PROXY STATEMENT

This Proxy Statement is being furnished to shareholders of Amtech Systems, Inc., an Arizona corporation (the "Company"), in connection with the solicitation of proxies by our Board of Directors for use at the 2003 Annual Meeting of Shareholders of the Company to be held on Friday, February 28, 2003, at 10:00 a.m., Phoenix, Arizona time, and any adjournment or postponement thereof (the "Annual Meeting"). A copy of the Notice of the Meeting accompanies this Proxy Statement. This Proxy Statement and the accompanying form of Proxy were first mailed on or about January 24, 2003 to all shareholders entitled to vote at the Annual Meeting.

STOCKHOLDERS ENTITLED TO VOTE

Shareholders of record at the close of business on January 13, 2003 (the "Record Date"), are entitled to notice of and to vote at the Annual Meeting and at any and all adjournments or postponements of the Annual Meeting. At the close of business on the Record Date, 2,689,571 shares of common stock, \$.01 par value (the "Common Stock"), were issued and outstanding. Except as set forth below with respect to the ability to cumulate votes for directors, each share of Common Stock entitles its owner to one vote. The holders of a majority of shares entitled to vote at the Annual Meeting must be present in person or represented by proxy in order to constitute a quorum for all matters to come before the Annual Meeting.

HOW TO ATTEND THE MEETING

If you are a shareholder of record, which means you hold your shares in your name, you may attend the meeting. If you own shares in the name of a bank, broker or other holder of record ("street name"), you will need to ask your broker or bank for a copy of the proxy they received from us. You will need to bring the proxy with you to the Annual Meeting.

HOW TO VOTE

If you are a shareholder of record, you may vote by mail or in person. To vote by mail, sign, date and return your proxy card in the enclosed postage-paid envelope. All valid proxies received before the Annual Meeting, and not revoked, will be exercised. If you sign and return your proxy card, but do not give voting instructions and authority to vote is not specifically withheld, the shares represented by that proxy will be voted as recommended by our Board of Directors. If you have specified a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specifications so made.

All stockholders may vote in person at the Annual Meeting (unless they are street name holders without a legal proxy). If your shares are held in a street name, you will receive instructions from the holder of record that you must follow in order for your shares to be validly voted.

We are not aware of any other matters to be presented at the Annual Meeting except those described in this Proxy Statement. However, if any other matters not described in this Proxy Statement are properly presented at the Annual Meeting, the proxies will use their own judgment to determine how to vote your shares. If the Annual Meeting is adjourned, your Common Stock may be voted by the proxies on the new meeting date as well, unless you have revoked your proxy prior to that time.

VOTING CHOICES

Edgar Filing: AMTECH SYSTEMS INC - Form DEF 14A

For each proposal presented, you may vote one of the following ways:

1. For the proposal
2. Against the proposal
3. Abstain from voting

Proxies that are signed and returned with no instructions will be voted FOR election of all Director nominees.

CHANGING YOUR VOTE

You may change your vote at any time before the proxy is exercised. A shareholder can revoke a proxy by:

- * Delivering to our executive offices, to the attention of our corporate Secretary prior to the vote at the Annual Meeting, a written instrument of revocation bearing a date later than the date of the proxy.
- * Duly executing and delivering to our executive offices, to the attention of our corporate Secretary prior to the vote at the Annual Meeting, a proxy relating to the same shares bearing a later date.
- * Voting by ballot at the Annual Meeting, provided that the shareholder notifies our corporate Secretary at the Annual Meeting of his or her intention to vote in person at any time prior to the voting of the proxy.

HOW VOTES ARE COUNTED

Inspectors of election will be appointed for the Annual Meeting. The inspectors of election will determine whether or not a quorum is present and will tabulate votes cast by proxy or in person at the Annual Meeting. If you have returned valid proxy instructions or attend the Annual Meeting in person, your Common Stock will be counted for the purpose of determining whether there is a quorum. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter. Abstentions and broker non-votes will be included in the determination of the number of shares represented for a quorum.

