she has voting and/or investment power with respect to those shares. Therefore, the table below includes shares owned by spouses, other immediate family members in trust, shares held in retirement accounts or funds for the benefit of the named individuals, shares held in the ESOP and 401(k) Plan, and other forms of ownership, over which

shares the persons named in the table may possess voting and/or investment power. In addition, in computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after the voting record date are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

As of the voting record date, there were 6,994,148 shares of Timberland common stock outstanding.

 PROPOSAL 1 – ELECTION OF DIRECTORS

Our Board of Directors currently consists of seven members and is divided into three classes. Approximately one-third of the directors are elected annually to serve for a three-year period or until their respective successors are elected and qualified. The table below sets forth information regarding each director of Timberland and each nominee for director. The Nominating Committee of the Board of Directors selects nominees for election as directors and has nominated for election as directors Michael R. Sand, to serve for a term of two years, and David A. Smith and Larry D. Goldberg, each to serve for a three-year term, or until their respective successors have been elected and qualified. Mr. Sand has been nominated to serve for a two-year term in order to balance the terms of the directors, in light of the retirement of Ronald A. Robbel in October 2015 as a result of our director retirement policy. Each of our nominees currently serves as a Timberland director, and has consented to being named in this Proxy Statement and has agreed to serve if elected. If a nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority. At this time, we are not aware of any reason why a nominee might be unable to serve if elected.

The Board of Directors recommends a vote “FOR” the election of Messrs. Sand, Smith and Goldberg.

**MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS
AND CORPORATE GOVERNANCE MATTERS**

Board of Directors

The Boards of Directors of Timberland and Timberland Bank conduct their business through board and committee meetings. Both Boards generally meet on a monthly basis, holding additional special meetings as needed. During the fiscal year ended September 30, 2015, the Board of Directors of Timberland held 13 meetings and the Board of

Directors of the Bank held 13 meetings. No director of Timberland or Timberland Bank attended fewer than 75% of the total meetings of the boards and committees on which such person served during this period.

Committees and Committee Charters

The Board of Directors of Timberland has standing Audit, Budget, Nominating, and Strategic Planning and Enterprise Risk Management Committees. The Boards of Directors of Timberland and Timberland Bank have a joint Compensation Committee. The Board has adopted written charters for its committees, and copies of the Audit, Nominating and Compensation Committee charters are available on our website at www.timberlandbank.com. You may also obtain copies of the Audit, Nominating and Compensation Committee charters free of charge by writing to: Dean J. Brydon, Corporate Secretary, Timberland Bancorp, Inc., 624 Simpson Avenue, Hoquiam, Washington 98550, or by calling (360) 533-4747.

Audit Committee. The Audit Committee consists of Directors Smith, Goldberg and Stoney. The Committee meets at least quarterly and on an as needed basis to evaluate the effectiveness of our internal controls for safeguarding assets and ensuring the integrity of the financial reporting. The Committee also appoints the independent auditor and reviews the audit report prepared by the independent auditor. The Audit Committee met seven times during the year ended September 30, 2015.

Each member of the Audit Committee is “independent” in accordance with the requirements for companies listed on Nasdaq. Director Stoney has been designated by the Board of Directors as the “audit committee financial expert,” as defined by the SEC. Director Stoney is a licensed Certified Public Accountant.

Budget Committee. The Budget Committee consists of Directors Smith, Goldberg, Stoney and Mason. The Committee meets at least annually to review the financial projections and assumptions in the budget for the upcoming year. The Committee then presents the budget to the full Board for approval. The Budget Committee met once during the year ended September 30, 2015.

Nominating Committee. The Nominating Committee consists of all independent directors who do not have terms expiring at the next annual meeting. The Nominating Committee meets annually and on an as needed basis, and is responsible for selecting qualified individuals to fill expiring directors’ terms and openings on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the recommendations of the Nominating Committee. This Committee met once during the year ended September 30, 2015.

Only those nominations made by the Committee or properly presented by shareholders will be voted upon at the annual meeting. In its deliberations for selecting candidates for nominees as director, the Nominating Committee considers the candidate’s knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of Timberland Bank’s market area. Any nominee for director made by the Committee must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies on the Board, the Committee solicits its current Board of Directors for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board of Directors pursue their own business contacts for the names of potentially qualified candidates. The Committee would then consider the potential pool of director candidates, select the candidate it believes best meets the then-current needs of the Board, and conduct a thorough investigation of the proposed candidate’s background to ensure there is no past history that would cause the candidate not to be qualified to serve as one of our directors. Although the Nominating Committee charter does not specifically provide for the consideration of shareholder nominees for directors, the Committee will consider director candidates recommended by a shareholder that are submitted in accordance with our Articles of Incorporation. Because our Articles of Incorporation provide a process for shareholder nominations, the Committee did not believe it was necessary to provide for shareholder nominations of directors in its charter. If a shareholder submits a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of our Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for shareholder nominations, see “Shareholder Proposals” in this Proxy Statement.

