### Item 1. Description of Securities to be Registered

The Company is authorized to issue 20,000,000 shares of Common Stock. As of June 14, 2002, there were 4,285,073 shares of Common Stock outstanding.

Each share of Common Stock is identical in all respects and entitles its holder to the same rights and privileges enjoyed by all other holders of shares of Common Stock and subjects them to the same qualifications, limitations and restrictions to which all other holders of Common Stock are subject. The Common Stock has no preemptive rights, conversion rights or other subscription rights or redemption or sinking fund provisions. All outstanding shares of Common Stock are fully paid and non-assessable. Holders of Common Stock are entitled to one vote per share on all matters to be voted on by shareholders. Holders of Common Stock do not have cumulative voting rights, so that holders of a plurality of the shares of Common Stock present at a meeting at which a quorum is present will be able to elect all of the directors of the Company eligible for election in a given year. The holders of a majority of the voting power of the issued and outstanding Common Stock constitute a quorum. Holders of Common Stock are entitled to receive ratably such dividends, if any, as are declared by the Board of Directors out of funds legally available for the declaration of dividends, subject to the preferential rights of any holder of preferred stock that may from time to time be outstanding.

The significant number of authorized but unissued shares could have a potential anti-takeover effect with respect to the Company because we could issue additional shares of Common Stock, up to the total authorized number, thereby diluting the shareholdings and related voting rights of then existing shareholders in proportion to the number of any additional shares issued.

Pursuant to an agreement executed in July 2001 in connection with transactions with Sun Catalina Holdings, LLC ("Sun Catalina") and SunTrust Banks, Inc. ("SunTrust") and the amendment of our \$75 million credit facility, we granted demand and piggyback registration rights to Sun Catalina, SunTrust and members of the senior lender group under our credit facility. We are obligated to pay all expenses associated with the exercise of such registration rights other than underwriting discounts or commissions and the fees and expenses of separate counsel, if any, of such persons incurred in connection with such registrations.

The Common Stock is quoted on the NASD Over-the-Counter Bulletin Board under the symbol "CALI.OB" and has been approved for listing on the Nasdaq SmallCap Market. The Company anticipates that trading of the Common Stock on the Nasdaq SmallCap Market will begin on June 24, 2002, under the symbol "CALA".

The Transfer Agent and Registrar with respect to the Common Stock is Mellon Investor Services LLC.
