INFORMATION REQUIRED IN REGISTRATION STATEMENT

Explanatory Note

This Amendment No.3 hereby amends the registration statement on Form 8-A (the "Registration Statement") filed by Baytex Energy Trust (the "Trust"), with the U.S. Securities and Exchange Commission on February 2, 2006 and subsequently amended on December 12, 2007 and June 6, 2008 relating to trust units without nominal or no par value, of the Trust (the "Trust Units").

On December 31, 2010, the Trust completed a court-approved statutory plan of arrangement (the "Arrangement") pursuant to which, through a series of steps, unitholders of the Trust exchanged their Trust Units for common shares (the "Common Shares") of Baytex Energy Corp. (the "Corporation" or the "Registrant"), which immediately prior to the consummation of the Arrangement was a wholly-owned subsidiary of the Trust. The members of the board of directors of Baytex Energy Ltd., formerly the administrator of the Trust, comprise the board of directors of the Corporation. The Corporation has the same assets, liabilities, management and employees that the Trust had prior to completion of the Arrangement. The Arrangement was effected pursuant to Section 193 of the Business Corporations Act (Alberta). Pursuant to the Arrangement, among other things, each issued and outstanding Trust Unit was exchanged for one newly issued Common Share. All securities issued in connection with the Arrangement were exempt from registration under the Securities Act of 1933, as amended, pursuant to Section 3(a)(10) thereof.

As a result of the Arrangement, the Corporation became the successor issuer to the Trust under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and will succeed to the Trust's reporting obligations thereunder. Pursuant to Rule 12g-3(a) promulgated under the Exchange Act, the Common Shares are deemed to be registered under paragraph (b) of Section 12 of the Exchange Act. Set forth in Item 1 below is a description of the Common Shares.

The Corporation therefore amends Items 1 and 2 of the Registration Statement.

Item 1. Description of Registrant's Securities to be Registered

The following is a summary of the rights, privileges, restrictions and conditions attaching to the Common Shares. For a complete copy of the rights, privileges, restrictions and conditions attaching to the Common Shares, see Schedule A to the Articles of Incorporation, which are attached as Exhibit 3.1 hereto.

to prior satisfaction of all preferential rights to dividends attached to shares of other classes of shares of the Corporation ranking in priority to the Common Shares in respect of dividends.

(c) Holders of Common Shares will be entitled in the event of any liquidation, dissolution or winding-up of the Corporation, whether voluntary or involuntary, or any other distribution of the assets of the Corporation among its shareholders for the purpose of winding-up its affairs, and subject to prior satisfaction of all preferential rights to return of capital on dissolution attached to all shares of other classes of shares of the Corporation ranking in priority to the Common Shares in respect of return of capital on dissolution, to share rateably, together with the holders of shares of any other class of shares of the Corporation ranking equally with the Common Shares in respect of return of capital on dissolution, in such assets of the Corporation as are available for distribution.
