(Attach extra Sheets if Needed)

The registrant's annual report on Form 10-K for the period ended December 31, 2004 was prepared in a manner to include all of the disclosures required under the applicable rules and regulations of the SEC. The requirements relating to these disclosures, including newly adopted requirements promulgated under the Sarbanes-Oxley Act of 2002, are complex and the registrant has expended substantial effort and expense to comply with them in a timely fashion. The registrant was in the process of finalizing its Form 10-K on March 16, 2005 when it discovered certain filing errors in the EDGARized version of the proof returned from the third-party filing service for review. As a result of these errors, certain corrections to the Form 10-K needed to be made late in the afternoon. These changes were completed and the registrant's 10-K was filed at approximately 6:30 PM on March 16, 2005. Because this was filed after the 5:30PM filing deadline, the 10-K is deemed by the SEC to be filed as of March 17, 2005, which is one day after the applicable due date.
