PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement is furnished to the shareholders of Lancaster Colony Corporation (the "Corporation") in connection with the solicitation by the Board of Directors of the Corporation of proxies to be used in voting at the annual meeting of shareholders to be held November 15, 2004, in the Congressional Room of the Hyatt on Capitol Square, 75 East State Street, Columbus, Ohio 43215, at 11:00 a.m., Eastern Standard Time (the "Annual Meeting"). The enclosed proxy, if completed and forwarded to the Corporation, will be voted in accordance with the

Edgar Filing: LANCASTER COLONY CORP - Form DEF 14A

instructions contained therein. The proposals referred to therein are described in this Proxy Statement.

The proxy may be revoked by the person giving it any time before it is exercised. Such revocation, to be effective, must be communicated to the Secretary or Assistant Secretary of the Corporation. The presence of a shareholder at the Annual Meeting will not revoke the proxy unless specific notice thereof is given.

The Corporation will bear the cost of solicitation of proxies, including any charges and expenses of brokerage firms and others for forwarding solicitation material to the beneficial owners of stock. In addition to the use of the mails, proxies may be solicited by personal interview, by telephone or through the efforts of officers and regular employees of the Corporation.

The Board of Directors has fixed the close of business on September 17, 2004 as the record date for the determination of shareholders entitled to receive notice and to vote at the Annual Meeting or any adjournment or adjournments thereof. At that date the Corporation had outstanding and entitled to vote 35,290,187 shares of Common Stock, each share entitling the holder to one vote. The Corporation has no other class of stock outstanding. Under Ohio law, except for the election of directors, abstentions and broker non-votes will have the same effect as votes against any proposal. Abstentions and broker non-votes will have no effect on the election of directors since, under Ohio law, the nominees for election as directors at the Annual Meeting who receive the greatest number of votes shall be elected. This Proxy Statement is first being mailed to shareholders on or about October 13, 2004.

NOMINATION AND ELECTION OF DIRECTORS

The Board of Directors of the Corporation currently consists of nine members and is divided into three classes of three members each. The members of the three classes are elected to serve for staggered terms of three years. Pursuant to Section 2.04 of the Code of Regulations, the number of directors constituting each class will, as nearly as practicable, be equal.

The majority of the members of the Corporation's Board of Directors qualify as "independent directors" as determined in accordance with the current listing standards of The Nasdaq Stock Market, Inc. Messrs. BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors ("the Committee") consists of four independent non-employee directors. It is the obligation of the Committee under its present charter to establish the compensation to be paid to the Chief Executive Officer of the Corporation and to approve, after consultation with the Chief Executive Officer with respect to the establishment thereof, the compensation of other executive officers. The Committee also reviews matters relating to the employee benefit plans and stock options and presents its recommendations respecting these matters to the Board of Directors.

The compensation of the Chief Executive Officer for services rendered through June 30, 2004 was established by the Committee and adopted by the Board of Directors upon the Committee's recommendation. The Committee's recommendation was based upon an evaluation of the scope of his management responsibilities, his execution of them, his accomplishment of significant changes in management structure and the financial results attained under his direction. In determining his compensation, the amounts paid to chief executive officers of companies of like size in like markets were also considered. The determination of such compensation was subjective, with no specific weight being given to any particular factor.

The Committee was advised by the Chief Executive Officer of the base fixed compensation levels and proposed bonus formulae to be applied in setting the compensation of senior management. It concurred that the levels of compensation established were reasonable and appropriate and provided incentives which, if realized, would produce operating results of value to the Corporation's shareholders.

This charter governs the operation of the Audit Committee (the "Committee"). The Committee shall review and reassess the adequacy of this charter at least annually and obtain the approval of the Board of Directors for any proposed changes to the charter. The charter shall be included as an appendix to the Company's proxy statement at least once every three years. The Committee and its Chair shall be appointed by the Board of Directors, to serve at the discretion of the Board, and shall be comprised of at least three Directors, each of whom meets the independence requirements set forth in applicable rules of the Securities and Exchange Commission ("SEC") and The Nasdaq Stock Market, Inc. The Committee may, in its discretion, delegate authority with respect to specific matters to one or more members, provided that all decisions made in accordance with such delegated authority shall be presented to the full Committee at its next scheduled meeting.