As noted above, the Nominating Committee considers a number of criteria when selecting new members of the Board. Those criteria as well as professional background, industry expertise and geographic location are considered to provide for diversity on our Board of Directors. These diversity factors are considered when the Nominating Committee and Board are seeking to fill a vacancy or new seat on the Board.

Strategic Planning and Enterprise Risk Management Committee. The Strategic Planning and Enterprise Risk Management Committee consists of all of Timberland’s non-employee directors, who are Directors Mason, Clinton, Parker, Smith, Stoney and Goldberg. The Committee meets on an as needed basis to assist the Board in identifying areas of strategic direction and opportunity, and evaluating and planning enterprise risk management with the overall

primary purpose of enhancing shareholder value. The Committee met three times during the year ended September 30, 2015.

Compensation Committee. The Boards of Directors of Timberland and Timberland Bank have a joint Compensation Committee, consisting of Directors Mason, Clinton, Goldberg and Stoney. The Committee meets at least

8

twice per year (including at least once in executive session) and on an as needed basis to discharge the Board's responsibilities relating to executive compensation. The Compensation Committee approves goals for Mr. Sand, evaluates his performance relative to stated goals and determines his cash and equity compensation. Mr. Sand is not present during any voting or deliberations by the Committee regarding his compensation. Mr. Sand makes recommendations to the Compensation Committee regarding the compensation of all other executive officers. The Committee considers the recommendations of Mr. Sand, evaluates the performance of the executive officers and determines cash and equity compensation for the executive officers. The Compensation Committee is also responsible for making recommendations to the full Board for director compensation, overseeing executive succession and administering equity plans. This Committee met three times during the year ended September 30, 2015.

Corporate Governance

We are committed to establishing and maintaining high standards of corporate governance. Our executive officers and Board of Directors have worked together to establish a comprehensive set of corporate governance initiatives that they believe will serve the long-term interests of our shareholders and employees. These initiatives are intended to comply with the provisions contained in the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC adopted thereunder, and Nasdaq rules. Our Board of Directors will continue to evaluate and improve our corporate governance principles and policies as necessary and as required.

Director Independence. Our common stock is listed on the Nasdaq Global Market. In accordance with Nasdaq requirements, at least a majority of our directors must be independent directors. The Board has determined that five of our seven directors are independent, as defined by Nasdaq. Directors Clinton, Goldberg, Mason, Smith and Stoney are all independent. Only Michael R. Sand, who is our President and Chief Executive Officer, and Jon C. Parker, whose firm provides legal counsel to the Bank, are not independent.

Leadership Structure. The positions of Chairman of the Board and of President and Chief Executive Officer are held by two persons, which has been the case since September 2003. The Board believes this structure is appropriate for Timberland because it provides the Board with capable leadership and independence from management. It also allows the President and Chief Executive Officer to focus on the day-to-day business of managing Timberland, while the Chairman leads the Board.

Board Involvement in Risk Oversight. Risk management is the responsibility of management and risk oversight is the responsibility of the Board. The Board administers its risk oversight function through its Strategic Planning and Enterprise Risk Management Committee. The Committee, which is comprised of all non-employee directors, is responsible for identifying and assessing risks that could result in serious harm to shareholder value. These risks include strategic risk, credit risk, liquidity risk, market risk, operational risk, legal risk, third-party vendor risk and reputation risk. The Committee meets as needed and works with management on developing strategies to appropriately mitigate the identified risks. The Board also manages risk through the division of responsibility within its committee structure, with each board committee being responsible for overseeing risk within its area of responsibility.

Directors keep themselves informed of the activities and condition of Timberland and of the risk environment in which it operates by regularly attending Board and assigned Board committee meetings, and by review of meeting materials, auditors' findings and recommendations, and supervisory communications. Directors stay abreast of general industry trends and any statutory and regulatory developments pertinent to Timberland and the Bank by periodic briefings by senior management, counsel, auditors or other consultants, and by more formal director education.

