THE BOSTON BEER COMPANY, INC.

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Boston Beer Company, Inc. (the Company) for use at the 2004 Annual Meeting of Stockholders to be held on Tuesday, May 25, 2004, at the time and place set forth in the notice of the meeting, and at any adjournments thereof. The approximate date on which this Proxy Statement and form of proxy are first being mailed to stockholders is April 15, 2004.

If the enclosed proxy is properly executed and returned, it will be voted in the manner directed by the stockholder. If no instructions are specified, proxies will be voted in favor of the election of directors as set forth in this proxy statement. In addition, if other matters come before the meeting, the persons named in the accompanying proxy and acting thereunder will have discretion to vote on these matters in accordance with their best judgment. Any person giving the enclosed form of proxy has the power to revoke it by voting in person at the meeting, or by giving written notice of revocation to the Clerk of the Company at any time before the proxy is exercised. Please note, however, that if your shares are held of record by a broker, bank or nominee and you wish to vote at the meeting, you will not be permitted to vote in person unless you first obtain a proxy issued in your name from the record holder.

The holders of a majority in interest of the issued and outstanding Class A Common Stock are required to be present in person or to be represented by proxy at the meeting in order to constitute a quorum for the election of the Class A Directors. The election of each of the nominees for Class A Director, as hereinafter set forth in greater detail, will be decided by plurality vote of the holders of Class A Common Stock present in person or represented by proxy at the Meeting. The affirmative vote of the sole holder of the outstanding shares of Class B Common Stock, voting in person or by proxy at the meeting, is required to elect the Class B Directors, as hereinafter set forth in greater detail.

Abstentions and non-votes are counted as present in determining whether the quorum requirement is satisfied. A non-vote occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the nominee does not have discretionary voting power and has not received instructions from the beneficial owner. Abstentions and broker non-votes will not be taken into account in determining the outcome of the election of directors.

The Company will bear the cost of the solicitation. In addition to mailing this material to shareholders, the Company has asked banks and brokers to forward copies to persons for whom they hold stock of the Company and request authority for execution of the proxies. The Company will reimburse the banks and brokers for their reasonable out-of-pocket expenses in doing so. Officers and regular employees of the Company, without being additionally compensated, may solicit proxies by mail, telephone, telegram, facsimile or personal contact. All reasonable proxy soliciting expenses will be paid by the Company in connection with the solicitation of votes for the Annual Meeting.

The Company's principal executive offices are located at 75 Arlington Street, Boston, Massachusetts 02116, telephone number (617) 368-5000.

RECORD DATE AND VOTING SECURITIES

Only stockholders of record at the close of business on March 26, 2004 are entitled to notice of and to vote at the meeting. Table of Contents**Items 1 and 2. Election of Class A and Class B Directors**

Upon the recommendation of the Nominating/ Governance Committee, the Board of Directors proposes that the initial number of Directors for the ensuing year be fixed at seven (7), consisting of three (3) Class A Directors to be elected by the holders of the Class A Common Stock for a term of one (1) year, and four (4) Class B Directors to be elected by the sole holder of the Class B Common Stock, also for a term of one (1) year, reserving the right of the sole holder of the Class B Common Stock to increase the number of Class B Directors to up to six (6) at such time as he deems appropriate and to elect up to two (2) additional Class B Directors accordingly.

As indicated below, none of the nominees for Class A Directors are Executive Officers of the Company or its subsidiaries nor immediate family members of such Executive Officers.

Consideration of Nominees for Director

Identifying and Evaluating Nominees for the Board of Directors

The Nominating/ Governance Committee employs a variety of methods for identifying and evaluating nominees for director. The Committee assesses and reviews with the full Board at least annually the skills and characteristics that should be reflected in the composition of the Board as a whole. The review includes an examination of the extent to which the requisite skills and characteristics are reflected in the then current Board members and seeks to identify any particular qualifications that should be sought in new directors for the purpose of augmenting the skills and experience represented on the Board. The assessment takes into account issues of experience, judgment, age and diversity in aspects of business relevant to the Company's affairs, all in the context of the perceived needs of the Board at that time. Candidates may come to the attention of the Committee through a number of sources, including current Board members, professional

search firms, shareholders or other persons. Candidates are evaluated at regular or special meetings of the Nominating/ Governance Committee and may be considered at any point during the year.

