MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

During the last fiscal year, the Board of Directors held twelve regularly scheduled meetings. All of the incumbent directors and each nominee standing for election attended 75% or more of those meetings and the meetings held by all board committees on which they served, during the periods that they served as directors.

The Board of Directors believes that it is important for directors to participate in scheduled board and committee meetings and to attend the Annual Meeting. It is the policy of the Board of Directors that directors who participate in fewer than 75% of scheduled board and committee meetings, or who do not attend the Annual Meeting, unless excused by the Board of Directors, are subject to not being re-nominated to the Board of Directors. Eleven of the Corporation's twelve directors in office at the time attended the 2003 Annual Meeting.

During the last fiscal year, each director received \$10,000 in retainer fees. The retainer fees were paid to the directors in the Corporation's common shares pursuant to the Corporation's Director Fee Stock Plan. In addition to the retainer fees, each director received \$500 for each board meeting attended and \$300 for each board meeting held via teleconference. Each non-employee director was paid \$300 for each committee meeting attended and \$200 for each committee meeting held via teleconference. The Corporation pays taxes imposed on directors' fees by the City of Hamilton, Ohio. Pursuant to the First Financial Bancorp. 1999 Stock Option Plan for Non-Employee Directors, each non-employee director receives in the year in which he or she is elected initially or re-elected to the Board of Directors an option to purchase 8,663 common shares. The exercise price for each option granted is 100% of the fair market value on the date of grant.

Independent Directors

The Board of Directors has determined that seven of its nine members are independent directors as that term is defined under the rules of the National Association of Securities Dealers (the "NASD"). The independent directors are Donald M. Cisle, Corinne R. Finnerty, Carl R. Fiora, James C. Garland, Murph Knapke, Barry S. Porter, and Steven C. Posey. The independent directors meet in regularly scheduled meetings at which only the independent directors are present.

The Board of Directors has a standing Executive Committee, a Corporate Governance and Nominating Committee, a Compensation Committee and an Audit Committee.

Table of Contents

Executive Committee

The Executive Committee, in the recess of the Board, has the authority to act upon most corporate matters subject to Board approval, other than exercising any powers delegated to another Committee of the Board. The members of the Executive Committee are Donald M. Cisle, Bruce E. Leep and Stephen S. Marcum. The Executive Committee held ten meetings during the 2003 fiscal year.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee (the Nominating Committee) reports to the Board on corporate governance matters, including the evaluation of the Board and its Committees and the recommendation of appropriate Board Committee structures and membership. The Nominating Committee also establishes procedures for the director nomination process and recommends director nominees for the Board's approval. The Nominating Committee operates pursuant to a written charter, a current copy of which is available through the Corporation's Web site at www.ffbc-oh.com under the Investor Information link, by clicking on Corporate Governance. The Nominating Committee is comprised of the following directors, each of whom satisfies the definition of independence for nominating committee members under the rules of the NASD: Donald M. Cisle, Corinne R. Finnerty, Carl R. Fiora, James C. Garland and Murph Knapke. The Nominating Committee held one meeting during the 2003 fiscal year.

It is the Nominating Committee's policy that it will consider director candidates recommended by shareholders in accordance with the procedures outlined in the Corporation's Amended and Restated Regulations (the Corporation's Regulations). Under those procedures, shareholders who wish to nominate individuals for election as directors must provide:

1. The name and address of the shareholder making the nomination and the name and address of the proposed nominee;
2. The age and principal occupation or employment of the proposed nominee;
3. The number of shares of the Corporation's common stock beneficially owned by the proposed nominee;
4. A representation that the shareholder making the nomination:
 - a. Is a holder of record of shares entitled to vote at the meeting, and
 - b. Intends to appear in person or by proxy at the meeting to make the nomination;
5. A description of all arrangements or understandings between the shareholder making the nomination and the proposed nominee;
6. Any additional information regarding the proposed nominee required by the proxy rules of the Securities and Exchange Commission (the SEC) to be included in a proxy statement if the proposed nominee had been nominated by the Corporation's Board of Directors; and
7. The consent of the proposed nominee to serve as a director if elected.