The Board oversees the conduct of Timberland's business and administers the risk management function by:

- selecting, evaluating, and retaining competent senior management;
- establishing, with senior management, Timberland's long- and short-term business objectives, and adopting operating policies to achieve these objectives in a legal and sound manner;

- monitoring operations to ensure that they are controlled adequately and are in compliance with laws and policies; and
- overseeing Timberland's business performance.

These responsibilities are governed by a complex framework of federal and state law and regulation as well as regulatory guidelines applicable to the operation of Timberland and the Bank.

The Board ensures that all significant risk-taking activities are covered by written policies that are communicated to appropriate employees. Specific policies cover material credit, market, liquidity, operational, legal and reputation risks. The policies are formulated to further Timberland's business plan in a manner consistent with safe and sound practices. The Board ensures that all such policies are monitored by senior management to make certain that they conform with changes in laws and regulations, economic conditions, and Timberland's and the Bank's circumstances. The policies are implemented by senior management who develop and maintain procedures, including a system of internal controls, designed to foster sound practices, to comply with laws and regulations, and to protect Timberland against external crimes and internal fraud and abuse.

Management regularly provides the Board and its various committees with a significant amount of information regarding a wide variety of matters affecting Timberland. This includes senior management reports to the Board. These reports present information in a form meaningful to members of the Board, who recognize that the level of detail and frequency of individual senior management reports will vary with the nature of risk under consideration and Timberland's and the Bank's unique circumstances. Matters presented to the Board and Board committees generally include information with respect to risk. The Board and Board committees consider the risk aspects of such information and often request additional information with respect to issues that may involve risk to Timberland. The Board and Board committees also raise risk issues on their own initiative.

The Board has established a mechanism for independent third party review and testing of compliance with policies and procedures, applicable laws and regulations, and the accuracy of information provided by senior management. This is accomplished, for example, by an internal auditor reporting directly to the Audit Committee. In addition, an external audit is performed. The Audit Committee reviews the auditors' findings with senior management and monitors senior management's efforts to resolve any identified issues and recommendations. The Audit Committee provides regular reports of its activities to the Board.

The Board also reviews reports of inspection and examination or other supervisory activity, and any other material correspondence received from Timberland's regulators. Findings and recommendations, if any, are carefully reviewed, and progress in addressing such matters is routinely monitored.

Code of Ethics. The Board of Directors has adopted codes of ethics for each of our (1) principal executive officers and senior financial officers, (2) directors and (3) officers and other employees. The codes of ethics require individuals to maintain the highest standards of professional conduct. Our Code of Ethics for Principal Executive Officers and Senior Financial Officers was filed with the SEC as Exhibit 14 to our Annual Report on Form 10-K for the fiscal year ended September 30, 2003 and is available on our website at www.timberlandbank.com.

Shareholder Communication with the Board of Directors. The Board of Directors maintains a process for shareholders to communicate with the Board. Shareholders wishing to communicate with the Board of Directors may do so by mailing a letter marked "Confidential" to the Board of Directors, Timberland Bancorp, Inc., 624 Simpson Avenue, Hoquiam, Washington 98550. Any communication must state the number of shares beneficially owned by the shareholder making the communication.

Annual Meeting Attendance by Directors. We do not have a policy regarding Board member attendance at annual meetings of shareholders. All members of the Board of Directors attended the 2015 annual meeting of shareholders.

Related Party Transactions. We have followed a policy of granting loans to our employees, officers and directors, which fully complies with all applicable federal regulations. Loans to our directors and executive officers are made in the ordinary course of business and on the same terms and conditions as those of comparable transactions with non-insider employees prevailing at the time, unless the loan or extension of credit is made under a benefit program generally available to all other employees and does not give preference to any insider over any other employee. Under Timberland Bank's current employee and director loan benefit program, all employees and directors are entitled to the following preferred terms:

- Adjustable rate mortgage for personal residence: interest rate is 1.5% above Timberland Bank's cost of funds (subject to a floor of 4.25%); no loan fee is charged.
- Fixed rate mortgage for personal residence: interest rate is set at the current Federal Home Loan Mortgage Corporation par rate; no loan fee is charged.
- Consumer loans: normal interest rates apply; no loan fee is charged.
- Personal computer purchases: interest rate is currently 3.0%; no loan fee is charged.

The following directors and executive officers had loans in excess of \$120,000 outstanding under the loan benefit program:

Name	Type of Loan	Amount Involved in the Transaction (\$)(1)	Amount Outstanding as of September 30, 2015 (\$)	Principal Paid During the Year Ended September 30, 2015 (\$)	Interest Paid During the Year Ended September 30, 2015 (\$)	Interest Rate (%)
Robert A. Drugge	First Mortgage	292,424	284,972	7,452	12,285	4.25

(1) Consists of the largest aggregate amount of principal outstanding during the year ended September 30, 2015.

