On February 14, 2005, Sprint Corporation ("Sprint") and certain of its subsidiaries entered into an Agreement to Contribute, Lease and Sublease with Global Signal Inc. (the "Agreement") under which Global Signal will have

exclusive rights to lease or operate more than 6,600 wireless communications towers owned by the Sprint subsidiaries for up to 32 years. Global Signal will pay approximately \$1.202 billion in cash at the time of the closing, which is expected to occur in June 2005.

In addition to its rights to lease or operate the towers, Global Signal will take over existing collocation arrangements with tenants who lease space on these towers. Global Signal will also be able to sublease space on the towers to additional third-party tenants and will have the option to purchase the towers at the end of the lease term for an aggregate purchase price of approximately \$2.3 billion.

The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement (including the form of lease and sublease agreement attached to the Agreement as an exhibit), which is filed as Exhibit 10 and incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The Agreement with Global Signal requires that, at the time of the closing, the parties enter into a master lease and sublease agreement pursuant to which Sprint and its subsidiaries will commit to sublease space on the towers from Global Signal for a guaranteed minimum of 10 years at an initial rate of \$1,400 per month per tower on all towers on which a subsidiary was a tenant as of February 14, 2005 (approximately 6,400 towers). The monthly rate per tower is subject to an annual market-based increase. Sprint may withdraw from any or all of the towers on the tenth anniversary of the closing and on any successive fifth anniversary after the tenth anniversary of the closing.

The foregoing description of the lease and sublease agreement does not purport to be complete and is qualified in its entirety by reference to the form of lease and sublease agreement, which is attached to the Agreement as an exhibit and which is incorporated herein by reference.
