

Management Plan

On February 12, 2003, Mr. Jung Tae Kim, President and CEO of Kookmin Bank, announced the following plans at Top Management Forum sponsored by the Federation of Korean Industries.

Investment in the Stock Market  
-----

At the Forum, Mr. Kim announced that he intends to invest up to KRW 1 trillion in stocks in line with market situations to help revive the stock market for the short term, and contribute to the further development of the national economy on a longer-term basis.

Long-term Strategy  
-----

Mr. Kim affirmed that Kookmin Bank is targeting to be one of the top 30 banks with US\$25 billion of market capitalization in the world by the year 2005.

In order to realize the long-term plan, he developed "multi-specialist" strategy. In line with the strategy, he also disclosed that Kookmin Bank will concentrate on providing retail banking services and small and medium sized enterprise banking services centered upon small office and home office clients.

China Market  
-----

Another plan was also disclosed that Kookmin Bank will seek various ways for expanding its business in China to obtain full benefits of the market's growth potential in the long run.

Competition with Telecommunication Companies  
-----

Regarding telecommunication companies' entry into the banking services, Mr. Kim commented that he will prepare for, and will face, the competition staged by telecommunication companies.