In order to be recommended for a position on the Corporation's Board of Directors by the Nominating Committee, a proposed nominee must, at a minimum, (i) own shares of the Corporation's common stock having a fair market value of not less than \$1,000.00, and (ii) through a combination of experience and education have the skills necessary to make an effective contribution to the Board of Directors. In accordance with the Corporation's

Regulations, no one may be elected to the Board of Directors after reaching his or her seventieth birthday.

The Nominating Committee identifies nominees for director through recommendations by shareholders and through its own search efforts, which may include the use of external search firms. The Nominating Committee evaluates nominees for director based upon criteria established by the Nominating Committee and applies the same evaluation process to all director nominees regardless of whether the nominee is recommended by a shareholder. The criteria evaluated by the Nominating Committee include, among other things, the candidate's judgment, integrity, leadership ability, business experience, and ability to contribute to board member diversity. The Nominating Committee also considers whether the candidate meets independence standards, is financially literate or a financial expert, is available to serve, and is not subject to any disqualifying factor.

Table of Contents

In connection with the 2005 Annual Meeting of Shareholders, the Nominating Committee will consider nominees for election as directors recommended by shareholders provided that notice of a proposed nomination is received by the Corporation no later than January 27, 2005, as provided in the Corporation's Regulations. Notice of a proposed nomination must include the information outlined above and should be sent to First Financial Bancorp., Attention: Janie McCauley, Legal Officer and Secretary, 300 High Street, P.O. Box 476, Hamilton, Ohio 45012-0476.

Compensation Committee

Prior to adopting a new charter in January 2004, the Compensation Committee made recommendations to the Board of Directors with respect to the compensation of the Corporation's Chief Executive Officer and each of the four most highly compensated executive officers of the Corporation other than the Chief Executive Officer. In January 2004, the Compensation Committee began operating under the new charter pursuant to which the Compensation Committee determines and approves the compensation of the Chief Executive Officer and approves the compensation of each executive officer of the Corporation determined pursuant to Rule 16a-1(f) under the Securities Exchange Act of 1934. The Compensation Committee also reviews and approves all benefit plans of the Corporation. A current copy of the Compensation Committee's charter is available through the Corporation's Web site at www.ffbc-oh.com under the Investor Information link, by clicking on Corporate Governance. The Compensation Committee is comprised of the following directors, each of whom satisfies the definition of independence for compensation committee members under the rules of the NASD: James C. Garland, Carl R. Fiora, Murph Knapke and Barry S. Porter. The Compensation Committee held six meetings during the fiscal year.

Audit Committee

The Audit Committee operates pursuant to a written charter that was adopted by the Board of Directors. A copy of the charter is attached to this Proxy Statement as Appendix A. The Audit Committee is responsible for overseeing the Corporation's accounting and financial reporting processes, the external auditors' qualifications and independence, the performance of the Corporation's internal audit function and the external auditors, and the Corporation's compliance with applicable legal and regulatory requirements. The Audit Committee is comprised of the following directors, each of whom satisfies the definition of independence for audit committee members under the rules of the NASD and the SEC: Donald M. Cisle, Carl R. Fiora and Barry S. Porter. The Board of Directors has determined that Barry S. Porter is the one audit committee financial expert serving on the Audit Committee. The Audit Committee held eight meetings during the fiscal year.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter, the Audit Committee oversees the Corporation's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The Corporation's independent auditors, Ernst & Young LLP (Ernst & Young), are responsible for expressing an opinion on the conformity of the Corporation's audited financial statements to generally accepted accounting principles.

In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Committee discussed with Ernst & Young those matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU 380). In addition, the Committee received from Ernst & Young the written disclosures and the letter required by Independence Standards Board Standard No. 1 and discussed with them their independence.

