PHILLIPS-VAN HEUSEN CORPORATION

PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS
JUNE 10, 2003

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of PHILLIPS-VAN HEUSEN CORPORATION (the "Company") to be used at the Annual Meeting of Stockholders of the Company which will be held at The Graduate Center - City University of New York, 365 Fifth Avenue, First Floor, New York, New York, on Thursday, June 10, 2003, at 10:00 a.m., and at any adjournments thereof.

The principal executive offices of the Company are located at 200 Madison Avenue, New York, New York 10016-3903. The approximate date on which this Proxy Statement and the enclosed proxy card were first sent or given to stockholders was May 5, 2003.

Stockholders who execute proxies retain the right to revoke them at any time by notice in writing to the Secretary of the Company, by revocation in person at the meeting or by presenting a later dated proxy. Unless so revoked, the shares represented by proxies will be voted at the meeting. The shares represented by the proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Stockholders vote at the meeting by casting ballots (in person or by proxy) which are tabulated by a person who is appointed by the Board of Directors before the meeting to serve as inspector of elections at the meeting and who has executed and verified an oath of office. Abstentions and broker "non-votes" are included in the determination of the number of shares present at the meeting for quorum purposes. Abstentions will have the same effect as negative votes, except that abstentions will have no effect on the election of directors because directors are elected by a plurality of the votes cast. Broker "non-votes" are not counted in the tabulations of the votes cast on proposals presented to stockholders because shares held by a broker are not considered to be entitled to vote on matters as to which broker authority is withheld. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Under existing New York Stock Exchange rules, brokers do not have discretionary voting power with respect to the proposal to approve the Company's 2003 Stock Option Plan.

Common stockholders of record at the close of business on April 14, 2003 will be entitled to one vote for each share of the Company's Common Stock (the "Common Stock") then held. There were outstanding on such date 30,324,716 shares of Common Stock. Holders of record of the Company's Series B Convertible Preferred Stock (the "Series B Stock") at the close of business on April 14,

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

2003 will be entitled to one vote for each share of Common Stock into which their shares of Series B Stock are convertible as of the record date. As of such date, there were 10,000 shares of Series B Stock outstanding that were convertible into 17,857,136 shares of Common Stock. The Common Stock and the Series B Stock are the only outstanding classes of voting stock of the Company.

The committee that administers the AIP (the "AIP Committee") has the right to vote such shares for all other matters. These participants also have the right, subject to certain limitations, to receive a distribution of shares of Common Stock held for their benefit in the Master Trust, but the AIP Committee makes all other decisions regarding the disposition of Common Stock held in the Master Trust.

ELECTION OF DIRECTORS

The Board of Directors currently consists of 13 members, 10 of whom are elected by the holders of the Common Stock and Series B Stock voting together and three of whom are elected solely by the holders of the Series B Stock (the "Series B Directors"). The Board of Directors has established 14 as the number of directors constituting the entire Board. All members of the Board of Directors, other than the Series B Directors, are elected by the stockholders at the Annual Meeting of Stockholders of the Company for a term of one year or until their successors are elected and qualified. All of the nominees for director have previously been elected directors of the Company by the stockholders.

The election of directors requires the affirmative vote of a plurality of the votes cast in person or by proxy at the meeting. At this time, the Board of Directors knows of no reason why any nominee might be unable to serve. There is no arrangement or understanding between any director or nominee and any other

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

person pursuant to which such person was selected as a director or nominee, except as described below with respect to the Series B Directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE 10 NOMINEES NAMED BELOW. PROXIES RECEIVED IN RESPONSE TO THIS SOLICITATION WILL BE VOTED FOR THE ELECTION OF THE NOMINEES UNLESS OTHERWISE SPECIFIED IN A PROXY.

Under the AIPs, each employee, including the Named Executive Officers, eligible to participate may authorize his or her employer to withhold a specified percentage of his or her compensation, up to 6% in the case of certain management and highly compensated employees, including the Named Executive Officers, and otherwise up to 15% (subject to certain limitations). Under the Supplemental Savings Plan applicable to certain management and highly compensated employees, each employee, including the Named Executive Officers, eligible to participate may currently authorize his or her employer to withhold a specified percentage of his or her compensation, up to 15% after deductions for contributions to the AIPs. The Company or its subsidiaries currently contribute an amount equal to 100% of the first 2% of total compensation contributed by an employee and an amount equal to 25% of the next 4% of total compensation contributed by such employee. A participant's interest in the amounts arising out of employer contributions currently vest ratably over the first five years of employment (regardless of when participation commences), or, if earlier, at age 65 or upon disability or death. In fiscal 2002, 2001 and 2000, respectively, the Company made contributions which are reflected under this column in the amounts of \$30,581, \$50,558 and \$27,005 for Mr. Chirico; \$31,489, \$39,317 and \$5,537 for Mr. Duane; \$70,727, \$140,622 and \$66,228 for Mr. Klatsky; \$22,500, \$51,856 and \$21,500 for Mr. Sirkin; and \$44,130, \$77,336 and \$40,444 for Mr. Weber.

The Company's Executive Medical Reimbursement Insurance Plan covers eligible employees for most medical charges not covered by the basic medical plan up to a specified annual maximum. The Company incurred \$11,655, \$10,684 and \$9,745 during fiscal 2002, 2001 and 2000, respectively, as annual premiums for coverage for each of the Named Executive Officers, which amounts are reflected under this column.

For fiscal 2002, 2001 and 2000, respectively, the benefits received by the Named Executive Officers, which are reflected under this column, were in the amounts of \$50,550, \$52,100 and \$46,550 for Mr. Klatsky; and \$75,661, \$35,854 and \$29,699 for Mr. Weber.

(1) Based on base salaries as of February 2, 2003. Actual payouts are based on the base salary in effect on the last day of the performance cycle.

The Company has a Long-Term Incentive Plan in which the Company's Chief Executive Officer, Chief Operating Officer and Chief Financial Officer are the only participants. The payment of cash awards under the Plan requires the Company to achieve both earnings growth and improvement in return on equity over the applicable performance cycle. Threshold, plan and maximum targets are established within the first 90 days of the relevant performance cycle by the Compensation Committee. Awards are based on a percentage of a participant's base salary in effect on the last day of the performance cycle. The percentage is lowest for the achievement of the threshold targets and is highest if the maximum targets are achieved or exceeded. If the level of achievement falls between two of the targets, the award will be based on a percentage of the participant's base salary that is on a straight-line interpolation between the percentages for the two targets. The percentage of base salary that a participant can earn as an award differs among the participants and can change from performance cycle to performance cycle. The range for the award made in fiscal 2002 for the Chief Executive Officer is 55%-350% of base salary and the range for the Chief Operating Officer and the Chief Financial Officer is 40%-225% of base salary. No payouts are made if the threshold targets are not satisfied. In the event of the death or disability of a participant during a performance cycle, the participant or his estate will receive the payout, if any, which would otherwise have been payable to the participant for such performance cycle, pro rated to reflect the portion of the performance cycle worked by the participant. In all other events, a participant must be employed by the Company on the payment date with respect to an award or must have died, become disabled, retired under the Company's retirement plan or have been discharged without cause subsequent to the end of the performance cycle but prior to the date the award is paid in order to remain eligible to receive the payout.

The following table sets forth the aggregate estimated annual benefits payable, upon retirement at age 65, to employees under the combination of the pension plan for salaried employees and a supplemental defined benefit plan applicable to certain management and highly compensated employees (including the Named Executive Officers), in various compensation and years-of-service classifications, assuming that the Social Security maximum limit does not change from its present level of \$87,000.

The benefits under the Company's pension plans are generally based on a participant's career average compensation (except that pre-2000 benefits for current salaried employees are based on pre-2000 last five-years average compensation, unless the participant's career average compensation is greater than the last five-years average). Absent any election by a participant of an optional form of benefit, benefits under the pension plans become payable at the time of retirement, normally at age 65. Such benefits under the pension plans for salaried employees are payable monthly for the life of the participant and, in most cases, for the life of such participant's surviving spouse, and benefits under the supplemental defined benefit plan are payable in a lump sum. Notwithstanding the method of payment of benefits under the pension plans, the amounts shown in the above table are shown in the actuarial equivalent amount of a life annuity. The benefits listed above are not subject to any deduction for Social Security or other offset amounts.