Loans to directors and executive officers are made in accordance with the same underwriting guidelines for non-insider customers and do not involve more than the normal risk of collectibility, or present other unfavorable features. Loans to directors and executive officers are approved by the Board of Directors, with the director involved excluded from the vote. Loans and available lines of credit to all directors and executive officers and their associates totaled approximately \$723,000 at September 30, 2015, which was 0.8% of our equity at that date. All loans to directors and executive officers were performing in accordance with their terms at September 30, 2015.

Director Parker is a member of the law firm of Parker, Winkelman & Parker P.S., which serves as general counsel to Timberland Bank and Timberland. We paid legal fees of \$164,000 to Parker, Winkelman & Parker P.S. for services it rendered during the fiscal year ended September 30, 2015, all of which constitutes Director Parker's interest.

Employment Agreements. On March 26, 2013, Timberland and Timberland Bank entered into employment agreements with Michael R. Sand and Dean J. Brydon. The agreements have initial terms from March 26, 2013 through March 25, 2016. The term of the agreements were extended for an additional year beginning on March 26, 2014, and will be extended on each March 26 thereafter, unless either party gives at least 90 days prior written notice to the other that the employment period will not be extended, or the Board of Directors of Timberland or Timberland Bank (or in each case its designated committee) does not approve the renewal of the agreement. The agreements provide for an annual base salary of \$297,850 and \$182,104 for Messrs. Sand and Brydon, respectively. The base salary will be reviewed annually and may be increased at the discretion of the Board. The agreements provide that the executives will be eligible to receive performance-based and discretionary bonuses, and also to receive employee benefits on as favorable a basis as other similarly situated and performing senior executives of Timberland and Timberland Bank.

The employment agreements provide for severance benefits in the event an executive's employment is terminated by Timberland and Timberland Bank, other than for cause or as a result of the executive's death or disability, or if the employment is terminated by the executive for good reason ("Termination"). For a Termination during the first

year of the employment agreement and before a change in control of Timberland, Mr. Sand and Mr. Brydon would be entitled to receive (i) an amount equal to 100% of their base salary as in effect at the time of Termination, payable in a lump sum, (ii) the pro rata portion of any incentive award he would have been entitled to had he remained employed with Timberland and Timberland Bank, and (iii) continued medical, dental, life insurance and other benefits for the remaining term of the agreement. For a Termination occurring after the first anniversary of the employment agreement and prior to a change in control, Mr. Sand and Mr. Brydon would be entitled to continued payments of their base salary as in effect at the time of Termination, plus continued medical, dental, life insurance, and other benefits for the remaining term of the agreement. For a Termination occurring after a change in control event, Mr. Sand and Mr. Brydon each would be entitled to receive an amount equal to 299% of their “base amount” as defined under Section 280G of the Internal Revenue Code, payable in a lump sum within 25 days of the change in control, and continued benefits for the remaining term of the agreement. The agreements are subject to the golden parachute payment restrictions of Section 280G and other regulatory provisions, and include a clawback provision should any severance payment require recapture under any applicable statute, law, regulation or regulatory interpretation or guidance.

The agreements for Messrs. Sand and Brydon contain restrictive covenants prohibiting the unauthorized disclosure of confidential information of Timberland or its affiliates by the executives during and after their employment with Timberland and Timberland Bank. The employment agreement for Mr. Sand prohibits him from competing with Timberland and its affiliates and for soliciting their employees or customers during employment and after termination of employment for any reason. The non-solicitation and non-competition provisions apply to Mr. Sand for a period of six months following any termination.

PROPOSAL 2 – ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”), we are required to include in our annual meeting proxy statements and present at the annual meeting of shareholders a non-binding shareholder resolution to approve the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC. This proposal, commonly known as a “say-on-pay” proposal, gives shareholders the opportunity to endorse or not endorse the compensation of Timberland’s executives as disclosed in this Proxy Statement. We currently hold an annual say-on-pay vote every year. The proposal will be presented at the annual meeting in the form of the following resolution:

RESOLVED, that the shareholders approve the compensation of Timberland Bancorp, Inc.’s named executive officers as disclosed in the compensation tables and related material in the Proxy Statement for the 2016 annual meeting of shareholders.

