Edgar Filing: MONRO MUFFLER BRAKE INC - Form 8-K/A

On June 27, 2003, the Registrant purchased the land and buildings under its existing synthetic lease facility through the acquisition of the general and limited partnership interests in Brazos Automotive Properties, L.P. ("BAP"), for approximately \$935,000 in cash (the "Lease Buyout"). The Lease Buyout was financed through the Registrant's existing credit facility. BAP holds the title related to 86 properties leased, under an operating lease, to a subsidiary of the Registrant and used in the conduct of the Registrant's auto service business. BAP is also the debtor on a \$26.6 million loan related to these properties. BAP, which became a wholly owned subsidiary of the Registrant as a result of the Lease Buyout, was established in 1998 for the purpose of acquiring certain properties and leasing them to the Registrant.

As a wholly owned subsidiary of the Registrant, BAP will be consolidated into the Registrant's balance sheet from June 27, 2003. Accordingly, land and buildings at fair value of approximately \$27.5 million will be reflected on the Registrant's balance sheet. Additionally, long-term debt of \$26.6 million will also be reflected. The debt is non-amortizing and is due in September 2006.

The Registrant estimates that annual depreciation expense related to the assets acquired in the Lease Buyout will be approximately \$500,000. These depreciation charges will commence in the Registrant's second quarter of its fiscal year 2004.

The purchase of the general partnership interest was completed through the purchase of 100% of the outstanding common stock of Brazos Automotive Properties Management, Inc., the general partner of BAP, from Brazos River Leasing, L. P. The limited partnership interest was acquired from Heller Financial, Inc., a subsidiary of G.E. Capital, the holder of that interest.