The credited years of service under the pension plans, as of February 2, 2003, for each of the Named Executive Officers is set forth in the following table.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

The Company has had in effect since 1987 a Special Severance Benefit Plan. Upon the termination of the employment of any participant in the plan within two years after a change in control of the Company (as defined in the Special Severance Plan), the participant receives a lump sum payment in an amount generally equal to three times the average annual total cash compensation paid to or accrued for him or her during the two-year period preceding the date of termination. The Company has agreed to indemnify each participant in the Special Severance Benefit Plan against any and all liabilities he or she may incur under Section 4999(a) of the Internal Revenue Code of 1986, as amended (the "Code"), which relates to excise taxes on excess parachute payments, including any income taxes and/or additional excise taxes applicable to such indemnification payment. In addition, the participant receives comparable medical, dental and life insurance coverage for himself or herself and his or her family for a three-year period after termination. Mr. Klatsky is the only current participant in the Special Severance Benefit Plan.

The Company's Capital Accumulation Plan, under which participants remaining in the employ of the Company until established target dates earn specified dollar amounts, provides that if a participant's employment with the Company is terminated following a change in control of the Company (as defined in such plan), the full undiscounted value of the future payments to be made to the participant under the Capital Accumulation Plan becomes immediately payable in a lump sum. Further, each participant's rights are subject to non-competition and non-disclosure restrictions that automatically terminate upon a change in control of the Company. Messrs. Klatsky, Weber, Chirico and Sirkin are participants in the Capital Accumulation Plan.

Mr. Klatsky is also entitled to the payments provided for under the Special Severance Benefit Plan and the Capital Accumulation Plan (i) if he is not continued as the Company's Chief Executive Officer and Chairman of the Board of Directors prior to his retirement as an employee of the Company, (ii) in the event of the appointment by the Board of Directors of an officer or the hiring by the Board of Directors of an employee with authority equal or superior to the authority of Mr. Klatsky at any time prior to his retirement as an employee of the Company or (iii) if the Company fails to maintain the terms and conditions of Mr. Klatsky's employment, including, without limitation, a minimum level of compensation, as such existed on April 28, 1993, or a termination of the Special Severance Benefit Plan.

12

All options that were previously granted under any of the Company's option plans and which have not expired or been otherwise cancelled become immediately exercisable in full upon a change in control of the Company, regardless of whether such options have previously vested.

The Company is in the process of entering into employment agreements with 24 of its senior executives, including Messrs. Chirico, Duane, Sirkin and Weber. These agreements outline the compensation and benefits to be paid to these executives during their employment and specifically state the current base salary of each such executive: \$800,000 for Mr. Chirico, \$700,000, for Mr. Duane, \$750,000 for Mr. Sirkin and \$1,000,000 for Mr. Weber. The agreements permit the Company to both raise and lower salaries. In addition, the agreements outline the executives' rights to severance upon termination of employment. Generally, the executives are entitled to severance only if employment is

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

terminated without cause (as defined in the agreements), in which case the severed officer is entitled to the greater of two weeks pay for each year of employment with the Company and one year's base salary (18 months' base salary for Mr. Chirico and two years' base salary for Mr. Weber). Mr. Weber is also entitled to two times his average salary and bonus for the prior two years if he terminates his employment because he does not succeed Mr. Klatsky as Chairman and Chief Executive Officer of the Company or if he is required to report to another executive other than Mr. Klatsky. The executives are also only required to pay the active employee rate for medical and dental insurance during the period severance is paid. Additionally, the executives are entitled to severance upon the termination of their employment without cause within two years after a change of control of the Company (as defined in the agreements). Termination without cause includes voluntary termination by the executive if certain material changes are made to the terms of the executive's employment after a change of control. In either such case, the officer receives a lump sum payment in an amount equal to two times (three times in the case of Mr. Weber) the average annual total cash compensation paid to or accrued for him or her during the two-year period preceding the date of termination. The Company has agreed to indemnify each such executive against any and all liabilities he or she may incur under Section 4999(a) of the Code, which relates to excise taxes on excess parachute payments, including any income taxes and/or additional excise taxes applicable to such indemnification payment. In addition, the executive receives comparable medical, dental and life insurance coverage for himself or herself and his or her family for a two-year period (three years for Mr. Weber) after termination. The agreements also include certain restrictive covenants in favor of the Company, including agreements regarding the use of confidential information, non-interference with business relationships, non-solicitation of employees and post-termination employment restrictions.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the fiscal year ended February 2, 2003, the members of the Compensation Committee included Marc Grosman, Dennis F. Hightower and Maria Elena Lagomasino. Ms. Lagomasino resigned from the Board of Directors in February 2003 after the end of fiscal 2002 and was replaced on the Committee by Peter J. Solomon. David A. Landau was subsequently added to the Committee as well. There were no interlocks or insider participations as defined in the proxy regulations of the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is responsible for setting the compensation of all executive officers, administering the Company's existing stock option plans and cash-based incentive compensation plans for the executive officers, adopting new cash-based incentive compensation plans and implementing changes and improvements to existing cash-based incentive compensation plans for the executive officers, and, subject to approval by the Board of Directors, recommending new stock option plans and other equity-based compensation plans and implementing changes and improvements to the existing stock option plans. The Compensation Committee also provides guidance to the executive officers regarding the compensation of the Company's corporate and divisional officers.

OVERALL POLICY

The Compensation Committee believes that the Company's executive officers constitute a highly qualified management team that has been largely responsible for the Company's success. The Compensation Committee has structured the Company's executive officer compensation program primarily (i) to compensate its executive officers on an annual basis with a stable, secure cash salary at a sufficiently high level to retain and motivate these officers, (ii) to provide

short-term incentives to executive officers to attain certain financial targets and to reward certain accomplishments or activities, (iii) to link a portion of its executive officers' compensation to long-term increases in value created for the Company's stockholders by the efforts of these officers and (iv) to be consistent with the Company's high ethical standards. The Compensation Committee targets the compensation levels of its top three executives to approximate the competitive median if the Company achieves its budget plan, to exceed the median and approach the 75th percentile of competitive compensation levels if the plan is exceeded and to be below the competitive median if the budget plan is not attained. Information regarding competitive compensation generally is compiled by compensation

13

consultants retained by the Committee. Although the Company's compensation program does not rely to any significant extent on fringe benefits or perquisites, its fringe benefit plans are believed to be generally competitive. The Company believes that it has a reputation for providing a reasonably high level of job security in an industry known for high levels of executive turnover.

The Compensation Committee reviews annually the Company's executive officer compensation package, taking into account corporate performance, stock price performance and total return to stockholders, as well as industry conditions, recommendations of the Company's Chief Executive Officer and compensation awarded to executives in other companies, especially those involved in the apparel, footwear and specialty retail industries. In establishing future executive officer compensation packages, the Compensation Committee may adopt additional long-term incentive and/or annual bonus plans to meet the needs of changing employment markets and economic, accounting and tax conditions. In determining the compensation of each individual executive officer, the Compensation Committee intends to take into account the performance of the executive and the full compensation package afforded by the Company to him or her, including pension benefits, insurance and other benefits. The views of the Company's Chief Executive Officer are considered by the Compensation Committee in their review of the performance and compensation of each individual executive officer.

BASE SALARIES

Annual salaries are determined by evaluating the performance of the Company and of each individual executive officer. In the case of executive officers with responsibility for particular operations of the Company, the financial results of those operations are also considered. In evaluating overall performance and results of particular operations of the Company, the Compensation Committee reviews the extent to which the Company or the particular operations achieved budgeted estimates for sales, gross and after-tax margins and earnings per share and may also consider the Company's sales and earnings results compared to those of many public peer companies (including companies that are part of the Line of Business Index) and private peer companies known to the members of the Committee or the results of which can be disclosed by compensation consultants retained by the Committee. Where appropriate, the Compensation Committee considers non-financial performance measures, including market share increases, manufacturing and distribution efficiency gains, improvements in product quality, improvements in relations with customers and suppliers and a demonstrated commitment to the welfare and dignity of the Company's associates. Also considered are years of service to the Company. Finally, the Compensation Committee takes into account the relative salaries of the executive officers and determines what it believes are appropriate compensation level distinctions between and among the executive officers,

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

including between the Company's Chief Executive Officer and the other executive officers. There is no specific relationship between achieving or failing to achieve the budgeted estimates or the Company's relative results and the annual salaries determined by the Compensation Committee for any of the executive officers. No specific weight is attributed to any of the factors considered by the Compensation Committee; the Compensation Committee considers all factors and makes a subjective determination, based upon the experience of its members and the recommendations of the Company's Chief Executive Officer, of appropriate compensation levels.