The Committee discussed with the Corporation's internal auditors and Ernst & Young the overall scope and plans for their respective audits. The Committee met with the internal auditors and with Ernst & Young, with and without management present, to discuss the results of their examinations, their evaluations of the Corporation's internal controls, and the overall quality of the Corporation's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the SEC. The Committee has approved the selection of Ernst & Young as the Corporation's independent auditors.

* The stock options were not in the money on the Separation Date and lapsed on January 15, 2004, without having been exercised by Mr. Pontius.

** Of this amount, only \$856,047 was expensed by the Corporation at the Separation Date. Prior to the Separation Date, the Corporation had already expensed a portion of the restricted stock awards as part of the normal amortization of awards over the vesting period.

- (5) Mr. Leep, a director and Chairman of the Board of the Corporation, was appointed by the Board of Directors to serve as Interim President and Chief Executive Officer of the Corporation, effective October 15, 2003. Mr. Leep was President and Chief Executive Officer of Sand Ridge Bank until he retired from those positions in June 2001.

Employment Agreements

The Corporation has employment agreements with each of the Named Executive Officers currently employed by the Corporation other than Mr. Leep. The term of each agreement ends upon the earlier of (i) the fifth anniversary of its execution date (or second anniversary in the case of Mr. Murrell), (ii) the date of the officer's retirement, death or total and permanent disability, or (iii) the completion of full payment of all benefits under the agreement. Absent the officer's death, total and permanent disability or retirement, the agreement renews annually from and after the fifth anniversary of its commencement date unless written notice to the contrary is given by the officer or the Corporation at least six months prior to the expiration of the term, including any extension thereof. (Mr. Murrell's agreement renews annually from and after the second anniversary of its commencement date.)

Upon one month's advance written notice, the Corporation may terminate the officer's employment with or without Cause and the officer may terminate his or her employment with or without Good Reason. Cause means a willful engaging in gross misconduct materially and demonstrably injurious to the Corporation, and willful means an act or omission in bad faith and without reasonable belief that such act or omission was in, or not opposed to, the best interests of the Corporation. Good Reason means: (a) a change in the duties of the officer's position or the transfer to a new position in violation of the terms of the agreement; (b) a substantial alteration in the nature or status of the officer's responsibilities in violation of the agreement; (c) a reduction in the officer's base salary; (d) refusal by the Corporation or its successor to renew the term of the agreement for any reason prior to the officer reaching his or her normal retirement date under the Corporation's retirement plan; or (e) changes in the officer's employment benefits in violation of the terms of the agreement.

In the event that the Corporation terminates an officer's employment without Cause or the officer voluntarily terminates his or her employment for Good Reason and the officer provides the Corporation with a release and a covenant not to sue for all claims arising out of the officer's employment and termination of employment, the officer shall receive the following benefits: (i) his or her base salary for a period of 24 months from the date of termination of employment (such period being the Severance Pay Period); (ii) if the officer has participated in the Corporation's Performance Incentive Compensation Plan for a complete calendar year, an incentive compensation payment in one lump sum in an amount equal to 2.0 times the percentage of the incentive payment made or required to be made for the calendar year pursuant to the Performance Incentive Compensation Plan immediately preceding the calendar year in which the termination of employment occurs; and (iii) if such termination of employment occurs within 12 months after a change in control of the Corporation, a payment in one lump sum in an amount equal to the following: (A) with respect to any shares subject to an option granted as of the time of the change in control under the Corporation's 1991 Stock Incentive Plan (the 1991 Incentive Plan) that the officer cannot exercise as a result of the termination of employment, the difference between the fair market value of such common shares determined as of the date of termination of employment and the option exercise price, and (B) with respect to any restricted stock granted under the 1991 Incentive Plan as of the time of the change in control which the officer forfeits as a result of the termination of his or her employment, the fair market value of such restricted shares determined as of the date of termination of employment and as if all restrictions had been removed.

