**AMENDMENT TO THE
PROXY STATEMENT DATED JULY 28, 2006
FOR THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD AUGUST 22, 2006**

August 4, 2006

To the Shareholders of Exide Technologies:

This Proxy Statement Amendment (this Amendment) is being mailed to our shareholders on or about August 4, 2006. This Amendment amends the Proxy Statement dated July 28, 2006, which was previously mailed to shareholders on or about July 28, 2006 in connection with the annual meeting of shareholders of Exide Technologies, scheduled to be held Tuesday August 22, 2006 at 9:00 a.m., local time, at the Hilton Garden Inn Atlanta North/Alpharetta at 4025 Windward Plaza Drive, Alpharetta, Georgia 30005 (the Proxy Statement). The information contained in this Amendment should be read in conjunction with the Proxy Statement.

The purpose of this Amendment is to update certain statements contained in the Proxy Statement.

The Rights Offering

We reported in the Proxy Statement that our shareholders would receive 0.87248 subscription rights per share owned on the record date of the rights offering. This ratio was based on our assumption that there would be 24,560,586 shares outstanding as of the record date of the rights offering. We have subsequently issued 428,182 shares of restricted stock to certain members of our management and our directors in connection with grants given in 2004, 2005 and 2006 under our 2004 Stock Incentive Plan. Such grants are reflected in the ownership of our management and our directors as reported in the section of the Proxy Statement titled Security Ownership of Certain Beneficial Owners and Management, but due to a clerical error were not issued. Due to this issuance, we will have 24,988,768 shares of common stock outstanding as of the record date of the rights offering and, consequently, our shareholders will receive 0.85753 subscription rights per share owned on the record date of the rights offering.

2004 Plan Grants

We reported in the Proxy Statement regarding prior grants under our 2004 Stock Incentive Plan (the 2004 Plan) on page 17 under New Plan Benefits and on page 26 under Options and Restricted Shares. Due to clerical errors, certain of the figures and percentages in those sections were somewhat incorrect. The correct information is as follows: Pursuant to 2004 Plan, 619,038 options (net of forfeitures) were granted to executive officers in fiscal 2006, representing 72.4% of all options awarded. Pursuant to the 2004 Plan, 253,086 restricted shares (net of forfeitures) were approved for granting to executive officers in fiscal 2006, representing 74.7% of all shares awarded. Also for fiscal 2006, 39,711 options and 28,252 restricted shares were granted to our non-executive directors as a group and 235,388 options and 85,673 restricted shares were granted to our non-executive employees as a group.
