Item 4. Description of Securities

Not applicable

Item 5. Interests of Named Experts and Counsel

David M. Segal, Esq., Corporate Counsel of the Company, has passed upon the legality of the shares of Common Stock of the Registrant to be issued under the Plan. Mr. Segal is eligible to participate in the Plan.

Item 6. Indemnification of Directors and Officers

The Registrant's Code of Regulations provides that the Registrant shall indemnify any director or officer and any former director or officer of the Registrant and any person who is or has served at the request of the Registrant as a director, officer or trustee of another corporation, partnership, joint venture, trust or other enterprise (and his or her heirs, executors and administrators), to the full extent and according to the procedures and requirements set forth in the Ohio General Corporation Law. The Registrant's Code of Regulations also provides that the indemnification provisions provided for therein do not restrict the right of the Registrant (i) to indemnify its employees, agents and others as permitted by law, (ii) to purchase and maintain insurance or provide similar protection on behalf of its directors, officers and such other persons against liabilities asserted against them or

expenses incurred by them arising out of their service to the Registrant, and (iii) to enter into agreements with such persons indemnifying them against such liabilities.

In general, under Section 1701.13(E) of the Ohio Revised Code, an Ohio corporation is permitted to indemnify its present or former officers, directors, employees and agents against liabilities and expenses incurred by such persons in their capacities as such so long as they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, provided that in an action by or in the name of the corporation, if the person seeking indemnification was adjudged to be liable for negligence, no indemnification is permitted unless the court in which the action was brought specifically determines that such person is fairly and reasonably entitled to indemnification in view of all the circumstances of the case. The statute also provides that an Ohio corporation shall advance attorney's fees incurred by directors, and may advance such fees incurred by executive officers, employees, agents and others, prior to the final outcome of a matter provided the person seeking such advances undertakes to repay them if it is ultimately determined that such person is not entitled to indemnification (except in the case of directors who must undertake to repay such advances only if it is proved by clear and convincing evidence in a court of competent jurisdiction that the act or failure to act in question was undertaken with deliberate intent to cause injury to the corporation or was undertaken with reckless disregard for the best interests of the corporation).

In addition, the Registrant has purchased insurance policies that provide coverage for the acts and omissions of the Registrant's directors and officers in certain situations.

Item 7. Exemption from Registration Claimed

Not applicable

Item 8. Exhibits

See Exhibit Index

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this Section do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