COST OF THIS PROXY SOLICITATION

We will pay the cost of preparing and mailing the Notice and Proxy Statement, including the charges and expenses of brokerage firms, banks and others who forward solicitation material to beneficial owners of the Common Stock. We will solicit proxies by mail. Proxies may also be solicited by officers and directors of the Company personally or by telephone or facsimile, without additional compensation. Computershare will serve as our proxy solicitation agent. In such capacity, Computershare will coordinate the distribution of proxy materials to beneficial owners of Common Stock and oversee the return of proxy cards. The fee for all these services is estimated to be approximately \$5,000.

ANNUAL REPORT

The Company's Annual Report to Shareholders for the fiscal year ended September 30, 2002 ("Annual Report") has been mailed concurrently with the mailing of the Notice of Annual Meeting and Proxy Statement to all shareholders entitled to notice of and to vote at the Annual Meeting. The Annual Report is not incorporated into this Proxy Statement and is not considered proxy soliciting material.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal 1: Election of Four Directors	The four nominees for director who receive the most votes will be elected. Cumulative voting is allowed with respect to the election of directors.
--	--

PROPOSALS

PROPOSAL NO. 1 --- ELECTION OF DIRECTORS

NUMBER OF DIRECTORS TO BE ELECTED

Our Board of Directors currently consists of four members. Until his death on August 25, 2002, Donald F. Johnston served as the fifth member of our Board of Directors. Following Mr. Johnston's death, our Board of Directors determined to reduce the size of our Board of Directors to four members until such time as a qualified candidate could be found to replace Mr. Johnston. The Company expects to complete its candidate search by the May 2003 Board of Directors' meeting.

Each director elected will hold office for one year or until his successor is elected and qualified. If any director resigns or otherwise is unable to complete his term in office, our Board may elect another director for the remainder of the resigning director's term.

VOTE REQUIRED

The four nominees receiving the highest number of votes cast at the Annual Meeting will be elected. There is cumulative voting in the election of directors. This means that each shareholder present at the Annual Meeting, either in person or by proxy, will have an aggregate number of votes in the election of directors equal to four (the number of persons nominated for election as directors) multiplied by the number of shares of Common Stock of the Company held by such shareholder on the Record Date. The resulting aggregate number of votes may be cast by the shareholder for the election of any single nominee, or the shareholder may distribute such votes among any number or all of the nominees. The four nominees receiving the highest number of votes will be elected to our Board of Directors.

NOMINEES OF THE BOARD

Our Board of Directors is responsible for supervision of the overall affairs of the Company. Our Board has nominated the following individuals to serve on our Board of Directors for the following year:

Jong S. Whang

Edgar Filing: AMTECH SYSTEMS INC - Form DEF 14A

Alvin Katz
Bruce R. Thaw

All of these nominees are currently serving on our Board of Directors. Each of the nominees has agreed to be named in this Proxy Statement and to serve if elected. See below for information regarding each of the nominees listed above.

3

Our Board of Directors recommends a vote FOR the election of the four nominees under Proposal No. 1. Our Board of Directors intends to vote its proxies for the election of the nominees, for a term to expire at the next Annual Meeting. In that regard, our Board of Directors solicits authority to cumulate such votes.

If any nominee should become unavailable for any reason, which our Board of Directors does not anticipate, the proxy will be voted for any substitute nominee or nominees who may be selected by our Board of Directors prior to or at the Annual Meeting. The information concerning the nominees and their share holdings in the Company has been furnished by them to the Company.

In addition, under the Company's Non-Employee Directors Stock Option Plan, each outside director receives an annual grant of options to purchase 5,000 shares of Common Stock. The exercise price of the options is set at the fair market value of Common Stock on the date of grant. Each option has a term of ten years and becomes exercisable in three equal installments commencing on the first anniversary of the date of grant and continuing for the two successive anniversaries thereafter. In the event of disability (as defined in the plan) or death of an outside director, all options remain exercisable for a period of twelve months following the date such person ceased to be a director, but only to the extent such option was exercisable on the date the director ceased to be a director.