In addition, solely for purposes of the Corporation's Endorsement Method Split Dollar Agreement (the Split Dollar Agreement), the duration of the Severance Pay Period shall be considered as if it were active employment for purposes of determining whether the officer is eligible to receive a retirement benefit under the early retirement provisions of the Corporation's retirement plan. If the date of termination of employment is within 12 months after a change in control, the officer will receive a payment (the Split Dollar Payment) within 90 days

Table of Contents

of the date of termination of employment in one lump sum equal to the present value of the death benefit he or she would have received under the Split Dollar Agreement determined as if he or she were eligible to receive a retirement benefit under the early retirement provisions of the Corporation's retirement plan, based on age and years of service at the end of the Severance Pay Period, and had died at age 75 when the Split Dollar Agreement was still in effect. Present value will be determined using a discount rate based on a U.S. Treasury security's rate for the applicable period (not greater than 10 years). Notwithstanding the foregoing, if the officer elects to receive an assignment of the policy under the Split Dollar Agreement, the Split Dollar Payment shall be applied to the cash payment to the Corporation required under the Split Dollar Agreement, and any portion of the Split Dollar Payment in excess of the amount required to be paid to the Corporation shall be paid to such officer.

In the event that the Corporation terminates an officer's employment for Cause or the officer terminates his or her employment without Good Reason, upon the date of termination of employment, the officer shall be eligible to receive only those benefits provided in accordance with the plans and practices of the Corporation that are applicable to employees generally. Any disputes concerning the reason for termination and any other claims arising during the course of employment will be resolved through binding arbitration.

If the receipt of any payments described above, in combination with any other payments to an officer from the Corporation (other than Mr. Murrell), shall, in the opinion of independent tax counsel selected by the Corporation, result in liability for the payment by the officer of any excise tax pursuant to Sections 280G and 4999 of the Internal Revenue Code (the Code), the Corporation will pay to the officer within 60 days of the date his or her employment terminates an additional amount equal to the amount of such excise tax and the additional federal, state and local income taxes for which he or she will be liable as the result of this additional payment.

During the term of the officer's employment and for a period of six months following termination of the officer's employment for any reason other than by the Corporation for Cause, the officer has agreed not to compete with the Corporation's banking and lending businesses in the states of Ohio, Indiana, Michigan or Kentucky.

- (1) As required by rules of the SEC, potential values stated are based on the prescribed assumption that the Corporation's common shares will appreciate in value from the date of grant to the end of the option term (ten years from the date of grant) at annualized rates of 5% and 10% (total appreciation of 63% and 159% resulting in values of approximately \$27.01 and \$43.00), respectively, and therefore are not intended to

forecast possible future appreciation, if any, in the price of the Corporation's common shares. As an alternative to the assumed potential realizable values stated in the above table, the SEC rules would permit stating the present value of such options at date of grant. Methods of computing present values suggested by different authorities can produce significantly different results. Moreover, since stock options granted by the Corporation are not transferable, there is no objective criteria by which any computation of present value can be verified. Consequently, the Corporation's management does not believe there is a reliable method of computing the present value of such stock options.

- (2) All options are granted at 100% of fair market value on the date of grant. The options are exercisable during a period commencing one year after the date of grant and ending on the date specified in the option which, in no event, is later than 10 years after the date of grant, provided that the optionee remained in the employment of the Corporation or its affiliates. The option exercise period may be shortened upon an optionee's disability, retirement or death. Shares acquired upon option exercise must be held one year from the date of exercise. The following table shows aggregate option exercises in the last fiscal year and year-end values.

The Corporation has no long term incentive plans relating to future compensation of the Named Executive Officers other than the 1991 Incentive Plan and the First Financial Bancorp. 1999 Stock Incentive Plan for Officers and Employees (the 1999 Incentive Plan).