In determining the base salary of the Company's Chief Executive Officer for the fiscal year ended February 2, 2003, the Compensation Committee took into account the salaries of chief executive officers of many public peer companies (including companies that are part of the Line of Business Index), compensation information provided by an outside consultant, the performance of the Common Stock over the prior several years and the assessment by the Compensation Committee of Mr. Klatsky's individual performance. The Committee also took into account the incentive components of Mr. Klatsky's compensation package under the Company's stock option, bonus and long-term incentive plans and the potential payouts and other value under those plans.

SHORT-TERM INCENTIVES

PERFORMANCE INCENTIVE BONUS PLAN. Stockholders approved the Company's Performance Incentive Bonus Plan (the "Bonus Plan") at the 2000 Annual Meeting of Stockholders. Under the Bonus Plan, the Company's senior executives, including the Named Executive Officers, can receive a bonus based on earnings targets for the Company as a whole or, in the case of the Vice Chairmen, earnings targets for their respective divisions. Threshold, plan and maximum earnings targets are set during the first 90 days of each fiscal year. If an executive dies during a fiscal year for which he or she was selected as a participant in the Plan, his or her estate would receive the bonus, if any, payable to the participant for that fiscal year, pro rated to reflect the portion of the year worked by the participant. The amount of a participant's bonus payment, if any, for a fiscal year is determined by the end of the first quarter of the succeeding fiscal year. Messrs. Klatsky, Weber, Chirico, Duane and Sirkin all earned bonuses under the Bonus Plan for the fiscal year ended February 2, 2003 and received their bonus payments in the first quarter of the current fiscal year.

DISCRETIONARY BONUSES. The Compensation Committee has the authority to award annual bonuses to executive officers on a discretionary basis. In determining whether to award discretionary bonuses, the Compensation Committee

reviews each executive's overall compensation package and takes into account factors including, but not limited to, the assessment by the Compensation Committee of each executive's individual performance and the compensation awarded to executives in other companies, especially companies involved in the apparel, footwear and specialty retail industries. The Compensation Committee may also award bonuses for undertaking additional duties or accomplishing specific projects or achieving specific benefits for the Company, such as special efforts in connection with a transaction or the disposition on favorable terms of corporate assets. The Compensation Committee has the authority to place restrictions, such as a vesting period, on any discretionary bonus it awards to an executive officer. No executive officer was awarded a discretionary bonus for fiscal 2002.

LONG-TERM INCENTIVES

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

STOCK OPTIONS. The Company currently has in effect two stock option plans, the 1997 Stock Option Plan (the "1997 Option Plan") and the 2000 Option Plan, under which options to purchase Common Stock are granted. In addition, options to purchase Common Stock under the Company's 1987 Stock Option Plan (the "1987 Option Plan") are still outstanding. The Company's option plans are administered by the Compensation Committee in its capacity as the Stock Option Committee under each of the plans. Stock options may be granted to employees of the Company, including the Named Executive Officers, under the 1997 and 2000 Option Plans, subject to certain limitations. The 1997 and 2000 Option Plans also provide for an annual grant of options to the Company's non-employee directors and permit additional grants to be made to non-employee directors who provide services to the Company or its subsidiaries outside of their duties as directors. The 2000 Option Plan also permits option grants to be made to consultants and advisors of the Company. Stock options are designed to align the interests of grantees with those of the stockholders. Stock options granted under the Company's stock option plans are granted at an exercise price equal to the closing price of the Common Stock on the New York Stock Exchange on the date prior to grant. Stock options granted under the 1987 and 1997 Option Plans generally may not be exercised until the third anniversary of the date on which they are granted, and grants of stock options do not become fully exercisable until the fifth anniversary of the date on which they are granted, unless the Compensation Committee provides for different vesting at the time of the grant. Stock options granted under the 2000 Option Plan generally may not be exercised until the first anniversary of the date of grant and do not become fully exercisable until the fourth anniversary of the date of the grant, unless the Compensation Committee provides for different vesting at the time of the grant. The stock options granted to executive officers (and other grantees) under each of the Company's option plans generally remain exercisable during employment until the tenth anniversary of the date of grant. This approach provides an incentive to the executive to increase stockholder value over the long term, since the full benefit of the options granted cannot be realized unless stock price appreciation occurs over a number of years. The Company will continue to use stock options as a material component of its compensation structure if the Company's 2003 Stock Option Plan is approved by stockholders, as has been recommended by the Board of Directors. See "Approval of 2003 Stock Option Plan" for a description of that plan.

Grants under the 2000 Option Plan were awarded in April 2002 to approximately 230 of the key employees of the Company, including the Named Executive Officers. Each such individual received a fixed number of shares relative to his or her salary range and position within the Company. Options were granted to the executive officers in an amount such that the value of the award, when combined with base compensation, potential bonuses under the Bonus Plan and, in the case of the top three executive officers, potential payouts under the Company's Long-Term Incentive Plan, would provide competitive total compensation relative to comparable positions at other companies.

LONG-TERM INCENTIVE PLAN. Stockholders approved the Company's Long-Term Incentive Plan at the 2000 Annual Meeting of Stockholders. The participants in the Long-Term Incentive Plan are the Company's Chief Executive Officer, Chief Operating Officer and Chief Financial Officer. The payment of cash awards under the Long-Term Incentive Plan requires the Company to achieve both earnings growth and improvement in return on equity over the applicable performance cycle. The Compensation Committee can also establish other performance criteria. Threshold, plan and maximum targets are established within the first 90 days of each performance cycle, and awards are established for achievement of each of the targets at the time the targets are determined. Awards are based on a percentage of a participant's base salary. The percentage is lowest for achievement of the threshold targets and is highest if the maximum targets are achieved or exceeded. If the level of achievement falls between two of the targets, the payout will be based on a percentage of the participant's base

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

salary that is on a straight-line interpolation between the percentages for the two targets. The percentage of base salary that a participant can earn differs among the participants and can differ from performance cycle to performance cycle. No payouts are made if the threshold targets are not satisfied. The amount of a participant's payout, if any, will be determined by the Compensation Committee, by the end of the first quarter of the fiscal year immediately following the end of the applicable performance cycle. Payments will be made as soon as practicable thereafter. In the event of the death or disability of a participant during a performance cycle, the participant or his or her estate will receive the payout, if any, which would otherwise have been payable to the participant for such performance cycle, pro rated to reflect the portion of the performance cycle worked by the participant. In all other events, a participant must be employed by the Company on the payment date therefor or must have died, become disabled, retired

15

under the Company's retirement plan or have been discharged without cause subsequent to the end of the performance cycle but prior to the date the payout is made in order to remain eligible to receive a payout. No payouts were made with respect to the performance cycle ended February 2, 2003.

In view of changing tax laws and economic and employment conditions, the Compensation Committee regularly examines other methods of long-term and short-term incentive-based compensation for executive officers and intends to implement, when appropriate, such methods in lieu of or in addition to the existing plans. In addition, the Compensation Committee may create special bonus pools or modify existing arrangements when special conditions or events warrant.

STOCK OWNERSHIP

To ensure that management's interests remain aligned with stockholders' interests, the Company encourages key executives to retain shares acquired pursuant to the exercise of stock options. In addition, employees of the Company, including the executive officers, acquire Common Stock of the Company through the AIPs, subject to certain limitations on the amount an employee can contribute to or hold in the PVH Stock Fund. Most of the Company's executive officers have a significant portion of their AIP accounts invested in the PVH Stock Fund.