Edgar Filing: LANCASTER COLONY CORP - Form DEF 14A

II. MEETINGS

The Committee shall meet as often as deemed necessary and may have in attendance at its meetings such members of management (including internal auditors), the independent auditors and such other advisors, accountants or consultants as it deems necessary or desirable to carry out its oversight duties and responsibilities. Electronic participation in meetings is acceptable if effected in compliance with the Company's Code of Regulations.

The Committee shall meet at least annually with senior and financial management and the independent auditor in separate executive sessions to discuss any matters that the Committee or any of these groups believes should be discussed privately.

III. AUDIT COMMITTEE PURPOSES

The function of the Committee is to assist the Board of Directors of the Company in fulfilling its oversight responsibilities relating to:

- the quality and integrity of the Company's financial statements and related disclosure matters;
- the Company's system of internal controls regarding financial and accounting compliance;
- the qualifications, independence and performance of the Company's independent auditors;
- the review of and response to complaints made to the Company or to the Committee regarding accounting, internal accounting controls and auditing matters and the establishment of procedures to permit delivery to the Committee of confidential and anonymous complaints from employees and others regarding such matters; and

The Committee's role in carrying out its function is one of oversight. It is the responsibility of the Company's management to implement the matters described above, including the duty to plan and conduct audits and to prepare

The Committee shall not undertake to provide any expert or other special assurance as to the content of the Company's financial statements or any expert or professional certification as to the work of the Company's independent auditor.

IV. COMMITTEE AUTHORITY AND RESPONSIBILITIES

The Committee shall perform the following functions and may carry out additional functions and adopt additional policies and procedures in furtherance of the purposes of the Committee outlined in Section III of this charter as may

- Pre-approve all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by the independent auditor. The Committee may delegate to one or more Committee members the authority to pre-approve non-audit services to be performed by the independent auditor provided that such pre-approvals shall be reported to the full Committee at its next meeting. Attached hereto as Appendix A are the Committee's policies for pre-approval of non-audit services.
- Review reports from the independent auditor regarding:
 - all critical accounting policies and practices to be used;

Also on an annual basis the Committee shall ensure the receipt from the independent auditor of a formal written statement delineating all relationships between the independent auditor and the Company consistent with Independent Standards Board Standard No. 1.

APPENDIX I

STATEMENT OF POLICY OF THE AUDIT COMMITTEE OF LANCASTER COLONY CORPORATION

PRE-APPROVAL OF ENGAGEMENTS WITH THE INDEPENDENT AUDITOR FOR NON-AUDIT SERVICES

The Sarbanes-Oxley Act of 2002 (the "Act") vests the Committee with the responsibility to appoint and to oversee the work of the independent auditor of the Company. Under the Act and SEC Rules that the SEC has issued pursuant to the Act, that responsibility includes in particular the requirement that the Committee review and pre-approve all audit and non-audit services performed by the independent auditor. In exercising that responsibility with respect to proposed engagements for non-audit services, it is the policy of the Committee to give paramount consideration to the question of whether the engagement of the independent auditor to perform those services is likely to create a risk that the independent auditor's independence may be compromised. To that end, the Committee will endeavor to exercise its discretion in a manner that will minimize the risk of compromising the independence of the independent auditor.

In making this determination, the Committee is mindful of the guidance provided by the SEC: "The Commission's principles of independence with respect to services provided by auditors are largely predicated on three basic principles, violations of which would impair the auditor's independence: (1) an auditor cannot function in the role of management, (2) an auditor cannot audit his or her own work, and (3) an auditor cannot serve in an advocacy role for his or her client." Thus, in evaluating whether a proposed engagement presents a risk of compromising the independence of the independent auditor, the factors that the Committee will typically consider will include whether the service in question is likely to cause the independent auditor to function in a management role, to be put in the position of auditing its own work, or to serve in an advocacy role for the Company. In addition, the Committee believes that the risk of such compromise may increase in direct proportion to the volume of non-audit services performed by the independent auditor. Accordingly, it is the policy of the Committee that, in the absence of very strong countervailing considerations, the total amount of fees payable to the independent auditor on account of non-audit services with respect to any fiscal year should not exceed the total amount of audit fees plus audit-related fees (as both such terms are used in the SEC Rules) plus tax-compliance/return-preparation services payable to the independent auditor with respect to such year. Solely for purposes of the preceding sentence, amounts payable with respect to audit-related services and tax-compliance/return-preparation services will not be considered fees payable on account of non-audit services. This policy is adopted with the intent to maintain Committee flexibility in circumstances under which the proposed engagement is likely to provide the Company with benefits that substantially outweigh the risk to independence.