Personal Benefits

The Named Executive Officers of the Corporation receive certain fringe benefits, such as participation in group medical and life insurance programs, which are generally available to employees of the Corporation and its

Table of Contents

subsidiaries on a non-discriminatory basis. In addition, the Named Executive Officers are reimbursed for business-related expenses they incur (including certain club dues and expenses), and some of the Named Executive Officers also have the use of Corporation-owned automobiles. Management believes that the costs of reimbursement of such expenses and providing such automobiles constitute ordinary and necessary business expenses that facilitate job performance and minimize work-related expenses incurred by the Named Executive Officers. The Named Executive Officers have included in their taxable income the cost of personal use of Corporation-owned automobiles. Management has concluded that the aggregate amount of such personal benefits does not exceed the lesser of \$50,000 with respect to any Named Executive Officer or 10% of the compensation of such person.

Benefit Plans

The Corporation has a thrift plan, a retirement plan, a supplemental retirement plan and a deferred compensation plan. It also maintains the Split Dollar Agreements which cover the Named Executive Officers and certain other management employees. The retirement plan and the thrift plan cover the majority of the employees of the Corporation and its subsidiaries, including the officers of the Corporation. All employees who are 21 years of age and have had one year of service are covered by the retirement plan. Among the Named Executive Officers, the supplemental retirement plan covers Stanley N. Pontius, James C. Hall and Mark W. Immelt. The deferred compensation plan is a nonqualified deferred compensation plan in which only executive officers of the Corporation are eligible to participate. Participants may elect to defer up to 50% of their base salary and 100% of their bonus or incentive pay for any year.

The thrift plan covers employees who have been credited with at least one year of service and reached age 21. Participation is voluntary and participants may contribute up to 50% of their base salary (unless limited by law or regulation) to the plan. The Corporation's subsidiaries' matching contributions are 50% of each participant's contribution, limited to 3% of base salary of each participant, and become fully vested when made.

Under the retirement plan and supplemental retirement plan, amounts that are payable to persons in selected remuneration and service classifications at normal retirement age are:

Table of Contents

- (1) Benefits under the retirement plan and supplemental retirement plan are paid based upon the average monthly compensation for the five consecutive plan years which produce the highest average. The compensation covered by the plans is equal to the salary and bonus reported in columns (c) and (d) of the Summary Compensation Table plus all other amounts included in Form W-2 wages, except amounts realized upon the exercise of nonqualified stock options and amounts realized upon the vesting of restricted stock awards. The covered compensation paid to the Named Executive Officers during the prior fiscal year and the credited years of benefit service under the plans for each of the Named Executive Officers are as follows: James C. Hall \$328,591 and 12 years; Mark W. Immelt \$331,042 and 7 years; C. Douglas Lefferson \$244,431 and 18 years; and C. Thomas Murrell, III - \$222,890 and 3 years. The covered compensation for 2003 and the credited years of benefit service for Stanley N. Pontius, as of October 15, 2003, were \$730,821 and 13 years, respectively. At his retirement in June 2001, Mr. Leep had accrued 2 years of benefit service plus 32 years of vesting service. Mr. Leep is currently receiving benefits under the retirement plan.
- (2) In the retirement plan, participants are 100% vested after five years of credited service. The normal retirement benefit, payable as a single life annuity beginning at the normal retirement age of 65, is 1.1% of the average monthly compensation multiplied by years of service (maximum of 40), plus .6% of average monthly compensation greater than Social Security covered compensation multiplied by years of service (maximum of 35). The estimated benefits accrued during the year under the retirement plan for each of the Named Executive Officers are not actuarially ascertainable under the methods used for calculation of the cost to the Corporation by the actuaries.
- (3) As a result of the provisions of the Code, maximum annual compensation for which benefits will be paid under the retirement plan is \$200,000 and maximum annual benefits under the retirement plan are \$160,000 (for 2003). All of the Named Executive Officers, except Mr. Leep, Mr. Lefferson and Mr. Murrell, participate in the supplemental retirement plan. The benefit under the supplemental retirement plan is equal to the difference between the annual benefit payable under the retirement plan without regard to the limits imposed by the Code upon qualified plans and the maximum annual benefit payable under the retirement plan upon the executive's retirement.