FEDERAL INCOME TAX DEDUCTIBILITY OF EXECUTIVE COMPENSATION

Section 162(m) of the Code, limits the amount of compensation a publicly held corporation may deduct as a business expense for Federal income tax purposes. The deductibility limit, which applies to a company's chief executive officer and the four other most highly compensated executive officers, is \$1 million, subject to certain exceptions. The exceptions include the general exclusion of performance-based compensation from the calculation of an executive officer's compensation for purposes of determining whether his or her compensation exceeds the deductibility limit. The Company generally has not in the past paid its executive officers compensation which is not fully deductible, but the Compensation Committee also recognizes that in certain instances it may be in the best interest of the Company to provide compensation that is not fully deductible.

Mr. Solomon was not a member of the Compensation Committee in fiscal 2002 and Mr. Landau joined the Board of Directors and Compensation Committee after the end of fiscal 2002, and, therefore, neither of them participated in the Committee's activities during fiscal 2002. However, they did participate in the determination of whether the executive officers qualified for bonuses under the

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

Bonus Plan and payouts under the Long-Term Incentive Plan for the fiscal year and performance cycle ended February 2, 2003, respectively.

AUDIT COMMITTEE REPORT

The Company's management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

The independent auditors audit the Company's financial statements and express an opinion on the financial statements based on their audit. The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Last year, the Audit Committee revised its written charter, which was then approved by the Executive Committee of the Board of Directors. The revised charter is attached as Exhibit A to this Proxy Statement.

As part of its oversight of the Company's financial statements and reporting process, the Audit Committee has met and held discussions with Company management, the Company's internal auditing staff and Ernst & Young LLP, the Company's independent auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees).

In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees). The Committee has also considered whether the independent auditors' provision of other non-audit services to the Company is compatible with the auditors' independence.

The Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board approved, the inclusion of the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended February 2, 2003, as filed with the Securities and Exchange Commission. The Committee also has recommended, subject to stockholder approval, the selection of the Company's independent auditors.

The members of the Audit Committee reviewed on a quarterly basis the Company's earnings releases and, as applicable, its quarterly reports on Form 10-Q and annual report on Form 10-K. In addition, the Committee met quarterly with Company management and the Company's independent auditors to discuss the earnings releases.

Mr. Nasella joined the Board of Directors and the Committee after the end of fiscal 2002 and, therefore, he did not participate in the Committee's activities during such year. He did, however, participate in matters relating to the Company's earnings release for the fourth quarter of fiscal 2002 and full year's results, as well as the Company's annual report on Form 10-K.

APPROVAL OF THE COMPANY'S 2003 STOCK OPTION PLAN

On May 1, 2003, the Board of Directors adopted, upon the recommendation of the Compensation Committee and subject to stockholder approval, a new 2003 Stock Option Plan. Approval of the Plan requires the affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting of Stockholders. The 2003 Stock Option Plan is intended to replace the 1997 and 2000 Option Plans as the principal source of the Company's option grants, although outstanding options granted under those plans will continue to be governed by the applicable plans and grants of available shares may still be made under such plans. As of the date of this Proxy Statement, there are only an aggregate of approximately 60,000 shares available for the grant of options under the 1997 and 2000 Stock Option Plans.

The following summary of certain features of the 2003 Stock Option Plan is qualified in its entirety by reference to the full text of the Plan, which is Exhibit B to this Proxy Statement.

The 2003 Stock Option Plan authorizes the grant of options to purchase shares of Common Stock to key employees of the Company and its subsidiaries, to the non-employee directors of the Company and to certain other persons. Under the Plan, the Company may grant to eligible individuals incentive stock options, as defined in Section 422(b) of the Code, and/or non-qualified stock options.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ADOPTION OF THE 2003 STOCK OPTION PLAN.

NATURE AND PURPOSES OF THE 2003 STOCK OPTION PLAN

The purposes of the 2003 Stock Option Plan are to induce certain individuals to remain in the employ or service of the Company and its subsidiaries, to attract new individuals to enter into such employment or service and to encourage such individuals to secure or increase on reasonable terms their stock ownership in the Company. The Board of Directors believes that the Plan will promote continuity of management and increased incentive and personal interest in the welfare of the Company by those who are or may become primarily responsible for shaping and carrying out the long-range plans of the Company and securing its continued growth and financial success. The approximate number of persons eligible to participate in the 2003 Stock Option Plan is 290. The number of eligible participants in the Company's option plans has increased by more than 20% since the 2000 Option Plan's adoption, principally due to the addition of participants as a result of the Company's acquisition of Calvin Klein, Inc. and certain related companies.

DURATION AND MODIFICATION

The 2003 Stock Option Plan will terminate not later than April 30, 2013. The Board of Directors may at any time terminate the Plan or make such modifications of the Plan as it may deem advisable. However, except in certain limited circumstances, the Board may not, without further approval by the stockholders, increase the number of shares of Common Stock as to which options may be granted under the Plan, change the class of persons eligible to participate in the Plan, change the manner of determining the option prices, amend any option to reduce the option price, or cancel any outstanding option and contemporaneously award a new option to the same participant for substantially the same number of shares at a lower option price.

ADMINISTRATION

The 2003 Stock Option Plan is administered by the Compensation Committee

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

or such other committee of the Board of Directors that the Board may designate from time to time (the "Option Committee"). The Option Committee must consist of two or more members of the Board of Directors who are intended to be "non-employee directors" within the meaning of Rule 16b-3 under the Exchange Act and "outside directors" within the meaning of Section 162(m) of the Code. The members of the Option Committee are appointed annually by the Board. The Option Committee, among other things, has complete authority, in its discretion, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it and to determine the participants in the Plan, the time and price at which options will be granted, the period during which options will be exercisable, the number of shares subject to each option and whether an option will be an incentive stock option, a non-qualified stock option or a combination thereof. The Option Committee will not have the discretion to determine any of the foregoing with respect to the non-discretionary options granted to non-employee directors. All options granted to non-employee directors are non-qualified stock options. Authority is delegated to a director who is an employee of the Company to make grants to employees of the Company or its subsidiaries of not more than 5,000 per person per year and not more than 100,000 in the aggregate in any year. Such grants may not be made to any officer of the Company who is subject to the reporting requirements under Section 16 of the Exchange Act or whose compensation is, or is likely to become, subject to the provisions of Section 162(m) of the Code. The members of the

19

Option Committee do not receive additional compensation for service in connection with the administration of the Plan. Compensation Committee members receive a \$2,000 fee for each Compensation Committee meeting attended.

DESCRIPTION OF OPTIONS

Under the 2003 Stock Option Plan, the per share exercise price of any option may not be less than the fair market value of a share of Common Stock on the date of grant, which generally is the closing sale price of the Common Stock on the New York Stock Exchange on the business day preceding the date of grant. The aggregate fair market value of the shares of Common Stock for which a participant may be granted incentive stock options which are exercisable for the first time in any calendar year may not exceed \$100,000. No participant may, during any fiscal year, be granted options to purchase more than 1,200,000 shares of the Common Stock.

Directors who are not employees of the Company or its subsidiaries, other than the Series B Directors, receive a non-discretionary annual grant of options to purchase 8,000 shares of Common Stock at 100% of the fair market value on the date of grant.

Options granted under the 2003 Stock Option Plan generally become exercisable with respect to 25% of the underlying shares on the first anniversary of the date of grant, 50% of the underlying shares on the second anniversary of the date of grant, 75% of the underlying shares on the third anniversary of the date of grant and 100% of the underlying shares on the fourth anniversary of the date of grant, unless otherwise determined by the Option Committee at the time of the grant of the option. In the event of a change in control (as defined in the Plan), all options that have been previously granted and have not expired or otherwise been cancelled or become unexercisable become immediately exercisable. The Board may permit any option to be exercised in whole or in part prior to the time that it would otherwise be exercisable. Upon

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

the exercise of an option, the option price must be paid in cash or, if the Committee so determined at the time of the grant of the option, in shares of Common Stock. An option may not be granted for a period in excess of 10 years from the date of grant.

In the event of the death or retirement of an optionee, all options that have been previously granted and have not expired or otherwise been cancelled become immediately exercisable. If such options are not thereafter exercised, they will terminate, generally within three months after the qualification of the representative of such optionee's estate in the event of such optionee's death or three years of such optionee's retirement. If an optionee leaves the employ of the Company or one of its subsidiaries or ceases to serve as a director of the Company prior to his or her death or retirement, any then exercisable options previously granted to but not exercised by such optionee will terminate within 90 days of such optionee's termination of employment or service as a director.

