Dear Barrick/Newmont Shareholder

Today Barrick proposed a merger with Newmont which we believe will be overwhelmingly in the interest of both companies' shareholders.

We believe the rationale is so compelling, and the benefits to both sets of shareholders so obvious, that it warrants the support of all investors. Synergies between the two companies represent a net asset value of more than \$7 billion. More important, the merger will create a business with the world's largest portfolio of Tier One gold assets, the highest level of free cash flow to drive future growth and support sustainable shareholder returns, run by a management team with an unparalleled record of delivering sustainable value.

If you need to know more about the proposed transaction, please refer to contact details below. If you have any further questions, feel free to call me.

Yours sincerely

Mark Bristow

Barrick President and CEO