The Split Dollar Agreement is an endorsement method split dollar arrangement which applies to a life insurance policy owned by the Corporation which, upon a Named Executive Officer's death, first pays the Corporation the premiums which the Corporation paid for the policy, and then pays the Named Executive Officer's beneficiary a death benefit equal to three times the executive's base salary in effect at his or her death. If the Named Executive Officer terminated employment before death and, when employment terminated, he or she was eligible to receive an immediate retirement benefit under the early retirement provisions of the Corporation's retirement plan and had been employed for at least five years, the Corporation keeps the policy in force until the executive's death and the death benefit is equal to three times the executive's base salary at the time of his or her termination of employment. In either case, any amounts payable under the policy after the payment to the Named Executive Officer's beneficiary are paid to the Corporation.

COMPENSATION COMMITTEE REPORT

The Compensation Committee's goal in setting executive compensation is to provide incentives to the Corporation's executive officers to increase shareholder value. To achieve this goal, the Compensation Committee authorizes base salaries that are competitive with those set at bank holding companies of comparable size and performance and uses programs that personally reward executives for corporate financial results (i) that are competitive with peer group bank holding companies and (ii) that have benefited the Corporation's shareholders.

Table of Contents

During the 2003 fiscal year, the components of the Corporation's executive compensation program were base salary, a Performance Incentive Compensation Plan (PIC) and the 1999 Incentive Plan.

In 2003, the Compensation Committee used the compensation research services of Towers Perrin and SNL Securities to assist in determining appropriate compensation for the Named Executive Officers of the Corporation. (For purposes of this report only, the term Named Executive Officers excludes Mr. Leep.) The Compensation Committee reviewed data regarding cash compensation, including bonuses and/or incentive payments, and stock option grants to executive officers of commercial banks and bank holding companies. As part of its review, the Compensation Committee compared the compensation of the Named Executive Officers to the compensation of executive officers of a peer group of banks and bank holding companies. The Compensation Committee also reviewed data regarding the performance of companies in the peer group, specifically, return on average equity and total shareholder return.

After a review of the information noted above, comparisons of peer group banks, and a detailed salary history for the Named Executive Officers, the Compensation Committee determined the 2003 base salaries for those officers. Taking into consideration the officers' current pay relative to market data provided by Towers Perrin and the performance of each officer, the Compensation Committee approved increases to the base salaries for each of the Named Executive Officers as follows: Mr. Pontius 7%, Mr. Hall 6%, Mr. Immelt 3%, Mr. Lefferson 7.8% and Mr. Murrell 5.5%. The base salary increases were approved by the full Board of Directors and became effective in January 2003.

The Corporation's PIC Plan is designed to reward key executives throughout the Corporation for achieving established corporate goals. The PIC Plan assigns maximum points (each point is one percent of year-end base salary) based on that officer's level of responsibility and the asset size of his or her affiliate. The Compensation Committee set the maximum PIC awards for the Named Executive Officers and reviewed the performance goals for the PIC Plan in January 2003. The targeted performance goals for 2003 for Mr. Pontius, Mr. Hall, Mr. Lefferson and Mr. Murrell included increase in earnings per share, return on equity, return on assets, stock price and book value for the Corporation. The performance goals for Mr. Immelt, who serves as President and Chief Executive Officer of First Financial Bank, included net increase in earnings, return on assets, increase in net interest income and noninterest income, efficiency, net interest margin and various credit quality ratios. The full Board of Directors approved both the performance goals and the maximum PIC points for the Named Executive Officers of the Corporation in January 2003.

In February 2004, the Compensation Committee determined the PIC points to be awarded to each executive officer of the Corporation based upon 2003 performance results. The points awarded out of the potential maximum points for each of the Named Executive Officers (excluding Mr. Pontius) were as follows: Mr. Hall, 6 points out of 35; Mr. Immelt, 6 points out of 35; Mr. Lefferson, 6 points out of 35; and Mr. Murrell, 5 points out of 30.