Non-qualified stock options may be transferred for no consideration to or for the benefit of the optionee's immediate family (as defined in the 2003 Stock Option Plan), a trust for the exclusive benefit of the optionee and his or her immediate family or to a partnership or limited liability company for one or more members of the optionee and his or her immediate family. Any transfer of a non-qualified stock option must be approved in advance by the Compensation Committee and may be approved subject to such conditions as the Option Committee may impose.

The number of shares reserved for issuance under the 2003 Stock Option Plan and the number of shares covered by each option granted under the Plan will be adjusted in the event of a stock dividend, reorganization, recapitalization, stock split-up, combination of shares, sale of assets, merger or consolidation in which the Company is the surviving corporation. In the event of the dissolution or liquidation of the Company, or a merger, reorganization or consolidation in which the Company is not the surviving corporation, each option will terminate.

Provisions have been included in the 2003 Stock Option Plan to meet the requirements for deductibility of executive compensation under Section 162(m) of the Code by qualifying option grants under the Plan as performance-based compensation.

SECURITIES SUBJECT TO THE 2003 STOCK OPTION PLAN

5,400,000 authorized but unissued shares of the Common Stock have been reserved for issuance upon the exercise of options granted under the 2003 Stock Option Plan. The number of authorized but unissued shares so reserved will continue to be reduced from time to time to the extent that a corresponding amount of outstanding shares are purchased by the Company and set aside for issuance upon the exercise of options granted under the Plan. If any such options were to expire or terminate for any reason without having been exercised in full, the unpurchased shares subject thereto would again become available for the purposes of the Plan.

The market value of the Common Stock, as of April 23, 2003 was \$13.35 per share.

FEDERAL INCOME TAX CONSEQUENCES OF ISSUANCE AND EXERCISE OF OPTIONS

The following discussion of the Federal income tax consequences of the

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

granting and exercise of options under the 2003 Stock Option Plan, and the sale of Common Stock acquired as a result thereof, is based on an analysis of the Code, as currently in effect, existing laws, judicial decisions and administrative rulings and regulations, all of which are subject to change. In addition to being subject to the Federal income tax consequences described below, an optionee may also be subject to state and/or local income tax consequences in the jurisdiction in which he or she works and/or resides.

Non-Qualified Stock Options

No income will be recognized by an optionee at the time a non-qualified stock option is granted. Ordinary income will be recognized by an optionee at the time a non-qualified stock option is exercised, and the amount of such income will be equal to the excess of the fair market value on the exercise date of the shares issued to the optionee over the option price. This ordinary (compensation) income will also constitute wages subject to withholding, and the Company will be required to make whatever arrangements are necessary to ensure that the amount of the tax required to be withheld is available for payment in money.

The Company will generally be entitled to a deduction for Federal income tax purposes at such time and in the same amount that the optionee is required to include in his or her income upon the exercise of a non-qualified stock option.

If an optionee makes payment of the option price by delivering shares of Common Stock, the optionee generally will not recognize any gain as a result of such delivery, but the amount of gain, if any, which is not so recognized will be excluded from his or her basis in the new shares received.

Capital gain or loss on a subsequent sale or other disposition of the shares acquired upon the exercise of a non-qualified stock option will be measured by the difference between the amount realized on the disposition and the tax basis of such shares. The tax basis of the shares acquired upon the exercise of any non-qualified stock option will be equal to the sum of the exercise price of such non-qualified stock option and the amount included in income with respect to such option.

If an optionee transfers an option by gift, the optionee will recognize ordinary income at the time that the transferee exercises the option. The Company will be required to report the ordinary income recognized by the optionee, and to withhold income and employment taxes, and pay the Company's share of employment taxes, with respect to such ordinary income. The optionee may also be subject to federal gift tax on the value of the transferred option at the time that the transfer of the option is considered completed for gift purposes. The Internal Revenue Service takes the position that the transfer is not complete until the option is fully vested.

Incentive Stock Options

In general, neither the grant nor the exercise of an incentive stock option will result in taxable income to an optionee or a deduction to the Company. However, for purposes of the alternative minimum tax, the spread on the exercise of an incentive stock option will be considered as part of the optionee's income.

The sale of Common Stock received pursuant to the exercise of an incentive stock option which satisfies the holding period rules will result in capital gain to an optionee and will not result in a tax deduction to the Company. To receive incentive stock option treatment as to the shares acquired upon exercise of an incentive stock option, an optionee must neither dispose of such shares within two years after such incentive stock option is granted nor within one

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

year after the exercise of such incentive stock option. In addition, an optionee generally must be an employee of the Company or a subsidiary of the Company at all times between the date of grant and the date three months before exercise of such incentive stock option. If an incentive stock option is exercised more than three months after the termination of an optionee's employment with the Company, the option will be treated as a non-qualified stock option.

If the holding period rules are not satisfied, the portion of any gain recognized on the disposition of the shares acquired upon the exercise of an incentive stock option that is equal to the lesser of (a) the fair market value of the shares on the date of exercise minus the option price or (b) the amount realized on the disposition minus the option price, will be treated as ordinary (compensation) income, with any remaining gain being treated as capital gain. The Company generally will be entitled to a deduction equal to the amount of such ordinary income.

If an optionee makes payment of the option price by delivering shares of Common Stock, the optionee generally will not recognize any gain as a result of such delivery, but the amount of gain, if any, which is not so recognized will be excluded from his or her basis in the new shares received. However, the use by an optionee of shares previously acquired

21

pursuant to the exercise of an incentive stock option to exercise an option will be treated as a taxable disposition if the transferred shares are not held by the optionee for the requisite holding period.

BENEFITS TO BE RECEIVED UPON APPROVAL

The following table sets forth, for the current fiscal year, with respect to each of the Named Executive Officers, all executive officers as a group, all non-employee directors as a group, and all non-executive officer employees as a group, the number of shares of Common Stock subject to options granted under the 2000 Stock Option Plan. The Company would expect comparable grants to be made in future years to the individuals and groups identified if the 2003 Stock Option Plan is approved.

The Compensation Committee, in its capacity as the Option Committee, is considering making a special grant of options to the Chief Executive Officer, Chief Operating Officer and Chief Financial Officer that would reward them for success following the Calvin Klein acquisition. The grant would be performance-oriented and linked to long-term stock price appreciation, with vesting of the entire grant at one-time after an extended period (e.g., six years after the grant, as opposed to the usual incremental vesting over the first through fourth anniversaries) and the opportunity to accelerate vesting tied to achieving stock price goals (e.g., the Common Stock trading above a target price for at least a set number of consecutive trading days).

Approval of the 2003 Stock Option Plan requires the affirmative vote of a majority of the votes cast in person or by proxy at the meeting.

SELECTION OF AUDITORS

The Audit Committee has selected Ernst & Young LLP, independent auditors, as the Company's auditors for the fiscal year ending February 1, 2004. Although stockholder ratification of the Audit Committee's selection is not required, the Board of Directors considers it desirable for stockholders to pass upon the selection of auditors and, if the stockholders disapprove of the selection, intends to request the Audit Committee to reconsider the selection of auditors for the fiscal year ending January 30, 2005, since it would be impracticable to replace the Company's auditors so late into the Company's current fiscal year.

It is expected that representatives of Ernst & Young LLP will be present at the meeting, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions from stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF THE AUDITORS. PROXIES RECEIVED IN RESPONSE TO THIS SOLICITATION WILL BE VOTED FOR THE APPOINTMENT OF THE AUDITORS UNLESS OTHERWISE SPECIFIED IN A PROXY.

FEES PAID TO AUDITORS

The following table sets forth the aggregate fees billed by Ernst & Young LLP, the member firms of Ernst & Young LLP, and their respective affiliates for professional services rendered to the Company for the audit of the Company's annual financial statements for the fiscal years ended February 2, 2003 and February 3, 2002, for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for those fiscal years, and for other services rendered on behalf of the Company during those fiscal years. The Audit Committee's revised charter requires the Audit Committee to preapprove at its meetings all auditing and non-audit services provided by the Company's outside auditors. The charter permits the Committee to delegate to any one or more of its members the authority to grant such preapprovals. Any such delegation of authority may be subject to any rules or limitations that the members deem appropriate. The decision to preapprove any services made by any member to whom authority has been so delegated must be presented to the full Committee at its next meeting.

