**Item 2.02. Results of Operations and Financial Condition**

On July 29, 2008, Centex Corporation, a Nevada corporation (the Corporation), announced its results of operations for the quarter ended June 30, 2008. A copy of the Corporation's press release (the Press Release) announcing these results is being furnished as Exhibit 99.1 hereto and is hereby incorporated in this Item 2.02 in its entirety by reference.

The Press Release refers to certain non-GAAP financial measures. Housing operating earnings is a non-GAAP financial measure and is defined by the Corporation as housing revenues less housing cost of sales less selling, general and administrative expenses. Housing operating margin is a non-GAAP financial measure and is defined by the Corporation as housing operating earnings divided by total housing revenues. Reconciliations of these non-GAAP financial measures are included in the attachments to the Press Release. For additional information concerning the Corporation's use of these non-GAAP financial measures, see the Corporation's Current Report on Form 8-K filed with the Securities and Exchange Commission on January 23, 2007, which is also available on the Corporation's web site at [www.centex.com](http://www.centex.com).

These non-GAAP financial measures are not meant to be considered in isolation or as a substitute for the comparable GAAP measures. There are limitations to these non-GAAP financial measures because they are not prepared in accordance with GAAP and they may not be comparable to similarly titled measures of other companies due to potential differences in methods of calculation and charges being excluded. The Corporation compensates for these limitations by using these non-GAAP financial measures as supplements to the GAAP measures. The non-GAAP financial measures should be read only in conjunction with the Corporation's consolidated financial statements prepared in accordance with GAAP.