EMPLOYMENT AND SEVERANCE AGREEMENTS

On March 15, 2001, the Company entered into a five (5) year employment agreement with its President, Jong S. Whang. Under the terms of the agreement, Mr. Whang is entitled to an annual base salary of \$188,402, and base salary increases of at least 5% to be determined by our Board of Directors at the end of each year of the agreement. Mr. Whang is also entitled to receive annual incentive cash compensation of up to 50% of his base salary, based on the follow criteria: (i) a bonus equal to 2% of the annual earnings of the Company before taxes and extraordinary items, and (ii) a bonus equal to 2% of the amount by which the revenues of the Company for the applicable fiscal year exceeds such revenues for the previous fiscal year. In addition, Mr. Whang was granted an option to purchase 150,000 shares of Common Stock pursuant to the agreement. These options were granted on March 15, 2001 and vest at the rate of 20% per full year of service over a five-year period. To the extent not already exercisable, the options become immediately exercisable upon: (i) the dissolution or liquidation of the Company or a reorganization, merger or consolidation in which all or substantially all prior shareholders do not continue to own more than 60% of the then outstanding shares of Common Stock and voting securities, (ii) the sale of all or substantially all of the assets of the Company, or (iii) the occurrence of a change in control of the Company as discussed in the agreement. The agreement also contains confidentiality and non-compete provisions. Mr. Whang is also entitled to participate in any benefit plans generally available to employees of the Company. Finally, the Company is required to purchase a \$250,000 life insurance policy on the life of Mr. Whang, with his spouse as the beneficiary of such policy. To date, Mr. Whang has waived the Company's compliance with the latter requirement.

7

SEVERANCE AND CHANGE OF CONTROL PROVISIONS

If Mr. Whang is terminated other than for "cause" or he terminates his employment for "good reason" (as such terms are defined in his employment agreement), he is entitled to receive, as severance pay, salary, incentive compensation and vacation accrued through the date of termination plus the following: (i) an amount equal to two years of Mr. Whang's base salary in effect on the termination date; (ii) a pro-rated portion of the amount of incentive

Edgar Filing: AMTECH SYSTEMS INC - Form DEF 14A

compensation Mr. Whang would earn for the fiscal year in which the termination occurs if the results of operations of the Company for the period from the beginning of such fiscal year to the termination date were annualized; (iii) full vesting of all stock options issued under the employment agreement; and (iv) vesting of a pro-rated portion of the number of stock options which would have vested for the fiscal year in which the termination occurs.

Mr. Whang's employment agreement also provides for benefits should his employment with the Company be terminated following a change in control. If Mr. Whang's employment with the Company is terminated within one year following the occurrence of a change of control, either by the Company for any reason other than for cause or by Mr. Whang for good reason, the Company would be required to pay him a lump sum payment equal to three years of his annual base salary in effect on the termination date and the maximum amount of incentive compensation which he could earn for the fiscal year in which the termination date occurs. In addition, all stock options held by him but not vested would vest immediately.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company did not have any transactions during fiscal 2002 with any director, director nominee, executive officer, security holder known to the Company to own of record or beneficially more than 5% of the Company's Common Stock, or any member of the immediate family of any of the foregoing persons, in which the amount involved exceeded \$60,000.

REPORT OF COMPENSATION AND OPTION COMMITTEE

The Compensation and Option Committee of the Company's Board of Directors (the "Committee"), which is composed entirely of independent, outside directors, establishes the general compensation policies of the Company and specific compensation for each executive officer of the Company, and administers the Company's stock option program. The Committee's objective is to make the compensation packages of the executive officers of the Company sufficient to attract and retain persons of exceptional quality, and to provide effective incentives to motivate and reward Company executives for achieving the financial and strategic goals of the Company essential to the Company's long-term success and growth in shareholder value. The Company's executive compensation package consists of three main components: base salary, incentive cash bonuses and stock options.

BASE COMPENSATION

The Committee's approach is to offer executives salaries competitive with those of other executives in the industry in which the Company operates. To that end, the Committee evaluates the competitiveness of its base salary based on information drawn from a variety of sources, including published and proprietary survey data and the Company's own experience recruiting and retaining executives, although complete information is not easily obtainable. The Company's base salary levels are intended to be consistent with competitive practice and level of responsibility, with salary increases reflecting competitive trends, the overall financial performance of the Company and the performance of the individual executive.

