### Item 1.01 Entry into a Material Definitive Agreement.

On February 28, 2007, in connection with its previously disclosed acquisition of Ryan Beck Holdings, Inc., a New Jersey corporation ( Ryan Beck ) and its wholly-owned subsidiary Ryan Beck & Co., Inc., Stifel entered into a registration rights agreement (the Registration Rights Agreement ) with BankAtlantic Bancorp, Inc., a Florida corporation ( BankAtlantic ), on its own behalf and on behalf of the former optionholders of Ryan Beck who received shares of Stifel common stock in the merger. The form of the Registration Rights Agreement was previously disclosed at the time the transaction was announced.

The Registration Rights Agreement covers the registration of shares of Stifel common stock issued as part of the consideration for the merger. The Registration Rights Agreement requires Stifel to register for resale (i) all such shares held by shareholders other than Bancorp within 120 days after the closing of the Merger and (ii) one-third of such shares held by Bancorp within 120 days after the Closing of the Merger, and another one-third of such shares held by Bancorp not less than 60 days before each of the first and second anniversaries of Stifel s initial share registration. Additionally, the Registration Rights Agreement includes a lock-up provision under which Bancorp agreed not to sell, other than in a private sale, or hedge such shares for certain amounts of time according to a timetable set forth in the Registration Rights Agreement. Finally, the Registration Rights Agreement

includes standstill provisions under which Bancorp agreed not to, by itself or through its affiliates, acquire shares of Stifel common stock in excess of certain thresholds, and not to otherwise seek to acquire, merge or exert control over Stifel, other than as provided in the definitive merger agreement, for a period of time as defined in the Registration Rights Agreement.

A copy of the Registration Rights Agreement is attached as Exhibit 4.1 and is incorporated herein by reference. The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the full text of the Registration Rights Agreement.