Shareholder Nominees

The same process is used for evaluating a director candidate submitted by a shareholder as is used in the case of any other potential nominee. Any shareholder nominations proposed for consideration by the Nominating/ Governance Committee should include the nominee's name and qualifications for Board membership and should be addressed to:

**COMPENSATION COMMITTEE
REPORT ON EXECUTIVE COMPENSATION(1)**

Compensation Philosophy. The Company's executive compensation system continues to be comprised of base salaries, annual bonuses and stock option awards. Executive compensation is subject to the oversight and approval of the Compensation Committee of the Board of Directors (the Committee), which reviews executive officer compensation annually. Executive compensation is designed to be competitive within the alcoholic beverages industry and other companies of comparable size and complexity, so as to enable the Company to continue to attract and retain talented and motivated individuals in key positions.

Compensation paid to the Company's executive officers is intended to reflect the responsibility associated with each executive officer's position, the past performance of the specific executive officer, the goals of management and the profitability of the Company. Compensation in any particular case may vary from any industry average on the basis of annual and long-term Company performance, as well as individual performance. The Compensation Committee will exercise its discretion to set compensation where, in its judgment, external or individual circumstances warrant it.

Equity-Based Compensation. During 2003, the Compensation Committee again devoted significant attention to the grant of so-called Discretionary Options under the Company's Employee Equity Incentive Plan. The Discretionary Options feature of the Employee Equity Incentive Plan has been used by the Compensation Committee as an integral part of the overall compensation approach for the officers and senior managers of the Company. Such stock option awards are designed to provide incentive to the Company's key employees to increase the market value of the Company's stock, thus linking corporate performance and stockholder value to executive compensation.

As amended and restated in 1997, the Employee Equity Incentive Plan calls for the Compensation Committee to make recommendations to the full Board with respect to the grant of Discretionary Options. In recommending the grant of options, the Compensation Committee takes into account the position and responsibilities of the optionee being considered, the nature and value to the Company of his or her service and accomplishments, his or her present and potential contributions to the success of the Company and such other factors as the Compensation Committee deems relevant. In carrying out these responsibilities in 2003, the Committee met with the Company's Chairman in October to review Management's preliminary recommendations with respect to Discretionary Options to be granted effective January 1, 2004. The Compensation Committee met again with the Chairman in December to review final recommendations to the Board of Directors in the context of the overall compensation plan for executives. Based on this review, the Committee recommended that options covering an aggregate of 144,100 shares of Class A Common Stock be granted by the Board, effective as of January 1, 2004. Of this number, options covering 60,500 shares of Class A Common Stock were granted to the named executive officers of the Company, constituting 42% of the total options granted. Also, in 2003, the Committee recommended, and the Board approved, a grant of options covering 175,000 shares of the Company's Class A Common Stock to William F. Urich upon the commencement of his employment in September 2003.

- (1) The material in this report is not soliciting material, is not deemed filed with the SEC and is not to be incorporated by reference in any filing of the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

Table of Contents

Up to an aggregate of 3,687,500 shares of Class A Common Stock may be issued under the Employee Equity Incentive Plan. At March 31, 2003, there were approximately 970,250 shares of Class A Common Stock available for grant under the Employee Equity Incentive Plan and as of March 26, 2004, there were approximately 672,600 shares of Class A Common Stock available for grant under such Plan.

Chief Executive Officer Compensation. The Compensation Committee reviewed and approved the compensation paid to Martin F. Roper as the Company's Chief Executive Officer during 2003. In reviewing such compensation, the Committee evaluated the Company's success in executing against the Company's strategic plan for maintaining its position in the highly competitive better beer industry. The Compensation Committee believes that the compensation paid to Mr. Roper in 2003 was reasonable in light of the Company's overall performance. Accordingly, the Compensation Committee determined that Mr. Roper be granted a Discretionary Option covering 20,000 shares, effective January 1, 2004, which shares carry an exercise price of \$18.465.

Tax Limitation. Section 162(m) of the U.S. Internal Revenue Code limits the tax deductibility by a corporation of compensation in excess of \$1,000,000 paid to the Chief Executive Officer and any other of its four most highly compensated executive officers. However, compensation which qualifies as performance-based is excluded from the \$1,000,000 limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by stockholders.

The Compensation Committee does not presently expect that total cash compensation to any individual executive will exceed \$1,000,000. The Compensation Committee will continue to monitor the compensation levels potentially payable under the Company's compensation programs, but intends to retain the flexibility necessary to provide total compensation in line with competitive practice, the Company's compensation philosophy and the Company's best interests. The Company has not adopted a policy that all executive compensation be fully deductible.

2. As a whole, or through the Committee chair, the Committee shall review with the outside auditors the matters (if any) required to be discussed by SAS No. 61 in connection with the interim financial reviews conducted by the outside auditors to assist the Committee in fulfilling its oversight responsibilities; this review will occur prior to the Company's filing of the Form 10-Q.
3. The Committee shall receive from time to time the outside auditor reports concerning:
