## INDENTURE SECURITIES

### 8. Analysis of Indenture Provisions

The New OCEANs will be issued under the Indenture to be dated as of the consummation of the Exchange Offer and entered into between the Company and BNY Midwest Trust Company, as trustee (the "Trustee"). The following analysis is not a complete description of the Indenture provisions discussed and is qualified in its entirety by reference

to the terms of the Indenture, a form of which is attached as Exhibit T3C hereto and incorporated by reference herein. The Company has not entered into the Indenture as of the date of this filing, and the terms of the Indenture are subject to change prior to its execution. Capitalized terms used below but not defined herein have the meanings assigned to them in the Indenture.

(a) Events of Default; Withholding of Notice

Each of the following is an Event of Default :

(1) a default in the payment of any interest (including Stated Interest and Contingent Interest) upon any of the New OCEANs when due and payable, continued for a period of thirty (30) days;

(2) a default in the payment of the Accreted Principal Amount, Deferred Interest, premium (if any), Redemption Price or Change of Control Purchase Price on any of the New OCEANs when due, including on a redemption date;

(3) a failure to pay when due the principal of or interest on indebtedness for money borrowed by the Company, which default results in the acceleration of such indebtedness which is in an amount in excess of the Applicable Amount, and such indebtedness is not discharged, or such payment default and acceleration is not cured or rescinded within a period of thirty (30) days;

(4) a default by the Company in the performance, or breach, of any of our other covenants or agreements in the Indenture and the New OCEANs which are not remedied by the end of a period of ninety (90) days after written notice to the Company by the Trustee or to the Company and the Trustee by the holders of at least 25% in original principal amount of the outstanding New OCEANs;

(5) if the Company defaults with respect to any indebtedness for borrowed money (other than a default described in (3) above) of the Company that results in the acceleration of such indebtedness which in an amount of the Applicable Limit and such indebtedness is not discharged, or such acceleration is not rescinded, within a period of thirty (30) days; and

(6) certain events of bankruptcy or insolvency relating to the Company as specified in the Indenture.

If an Event of Default described in clauses (1), (2), (3), (4) or (5) occurs and is continuing, either the Trustee or the holders of at least 25% in original principal amount of the outstanding New OCEANs may declare the then Accreted Principal Amount of, and accrued interest on, all New OCEANs to be immediately due and payable. This declaration may be rescinded if the conditions described in the Indenture are satisfied. If an Event of Default of the type referred to in clause (6) occurs, the Accreted Principal Amount of, and accrued interest on, the outstanding New OCEANs will automatically become immediately due and payable without any declaration or other act on the part of the Trustee or any of the holders.

Within ninety (90) days after a default, the Trustee must give to the registered holders of New OCEANs notice of all uncured defaults known to it, or, if later, within 15 days after it is known to the Trustee, unless such Default shall have been cured or waived before the giving of such notice. The Trustee will be protected in withholding the notice if it in good faith determines that the withholding of the notice is in the best interests of the registered holders, except in the case of a default in the payment of the Accreted Principal Amount, Redemption Price, Change of Control Purchase Price, or premium, if any, or any type of interest on, any of the New OCEANs when due or in the payment of any redemption obligation.

The holders of not less than a majority in aggregate original principal amount of the outstanding New OCEANs may direct the time, method and place of conducting any proceedings for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. Subject to the provisions of the Indenture relating to the duties of the Trustee, the Trustee will be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the holders of the New OCEANs unless the holders have offered to the Trustee security or indemnity satisfactory to it against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, interest when due, or the right to convert a New OCEAN in accordance with the Indenture, no holder may institute a proceeding or pursue any remedy with respect to the Indenture or the New OCEANs unless it complies with the conditions provided in the Indenture, including if: (i) holders of at least 25% in aggregate original principal amount of the outstanding New OCEANs have requested the Trustee to pursue the remedy and (ii) holders have offered the Trustee security or indemnity satisfactory to it against any loss, liability or expense.

(b) Authentication and Delivery of New OCEANs; Use of Proceeds

The New OCEANs to be issued under the Indenture may be executed by manual or facsimile signature on behalf of the Company by any officer of the Company and delivered to the Trustee.

The Trustee will authenticate and make available for delivery New OCEANs for original issue, upon a written order or orders of the Company. Such order of the Company must specify the amount of New OCEANs to be authenticated and the date on which the original issue of New OCEANs is to be authenticated.

The New OCEANs will not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the New OCEANs. The signature will be conclusive evidence that the New OCEANs have been authenticated under the Indenture.

There will be no proceeds from the issuance of the New OCEANs because the New OCEANs are being issued in exchange for the Existing OCEANs.

(c) Release and Substitution of Property Subject to the Lien of the Indenture

The New OCEANs are unsecured obligations of the Company. As such, the New OCEANs are not secured by any lien on any property.

(d) Satisfaction and Discharge of the Indenture

The Company may terminate all of its obligations under the New OCEANs and the Indenture if all New OCEANs previously authenticated and delivered (other than destroyed, lost or stolen New OCEANs which have been replaced or paid or New OCEANs for whose payment money has been held in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation and the Company has paid all sums payable by it hereunder, or if the Company irrevocably deposits with the Trustee cash sufficient to pay all amounts due and owing on all outstanding New OCEANs, and pays all other sums payable by it hereunder.

The Company agrees to (i) pay to the Trustee such compensation as the Company and the Trustee shall from time to time agree in writing, (ii) to reimburse the Trustee upon its request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of the Indenture, except any such expense, disbursement or advance that may be attributable to its negligence, bad faith or willful misconduct, and (iii) to indemnify the Trustee and its agents for any and all loss, damage, claim, liability, cost or expense incurred without negligence or bad faith on its part that arises out of the acceptance or administration of the trust, or liability in connection with the exercise or performance of any of its powers or duties. These obligations of the Company will survive the discharge of the Indenture and the resignation or removal of the Trustee.

(e) Evidence Required to be Furnished by the Company to the Trustee as to Compliance with the Conditions and Covenants Provided for in the Indenture

The Company is required to deliver to the Trustee within 90 days after the end of each fiscal year of the Company, an officers' certificate as to the signer's knowledge of the Company's compliance with all conditions and covenants on its part contained in the Indenture and stating whether or not the signer knows of any default or Event of Default. If such signer knows of such a default or Event of Default, the officers' certificate must describe the default or Event of Default and the efforts to remedy the same.

## 9. Other Obligors

There will be no person, other than the applicant, who is an obligor upon the New OCEANs.