This vote will not be binding on our Board of Directors and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. It will also not affect any compensation paid or awarded to any executive. The Compensation Committee and the Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

Our executive compensation policies are designed to establish an appropriate relationship between executive pay and the annual and long-term performance of Timberland and Timberland Bank, to reflect the attainment of short- and long-term financial performance goals, to enhance our ability to attract and retain qualified executive officers, and to align to the greatest extent possible the interests of management and shareholders. Our Board of Directors believes that our compensation policies and procedures achieve these objectives. The Board of Directors unanimously recommends that you vote FOR approval of the compensation of our named executive officers as disclosed in this Proxy Statement.

AUDIT COMMITTEE REPORT

The Audit Committee reports as follows with respect to Timberland’s audited financial statements for the fiscal year ended September 30, 2015:

- The Audit Committee has reviewed and discussed the 2015 audited financial statements with management;
- The Audit Committee has discussed with the independent auditor, Delap LLP, the matters required to be discussed by Auditing Standard No. 16, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T;

- The Audit Committee has received written disclosures and the letter from the independent auditor required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence, and has discussed with the independent auditor the independent auditor's independence; and
- The Audit Committee has, based on its review and discussions with management of the 2015 audited financial statements and discussions with the independent auditor, recommended to the Board of Directors that Timberland's audited financial statements for the year ended September 30, 2015 be included in its Annual Report on Form 10-K.

The foregoing report is provided by the following directors, who constitute the Audit Committee:

Audit Committee: Michael J. Stoney, Chairman
 David A. Smith
 Larry D. Goldberg

This report shall not be deemed to be incorporated by reference or by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, and shall not otherwise be deemed filed under such acts.

PROPOSAL 3 – RATIFICATION OF SELECTION OF INDEPENDENT AUDITOR

The Audit Committee operates under a written charter adopted by the Board of Directors. In fulfilling its oversight responsibility of reviewing the services performed by Timberland’s independent auditor, the Committee carefully reviews the policies and procedures for the engagement of the independent auditor. The Audit Committee also discussed with Delap LLP the overall scope and plans for the audit, and the results of its audit. The Committee also reviewed and discussed with Delap LLP the fees paid, as described below.

The Audit Committee of the Board of Directors has selected Delap LLP as our independent auditor for the year ending September 30, 2016 and that selection is being submitted to shareholders for ratification. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Delap LLP to our shareholders for ratification as a matter of good corporate practice. If the selection is not ratified, the Audit Committee will consider whether it is appropriate to select another registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of Timberland and our shareholders. Delap LLP served as our independent auditor for the year ended September 30, 2015 and a representative of the firm will be present at the annual meeting to respond to appropriate questions and will have an opportunity to make a statement if he or she so desires.

The Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of Delap LLP as our independent auditor.

The following table sets forth the aggregate fees billed to Timberland and Timberland Bank by Delap LLP for professional services rendered for the fiscal years ended September 30, 2015 and 2014.

	Year Ended September 30,	
	2015	2014
Audit Fees (1)	\$241,000	\$233,500
Audit-Related Fees (2)	3,244	5,840
Tax Fees (3)	13,000	12,500
All Other Fees	--	--

(1) Includes fees for the annual audit and quarterly reviews of the consolidated financial statements.

(2) Consists of fees related to consultations on various accounting and reporting matters.

(3) Consists of fees for the preparation of income tax returns and tax advice.

The Audit Committee pre-approves all audit and permissible non-audit services to be provided by the independent auditor and the estimated fees for these services in connection with its annual review of its charter. Pre-approval may be granted by action of the full Audit Committee or by delegated authority to one or more members of the Audit Committee. If this authority is delegated, all approved non-audit services will be presented to the Audit

Committee at its next meeting for ratification. In considering non-audit services, the Audit Committee or its delegate will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent auditor and whether the service could compromise the independence of the independent auditor. All of the services provided by Delap LLP described above were approved by the Audit Committee.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our directors and executive officers, and persons who own more than 10% of Timberland's common stock to report their initial ownership of the common stock and any subsequent changes in that ownership to the SEC. The SEC has established filing deadlines for these reports and we are required to disclose in this Proxy Statement any late filings or failures to file. Based solely on our review of the copies of such forms we have received and written representations provided to us by the above referenced persons, we believe that, during the fiscal year ended September 30, 2015, all filing requirements applicable to our reporting officers, directors and greater than 10% shareholders were properly and timely complied with, except for one late filing on Form 4 covering one transaction for five shares by Mr. Edward C. Foster, Executive Vice President and Chief Credit Officer of Timberland and the Bank.
