Except for such Retained Records that the Company may be required pursuant to applicable Law to retain for a period of time subsequent to the Closing or the Company's dissolution and liquidation, as the case may be, on or prior to the date the Company is fully and finally liquidated and dissolved, the Company shall maintain records in accordance with all applicable laws and shall deliver all its records including copies of the Retained Records to the Purchaser; provided, that any Retained Records so retained by the Company shall be returned to the Purchaser when no longer required under applicable Law to be retained by the Company.

Employee Option Plan in the Ordinary Course of Business under the Company's director compensation arrangements in effect and (B) issue shares of Company Common Stock upon the exercise of options outstanding on the date hereof under the Employee Option Plan or granted in accordance with clause (A) above, in each case in accordance with the terms thereof and *Section 7.8*;

(iii) effect any recapitalization, reclassification, stock split or other change in the capitalization of the Company or any of its Subsidiaries, except, with respect to Subsidiaries other than Equant Finance B.V., any recapitalization, reclassification, stock split or other change in the capitalization which would not cause the representation and warranty in *Section 5.3* or *Section 5.4* to be untrue or inaccurate (without giving effect to any reference in *Section 5.3* to this *Section 7.2*);

(iv) amend the articles of association or other organizational documents of the Company or any of its Subsidiaries, except, with respect to Subsidiaries other than Equant Finance B.V., any amendment to the articles of association or other organizational documents which is not reasonably likely, individually or in the aggregate, to have a Company Material Adverse Effect;

(vi) other than a Contract entered into by a Subsidiary in the Ordinary Course of Business, enter into any Contract involving payments (whether present or future, contingent or absolute) in excess of 5,000,000 U.S. Dollars in the aggregate;

(vii) except in the Ordinary Course of Business or as set forth on *Schedule 7.2(b)(vii)* or as may be required by any collective bargaining agreement, employment agreement or other agreement in effect as of the date hereof or by applicable Law (A) increase or agree to increase the annual level of compensation (including equity compensation, whether payable in cash, stock or other property) of any Employee, (B) grant any benefit or other direct or indirect compensation to any Employee, (C) increase or agree to increase the coverage or benefits available under any (or create any new) severance pay, termination pay, vacation pay, company awards, salary continuation for disability, sick leave, deferred compensation, bonus or other incentive compensation, insurance, pension, welfare or other employee benefit plan or arrangement made to, for, or with any of the directors, officers, Employees, agents or representatives of the Company or any of its Subsidiaries or otherwise modify or amend or terminate any such plan or arrangement or (D) enter into any employment (other than to the extent providing for at-will employment and without severance), deferred compensation, severance, consulting, non-competition or similar agreement (or amend any such agreement) to which the Company or any of its Subsidiaries is a party or involving a director, officer or employee of the Company or any of its Subsidiaries in his or her capacity as a director, officer or employee of the Company or any of its Subsidiaries;

(viii) except as may be required by applicable Law or by the terms of any existing labor or collective bargaining agreement as of the date hereof, enter into, modify or terminate any labor or collective bargaining agreement of the Company or

any of its Subsidiaries or, through negotiation or otherwise, make any commitment or incur any material liability to any labor organization with respect to the Company or any of its Subsidiaries;

(ix) except for any Legal Proceeding in the Ordinary Course of Business involving the Subsidiaries and not the Company, commence or settle any Legal Proceeding (other than any Legal Proceeding relating to this Agreement, the Transaction or the transactions contemplated hereby) pending or threatened against the Company or any of its Subsidiaries or to which the Company or any of its Subsidiaries is otherwise a party;

(x) agree to do anything prohibited by this *Section 7.2* or anything which would reasonably be expected to result in the condition set forth in *Section 8.2(a)* not being satisfied.

(c) Except as contemplated by this Agreement, between the date hereof and Closing, the Company shall not (i) purchase, acquire or accept any right, title or interest in, to and under any asset or (ii) voluntarily incur or undertake to incur directly any liability or enter into any agreement or arrangement which, in each case, could reasonably be expected to delay, postpone, or increase the cost of the Company liquidation process.

Section 7.3 Consents and Notices for Transfers of Assets and Liabilities. (a) The Company and the Purchaser shall each use commercially reasonable efforts and shall cooperate with each other to (i) obtain at the earliest practicable date all consents and approvals required to consummate the Transaction and the other transactions contemplated hereby, including the Company Required Approvals and the Purchaser Required Approvals and any consents or approval required for the transfer to the Purchaser (or its designated Affiliate) of all the Purchased Contracts to which the Company is party or by which it is bound or to which its assets are subject, the list of which is attached as *Schedule 7.3(a)*, and the other Purchased Assets and Assumed Liabilities; and (ii) furnish, provide or deliver such information, notices and communications as may be required to be furnished, provided or delivered in order to enable the Parties to consummate the Transaction and the other transactions contemplated hereby.

(b) Without prejudice to the respective rights and without limiting any of the respective obligations of the Parties under *Section 7.3(a)* with respect to periods following the Closing, the Company and the Purchaser shall cooperate in entering into lawful arrangements from and after the Closing to provide that the Purchaser shall receive the benefits of all Purchased Assets, and be responsible for all Assumed Liabilities, under each Permit (including Permits the transfer of which is prohibited by applicable Law) and Contract under which the Purchased Assets will not be transferred at Closing free and clear of Liens (other than Permitted Liens) or under which the Assumed Liabilities will not be fully transferred, in either case as a result of the failure to obtain a consent or approval or to make a filing or notification. Nothing in this Agreement shall be construed as an attempt to transfer any asset or liability that is by its terms non-transferable without the consent of another party.

(c) If any required consent to the assignment of any Purchased Contract referred to in *Section 7.3(a)* is not obtained by the Closing, that Purchased Contract shall not be assigned to the Purchaser (or its designated Affiliate) (an Unassigned Purchased Contract); provided, however, that if any such consent is not obtained prior to the Closing, the Company and Purchaser shall each use commercially reasonable efforts and shall cooperate with each

other as reasonably requested by the other Party during the Tax Resolution Period in order to obtain, at the expense and choice of the Purchaser, the required consent to assignment or the termination of that Unassigned Purchased Contract. Between Closing and such assignment or termination of an Unassigned Purchased Contract with a customer, the Purchaser and the Company shall enter into the necessary arrangements so that the services to be rendered to such customer are not discontinued and are rendered by the Purchaser under subcontracting arrangements providing for the same terms and conditions of such Unassigned Purchased Contract. Such arrangements shall be such that any profits or losses derived therefrom shall inure to the benefit of, or be incurred by, the Purchaser. In respect of any Unassigned Purchased Contract that requires the Company to make any payment after the Closing, such payment shall be made by the Company until the relevant consent is obtained or termination effective with funds made available to the Company by the Purchaser.

(d) The Company and the Purchaser shall use commercially reasonable efforts and shall cooperate with each other to cause the Company's existing Contracts with SITA to be assigned and transferred to and assumed by Equant Finance B.V. on or prior to Closing.