MISCELLANEOUS

Any proposal of an eligible stockholder intended to be presented at the next Annual Meeting of Stockholders must be received by the Company for inclusion in its proxy statement and form of proxy relating to that meeting on or before January 6, 2004. The proxy or proxies designated by the Board of Directors will have discretionary authority to vote on any matter properly presented by a stockholder for consideration at the next Annual Meeting of Stockholders but not submitted for inclusion in the proxy materials for such Meeting unless notice of the matter is received by the Company on or before March 21, 2004 and certain other conditions of the applicable rules of the Securities and Exchange Commission are satisfied. Stockholder proposals should be directed to the Secretary of the Company at the address set forth below.

The Board of Directors of the Company does not intend to present, and does not have any reason to believe that others intend to present, any matter of business at the meeting other than that set forth in the accompanying Notice of Annual Meeting of Stockholders. However, if other matters properly come before the meeting, it is the intention of the persons named in the enclosed form of proxy to vote any proxies in accordance with their judgment.

The Company will bear the cost of preparing, assembling and mailing the enclosed form of proxy, this Proxy Statement and other material that may be sent to stockholders in connection with this solicitation. Solicitation may be made by mail, telephone, telegraph and/or personal interview. The Company may reimburse persons holding shares in their names or in the names of nominees for their expense in sending proxies and proxy material to their principals. In addition, Georgeson Shareholder, which is retained by the Company on an annual basis, will aid in the solicitation of proxies for the meeting for a fee of \$6,500 plus expenses.

Copies of the 2002 Annual Report to Stockholders are being mailed to the stockholders simultaneously with this Proxy Statement. If you want to save the Company the cost of mailing more than one Annual Report to the same address, please send your written request to the Secretary of the Company at the address indicated below to discontinue mailing a duplicate copy to the account or accounts selected by you.

THE COMPANY WILL PROVIDE TO ANY STOCKHOLDER A COPY OF ITS ANNUAL REPORT ON FORM 10-K FILED WITH THE SECURITIES AND EXCHANGE COMMISSION FOR THE FISCAL YEAR ENDED FEBRUARY 2, 2003 UPON RECEIPT OF A WRITTEN REQUEST ADDRESSED TO:

EXHIBIT B

PHILLIPS-VAN HEUSEN CORPORATION 2003 STOCK OPTION PLAN

1. Purpose. The purposes of the 2003 Stock Option Plan (the "Plan") are to induce certain individuals to remain in the employ, or to continue to serve as directors of, or consultants or advisors to, Phillips-Van Heusen Corporation

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

(the "Company") and its present and future subsidiary corporations (each a "Subsidiary"), as defined in Section 424(f) of the Internal Revenue Code of 1986, as amended (the "Code"), to attract new individuals to enter into such employment or service and to encourage such individuals to secure or increase on reasonable terms their stock ownership in the Company. The Board of Directors of the Company (the "Board") believes that the granting of stock options (the "Options") under the Plan will promote continuity of management and increased incentive and personal interest in the welfare of the Company by those who are or may become primarily responsible for shaping and carrying out the long range plans of the Company and securing its continued growth and financial success. Options granted hereunder are intended to be either (i) "incentive stock options" (which term, when used herein, shall have the meaning ascribed thereto by the provisions of Section 422(b) of the Code) or (ii) options which are not incentive stock options ("non-qualified stock options") or (iii) a combination thereof, as determined by the Committee (the "Committee") referred to in Section 5 at the time of the grant thereof.

2. Effective Date of the Plan. The Plan became effective on May 1, 2003.

3. Stock Subject to Plan. 5,400,000 of the authorized but unissued shares of the common stock, \$1.00 par value, of the Company (the "Common Stock") are hereby reserved for issue upon the exercise of Options granted under the Plan; provided, however, that the number of shares so reserved may from time to time be reduced to the extent that a corresponding number of issued and outstanding shares of the Common Stock are purchased by the Company and set aside for issue upon the exercise of Options. If any Options expire or terminate for any reason without having been exercised in full, the unpurchased shares subject thereto shall again be available for the purposes of the Plan.

4. Administration.

(a) Except as otherwise provided in Section 4(b), the Plan shall be administered by the Committee. Subject to the express provisions of the Plan, the Committee shall have complete authority, in its discretion, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it, to determine the terms and provisions of the respective option agreements or certificates (which need not be identical), to determine the individuals (each a "Participant") to whom and the times and the prices at which Options shall be granted, the periods during which each Option shall be exercisable, the number of shares of the Common Stock to be subject to each Option and whether such Option shall be an incentive stock option or a non-qualified stock option and to make all other determinations necessary or advisable for the administration of the Plan. In making such determinations, the Committee may take into account the nature of the services rendered by the respective individuals, their present and potential contributions to the success of the Company and the Subsidiaries and such other factors as the Committee in its discretion shall deem relevant. The Committee's determination on the matters referred to in this Section 4 shall be conclusive. Any dispute or disagreement which may arise under or as a result of or with respect to any Option shall be

B-1

determined by the Committee, in its sole discretion, and any interpretations by the Committee of the terms of any Option shall be final, binding and conclusive.

(b) The Chairman of the Board or, if the Chairman is not an executive officer of the Company, the Chief Executive Officer of the Company or other executive officer of the Company designated by the Committee who is also a director (the Chairman, Chief Executive Officer or other designated executive

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

officer being referred to as the "Designated Director") may administer the Plan with respect to employees of the Company or a Subsidiary (i) who are not officers of the Company subject to the provisions of Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") and (ii) whose compensation is not, and in the judgment of the Designated Director may not be reasonably expected to become, subject to the provisions of Section 162(m) of the Code. The authority of the Designated Director and Options granted by the Designated Director shall be subject to such terms, conditions, restrictions and limitations as may be imposed by the Board, including, but not limited to, a limit on the aggregate number of shares of Common Stock subject to Options that may be granted in any one calendar year by the Designated Director to all such employees of the Company and its Subsidiaries and a maximum number of shares that may be subject to Options granted under the Plan in any one calendar year to any single employee by the Designated Director. Unless and until the Board shall take further action, the maximum number of shares of Common Stock that may be subject to Options granted under the Plan, the Company's 1997 Stock Option Plan, 2000 Stock Option Plan and any other stock option plan then in effect in any one calendar year by the Designated Director shall be 100,000 in the aggregate and the maximum number of shares of Common Stock that may be subject to Options granted under the Plan, the Company's 1997 Stock Option Plan, 2000 Stock Option Plan and any other stock option plan then in effect in any one calendar year by the Designated Director to any single employee shall be 5,000 in the aggregate. Any actions duly taken by the Designated Director with respect to the grant of Options to such employees shall be deemed to have been taken by the Committee for purposes of the Plan.

5. Committee. The Committee shall consist of two or more members of the Board. It is intended that all of the members of the Committee shall be "non-employee directors" within the meaning of Rule 16b-3(b)(3) promulgated under the Exchange Act, and "outside directors" within the contemplation of Section 162(m)(4)(C)(i) of the Code. The Committee shall be appointed annually by the Board, which may at any time and from time to time remove any members of the Committee, with or without cause, appoint additional members to the Committee and fill vacancies, however caused, in the Committee. A majority of the members of the Committee shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members present at a meeting duly called and held, except that the Committee may delegate to any one of its members the authority of the Committee with respect to the grant of Options to any person who shall not be an officer and/or director of the Company and who is not, and in the judgment of the Committee may not be reasonably expected to become, a "covered employee" within the meaning of Section 162(m)(3) of the Code. Any decision or determination of the Committee reduced to writing and signed by all of the members of the Committee (or by the member(s) of the Committee to whom authority has been delegated) shall be fully as effective as if it had been made at a meeting duly called and held.

6. Eligibility. An Option may be granted only to a key employee of the Company or a Subsidiary or to a director of the Company or a Subsidiary who is not an employee of the Company or a Subsidiary or to an independent consultant or advisor who renders services to the Company or a Subsidiary.

B-2

7. Option Prices.

(a) The initial per share option price of any Option shall be the price determined by the Committee, but not less than the fair market value of a share of the Common Stock on the date of grant; provided, however, that, in the case of a Participant who owns more than 10% of the total combined voting power of the Common Stock at the time an Option which is an incentive stock option is

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

granted to him or her, the initial per share option price shall not be less than 110% of the fair market value of a share of the Common Stock on the date of grant.

