Item 1.01. Entry into a Material Definitive Agreement.

On December 5, 2005, the board of directors of Noble Energy, Inc. (the "Company") approved Amendment No. 1 to the Noble Energy, Inc. Non-Employee Director Fee Deferral Plan (the "Amendment"), which separates the portion of the plan applicable to non-employee director compensation earned prior to January 1, 2005 (the "Original Plan") from the portion of the plan applicable to compensation earned after December 31, 2004 (the "New Plan"). The Amendment is effective as of January 1, 2005. Under the terms of these plans, non-employee directors may, during a specified period of time each year, elect to have all or any portion of their director fees deferred for future payment by the Company. The general purpose of these modifications is to conform the Company's fee deferral program for non-employee directors to the requirements of Section 409A of the Internal Revenue Code.

The Original Plan now provides that no deferrals may be made under that plan with respect to compensation earned by a non-employee director of the Company for services performed after December 31, 2004. Compensation for services performed after that date may be deferred by non-employee directors pursuant to the terms of the New Plan. In addition, the New Plan changes the plan year to a calendar year and provides newly appointed non-employee directors with an initial 30-day period during which they can make deferral elections. The description set forth herein of the material terms of the Original Plan and the New Plan is qualified in its entirety by reference to the full text of the Amendment and the New Plan, which are filed with this report as Exhibits 10.1 and 10.2, respectively.