Section 7.4 Filings with Governmental Authorities. (a) Each of the Purchaser and the Company shall (i) make or cause to be made all filings required of them or any of their respective Subsidiaries or controlled Affiliates (in the case of the Purchaser, other than the Company and its controlled Affiliates) under applicable Laws, including United States securities Laws and Antitrust Laws and telecommunications or related Laws, with respect to the Transaction and the other transactions contemplated hereby as promptly as practicable, (ii) comply at the earliest practicable date with any request under applicable Laws, including Antitrust Laws and telecommunications or related Laws, for additional information, documents, or other materials received by each of them or any of their respective Subsidiaries or controlled Affiliates (in the case of the Purchaser, other than the Company and its controlled Affiliates) from any Governmental Authority in respect of such filings or such transactions, and (iii) cooperate with each other in connection with any such filing (including, to the extent permitted by applicable Law, providing copies of draft filings to the non-filing parties prior to filing and considering all reasonable additions, deletions or changes suggested in connection therewith) and in connection with resolving any investigation or other inquiry of any Governmental Authority under any Laws with respect to any such filing or any such transaction. Each Party shall use commercially reasonable efforts to furnish to the other Party all information required for any application or other filing to be made pursuant to any applicable Law in connection with the transactions contemplated by this Agreement. Subject to applicable Law, the Parties hereto will consult and cooperate with one another and keep each other informed in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any Party hereto under such applicable Laws.

(b) Each of the Purchaser and the Company shall use commercially reasonable efforts to resolve such objections, if any, as may be asserted by any Governmental Authority with respect to the transactions contemplated by this Agreement and the Transaction Documents under any of such applicable Laws. Each of the Purchaser and the Company shall use commercially reasonable efforts to take such action as may be required to cause the expiration of review or waiting periods under such Laws or the notice periods under such Laws, including Antitrust Laws, with respect to such transactions as promptly as possible after the execution of this Agreement. Notwithstanding anything to the contrary in this Agreement, neither the Purchaser or any of its Affiliates nor the Company shall be required

(i) to hold separate (including by trust or otherwise) or divest any of their respective businesses product lines or assets, (ii) to agree to any limitation on the operation or conduct of their respective businesses, or (iii) to waive any of the conditions set forth in *Article Eight* of this Agreement.

Section 7.5 Other Actions. (a) The Company and the Purchaser shall use their commercially reasonable efforts to (i) take all actions necessary or appropriate to consummate the transactions contemplated by this Agreement and, in particular to cause the transfer to or assumption by the Purchaser of all Purchased Assets and Assumed Liabilities, the liquidation of the Company, the Shareholder Distribution and the other transactions contemplated hereby, in each case in compliance with and as may be required by applicable Laws and (ii) cause the fulfillment at the earliest practicable date of all of the conditions to their respective obligations to consummate the transactions contemplated by this Agreement.

(b) The Purchaser shall not direct or otherwise cause the Company, directly or indirectly, to breach any provision of this Agreement; provided, that, if the Purchaser shall so direct or otherwise cause the Company to breach any provision of this Agreement, such directed or caused action by the Company shall be deemed not to be a breach of this Agreement by the Company.

(c) From time to time following the Closing, the Company and the Purchaser shall, and shall cause their respective Affiliates to, execute, acknowledge and deliver all such further conveyances, notices, assumptions, releases and acknowledgements and such other instruments, and shall take such further actions, as may be necessary or appropriate to assure fully to the Purchaser and its respective successors or assigns, all of the properties, rights, titles, interests, estates, remedies, powers and privileges intended to be conveyed to the Purchaser and to assure fully to the Company and its successors and assigns, the assumption by the Purchaser of the Assumed Liabilities under this Agreement and the transactions contemplated hereby.

Section 7.6 Non Negotiation; Non-Solicitation. (a) The Company shall not, nor shall it authorize or permit any of its Subsidiaries, any of their respective directors, officers or employees or any investment banker, financial advisor, attorney, accountant or other advisor, agent or representative (collectively, Representatives) retained by it or any of its Subsidiaries to, directly or indirectly through another person, (i) solicit, initiate or knowingly encourage, or take any other action intended to, or which would reasonably be expected to, facilitate, the making by any Person (other than the Parties hereto or any of their Affiliates) of any proposal that constitutes or may reasonably be expected to lead to a Company Takeover Proposal or (ii) participate in any discussions or negotiations regarding, or furnish to any person any information, or otherwise cooperate in any way with, any Company Takeover Proposal. Any violation of the restrictions set forth in the preceding sentence by any Representative of the Company or any of its Subsidiaries shall be a breach of this *Section 7.6(a)* by the Company. The Company shall, and shall cause its Subsidiaries to, immediately cease and cause to be terminated any and all existing discussions or negotiations with any person conducted heretofore with respect to any Company Takeover Proposal and request the prompt return or destruction of all confidential information previously furnished with respect thereto. Notwithstanding the foregoing, at any time prior to obtaining the Company Shareholder Approval, in response to a bona fide unsolicited written Company Takeover Proposal that did not result from a breach of this *Section 7.6(a)*, and that the Company Boards determine in good faith (after consultation with outside legal counsel and a financial advisor of internationally recognized reputation) constitutes or is reasonably likely

to result in a Company Superior Proposal, the Company may, if the Company Boards determine in good faith (after consultation with outside legal counsel) that it is necessary in their reasonable judgment to do so in order to comply with their respective fiduciary duties under applicable Law, and after giving the Purchaser written notice of such Company Takeover Proposal and such determination, (A) furnish information with respect to the Company and its Subsidiaries to the Person making such Company Takeover Proposal (and its Representatives) pursuant to a customary confidentiality agreement, provided that all such information is provided to the Purchaser prior to or as soon as reasonably practicable after it is provided to such Person, and (B) participate in discussions or negotiations with the Person making such Company Takeover Proposal (and its Representatives) regarding such Company Takeover Proposal.

