Notes:

-
1. These preliminary financial statements were prepared using certain assumptions and estimates. These assumptions and estimates are subject to revision and actual results could differ materially from the information provided in this statement. Further, the amounts shown in this statement, when reported on a quarterly basis, may differ materially due to adjustments in accruals, changes in facts and circumstances, changes in estimates, further analysis, and other factors.
 2. These preliminary financial statements were prepared using certain assumptions and estimates, including the estimated amount payable to the California Department of Water Resources (DWR) for power purchased by the DWR on behalf of retail customers during April 2001. These assumptions and estimates are subject to revision and actual results could differ materially from the information provided in this statement.
 3. Pacific Gas and Electric Company believes that in light of the Federal Energy Regulatory Commission's April 6, 2001 order which reaffirmed its February 14, 2001 order barring the California Independent System Operator (ISO) from charging the utility for its power purchases, the utility is not responsible for any ISO charges since it became non-creditworthy, except for an allocated share of the ISO's grid management charge. The amounts shown above do not include any estimated ISO charges after

April 6, 2001, other than the estimated grid management charge, and the utility believes it is not responsible for any ISO charges since January 2001 when it became non-creditworthy.

4. The income statement reflects activity for the entire month of April 2001.

5. Items impacting comparability:

- Undercollected purchased power costs	76
- Interest expense	16