The 1999 Incentive Plan provides for incentive compensation to executive officers that is tied to the enhancement of shareholder value. Under the 1999 Incentive Plan, the Compensation Committee determined and approved, in January 2003, incentive stock options and restricted stock awards for the Named Executive Officers. The Committee awarded Mr. Pontius an incentive stock option for 10,000 common shares and a restricted stock award of 30,473 common shares based on the Committee's subjective evaluation of Mr. Pontius's performance, taking into consideration the Corporation's profitability and overall 2002 financial performance. The Committee determined the stock options and restricted stock awards for the other Named Executive Officers based upon Mr. Pontius's recommendation, which takes into account the individual officer's level of responsibility and contribution to the Corporation's earnings.

Effective October 15, 2003, the Board of Directors appointed Bruce E. Leep, a director and Chairman of the Board of Directors of the Corporation, to serve as Interim President and Chief Executive Officer. The

Table of Contents

Compensation Committee approved a \$5,000 monthly stipend for Mr. Leep for the period during which he serves as Interim President and Chief Executive Officer.

In December 2003, as in past years, all employees of the Corporation and all employees of First Financial Bank received a year-end bonus, as approved by their respective Boards of Directors. The bonus was 3% of base pay earned for all employees of the Corporation and all employees of First Financial Bank. Of the Named Executive Officers of the Corporation, Mr. Hall, Mr. Lefferson and Mr. Murrell each received the 3% bonus. Mr. Immelt, as an employee of First Financial Bank, was entitled to receive the 3% bonus, but declined to accept it.

Section 162(m) of the Internal Revenue Code generally disallows a corporate tax deduction for annual compensation paid to executive officers to the extent that it exceeds \$1,000,000. It is the policy of the Compensation Committee that compensation to executive officers should, in general, be structured to qualify for deductibility under Section 162(m). For those exceptional circumstances where executive compensation may exceed the deductible amount, the Corporation has adopted a deferred compensation plan which provides for the mandatory deferral of such excess compensation.

Other Business Relationships

Two directors of the Corporation are members of law firms that provide legal services to subsidiaries of the Corporation. Corinne R. Finnerty is the sole shareholder and an officer of Corinne R. Finnerty, P.C. d/b/a McConnell & Finnerty, which has been retained by Heritage Community Bank and First Financial Bank during the prior fiscal year and the current fiscal year. During the prior fiscal year, the Corporation's subsidiaries paid McConnell & Finnerty \$94,060 in legal fees. The Board of Directors has determined that these payments, which are below the applicable limits established by the rules of the NASD, do not affect Ms. Finnerty's status as an independent director. Stephen S. Marcum is a member of the law firm of Parrish, Fryman & Marcum Co., LPA, which has been retained by First Financial Bank, Heritage Community Bank and the First Financial Bancorp Service Corp. during the prior fiscal year and the current fiscal year. During the prior fiscal year, the Corporation's subsidiaries paid Parrish, Fryman & Marcum Co., LPA \$221,619 in legal fees. The Board of Directors has determined that the payments to Mr. Marcum exceed the applicable limits established by the rules of the NASD and, therefore, Mr. Marcum is not an independent director.

Steven C. Posey, a director of the Corporation, has a 19% interest as a limited partner in Midd West Development LTD, from which First Financial Bank rented retail office space during the prior fiscal year and

proposes to continue to rent such space in the current fiscal year. The total rent paid during the last fiscal year

exceeded \$60,000. The Board of Directors has determined that these payments, which are below the applicable limits established by the rules of the NASD, do not affect Mr. Posey's status as an independent director.

Indebtedness of Management

Some of the officers and directors of the Corporation and the companies with which they are associated were customers of the banking subsidiaries of the Corporation. The loans to such officers and directors and the companies with which they are associated (a) were made in the ordinary course of business, (b) were made on substantially the same terms, including interest and nature of collateral, as those prevailing at the time for comparable transactions with other persons, and (c) did not involve more than the normal risk of collectibility or present other unfavorable features.