(b) Neither the Company Boards nor any committee thereof shall (i) (A) withdraw (or modify in a manner adverse to the Purchaser), or propose to withdraw (or modify in a manner adverse to the Purchaser), (1) the approval, or (2) subject to *Section 7.6(c)*, the recommendation or declaration of advisability by such Company Board or committee of this Agreement or the Transaction or (B) recommend, adopt or approve, or propose publicly to recommend, adopt or approve, any Company Takeover Proposal (any action described in this clause (i), a Company Adverse Recommendation Change) or (ii) approve or recommend, or propose to approve or recommend, or allow the Company or any of its Subsidiaries to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar agreement constituting or related to, or that is intended to or may reasonably be expected to lead to, any Company Takeover Proposal (other than a confidentiality agreement pursuant to *Section 7.6(a)*). Notwithstanding the foregoing, each of the Company Boards and the Special Committee may make a Company Adverse Recommendation Change (i) if the Company actually receives a Company Superior Proposal, such Company Superior Proposal is pending at the time of such Company Adverse Recommendation Change and such Company Board or the Special Committee, as applicable, determines in good faith (after consultation with outside legal counsel and a financial advisor of internationally recognized reputation) that it is necessary in its reasonable judgment to make a Company Adverse Recommendation Change in order to comply with its fiduciary duties under applicable Law and (ii) the Company has complied with all other provisions of this *Section 7.6*; provided, however, that no Company Adverse Recommendation Change may be made until after the fifth (5th) Business Day following the Purchaser's receipt of written notice from the Company (an Adverse Recommendation Notice) advising the Purchaser that such Company Board or the Special Committee, as applicable, intends to make such Company Adverse Recommendation Change and specifying the terms and conditions of such Company Superior Proposal (it being understood and agreed that any material amendment to the Company Superior Proposal shall require a new Adverse Recommendation Notice and a new five (5) Business Day period). In determining whether to make a Company Adverse Recommendation Change in response to a Company Superior Proposal, neither Company Board nor the Special Committee shall make a Company Adverse Recommendation Change unless (i) such Company Board or the Special Committee, as applicable, believes, after taking into account any legally binding offer of the Purchaser to modify the terms of this Agreement, that such Company Takeover Proposal continues to constitute a Company Superior Proposal, and (ii) each Company Board and the Special Committee shall otherwise at all times negotiate in good faith with the Purchaser with respect to changes to the terms of this Agreement proposed by the Purchaser in response to an Adverse Recommendation Notice or otherwise.

(c) Nothing contained in this *Section 7.6* shall prohibit either Company Board or the Special Committee from making any required disclosure to the shareholders of the Company or to the public (including with respect to the status of its recommendation or declaration of advisability of the Transaction in light of any material change in events or circumstances) if, in the good faith judgment of such Company Board or the Special Committee, as applicable (after consultation with outside legal counsel), failure to do so could reasonably be expected to constitute a violation of applicable Law.

(d) For purposes of this Agreement, *Company Takeover Proposal* shall mean any inquiry, proposal or offer from any Person with respect to (a) a merger, consolidation, dissolution, recapitalization or other business combination involving the Company, (b) the issuance of thirty-three and one third percent (33 1/3%) or more of the equity securities of the Company as consideration for the assets or securities of another Person or (c) the purchase or acquisition in any manner, directly or indirectly, of thirty-three and one third percent (33 1/3%) or more of the equity securities of the Company or assets (including equity securities of any Subsidiary of the Company) that represent thirty-three and one third percent (33 1/3%) or more of the total consolidated assets of the Company, in each case other than the transactions contemplated by this Agreement.

(e) For purposes of this Agreement, *Company Superior Proposal* shall mean a Company Takeover Proposal which either Company Board or the Special Committee determines in good faith (after consultation with a financial advisor of internationally recognized reputation) to be (i) more favorable to the Company and the shareholders, employees, and other stakeholders of the Company from a financial, strategic, business or operational point of view than the Transaction (taking into account all the terms and conditions of such proposal and this Agreement (including the time frame within which it can be consummated and any changes to the terms of this Agreement proposed in a binding offer by the Purchaser in response to such offer or otherwise)) and (ii) reasonably capable of being completed in a reasonable time frame, taking into account all financial, legal, regulatory and other aspects of such proposal.

Section 7.7 Publicity. Neither the Company nor the Purchaser shall issue any press release or public announcement concerning this Agreement or the transactions contemplated hereby without obtaining the prior written approval of the other Party and, in the case of any such release or announcement that refers to the Special Committee or any member thereof, of the Special Committee (which, in any such case, will not be unreasonably withheld or delayed), unless, in the sole judgment of the Purchaser or the Company, as the case may be, disclosure is otherwise required by applicable Law, provided that, to the extent permitted by applicable Law, the Party intending to make such release shall use its commercially reasonable efforts consistent with such applicable Law to consult with the other Party and, as applicable, the Special Committee, in each case with respect to the text thereof; and provided, further, however, that each of the Purchaser and the Company, as the case may be, may make public statements in response to specific questions by the press, analysts, investors or those attending industry conferences or financial analyst conference calls, so long as any such statements are consistent with previous press releases, public disclosures or public statements made jointly by the Purchaser and the Company or previously approved by the other party and, as applicable, the Special Committee, pursuant to this *Section 7.7*, and do not disclose additional information beyond that contained in such previous joint or approved communications.

Section 7.8 Company Stock Options and Other Awards. (a) The Purchaser shall not assume any options or other awards under the Employee Option Plan or any other option, warrant or other convertible security of the Company or its Subsidiaries.

(b) On or prior to the Closing Date, the Company shall take any and all actions necessary to eliminate, prior to the Shareholder Distribution Record Date, any and all restrictions on all restricted stock awards in respect of Company Common Stock granted under the Employee Option Plan. Shareholder Distribution Record Date shall mean the record date set for the Shareholder Distribution which shall be the Business Day immediately preceding the Shareholder Distribution (which shall be made on a Business Day).

(c) As promptly as practicable and by no later than the tenth (10th) Business Day after the date hereof, the Company shall take any and all action necessary:

(i) to immediately and fully accelerate the vesting of all stock options outstanding under the Employee Option Plan (all of the stock options under the Employee Option Plan vested as of such date, whether by operation of this clause or previously vested, being referred to herein as the Accelerated Options) and to provide that in the case of any option held by any Employee whose employment is terminated without good cause as a result of any reduction in force or similar action between the date hereof and the Shareholder Distribution Record Date, such option shall remain exercisable through the fifteenth (15th) day after the Shareholder Distribution Record Date provided that in any case the holder, upon exercise of such Accelerated Options, will not be granted shares of Company Common Stock if such exercise occurs after the twentieth (20th) day prior to the Shareholder Distribution Record Date;

(ii) to cause each holder of Accelerated Options to receive from the Company upon exercise of such Accelerated Options by or on the twentieth (20th) day prior to the Shareholder Distribution Record Date a number of shares of Company Common Stock equal to the number of shares of Company Common Stock issuable or deliverable thereunder (it being understood that shares of Company Common Stock delivered upon any such exercise shall be newly issued) and which shall be entitled to participate in the Shareholder Distribution pro rata with the other outstanding shares of Company Common Stock and Company Preferred Stock outstanding as of the Shareholder Distribution Record Date;

(iii) to cause each holder of Accelerated Options to receive from the Company upon exercise of such Accelerated Options after the twentieth (20th) day prior to the Shareholder Distribution Record Date and by no later than the fifteenth (15th) day after the Shareholder Distribution Record Date the Accelerated Award Payment in respect of such Accelerated Options in lieu of the shares of Company Common Stock that would otherwise be issuable or deliverable thereunder (and which shall no longer be so issuable or deliverable) which Accelerated Award Payment will be made on the twenty-fifth (25th) day after the Shareholder Distribution date. The Accelerated Award Payment in respect of an Accelerated Option will be the amount equal to the positive difference (if any) between (A) the quotient of (x) the aggregate amount of the Cash Payment divided by (y) the aggregate number of shares of Company Common Stock and Company Preferred Stock outstanding as of the date hereof as set forth in *Section 5.3* and (B) the exercise price of such Accelerated Option, provided that if the amount so calculated is lower than the Formula Amount

in respect of such Accelerated Option, the Accelerated Award Payment shall be increased to equal such Formula Amount;

(iv) to ensure that all stock options under the Employee Option Plan that are outstanding and remain unexercised or have not been surrendered as of the fifteenth (15th) day after the Shareholder Distribution Record Date shall lapse on the fifteenth (15th) day after the Shareholder Distribution date and that the holder of any Accelerated Option that so lapses receives from the Company on the twenty-fifth (25th) day after the Shareholder Distribution date an amount equal to the value of such stock option as set forth on *Schedule 7.8(c)(iv)* (the Formula Amount);

(v) to cause payment of all Accelerated Award Payments and Formula Amounts payable pursuant to this *Section 7.8(c)* to be made by Equant to the persons entitled thereto by the twenty-fifth (25th) day after the Shareholder Distribution date or as promptly thereafter as practicable; and

(vi) to notify all holders of outstanding stock options under the Employee Option Plan of the foregoing.