BONUSES

In addition to base salary, executives are eligible to receive a discretionary annual bonus. At the beginning of each year, the Committee and the Chief Executive Officer (the "CEO") review each individual executive's job responsibilities and goals for the upcoming year. The amount of the bonus and any performance criteria vary with the position and role of the executive within the Company. In addition, for all executives, the Committee reviews the Company's actual financial performance against its internally budgeted

Edgar Filing: AMTECH SYSTEMS INC - Form DEF 14A

performance in determining year-end bonuses, if any. However, the Committee does

8

not set objective performance targets for executives other than the CEO and sales and marketing personnel.

STOCK OPTION AND RESTRICTED STOCK GRANTS

The Company, from time to time, grants stock options and shares of restricted stock in order to provide certain executives with a competitive total compensation package and to reward them for their contribution to the long-term price performance of the Company's Common Stock. Grants of stock options and restricted stock are designed to align the executive's interest with that of the shareholders of the Company. In awarding option grants, the Committee will consider, among other things, the amount of stock and options presently held by the executive, the executive's past performance and contributions, and the executive's anticipated future contributions and responsibilities.

2002 CEO COMPENSATION

Mr. Whang, the CEO, is paid an annual base salary of \$188,402, pursuant to the terms of his March 15, 2001 employment agreement with the Company. Mr. Whang's increased base salary is based upon the compensation of executives in comparable positions in the semiconductor industry, adjusted for the size of the Company (total assets and revenues).

In connection with the execution of Mr. Whang's employment agreement, our Board of Directors approved an incentive compensation plan for the CEO, which provides for an annual cash bonus equal to 2% of the annual earnings of the Company before taxes and extraordinary items, plus 2% of the amount by which the revenues of the Company in an applicable fiscal year exceed such revenues for the previous fiscal year. The total of such cash bonuses is limited to 50% of Mr. Whang's base salary for the applicable fiscal year. Mr. Whang earned a bonus of \$11,085 in 2002 pursuant to such incentive compensation plan. Mr. Whang's employment agreement with the Company incorporates the incentive compensation plan described above. See "Employment and Severance Agreements," above.

REVIEW OF AUDITED FINANCIAL STATEMENTS

The Audit Committee has reviewed the Company's consolidated financial statements for the fiscal year ended September 30, 2002, as audited by KPMG LLP ("KPMG"), the Company's independent auditors, and has discussed these financial statements with management. Furthermore, the Audit Committee has received the written disclosures and the letter from KPMG required by the Independence Standards Board Standard No. 1 and has discussed with KPMG its independence.

DISCLOSURE OF AUDIT AND NON-AUDIT FEES

AUDIT FEES

The fees billed by Arthur Andersen LLP (the Company's auditors until July 2002) and KPMG (the Company's current auditors) for professional services rendered for the audit of the Company's annual financial statements for the fiscal year ended September 30, 2002 and for the review of the financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal year ended September 30, 2002 were \$18,000 and \$105,000, respectively.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

During fiscal 2002, the Company did not engage its independent public accountants to perform financial information systems design and implementation.

ALL OTHER FEES OF INDEPENDENT PUBLIC ACCOUNTANTS

During fiscal 2002, all other fees of the Company's independent public accountants amounted to \$4,985, which primarily consisted of accounting and tax consultation services.

The Audit Committee of our Board of Directors considered whether the provision of non-audit services is consistent with maintaining the auditors' independence.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and executive officers, as well as persons beneficially owning more than 10% of the Company's outstanding Common Stock, to file certain reports of ownership with the Securities and Exchange Commission (the "SEC") within specified time periods. Such officers, directors and shareholders are also required by SEC rules to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of such forms received by it during the fiscal year ended September 30, 2002, or written representations from certain reporting persons, the Company believes that between October 1, 2001 and September 30, 2002 all Section 16(a) filing requirements applicable to its officers, directors and 10% shareholders were complied with.

COMPARISON OF STOCK PERFORMANCE

The following line graph compares cumulative total stockholder return, assuming reinvestment of dividends, for: the Company's Common Stock, the NASDAQ Composite Index and the NASDAQ Industrial Index. Because the Company did not pay dividends on its Common Stock during the measurement period, the calculation of the cumulative total stockholder return on the Company's Common Stock did not include dividends. The following graph assumes that \$100 was invested on October 1, 1997.