(b) For all purposes of the Plan, the fair market value of a share of the Common Stock on any date shall be equal to (i) the closing sale price of the Common Stock on the New York Stock Exchange on the business day preceding such date or (ii) if there is no sale of the Common Stock on such Exchange on such business day, the average of the bid and asked prices on such Exchange at the close of the market on such business day.

8. Option Term. Participants shall be granted Options for such term as the Committee shall determine, not in excess of 10 years from the date of the granting thereof; provided, however, that, in the case of a Participant who owns more than 10% of the total combined voting power of the Common Stock at the time an Option which is an incentive stock option is granted to him or her, the term with respect to such Option shall not be in excess of five years from the date of the granting thereof.

9. Limitations on Amount of Options Granted.

(a) The aggregate fair market value of the shares of the Common Stock for which any Participant may be granted incentive stock options which are exercisable for the first time in any calendar year (whether under the terms of the Plan or any other stock option plan of the Company) shall not exceed \$100,000.

(b) No Participant shall, during any fiscal year of the Company, be granted Options under the Plan to purchase more than 1,200,000 shares of the Common Stock.

10. Exercise of Options.

(a) Except as otherwise determined by the Committee at the time of grant, a Participant may not exercise an Option during the period commencing on the date of the grant of such Option to him or her and ending on the day immediately preceding the first anniversary of such date. Except as otherwise determined by the Committee at the time of grant, a Participant may (i) during the period commencing on the first anniversary of the date of the grant of an Option to him or her and ending on the day immediately preceding the second anniversary of such date, exercise such Option with respect to one-quarter of the shares granted thereby, (ii) during the period commencing on the second anniversary of the date of such grant and ending on the day immediately preceding the third anniversary of the date of such grant, exercise such Option with respect to one-half of the shares granted thereby, (iii) during the period commencing on the third anniversary of the date of such grant and ending on the day immediately preceding the fourth anniversary of such date, exercise such Option with respect to three-quarters of the shares granted thereby and (iv) during the period commencing on the fourth anniversary of the date of such grant and ending at the time the Option expires pursuant to the terms hereof, exercise such Option with respect to all of the shares granted thereby.

B-3

(b) Except as hereinbefore otherwise set forth, an Option may be exercised either in whole at any time or in part from time to time.

(c) An Option may be exercised only by a written notice of intent to exercise such Option with respect to a specific number of shares of the Common Stock and payment to the Company of the amount of the option price for the

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

number of shares of the Common Stock so specified; provided, however, that, if the Committee shall in its sole discretion so determine at the time of the grant of any Option, all or any portion of such payment may be made in kind by the delivery of shares of the Common Stock having a fair market value equal to the portion of the option price so paid; provided further, however, that no portion of such payment may be made by delivering shares of the Common Stock acquired upon the exercise of an Option if such shares shall not have been held by the Participant for at least six months; and provided further, however, that, subject to the requirements of Regulation T (as in effect from time to time) promulgated under the Exchange Act, the Committee may implement procedures to allow a broker chosen by a Participant to make payment of all or any portion of the option price payable upon the exercise of an Option and receive, on behalf of such Participant, all or any portion of the shares of the Common Stock issuable upon such exercise.

(d) The Committee may, in its discretion, permit any Option to be exercised, in whole or in part, prior to the time when it would otherwise be exercisable.

(e) (1) Notwithstanding the provisions of Section 10(a) or the last sentence of Section 13, in the event that a Change in Control shall occur, then, each Option theretofore granted to any Participant which shall not have theretofore expired or otherwise been cancelled or become unexercisable shall become immediately exercisable in full. For the purposes of this Section 10(e), a "Change in Control" shall be deemed to occur upon (i) the election of one or more individuals to the Board which election results in one-third of the directors of the Company consisting of individuals who have not been directors of the Company for at least two years, unless such individuals have been elected as directors or nominated for election by the stockholders as directors by at least three-fourths of the directors of the Company who have been directors of the Company for at least two years, (ii) the sale by the Company of all or substantially all of its assets to any Person, the consolidation of the Company with any Person, the merger of the Company with any Person as a result of which merger the Company is not the surviving entity as a publicly held corporation, (iii) the sale or transfer of shares of the Company by the Company and/or any one or more of its stockholders, in one or more transactions, related or unrelated, to one or more Persons under circumstances whereby any Person and its Affiliates shall own, after such sales and transfers, at least one-fourth, but less than one-half, of the shares of the Company having voting power for the election of directors, unless such sale or transfer has been approved in advance by at least three-fourths of the directors of the Company who have been directors of the Company for at least two years, (iv) the sale or transfer of shares of the Company by the Company and/or any one or more of its stockholders, in one or more transactions, related or unrelated, to one or more Persons under circumstances whereby any Person and its Affiliates shall own, after such sales and transfers, at least one-half of the shares of the Company having voting power for the election of directors or (v) as defined in the Participant's employment agreement, if any, with the Company or a Subsidiary. For the purposes of this paragraph (1), (i) the term "Affiliate" shall mean any Person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, any other Person, (ii) the term "Person" shall mean any individual, partnership, firm, trust, corporation or other similar entity and (iii) when two or more Persons act as a partnership, limited partnership, syndicate or other group for the purpose of acquiring, holding or disposing of securities of the Company, such partnership, limited partnership, syndicate or group shall be deemed a "Person."

B-4

(2) In the event that a Change of Control shall occur, then,

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

from and after the time of such event, neither the provisions of this Section 10(e) nor any of the rights of any Participant hereunder shall be modified or amended in any way.

11. Transferability. (a) Except as otherwise provided in Section 11(b), no Option shall be assignable or transferable except by will and/or by the laws of descent and distribution and, during the life of any Participant, each Option granted to such Participant may be exercised only by him or her.

(b) A Participant may, with the prior approval of the Committee, transfer for no consideration an Option which is a non-qualified stock option to or for the benefit of the Participant's Immediate Family, a trust for the exclusive benefit of the Participant's Immediate Family or to a partnership or limited liability company for one or more members of the Participant's Immediate Family, subject to such limits as the Committee may establish, and the transferee shall remain subject to all the terms and conditions applicable to the Option prior to such transfer. The term "Immediate Family" shall mean the Participant's children, stepchildren, grandchildren, parents, stepparents, grandparents, spouse, former spouse, siblings, nieces, nephews, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships or any person sharing the Participant's household (other than a tenant or employee).

12. Termination of Employment or Service. Except as otherwise determined by the Committee, in the event a Participant leaves the employ or service, or ceases to serve as a director, of the Company and the Subsidiaries, whether voluntarily or otherwise but other than by reason of his or her death or, in the case of Participant who shall be an employee or director, retirement, each Option theretofore granted to him or her which shall not have been exercisable prior to the date of the termination of his or her employment or service shall terminate immediately. Except as otherwise determined by the Committee, each other Option theretofore granted to him or her which shall not have theretofore expired or otherwise been cancelled shall, to the extent exercisable on the date of such termination of employment or service and not theretofore exercised, terminate upon the earlier to occur of (x) 90 days after the date of such Participant's termination of employment or cessation of service and (y) the date of termination specified in such Option. Notwithstanding the foregoing, if a Participant is terminated for cause (as defined herein), each Option theretofore granted to him or her which shall not have theretofore expired or otherwise been cancelled shall, to the extent not theretofore exercised, terminate forthwith. Except as otherwise determined by the Committee, in the event a Participant leaves the employ, or ceases to serve as a director, of the Company and the Subsidiaries by reason of his or her retirement, each Option theretofore granted to him or her which shall not have theretofore expired or otherwise been cancelled shall become immediately exercisable in full and shall, to the extent not theretofore exercised, terminate upon the earlier to occur of the expiration of three years after the date of such retirement and the date of termination specified in such Option. Except as otherwise determined by the Committee, in the event a Participant's employment or service with the Company and the Subsidiaries terminates by reason of his or her death, each Option theretofore granted to him or her which shall not have theretofore expired or otherwise been cancelled shall become immediately exercisable in full and shall, to the extent not theretofore exercised, terminate upon the earlier to occur of the expiration of three months after the date of the qualification of a representative of his or her estate and the date of termination specified in such Option. For purposes of the foregoing, (a) the term "cause" shall mean: (i) the commission by the Participant of any act or omission that would constitute a crime under federal, state or equivalent foreign law, (ii) the commission by the Participant of any act of moral turpitude, (iii) fraud, dishonesty or other acts or omissions that result in a breach of any fiduciary or other material duty to the Company and/or the Subsidiaries, (iv) continued substance abuse that renders the Participant incapable of performing his or her