(d) The Company shall maintain and administer the winding-up of the Employee Option Plan in the manner described in this *Section 7.8* and pay over to any holder of Accelerated Options the Accelerated Award Payments or the Formula Amounts, as the case may be, that such holder is entitled to receive. The Company agrees that, as a condition to the acceptance of any exercise or the making of any payment in respect of stock options under the Employee Option Plan, it shall use commercially reasonable efforts to obtain from the holder thereof a release of liability in form and substance satisfactory to the Purchaser, with such exceptions as the Purchaser may have agreed to in advance. The Company shall maintain and provide to the Purchaser all other records and information reasonably requested by the Purchaser that relate to the Accelerated Options or the other stock options or awards under the Employee Option Plan or the making of Accelerated Award Payments or payments of Formula Amounts pursuant to this *Section 7.8(c)* or Shareholder Distribution Shortfall Amounts in accordance with *Section 3.1(b)*.

Section 7.9 Preparation of the Company Shareholder Circular: Shareholders Meeting. (a) As soon as practicable following the date of this Agreement, (i) the Company shall prepare under the direction and control of the Special Committee, except to the extent required for the Company Boards to perform their respective fiduciary duties under applicable Law, the Company Shareholder Circular and (ii) the Purchaser shall promptly provide to the Company any information required for inclusion in the Company Shareholder Circular and shall promptly provide such other information or assistance in the preparation thereof as may be reasonably requested by the Company or as the Purchaser may consider appropriate in the circumstances. The Company shall use its reasonable best efforts (A) if and to the extent required in connection with the preparation of the Company Shareholder Circular, to prepare as soon as reasonably practicable its 2004 consolidated financial statements in accordance with generally accepted accounting principles in France and with a reconciliation to generally accepted accounting principles in the United States consistently applied except as noted therein and (B) to cause the Company Shareholder Circular (1) to be published in accordance with applicable Law, which shall, to the extent required by the Exchange Act, include filing the Company Shareholder Circular on Schedule 13e-3 with the SEC, and (2) to be disseminated to the shareholders of the Company in accordance with applicable Law, in case of each of the foregoing clauses (1) and (2), as promptly as

practicable after the date of this Agreement. Notwithstanding the foregoing, prior to publication or mailing of the Company Shareholder Circular (or any amendment or supplement thereto), the Company shall (x) provide the Purchaser and the Purchaser's counsel a reasonable opportunity to review and comment on the Company Shareholder Circular, and (y) give consideration to all reasonable comments made by the Purchaser or the Purchaser's counsel on the Company Shareholder Circular and (z) only file with the SEC or any other Governmental Authority or distribute to the Company's shareholders the Company Shareholder Circular (or any amendment or supplement thereto) with the prior approval of the Purchaser, which shall not be unreasonably withheld or delayed.

(b) None of the information included or incorporated by reference in the Company Shareholder Circular to be made available to the Company's shareholders for the purpose of obtaining the Company Shareholder Approval will, at the date it is first made available to the shareholders of the Company and at the time of the Company Shareholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading, except that no representation or warranty is made by the Company with respect to statements made or incorporated by reference therein based on information supplied by the Purchaser for inclusion or incorporation by reference in the Company Shareholder Circular. The Company Shareholder Circular will comply as to form in all material respects with the requirements of the applicable Laws. If at any time prior to Closing any information relating to the Company or any of its respective Affiliates, directors or officers, should be discovered by the Company which should be set forth in an amendment or supplement to the Company Shareholder Circular, so that such document would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Company shall promptly notify the Purchaser and an appropriate amendment or supplement describing such information shall be promptly prepared and published and, to the extent required by applicable Law, mailed to the Company shareholders (subject to clause (z) of paragraph (a) of this *Section 7.9*).

(c) None of the information supplied by the Purchaser for inclusion or incorporation by reference in the Company Shareholder Circular to be made available to the Company's shareholders for the purpose of obtaining the Company Shareholder Approvals will, at the date it is first made available to the shareholders of the Company and at the time of the Company Shareholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. If at any time prior to Closing any information relating to the Purchaser or any of its respective Affiliates, directors or officers, should be discovered by the Purchaser which should be set forth in an amendment or supplement to the Company Shareholder Circular, so that such document would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Purchaser shall promptly notify the Company and an appropriate amendment or supplement describing such information shall be promptly prepared and published and, to the extent required by applicable Law, made available to the Company shareholders (subject to clause (z) of paragraph (a) of this *Section 7.9*).

(d) The Company shall (under the direction and control of the Special Committee), as soon as practicable following the date of this Agreement, duly call, give notice of, convene and hold a meeting of its shareholders (the Company Shareholders Meeting) solely for the purpose of obtaining the Company Shareholder Approval of the Transaction and the other transactions contemplated hereby and the Required Resolutions and any other resolution of the Company's shareholders necessary or advisable in order to facilitate the Transaction and the other transactions contemplated hereby. Subject to *Section 7.6*, the Company shall, through the Company Boards, recommend to its shareholders the approval of the Transaction and the other transactions contemplated hereby and the Required Resolutions.

(e) The Purchaser shall vote or cause to be voted all of the Company Common Stock and, if required, all Company Preferred Stock owned by it and any of its controlled Affiliates (other than the Company and its controlled Affiliates) as of the date hereof or hereafter acquired in favor of the Required Resolutions.

(f) The Required Resolutions shall be the resolutions that are necessary in order to authorize and approve this Agreement and the transactions contemplated hereby, including resolutions of the General Meeting of Shareholders (i) approving the resolution of the Management Board to execute, deliver and perform this Agreement and the transactions contemplated hereby, (ii) authorizing and approving the liquidation of the Company and the Shareholder Distribution in each case in accordance with *Section 7.12* and conditional on the occurrence of the Closing, (iii) the appointment of a Person reasonably acceptable to the Purchaser and the Special Committee to act as the liquidator (the Liquidator) to administer such liquidation, the remuneration of the Liquidator and a company providing the Liquidator with support services, (iv) the confirmation that the Company's Supervisory Board will oversee such liquidation, it being understood that the Independent Directors and the Special Committee and their respective powers, authorities and responsibilities shall remain in effect until the time specified in clause (v) of this *Section 7.9(f)*, and (v) the automatic expiration of the term of the Independent Directors upon the later to occur of payment of the Shareholder Distribution and delisting of the Company's securities from the New York Stock Exchange and Euronext Paris and the amendment of the Company's articles of association to eliminate any requirement that the Supervisory Board include any Independent Directors (as currently defined in the Company's articles of associations) and the special functions and powers of such Independent Directors .