In order to assist the Committee in applying this policy, any officer or other employee of the Company who proposes to engage the independent auditor to perform non-audit services will be expected to submit such a proposal in writing to the Committee accompanied by the following supporting materials:

Edgar Filing: LANCASTER COLONY CORP - Form DEF 14A

1. A detailed description of each service proposed to be provided by the independent auditor.
2. A description of the extent, if any, to which the non-audit services in question are likely to cause the independent auditor to function in the role of management, to recommend actions by the Company that the independent auditor may be called upon to review in its role as the Company's independent auditor, or to serve as an advocate for the Company.
3. A description of the qualifications of the independent auditor that demonstrate its capability to perform each of the non-audit services in question.

A-4

4. The name or names of service-providers who were considered as alternatives to the independent auditor to perform the services in question, and a description of the qualifications of each such alternative service-provider relating to its capability to perform the services in question.
5. A detailed explanation of the benefits that the Company is expected to enjoy as a result of engaging the independent auditor, rather than an alternative service-provider, to perform the non-audit service in question.
6. An estimate of the amount of fees that the independent auditor is likely to be paid for performance of the non-audit services in question.

The Committee will typically be inclined to approve requests to engage the independent auditor to provide those types of non-audit services that are closely related to the audit services performed by the independent auditor, such as audit-related services, tax-compliance/return preparation services, and "due diligence" services relating to transactions that the Company may be considering from time to time. Because such non-audit services bear a close relationship to the audit services provided by the independent auditor, the Committee believes that they will not ordinarily present a material risk of compromising the independent auditor's independence, subject to the Committee's policy concerning the total amount payable to the independent auditor for non-audit services with respect to any fiscal year.

Between meetings of the Committee, any two Committee members are authorized to concurrently and jointly review and, where consistent with this policy, to pre-approve non-audit services proposed to be performed by the independent auditor that are budgeted for fees of Fifty Thousand Dollars (\$50,000) or less. Any such pre-approval decisions shall be reported to the Committee as soon as practicable and in any event at its next meeting.

Under no circumstances will the Audit Committee approve the engagement of the independent auditor for the performance of services that are prohibited by section 201(a) of the Act (15 U.S.C. Section 78j-1(g)), or by Section 210.2-01(4) of the SEC Rules (17 CFR Part 210.2-01(c)(4)). Such prohibited services include the following:

1. Bookkeeping or other services related to the accounting records or financial statements of the Company, unless the results of those services will not be subject to audit procedures during an audit of the Company's financial statements;

Edgar Filing: LANCASTER COLONY CORP - Form DEF 14A

2. Services relating to the design or implementation of financial information systems, unless the results of such services will not be subject to audit procedures during an audit of the Company's financial statements;
3. Services relating to appraisals or valuations, fairness opinions, or contribution-in-kind reports, unless the results of such services will not be subject to audit procedures during an audit of the Company's financial statements;
4. Any actuarially-oriented services (other than assisting the Company in understanding the methods, models, assumptions, and inputs used in computing an amount), unless the results of those services will not be subject to audit procedures during an audit of the Company's financial statements;
5. Internal audit outsourcing services relating to the Company's internal accounting controls, financial systems, or financial statements, unless the results of such services will not be subject to audit procedures during an audit of the Company's financial statements;
6. Any management functions, whether or not temporary, including any decision-making, supervisory, or ongoing monitoring function for the Company;
7. Any services relating to human resources of the Company, including searching for, testing, investigating, negotiating, or providing recommendations or advice with respect to human resources or prospective human resources;

A-5

8. Any services relating to acting as a broker-dealer, promoter, or underwriter for the Company, including providing advice, exercising discretionary authority, or assuming custodial responsibility with respect to investment decisions or assets of the Company;
9. Any service that can be provided only by a person licensed, admitted, or otherwise qualified to practice law in the jurisdiction in which the service is to be rendered;
10. Providing an expert opinion or other expert service for the Company, or for the Company's legal representative, for the purpose of advocating the Company's interests in litigation or in a regulatory or administrative proceeding or investigation, except for factual accounts or testimony explaining work that the independent auditor has performed, positions that the independent auditor has taken, or conclusions that the independent auditor has reached during the performance of any permitted service for the Company; and
11. Any other service that the Public Company Accounting Oversight Board may from time to time determine by regulation to be impermissible.
