Item 3.02. Unregistered Sales of Equity Securities.

As previously disclosed, Juniper Networks, Inc., a Delaware corporation (Juniper Networks) entered into an Agreement and Plan of Reorganization dated April 25, 2005 (the Merger Agreement), between Juniper Networks, Peribit Networks, Inc., a California corporation (Peribit), Blanc Acquisition Corporation, a California corporation and wholly-owned subsidiary of Juniper Networks (Sub), and certain other parties, which provides for the merger of Sub with and into Peribit with Peribit to be the surviving corporation (the Merger). The Merger closed on July 1, 2005. In connection with the Merger, Juniper Networks will issue 11,336,476 shares of its common stock in exchange for the outstanding shares of capital stock held by Peribit stockholders.

The shares of Juniper Networks common stock issued in the Merger are issued in reliance on an exemption from registration under Section 3(a)(10) of the Securities Act of 1933, as amended. The availability of the Section 3(a)(10) exemption is based upon the determination by an appropriate governmental authority, after a public hearing at which all interested parties were invited to attend, that the terms and conditions of the issuance of Juniper Networks securities in the Merger are fair. Juniper Networks was issued a permit qualifying the issuance of Juniper Networks securities in the Merger pursuant to Section 25121 of the California Corporate Securities Law of 1968, as amended, following a fairness hearing that was conducted by the California Commissioner of Corporations on June 30, 2005.

Item 8.01. Other Events.

On July 6, 2005, Juniper Networks issued a press release announcing the closing of the Merger with Peribit. A copy of the press release is filed as Exhibit 99.1 to this report and is incorporated by reference herein.