Section 7.10 Employee Benefits: Works Council. (a) Prior to the Closing Date, the Company and its Subsidiaries shall, to the extent required by applicable Laws, notify and consult with the relevant works council in non-U.S. jurisdictions regarding decisions to be taken after the date hereof, if any, in connection with the transactions contemplated by this Agreement and shall use reasonable best efforts, as reasonably requested by the Purchaser, under applicable Laws to facilitate the hiring by the Purchaser or by Equant Finance B.V. of the Employees of the Company that may cease to be employed by the Company as at Closing; provided that such actions shall be subject to the prior review and approval of the Purchaser. With respect to each Employee of the Company whose employment will not transfer by operation of Law in connection with the transactions contemplated by this Agreement, Purchaser shall, or shall direct the Company to cause Equant Finance B.V. to, at least twenty (20) Business Days prior to the Closing Date, offer in writing employment to each such Employee with Equant Finance B.V., Purchaser or a Subsidiary of Purchaser commencing as of the Closing Date, (i) at an annual salary or hourly wage rate, as applicable,

that is no less than the annual salary or hourly wage rate payable to such employee immediately prior to the Closing Date, (ii) in a position with comparable responsibilities to such Employee's position immediately prior to the Closing Date, (iii) at such Employee's principal work location immediately prior to the Closing Date and (iv) which otherwise complies with the Purchaser's obligations pursuant to Section 7.10(b) of this Agreement and any other terms that may apply under applicable Law. Prior to the Closing Date, none of the Group Companies shall make any representation to Employees regarding post-Closing employment practices, procedures and commitments of the Purchaser, including post-Closing employee benefit plans and compensation, without the prior written approval of the Purchaser. Furthermore, prior to Closing, the Purchaser shall direct the Company to transfer all of its rights under the separation agreements listed in *Schedule 7.3(a)* to Equant Finance B.V., the Purchaser or any of its Subsidiaries.

(b) The Purchaser shall cause the Employees located at Closing outside Europe (which for these purposes shall consist of the countries listed in the agreement of the European Group Committee of the France Telecom Group) who will be employed by Equant Finance B.V., the Purchaser or any of its subsidiaries or Affiliates after Closing (*Non-European Continuing Employees*) to be credited with service for the period they were employed by the Company and any of its Subsidiaries for purposes of eligibility and vesting and, with respect to vacation and severance benefits, benefit accrual in any benefit plan in which the Non-European Continuing Employees are eligible to participate after the Closing Date to the extent such service was recognized under the analogous benefit plan of the Company or any of its Subsidiaries prior to the Closing Date. For the one year period ending on the first anniversary of the Closing Date (the *Continuation Period*), the Purchaser shall, or shall cause its subsidiaries to, (i) pay each Non-European Continuing Employee an annual base salary or hourly wage rate, as applicable, that is no less than the annual salary or hourly wage rate payable to such Non-European Continuing Employee immediately prior to the Closing Date and (ii) provide the Non-European Continuing Employees with employee benefits (excluding bonus compensation) that are substantially similar in the aggregate to the employee benefits provided to the Non-European Continuing Employees immediately prior to the Closing Date. Nothing in this *Section 7.10(b)* shall be construed to entitle any Non-European Continuing Employee (i) to continue his or her employment with the Purchaser or any of its Affiliates except to the extent required by applicable Law or (ii) to the benefits of this *Section 7.10(b)* in connection with that Non-European Continuing Employee transferring to or accepting a new position with or within the Purchaser or any of its Affiliates in accordance with generally applicable transfer and mobility policies of the Purchaser and its Affiliates and on similar conditions to similarly situated employees of the Purchaser and its Affiliates. With respect to any health plans in which Non-European Continuing Employees are eligible to participate after the Closing Date, the Purchaser or its Subsidiaries or controlled Affiliates shall (i) waive all limitations as to pre-existing conditions exclusions with respect to participation and coverage requirements applicable to such employees (to the extent such exclusion was waived under applicable health plans offered to such employees by the Company or any of its Subsidiaries), (ii) waive any waiting period under such health plans to the extent that such period exceeds the corresponding waiting period under the corresponding health plans in which the Non-European Continuing Employees participated or were eligible to participate in immediately prior to the Closing Date (after taking into account the service credit provided for herein for purposes of satisfying such waiting period) and (iii) provide each Non-European Continuing Employee with credit for any co-payments and deductibles paid by such Non-European Continuing Employee prior to the Closing Date (to the same extent such credit was given under the analogous plan prior to the Closing Date) in

satisfying any applicable deductible or out-of-pocket requirements under such plans for the plan year that includes such transfer. Nothing in the preceding sentence confers a right to a Non-European Continuing Employee to maintain his or her current health plan coverage beyond the Continuation Period. The Purchaser will use reasonable efforts to not knowingly take or omit to take and to not permit any of its Subsidiaries to knowingly take or omit to take any action that would subject any Non-European Continuing Employee to a tax pursuant to section 409A of the Code with respect to the transactions contemplated hereby.

(c) Each severance plan in which any Employees of the Company or any of its Subsidiaries participates immediately prior to the Closing Date (the Severance Plans) maintained by the Company shall become the obligations of the Purchaser at the Closing Date and each Severance Plan maintained by a Subsidiary of the Company shall continue as an obligation of the applicable Subsidiary, as the case may be, and the Purchaser shall, or shall cause its Subsidiaries, as applicable, to: (i) during the Continuation Period, continue the Severance Plans as in effect for Employees immediately prior to the Closing Date, (ii) honor their obligations under the Severance Plans whether arising before, at or after the Closing Date, as such Severance Plans exist and are in effect as of the Closing Date. A list of the Severance Plans that covers employees in the United States is attached as *Schedule 7.10(c)*, which also lists the Company's guidelines for Severance Plans outside the United States.

(d) The Parties acknowledge that the rights and obligations of the Company with respect to any of its Employees in the European Union, to the extent they have not been transferred to Equant Finance B.V. under *Section 7.10(a)*, will at Closing transfer to the Purchaser by operation of Law. In particular, the Parties acknowledge, agree and accept that this Agreement qualifies as the transfer of an undertaking under section 7:662-666 of the Dutch Civil Code (*Burgerlijk Wetboek*) (DCC). According to section 7:663 DCC, the following actions will occur by operation of Law:

(i) The Employees who are on the employment rolls of the Company immediately prior to the Closing Date and who fall within the scope of Article 7:663 of the DCC will leave the employment of the Company and will enter the employment of Purchaser effective as of the Closing Date (the Transferred Company Employees); and

(ii) The terms and conditions of employment of the Transferred Company Employees with the Purchaser will be identical, in full scope, to the terms and conditions of employment of the Transferred Company Employees with the Company immediately prior to the Closing Date.

