STOCK OPTION PLAN

The Vulcan International Corporation Stock Option Plan (the "Plan") was adopted by the Board of Directors of the Company in 1991. The purpose of the Plan is to provide additional incentives in order that the Company may retain key personnel. The Plan provides for the granting of options to purchase totaling not more than 300,000 shares of common stock from the Company's treasury shares of which 77,000 have not previously been granted. The Plan is administered by a Stock Option Committee consisting of not less than three (3) Directors of the Corporation who are not eligible to receive options under the Plan. During the year 2004, the Committee consisted of Directors Leonard Aconsky, Edward B. Kerin, and Thomas D. Gettler. The Committee determines the key employees to whom the options are granted, the term of the option and the number of shares of each grant subject to the option. The option price is such price as may be determined by the Option Committee.

Each option continues for the period determined by the Committee, which shall be not less than one (1) year or more than seven (7) years from the date of its grant. The Plan provides that each key employee to whom an option is granted shall as a condition of his right to exercise such option, agree to remain in the continuous employment of the Company for a period of at least two years from the date of exercise of the option, unless he is prevented from doing so by death or disability. Under the Plan, the Company has the option to repurchase shares from an optionee who terminates employment prior to the expiration of the two-year period. Mr. Benjamin Gettler has been granted an option for 50,000 shares at an exercise price of \$33.20 per share with an expiration date of November 6, 2008. The Board of Directors currently has two standing committees, namely, an Audit and Compensation Committee and a Stock Option Committee. The Stock Option Committee is discussed above under the heading "Stock Option Plan." That Committee had one meeting in 2004.

The Audit and Compensation Committee is comprised of independent, non-employee directors, namely, Messrs. Leonard Aconsky, Warren C. Falberg and Edward B. Kerin. Each member of the Audit Committee qualifies as an Audit Committee Financial expert and is financially literate as that term is defined by the SEC. That committee had two meetings during the last fiscal year. The Audit and Compensation Committee is responsible for overseeing the Company's accounting functions and controls. The Committee has adopted a Charter to set forth all of its specific responsibilities. As required by the Charter:

The Committee has reviewed and discussed the audited financial statements with management;

The Committee has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards 61 relating to conduct of the audit;

The Committee has received the written disclosures and the letter from the independent

accountants required by Independence Standards Board Standard No. 1 and has discussed with the independent accountant the independent accountant's independence, and

Based on the review and discussions with management and the representative of its independent auditors, the committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing with the Commission.

The Committee has reviewed and assessed the adequacy of the Charter.

A copy of the Audit and Compensation Committee Charter is included as an appendix to this proxy statement.

The Committee also reviews and recommends the salary and bonus of the Company's chief executive officer.

The Company pays each of its Directors \$8,000 per year as a director fee. The members of the Audit and Compensation Committee are paid \$300 per meeting attended.

There is in effect a Resolution of the Board of Directors pursuant to which any Director of the Company or any of the subsidiary companies may purchase up to 25,000 treasury shares of company stock at the closing bid on the American Stock Exchange on the date of the exercise of such election to purchase. In the calendar year 2004, there were no shares purchased from the Company pursuant to this Resolution.

AUDIT AND COMPENSATION COMMITTEE REPORT ON

EXECUTIVE COMPENSATION

Committee's Compensation Policy

It is the policy of the Audit and Compensation Committee that the Company's Executive Officers should be compensated in accordance with the responsibilities of their position and their performance in office. Included among the factors considered by the Compensation Committee in carrying out such

- 9 -

compensation policies are the historical compensation paid officers of this Company and the compensation paid to executives in similar positions in other companies as well as performance in the fiscal year in question compared to prior fiscal years.

In carrying out the foregoing policies, the Committee also considered the facts set forth below in determining the annual compensation of the Chief Executive Officer, Chairman of the Board and President of the Company for 2005. Those positions are filled by a single individual, Mr. Benjamin Gettler.

In 2004, in addition to his regular duties, Mr. Gettler led the Company through the dissolution of its Joint Venture with Brunswick Bowling & Billiards Corporation and the sale of its bowling pin assets, resulting in a profit of \$2,173,052 (pre-tax).

Mr. Gettler has not requested an increase in his salary. Accordingly, the Committee has determined that for the Year 2005, Mr. Gettler's salary remain at \$275,000 (which is unchanged since 1997); in the past two years, the Committee has awarded 2,000 shares of Vulcan stock each year as a bonus. The Committee has determined that the bonus for 2004 should be 2,000 shares of stock.