CHANGE IN AND DISAGREEMENTS WITH ACCOUNTANT ON ACCOUNTING AND FINANCIAL DISCLOSURE

On July 3, 2002, the Company dismissed its independent auditor, Arthur Andersen LLP ("Andersen"), and appointed KPMG as its new independent auditor. These actions were approved by the Company's Board of Directors upon the recommendation of its Audit Committee. KPMG has reviewed the consolidated financial statements of the Company for the quarter ended June 30, 2002 and audited the consolidated financial statements of the Company for the fiscal year ended September 30, 2002.

During the two fiscal years ended September 30, 2001 and 2000, and the subsequent interim periods up to the date of Andersen's dismissal, there were no disagreements between the Company and Andersen, as defined in Item 304 of Regulation S-K, on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter of such disagreement in connection with its reports, and there were no reportable events as described under Item 304(a)(1)(v) of Regulation S-K.

12

The audit reports of Andersen on the consolidated financial statements of the Company for each of the fiscal years ended September 30, 2001 and 2000 did

Edgar Filing: AMTECH SYSTEMS INC - Form DEF 14A

not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended September 30, 2001 and 2000, and the subsequent interim periods through the date of Andersen's dismissal, neither the Company nor anyone on its behalf consulted with KPMG regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The Company previously provided Andersen with a copy of the foregoing disclosures when the Company filed a Current Report on Form 8-K disclosing the dismissal of Andersen. Andersen has advised the Company that as of July 1, 2002, it is no longer issuing any letters to the Securities and Exchange Commission regarding matters such as these.

ANNUAL REPORT

The Annual Report of the Company for the fiscal year ended September 30, 2002, is enclosed herewith.

VOTING BY PROXY

In order to ensure that your shares will be represented at the Annual Meeting, please sign and return the enclosed proxy in the envelope provided for that purpose, whether or not you expect to attend. Any shareholder may, without affecting any vote previously taken, revoke a written proxy by delivering to our executive offices, to the attention of our corporate Secretary prior to the vote at the Annual Meeting, written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

INDEPENDENT AUDITORS

Our Board of Directors has selected KPMG as the Company's independent public accountants for the fiscal year ending September 30, 2003. KPMG was selected this year after the Company terminated its prior independent public accountants, Arthur Andersen LLP ("Andersen") in July 2002. A representative of KPMG is expected to be present at the Annual Meeting with the opportunity to make a statement if he or she so desires and to be available to respond to appropriate questions.

DEADLINE FOR SHAREHOLDER PROPOSALS FOR ACTION AT THE COMPANY'S NEXT ANNUAL MEETING

Any shareholder who wishes to present any proposal for shareholder action at the next Annual Meeting of Shareholders to be held in 2004, must be received by the Company's Secretary, at the Company's offices, not later than September 18, 2003, in order to be included in the Company's proxy statement and form of proxy for that meeting. Such proposals should be addressed to the Corporate Secretary, Amtech Systems, Inc., 131 South Clark Drive, Tempe, Arizona 85281. If a shareholder proposal is introduced at the 2004 Annual Meeting of Shareholders without any discussion of the proposal in the Company's proxy statement, and the shareholder does not notify the Company on or before December 10, 2003, as required by SEC Rule 14(a)-4(c)(1), of the intent to raise such proposal at the Annual Meeting of Shareholders, then proxies received by the Company for the 2004 Annual Meeting will be voted by the persons named in such proxies in their discretion with respect to such proposal. Notice of such proposal is to be sent to the above address.

HOUSEHOLDING OF PROXY MATERIALS

In December 2000, the Securities and Exchange Commission adopted new rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements with respect to two or more security holders sharing the same address by delivering a single proxy statement addressed to those security holders. This process, which is commonly referred to as "householding," potentially means extra convenience for security holders and cost savings for companies.

If you are currently receiving multiple copies of the Company's Proxy Statement and Annual Report at your address and would like to request householding of your communications, please contact your broker. Once you have elected householding of your communications, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding, and would prefer to receive a separate Proxy Statement and Annual Report, please notify your broker if you own shares in street name, or direct your written request to Amtech Systems, Inc., 131 South Clark Drive, Tempe, Arizona 85281, Attn: Secretary if you are a shareholder of record.