Section 7.11 Intercompany Items. Prior to or at the Closing, (a) the Company shall contribute to Equant Finance B.V. all cash and cash equivalents other than the Cash Payment, any portion of the Purchase Price payable pursuant to *Section 3.1(b)* and the cash proceeds from the exercise of options under the Employee Option Plan from the date hereof, and, in each case, interest thereon and (b) in a manner acceptable to the Purchaser, all intercompany arrangements, accounts and agreements between the Purchaser and the Company shall be transferred by the Company to Equant Finance B.V. prior to Closing or, at the Purchaser's election, shall be terminated or settled, as of the Closing Date, and all obligations thereunder shall be cancelled and released without any payment being made in respect thereof, unless otherwise agreed by the Purchaser and the Company.

Section 7.12 Liquidation and Satisfaction of Claims; Delisting and Deregistration of the Company Common Stock. (a) As promptly as practicable following the Closing, the Company shall make one or more liquidating distributions to the holders of the outstanding shares of Company Common Stock and Company Preferred Stock, each share of Company Preferred Stock giving the same entitlement to such distribution as one share of Company Common Stock, it being understood that it is the firm intention of the Parties that a single provisional liquidating distribution be made of the entire amount provided in the next sentence (the Shareholder Distribution). Such Shareholder Distribution shall be in an amount equal to the sum of (i) the Cash Payment and the interest accrued thereon, (ii) the cash proceeds from the exercise of the options under the Employee Option Plan and any interest accrued thereon and (iii) any Additional Cash Payment in respect of Shareholder Distribution Shortfall Amounts that has become due and payable on or before the date of the Shareholder Distribution and any interest accrued thereon. To the extent that the Shareholder Distribution is subject to withholding or similar taxes, the Company shall withhold the required amounts from such distributions and remit such amounts to the applicable Tax authority as required by Law. The Shareholder Distribution shall be imputed to paid-in capital and not to retained earnings, as each such term is defined under applicable accounting principles, prior to filing a final distribution plan with the competent court in accordance with article 2:23b of the DCC as promptly as reasonably practicable after the Closing Date. The Company shall also, as promptly as practicable following the Closing, wind up its affairs, satisfy all valid claims of creditors and others having claims against the Company, all in full compliance with applicable Law. The Company hereby expressly acknowledges and agrees that no distribution shall be made to the Company's shareholders unless and until the Company's shareholders have approved the dissolution and liquidation of the Company. The Company shall give the Purchaser notice of the Shareholder Distribution no later than the third Business Day prior to such Shareholder Distribution in accordance with *Section 10.8*.

(b) The Company shall file all necessary applications and forms with the New York Stock Exchange, Euronext Paris S.A. and the SEC and take any other actions reasonably necessary to enable the Company, upon or as promptly as practicable following the Closing and subject to (and in accordance with) applicable Laws, to suspend the listing and trading of the Company Common Stock on, and to delist it from, the New York Stock Exchange and Euronext Paris S.A., to terminate the registration of the Company Common Stock under the Exchange Act and to suspend the Company's reporting obligations thereunder. Prior to the filing of such forms and applications, the Company shall provide to the Purchaser and to Purchaser's counsel an opportunity to review and comment thereon and to approve such forms and applications, such approval not to be unreasonably withheld or delayed.

Section 7.13 Agreements Regarding Taxes. (a) Except (i) as otherwise expressly permitted by this Agreement, (ii) as the Purchaser may consent in writing or (iii) to the extent required by applicable Law, the Company shall not, and shall cause its Subsidiaries not to, (A) make or rescind any material election relating to Taxes, settle or compromise any material claim, action, suit, litigation, proceeding, arbitration, investigation, audit controversy relating to Taxes or (B) except as required by applicable Law or applicable generally accepted accounting principles, make any material change to any of its Tax reporting or Tax accounting practices, methods or policies.

(b) As soon as practicable after the execution of the Agreement, the Company shall commence discussions with the Tax authorities of The Netherlands for the purpose of

reaching an agreement on the Tax treatment of the Transaction for the Company (the Transaction Tax Treatment), which will include but will not be limited to the corporate income Tax consequences of the transfer of the Purchased Assets and Assumed Liabilities, the dissolution and subsequent liquidation of the Company, the determination of the capital of the Company as recognized as such for Tax purposes and the Tax treatment of the Company's Employee Option Plan. The Purchaser shall have the right, but not the obligation, to participate in, approve of and/or control in its reasonable discretion, any such efforts by the Company to reach agreement on the Transaction Tax Treatment. In furtherance thereof (but not as a limitation of the means to be used), at the request of the Purchaser, the Company shall (i) cause its employees and advisors to meet and consult with the Purchaser's employees and advisors to formulate strategies for such discussions and prepare for meetings with the Tax authorities; (ii) provide to the Purchaser, copies of all correspondence between the Company and the Tax authorities; and (iii) invite a representative of the Purchaser to attend and participate in meetings with the Tax authorities.

(c) The Company shall not file any Tax Returns, including but not limited to any Tax Returns in respect of 2003 or 2004, until the Purchaser has approved such Tax Returns, whether they be in connection with the Shareholder Distribution or otherwise, provided such approval shall not be unreasonably delayed or withheld. In accordance with the time periods prescribed by applicable Law and as may be determined by the applicable Tax authorities, the Company shall file the appropriate Tax Returns and make the other appropriate filings with respect to the sale of the Purchased Assets and the Shareholder Distribution, as approved by the Purchaser, provided such approval shall not be unreasonably delayed or withheld.

(d) If after the execution of this Agreement, an audit or investigation with any Tax authority or similar proceeding with respect to Tax matters (the Tax Proceeding) shall be initiated, or a Tax assessment shall be imposed or a claim shall be made by any Tax authority, which might result in an Assumed Liability, the Company will promptly notify the Purchaser in writing of such Tax Proceeding, Tax assessment or claim; provided, however, that with respect to all Subsidiaries organized outside The Netherlands only material Tax Proceedings, Tax assessments or claims that might result in an Assumed Liability must be reported to the Purchaser in writing by the Company.

(e) Until the Closing Date, the Company shall have the right to control all proceedings taken in connection with any Tax Proceeding (including the selection of counsel) and may, with the consent of the Purchaser (which consent shall not be unreasonably withheld), pursue or forego any and all administrative appeals, proceedings, hearings and conferences with any Tax authority with respect thereto. After the Closing Date, the Purchaser shall have the right to control all proceedings taken in connection with such Tax Proceeding; provided, however, that the Company shall not be required to take any Tax position that may result in the imposition of penalties (whether civil or criminal) on the Company or its officers, directors or employees.

(f) If after the Closing Date any Taxes (other than withholding taxes not assumed by the Purchaser pursuant to Section 2.3) are required to be paid by the Company, the Purchaser will pay to the Company an amount equal to the Taxes so payable promptly after being notified by the Company of the amount of such Taxes, which payment will form part of the Purchase Price as referred to in Section 3.1(a) of this Agreement. For the avoidance of doubt, any such Taxes shall constitute an Assumed Liability for purposes hereof.

