ITEM	3.02	UNREGISTERED SALES OF EQUITY SECURITIES

On March 30, 2007, the Company entered into an Omnibus Amendment and Waiver (the "Amendment") with Laurus Master Fund, Ltd. ("Laurus") pursuant to which, among other things: (1) the Amended and Restated Secured Term Note dated November 17, 2005 (the "Nov. 2005 Note") issued to Laurus was amended and restated to increase its principal balance by \$600,000 (Laurus) and to extend the maturity date of the Nov. 2005 Note until June 30, 2007; (2) the principal portions of the monthly payments due for March 2007 through June 2007 under the Secured Term Convertible Notes issued to Laurus on July 12, 2004 (the "July 2004 Note") and June 15, 2005 (the "June 2005 Note") were postponed until the maturity dates under the respective notes; (3) the deadline for the Company to

file registration statements pursuant to the registration rights agreements dated July 12, 2004, June 15, 2005 and November 16, 2005 registering the shares issuable to Laurus upon conversion of the July 2004 Note and the June 2005 Note and the shares issuable upon exercise of outstanding options and warrants held by Laurus, and to secure the listing of its shares of Common Stock on the NASD OTC Bulletin Board, is extended to October 31, 2007; and (4) Laurus waived certain rights under the foregoing agreements and related agreements, including its right to receive liquidated damages under certain of the agreements described above. In exchange for Laurus agreeing to the foregoing, the Company issued Laurus additional options, expiring March 30, 2017, to purchase One Million (1,000,000) shares of the Company's common stock for One Cent (\$.01) per share (the "Options") pursuant to an Option Agreement. The Company will use the proceeds of the foregoing transaction for working capital and other purposes.

The Company's additional obligations under the Nov. 2005 Notes are secured by a second priority security interest in all of the Company's assets in favor of Laurus, which is pari passu as between Laurus and another creditor of the Company, Midsummer Investment, Ltd. The Company's obligations are also guaranteed by its subsidiaries. Laurus' security interest is governed by the Security Agreement, Stock Pledge Agreement and Subsidiary Guaranty that the Company executed in connection with the sale of the July 2004 Note to Laurus.

The Options and the amended Nov. 2005 Note were issued without registration pursuant to the exemption provided under Section 4(2) of the Securities Act of 1933, as amended, and Regulation D thereunder.

Forms of the Amendment and the Option Agreement are attached hereto as exhibits.