The subsidiaries of the Corporation have had, and expect to have in the future, banking transactions in the ordinary course of business with directors, officers, principal shareholders and their associates on the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with others.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Corporation's officers, directors and persons who own more than 10 percent of a registered class of the Corporation's equity securities to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC. Officers, directors and greater than 10 percent shareholders are required by SEC regulation to furnish the Corporation with copies of all Forms 3, 4 and 5 they file.

Based solely on the Corporation's review of the copies of such forms that it has received and written representations from certain reporting persons that they were not required to file a Form 5 for the specified fiscal year, the Corporation believes that all its officers, directors and greater than 10 percent shareholders complied with all filing requirements applicable to them with respect to transactions during fiscal 2003.

SHAREHOLDER PROPOSALS

If an eligible shareholder wishes to present a proposal to be included in the Corporation's Proxy Statement and form of Proxy relating to the 2005 Annual Meeting of Shareholders, it must be presented to management by certified mail, written receipt requested, not later than November 26, 2004. Any such proposal must comply with Rule 14a-8 promulgated by the SEC pursuant to the Securities Exchange Act of 1934, as amended. Any shareholder who intends to propose any other matter to be acted upon at the 2005 Annual Meeting of Shareholders must inform the Corporation no later than February 7, 2005. If notice is not provided by that date, the person(s) named in the Corporation's Proxy for the 2005 Annual Meeting will be allowed to exercise his or her discretionary authority to vote upon any such proposal without the matter having been discussed in the Proxy Statement for the 2005 Annual Meeting. Proposals should be sent to First Financial Bancorp., Attention: Janie McCauley, Legal Officer and Secretary, 300 High Street, P.O. Box 476, Hamilton, Ohio 45012-0476.

ANNUAL REPORT

The Corporation's financial statements are not included in this Proxy Statement as they are not deemed material to the exercise of prudent judgment by the shareholders with respect to any proposal to be submitted at the Annual Meeting. The Corporation's Annual Report for the year ended December 31, 2003, is being mailed to each shareholder

with the Proxy and Proxy Statement, but such Annual Report is not incorporated in this Proxy Statement and is not deemed to be a part of the Proxy soliciting material.

In addition, at least one member of the Committee must have the attributes of an audit committee financial expert as defined by Rule 401, as promulgated by the SEC (17 C.F.R. §229.401).

Committee appointments shall be approved annually by the full board of directors.

Ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

Frequency and Conduct of Meetings

The Committee shall meet at least quarterly. Additional meetings shall be scheduled as considered necessary by the Committee or chairperson.

Table of Contents

Committee meeting agendas shall be the responsibility of the Committee chairperson, with the assistance of the internal auditor and input from Committee members. It is expected that management and key Committee advisers, and perhaps others, would participate in this process.

Meeting conduct will assume Committee members have reviewed written materials in sufficient depth to participate in Committee discussions.

The Committee shall request members of management, counsel, internal auditors, and external auditors, as applicable, to participate in Committee meetings, as necessary, to carry out the Committee responsibilities. Periodically and at least annually, the Committee shall meet in private session with only the Committee members. The Committee shall be directly responsible for the appointment, compensation, retention and oversight of the work of the external auditors (including resolution of disagreements between management and the external auditors regarding financial reporting).

Before the external auditors are engaged by the Company to render audit or permissible non-audit services, the engagement shall either be approved by the Committee or be entered into pursuant to pre-approval policies and procedures established by the Committee as necessary to maintain the independence of the external auditors under Rule 2-01(c)(7) of Regulation S-X, as promulgated by the SEC (17 C.F.R. §201.2-01(c)(7)).

The Committee shall annually review the performance (effectiveness, objectivity, and independence) of the external and internal auditors. The Committee shall ensure receipt of a formal written statement from the external auditors consistent with Independence Standards Board Standard No. 1. Additionally, the Committee shall discuss with the external auditors relationships or services that may affect auditor objectivity or independence. If the Committee is not satisfied with the external auditors' assurances of independence, it shall take appropriate action to oversee the independence of the external auditors.

The internal audit function shall be responsible to the board of directors through the Committee.