(g) If after the payment by the Company to the applicable Tax authorities of Taxes that constituted an Assumed Liability it appears a refund of such payments may be obtainable, the Company shall cooperate during the Tax Resolution Period with the Purchaser to take such actions and execute such instruments as reasonably requested by the Purchaser to pursue and obtain such refund. Upon the expiration of the Tax Resolution Period, the Company shall grant to the Purchaser a power of attorney to act on its behalf to pursue any such Tax refund claims; provided, however, that the power of attorney will not permit the Purchaser to take any actions that may result in the imposition of penalties (whether civil or criminal) on the Company or its officers, directors or employees. Tax Resolution Period means the six (6) months period beginning from and after the Closing Date.

Section 7.14 Indemnification, Exculpation and Insurance. (a) To the fullest extent permitted by Law, the Purchaser shall, and shall cause its Subsidiaries to, indemnify, defend and hold harmless, and provide advancement of expenses to, all past and present directors, officers and employees of the Company and its Subsidiaries (the Indemnified Parties) to the extent provided by the applicable charter or other organizational documents of the Company and its Subsidiaries, as the case may be, as currently in effect at the date hereof and as previously provided to the Purchaser or as provided for in the Contracts set forth on *Schedule 7.14(a)*, for acts or omissions occurring at or prior to the Closing in their capacities as such, with references to the Company thereafter deemed to refer to the Purchaser except that advancement of expenses shall be made in the same manner as provided in clause (A) of *Section 7.14(b)* (including the proviso thereto); provided, however, that in no event shall the Purchaser or any of the Subsidiaries have any obligation to indemnify the Indemnified Party with respect to any matter constituting an intentional material breach of this Agreement or any of the related Transaction Documents by such Person.

(b) Without limiting the Purchaser's obligations under *Section 7.14(a)*, from and after the Closing, to the fullest extent permitted by Law, the Purchaser shall indemnify, defend and hold harmless each of the Indemnified Parties, and the Liquidator against all Losses to the extent arising from, relating to, or otherwise in respect of, any actual or threatened Legal Proceeding in respect of actions or omissions occurring or alleged to have occurred in connection with (i) the fact that such person is or was an officer, director or employee of the Company or any of its Subsidiaries, as the case may be, (ii) the fact that the Liquidator is or was the liquidator of the Company, or (iii) this Agreement and the transactions contemplated hereby; provided, however, that in no event shall any Indemnified Party or the Liquidator be entitled to indemnification under this *Section 7.14(b)* for Losses arising out of actions or omissions by such Indemnified Party or the Liquidator, as the case may be, constituting an intentional material breach of this Agreement or any of the related Transaction Documents by such Indemnified Party or a material breach of this Agreement or any of the related Transaction Documents by the Liquidator. In the event of any actual or threatened Legal Proceeding described in the preceding sentence for which the Indemnified Parties or the Liquidator may be entitled to indemnification pursuant to this *Section 7.14(b)*, (A) the Purchaser shall pay the reasonable fees and expenses of counsel selected by the Indemnified Parties or the Liquidator (and reasonably acceptable to the Purchaser) on demand, but no more than a monthly basis, promptly after statements are received in advance of settlement, judgment or other resolution thereof to such Indemnified Party or the Liquidator, as the case may be, upon request (provided such Indemnified Party or the Liquidator, as applicable, undertakes to repay all advanced expenses if it is ultimately determined by a non-appealable judgment that such Person is not entitled to indemnification) and (B) the Purchaser shall cooperate in the defense of any such matter; provided that the

Purchaser shall not be obligated pursuant to this *Section 7.14(b)* to pay the fees and expenses of more than one counsel for all Indemnified Parties and the Liquidator in any jurisdiction (selected by a plurality of the applicable Indemnified Parties and the Liquidator) with respect to any single Legal Proceeding except to the extent that two or more of such Indemnified Parties or any such Indemnified Party and the Liquidator shall have concluded in good faith that they have differing or conflicting interests in the outcome of such Legal Proceeding. Notwithstanding the foregoing, the Purchaser shall have no obligations to an Indemnified Party or to the Liquidator with respect to a Legal Proceeding pending before a court of competent jurisdiction if such court shall determine that indemnification of such Person in the manner contemplated hereby is prohibited by applicable Law and such determination shall have become final and non-appealable.

(c) The Purchaser shall, for a period of not less than five years after the Closing Date, maintain in effect policies of directors and officers liability insurance on behalf of the officers and directors of the Company currently covered by the directors and officers liability insurance policy maintained by the Purchaser with respect to acts or omissions occurring on or prior to their resignation or the expiration of their term with the coverage and containing terms and conditions not less advantageous to those officers and directors than the coverage and terms and conditions indicated in writing to the Company and the Special Committee on or prior to the date hereof, to the extent such coverage, terms and conditions are available in the insurance market on commercially reasonable terms. Notwithstanding the foregoing, in no event shall such coverage, terms or conditions be less advantageous than those available at the time to directors and officers of the Purchaser and its controlled Affiliates (other than the Company and its controlled Affiliates).

(d) The Purchaser shall, in respect of any Indemnified Party that is or was a member of the Special Committee who may be called upon, subsequent to the date of his resignation or expiration of his term, to testify in any Legal Proceeding in connection with this Agreement or otherwise assist with the Transaction, compensate that member for his time in serving in such capacity on the same basis as that member is currently compensated in his capacity as a member of the Company's Supervisory Board; provided, however, that the Purchaser shall not have any obligation to make such compensation payment if such member of the Special Committee has, in connection with the subject matter of such Legal Proceeding, been finally judicially determined to have intentionally breached this Agreement or any of the related Transaction Documents in any material respect.

(e) Notwithstanding any other provision of this Agreement to the contrary, the Indemnified Parties and the Liquidator shall be third party beneficiaries of this *Section 7.14*. The provisions of this *Section 7.14* are intended to be for the benefit of each such Person to whom this *Section 7.14* applies, his or her heirs and his or her representatives. (b) by either the Purchaser or the Company:

(i) if the Transaction shall not have been consummated on or before December 31, 2005 (the Termination Date), provided that the right to terminate this Agreement under this *Section 9.1(b)(i)* shall not be available to any Party whose action or failure to act has been a principal cause of or resulted in the failure of the Closing to occur on or before such date; or

(ii) in the event that a Company Adverse Recommendation Change shall have occurred (provided, in the case of termination by the Company pursuant to this *Section 9.1(b)(ii)*, that such Company Adverse Recommendation Change is made as permitted by *Section 7.6(b)* or *(c)*).