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

material duties to the satisfaction of the Company and/or the Subsidiaries, or (v) as defined in the Participant's employment agreement, if any, with the Company

B-5

or a Subsidiary and (b) the term "retirement" shall mean (I) the termination of a Participant's employment with the Company and all of the Subsidiaries (x) other than for cause or by reason of his or her death and (y) on or after the earlier to occur of (1) the first day of the calendar month in which his or her 65th birthday shall occur and (2) the date on which he or she shall have both attained his or her 55th birthday and completed 10 years of employment with the Company and/or the Subsidiaries or (II) the termination of a Participant's service as a director with the Company and all of the Subsidiaries (x) other than for cause or by reason of his or her death and (y) on or after the first day of the calendar month in which his or her 65th birthday shall occur.

13. Adjustment of Number of Shares. In the event that a dividend shall be declared upon the Common Stock payable in shares of the Common Stock, the number of shares of the Common Stock then subject to any Option and the number of shares of the Common Stock reserved for issuance in accordance with the provisions of the Plan but not yet covered by an Option and the number of shares set forth in Section 9(b) shall be adjusted by adding to each share the number of shares which would be distributable thereon if such shares had been outstanding on the date fixed for determining the stockholders entitled to receive such stock dividend. In the event that the outstanding shares of the Common Stock shall be changed into or exchanged for a different number or kind of shares of stock or other securities of the Company or of another corporation, whether through reorganization, recapitalization, stock split-up, combination of shares, sale of assets, merger or consolidation in which the Company is the surviving corporation, then, there shall be substituted for each share of the Common Stock then subject to any Option and for each share of the Common Stock reserved for issuance in accordance with the provisions of the Plan but not yet covered by an Option and for each share of the Common Stock referred to in Section 9(b), the number and kind of shares of stock or other securities into which each outstanding share of the Common Stock shall be so changed or for which each such share shall be exchanged. In the event that there shall be any change, other than as specified in this Section 13, in the number or kind of outstanding shares of the Common Stock, or of any stock or other securities into which the Common Stock shall have been changed, or for which it shall have been exchanged, then, if the Committee shall, in its sole discretion, determine that such change equitably requires an adjustment in the number or kind of shares then subject to any Option and the number or kind of shares reserved for issuance in accordance with the provisions of the Plan but not yet covered by an Option and the number or kind of shares referred to in Section 9(b), such adjustment shall be made by the Committee and shall be effective and binding for all purposes of the Plan and of each stock option agreement or certificate entered into in accordance with the provisions of the Plan. In the case of any substitution or adjustment in accordance with the provisions of this Section 13, the option price in each stock option agreement or certificate for each share covered thereby prior to such substitution or adjustment shall be the option price for all shares of stock or other securities which shall have been substituted for such share or to which such share shall have been adjusted in accordance with the provisions of this Section 13. No adjustment or substitution provided for in this Section 13 shall require the Company to sell a fractional share under any stock option agreement or certificate. In the event of the dissolution or liquidation of the Company, or a merger, reorganization or consolidation in which the Company is not the surviving corporation, then, except as otherwise provided in Section 10(e) and the second sentence of this Section 13, each Option, to the extent not theretofore exercised, shall

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

terminate forthwith.

14. Purchase for Investment, Withholding and Waivers. Unless the shares to be issued upon the exercise of an Option by a Participant shall be registered prior to the issuance thereof under the Securities Act of 1933, as amended, such Participant will, as a condition of the Company's obligation to issue such shares, be required to give a representation in writing that he or she is acquiring such shares for his or her own account as an investment and not with a view to, or for sale in connection with, the distribution of any thereof. In the event of the death of a Participant, a

B-6

condition of exercising any Option shall be the delivery to the Company of such tax waivers and other documents as the Committee shall determine. In the case of each non-qualified stock option, a condition of exercising the same shall be the entry by the person exercising the same into such arrangements with the Company with respect to withholding as the Committee may determine.

15. No Stockholder Status. Neither any Participant nor his or her legal representatives, legatees or distributees shall be or be deemed to be the holder of any share of the Common Stock covered by an Option unless and until a certificate for such share has been issued. Upon payment of the purchase price thereof, a share issued upon exercise of an Option shall be fully paid and non-assessable.

16. No Restrictions on Corporate Acts. Neither the existence of the Plan nor any Option shall in any way affect the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the Company's capital structure or its business, or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock or the rights thereof, or dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding whether of a similar character or otherwise.

17. No Employment Right. Neither the existence of the Plan nor the grant of any Option shall require the Company or any Subsidiary to continue any Participant in the employ or service of the Company or such Subsidiary.

18. Termination and Amendment of the Plan. The Board may at any time terminate the Plan or make such modifications of the Plan as it shall deem advisable; provided, however, that the Board may not without further approval of the holders of a majority of the shares of the Common Stock present in person or by proxy at any special or annual meeting of the stockholders, increase the number of shares as to which Options may be granted under the Plan (as adjusted in accordance with the provisions of Section 13), or change the class of persons eligible to participate in the Plan, or change the manner of determining the option prices. Except as otherwise provided in Section 13, no termination or amendment of the Plan may, without the consent of the Participant to whom any Option shall theretofore have been granted, adversely affect the rights of such Participant under such Option. The Committee may not, without further approval of the holders of a majority of the shares of the Common Stock present in person or by proxy at any special or annual meeting of the stockholders, amend any outstanding Option to reduce the option price, or cancel any outstanding Option and contemporaneously award a new Option to the same optionee for substantially the same number of shares at a lower option price.

19. Expiration and Termination of the Plan. The Plan shall terminate on April 30, 2013 or at such earlier time as the Board may determine. Options may

Edgar Filing: PHILLIPS VAN HEUSEN CORP /DE/ - Form DEF 14A

be granted under the Plan at any time and from time to time prior to its termination. Any Option outstanding under the Plan at the time of the termination of the Plan shall remain in effect until such Option shall have been exercised or shall have expired in accordance with its terms.

20. Options for Outside Directors.

otherwise provided in this Section 20, each such Option shall be subject to all of the terms and conditions of the Plan.

(b) (i) At the first meeting of the Board immediately following each Annual Meeting of the Stockholders of the Company, each Outside Director shall be granted an Option, which shall be a non-qualified stock option, to purchase 8,000 shares of the Common Stock. Notwithstanding the foregoing, an Outside Director may not receive a grant under this Section 20 for any year if and to the extent such Outside Director receives a grant of options to purchase Common Stock under any other Company stock option plan then in effect solely for his or her services as a director of the Company for such year and the aggregate number of shares of Common Stock issuable upon the exercise of all such options granted for such year would exceed 8,000.

(ii) The initial per share option price of each Option granted to an Outside Director shall under this Section 20 be equal to the fair market value of a share of the Common Stock on the date of grant.

(iii) The term of each Option granted to an Outside Director shall be ten years from the date of the granting thereof.

(iv) All or any portion of the payment required upon the exercise of an Option granted to an Outside Director may be made in kind by the delivery of shares of the Common Stock having a fair market value equal to the portion of the option price so paid; provided, however, that no portion of such payment may be made by delivering shares of the Common Stock acquired upon the exercise of an Option if such shares shall not have been held by such Outside Director for at least six months; and provided further, however, that, subject to the requirements of Regulation T (as in effect from time to time) promulgated under the Exchange Act, the Committee may implement procedures to allow a broker chosen by such Outside Director to make payment of all or any portion of the option price payable upon the exercise of an Option and receive, on behalf of such Outside Director, all or any portion of the shares of the Common Stock issuable upon such exercise.

(c) The provisions of this Section 20 may not be amended except by the vote of a majority of the members of the Board and by the vote of a majority of the members of the Board who are not Outside Directors.