(c) by the Purchaser, if the Company shall have breached or failed to perform (as the case may be) any of its representations, warranties, covenants or agreements set forth in this Agreement, which breach or failure to perform (i) would give rise to the failure of a condition set forth in *Section 8.2(a)* or *Section 8.2(b)* and (ii) is incapable of being cured, or is not cured, by the Company within thirty (30) calendar days following receipt by the Company of written notice from the Purchaser of such breach or failure to perform; or

(d) by the Company, if the Purchaser shall have breached or failed to perform (as the case may be) any of its covenants or agreements set forth in this Agreement, which breach or failure to perform (i) would give rise to the failure of a condition set forth in *Section 8.3(a)* or *Section 8.3(b)* and (ii) is incapable of being cured, or is not cured, by the

Purchaser within thirty (30) calendar days following receipt by the Purchaser of written notice from the Company of such breach or failure to perform.

Section 9.2 Procedure Upon Termination; Announcement of Termination. Section 9.3 Effect of Termination. If this Agreement is terminated as provided herein, then each of the Parties shall be relieved of its duties and obligations arising under this Agreement after the date of such termination and such termination shall be without liability to the Purchaser or the Company, other than pursuant to *Section 7.7* and *Article Ten*, together with this *Section 9.3*, which provisions shall each survive such termination, provided, however, that nothing in this *Section 9.3* shall relieve (i) the Purchaser of any liability for a willful, Knowing or intentional breach of this Agreement or (ii) the Company of any liability for a willful, Knowing or intentional breach of this Agreement.

ARTICLE TEN MISCELLANEOUS

Section 10.1 Survival of Representations and Warranties. The respective representations and warranties and the pre-Closing covenants of the Company and the Purchaser contained in this Agreement or in any instrument delivered pursuant to this Agreement shall expire with, and be terminated and extinguished upon, the Closing Date. This *Section 10.1* shall have no effect upon any obligations of the parties hereto to be performed after the consummation of the Transaction.

Section 10.2 Payment of Sales, Use or Similar Taxes. All sales, use, value added, transfer, intangible, recordation, documentary stamp or similar Taxes or charges, of any nature whatsoever, applicable to, or resulting from, the transactions contemplated by this Agreement shall be borne by the Purchaser.

Section 10.3 Expenses. (a) Except as otherwise provided in this Agreement, the Company and the Purchaser shall each bear its own costs and expenses incurred in connection with the negotiation and execution of this Agreement and each other agreement, document and instrument contemplated by this Agreement and the consummation of the transactions contemplated hereby and thereby.

(b) Notwithstanding *Section 10.3(a)* and without limiting the generality of the Purchaser's assumption of Post-Closing Liabilities in *Section 2.3*, the Purchaser shall bear the costs and expenses incurred by the Company arising after the Closing Date that are reasonably necessary for the dissolution and liquidation of the Company and the continued existence of the Company through the date of the final liquidation of the Company (Reimbursable Costs). Upon presentation of documentation reasonably satisfactory to the Purchaser, the Purchaser shall promptly advance or reimburse to the Company such Reimbursable Costs on an as-incurred basis. The Company shall use its reasonable best efforts to minimize the amount of Reimbursable Costs.

Section 10.4 Specific Performance. The Parties acknowledge and agree that the breach of this Agreement would cause irreparable damage and that the Parties will not have an adequate remedy at Law. Therefore, the respective obligations of the parties under this Agreement, including the Company's obligation to sell, transfer, assign and delegate to the Purchaser the Shares, the other Purchased Assets and the Assumed Liabilities, shall be enforceable by a decree of specific performance issued by any court of competent jurisdiction, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedies shall, however, be cumulative and not exclusive and shall be in addition to any other remedies which any party may have under this Agreement or otherwise.

Section 10.5 Further Assurances. The Company and the Purchaser each agrees to execute and deliver such other documents or agreements and to take such other action as may be reasonably necessary or desirable for the implementation of this Agreement and the consummation of the transactions contemplated hereby.

Section 10.6 Entire Agreement; Amendments and Waivers. This Agreement (including the Schedules and Exhibits hereto) and the Transaction Documents (together with the Confidentiality Agreement) represent the entire understanding and agreement between the Parties hereto with respect to the subject matter hereof and thereof. This Agreement can be amended or supplemented, and any provision hereof can be waived, only by written instrument making specific reference to this Agreement signed by the Party against whom enforcement of any such amendment, supplement, change or waiver is sought and, in the case of any such amendment, supplement, or waiver by the Company, with the prior written consent of the Independent Directors then in office. No action taken pursuant to this Agreement, including without limitation, any investigation by or on behalf of any Party, shall be deemed, except as otherwise expressly provided herein, to constitute a waiver by the Party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any Party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by law.

Section 10.7 Special Committee. (a) The Company hereby undertakes to implement and enforce its rights under this Agreement in accordance with its terms and to consult with the Special Committee and its representatives with respect to any such matter and to give due consideration to any views expressed by the Special Committee and its representatives. The Company hereby grants the Independent Directors an irrevocable and exclusive power of attorney, acting jointly and on behalf and at the reasonable expense of the Company, to implement or enforce this Agreement in accordance with its terms, provided that this power of attorney shall only be exercised in the event that the Company, in the good faith judgment of the Special Committee, fails to timely and properly enforce and perform this Agreement in any material respect, and provided further that such power of attorney does not include the right to cause the Company to consent to any amendment or supplement to this Agreement or to waive any provision hereof (which matters are addressed by *Section 10.6*).

(b) This *Section 10.7* does not limit any other rights granted the Special Committee or Independent Directors elsewhere in this Agreement. The rights of the Special Committee and the Independent Directors in this Agreement (other than, for the avoidance of doubt, in their capacity as Indemnified Parties as set forth in *Section 7.14*) will terminate at the expiration of the term of the Independent Directors as specified in *Section 7.9(f)(v)*.

Section 10.8 Notices. All notices and other communications under this Agreement shall be in writing and shall be deemed given (i) when delivered, if delivered personally, (ii) when sent, if sent by facsimile that is promptly confirmed by telephone, (iii) two Business Days following sending by overnight delivery via recognized international courier, or (iv) when received if mailed by certified mail, return receipt requested, in each case to the parties at the following addresses (or to such other address as a party may have specified by notice duly given to the other party pursuant to this provision):

jointly and severally liable, as co-principal debtor, to the Company (*hoofdelijke aansprakelijkheid*) for the due and punctual performance and observance by the Purchaser and its assigns, of all its obligations, covenants, representations and warranties under or pursuant to this Agreement, and that references herein to the Purchaser shall be to each of France Telecom and such Affiliate so designated by it.

Section 10.10 Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of The Netherlands without reference to Dutch principles of conflict of laws. The Company and the Purchaser agree that this Agreement may not be dissolved, rescinded, cancelled or terminated (other than in accordance with Article Nine of this Agreement) under any applicable Law.

Section 10.11 Submission to Jurisdiction: Consent to Service of Process. The Parties hereto hereby irrevocably submit to the exclusive jurisdiction of the competent court in Amsterdam, The Netherlands over any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby and each party hereby irrevocably agrees that all claims in respect of such dispute or any suit, action proceeding related thereto may be heard and determined in such courts. The Parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Section 10.12 Severability. If, at any time, any provision hereof is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions hereof nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired thereby.

Section 10.13 Counterparts. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.
