PROXY STATEMENT

SOLICITING, VOTING AND REVOCABILITY OF PROXY

This proxy statement is being mailed to all stockholders of record at the close of business on September 23, 2003 in connection with the solicitation by the Board of Directors of proxies to be voted at the Annual Meeting of Stockholders to be held on October 30, 2003 at 10:00 a.m., local time, or any

Edgar Filing: DCAP GROUP INC/ - Form PRE 14A

adjournment thereof. The proxy and this proxy statement were mailed to stockholders on or about September __, 2003.

All shares represented by proxies duly executed and received will be voted on the matters presented at the meeting in accordance with the instructions specified in such proxies. Proxies so received without specified instructions will be voted as follows:

(1) FOR the nominees named in the proxy to our Board of Directors; and

(2) FOR the approval of a proposal to authorize our Board of Directors to effect a reverse stock split if determined necessary in its sole discretion.

Our Board does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that proxy holders will have to vote for substitute or alternate nominees to the Board. In the event that any other matter should come before the meeting or any nominee is not available for election, the persons named in the enclosed proxy will have discretionary authority to vote all proxies not marked to the contrary with respect to such matters in accordance with their best judgment.

The total number of common shares outstanding and entitled to vote as of September 23, 2003 was 12,353,402. The common shares are the only class of securities entitled to vote on matters presented to our stockholders, each share being entitled to one vote.

Our Restated Certificate of Incorporation provides for cumulative voting of shares for the election of directors. This means that each stockholder has the right to cumulate his votes and give to one or more nominees as many votes as equals the number of directors to be elected (four) multiplied by the number of shares he is entitled to vote. A stockholder may therefore cast his votes for one nominee or distribute them among two or more of the nominees. A majority of the common shares outstanding and entitled to vote as of September 23, 2003, or 6,176,702 common shares, must be present at the meeting in person or by proxy in order to constitute a

quorum for the transaction of business. Only stockholders of record as of the close of business on September 23, 2003 will be entitled to vote. With regard to the election of directors, votes may be cast in favor or withheld. The directors shall be elected by a plurality of the votes cast in favor. Accordingly, based upon there being four nominees, each person who receives one or more votes will be elected as a director. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals and may be voted for the other nominees.

Stockholders may expressly abstain from voting on Proposal 2 by so indicating on the proxy. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are counted as present in the tabulation of votes on Proposal 2. Broker non-votes are not counted for the purpose of determining whether Proposal 2 has been approved. Since Proposal 2 requires the approval of a majority of our outstanding common shares, abstentions and broker non-votes will have the effect of a negative vote.

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with us written notice of revocation or a fully executed proxy bearing

Edgar Filing: DCAP GROUP INC/ - Form PRE 14A

a later date. The proxy may also be revoked by affirmatively electing to vote in person while in attendance at the meeting. However, a stockholder who attends the meeting need not revoke a proxy given and vote in person unless the stockholder wishes to do so. Written revocations or amended proxies should be sent to us at 1158 Broadway, Hewlett, New York 11557, Attention: Corporate Secretary.

The proxy is being solicited by our Board of Directors. We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners of our shares. Solicitations will be made primarily by mail, but certain of our directors, officers or employees may solicit proxies in person or by telephone, telecopier or telegram without special compensation.

A list of stockholders entitled to vote at the meeting will be available for examination by any stockholder for any purpose germane to the meeting, during ordinary business hours, for ten days prior to the meeting, at our offices, 1158 Broadway, Hewlett, New York 11557, and also during the whole time of the meeting for inspection by any stockholder who is present. To contact us, stockholders should call (516) 374-7600.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

March 2001 Transactions

In March 2001, the following transactions occurred:

- o We entered into agreements with Kevin Lang, Abraham Weinzimer and Mr. Certilman, each a principal stockholder and then one of our executive officers, that provided for our sale to them of a total of eight of our DCAP stores. Pursuant to the agreements, which were closed in November 2001 following shareholder approval, Mr. Lang acquired three of the stores for a total purchase price of approximately \$257,000, Mr. Weinzimer acquired three of the stores for a total purchase price of \$285,000 and an entity owned by Mr. Certilman (we refer to the entity as "Mr. Certilman") acquired two of the stores for a total purchase price of approximately \$225,000. The locations of the stores are as follows:

- o Lang: Amityville, New York
Medford, New York
Seaford, New York
- o Weinzimer: Hempstead, New York
Hicksville, New York
Jamaica, New York

7

- o Certilman: East Meadow, New York
Flushing, New York

At the time of execution of the agreements with Messrs. Lang and Weinzimer, each of them paid to us the total amount of his respective purchase price. At the time of execution of the agreement with Mr. Certilman, we received approximately \$197,000 of the purchase price. The balance of \$28,000 was paid at the closing of the acquisition through the assumption of our obligation to an unaffiliated third party in that amount. The obligation was incurred in May 2000 in connection with our acquisition of the third party's interest in one of the stores acquired by Mr. Certilman. Pending the closing of the sales, each of Messrs. Lang, Weinzimer and Certilman managed his respective stores and was entitled to receive a management fee equal to the net profits of the stores. Each of them was also responsible for all losses incurred during the interim period.

- o At the closing, we entered into franchise agreements with the entities acquired by Messrs. Lang, Weinzimer and Certilman. The franchise agreements are similar in most respects to our standard conversion

Edgar Filing: DCAP GROUP INC/ - Form PRE 14A

franchise agreements.

In general, none of the franchisees were allowed to terminate their respective franchise agreements prior to March 31, 2003. Pending the closing, Messrs. Lang, Weinzimer and Certilman were responsible for charges as if the franchise agreements had been executed. Counsel for Mr. Lang's entities notified us of their election to terminate their respective franchise agreements effective March 31, 2003. Mr. Weinzimer's entities have agreed to extend the March 31, 2003 date to March 31, 2005.

- o We reacquired a total of 3,714,616 of the shares owned by Messrs. Lang and Weinzimer in consideration of the cancellation of indebtedness owed to us by them in the aggregate amount of \$928,654.
- o We agreed with Mr. Lang to terminate his employment agreement that was scheduled to expire in February 2004, and DCAP Management Corp., our wholly-owned subsidiary that operates our franchise business, entered into a new employment agreement with him which expired on September 30, 2001. Based upon Mr. Lang's agreement to forgo the compensation otherwise payable to him for the balance of the original employment term (\$667,000, net of the amount payable to him pursuant to his new employment agreement), we granted to Mr. Lang a price concession of approximately \$85,000 in connection with the purchase of his three stores. This price concession resulted in the purchase price of \$257,000 for Mr. Lang.

8

- o We agreed with Mr. Weinzimer to terminate his employment agreement that was scheduled to expire in February 2004. Based upon Mr. Weinzimer's agreement to forgo the compensation otherwise payable to him for the balance of the employment term (\$729,000), we granted to Mr. Weinzimer a price concession of approximately \$85,000 in connection with the purchase of his three stores. This price concession resulted in the purchase price of \$285,000 for Mr. Weinzimer.
- o We agreed with Mr. Certilman to terminate his employment agreement that was scheduled to expire in February 2004. Concurrently, based upon Mr. Certilman's agreement to forgo the compensation otherwise due him for the balance of the term of the employment agreement (\$365,000), we agreed to cancel indebtedness of approximately \$141,000 that Mr. Certilman owed to us.
- o We agreed with Mr. Haft to terminate his employment agreement that was scheduled to expire in February 2004.
- o Each of Messrs. Lang, Weinzimer, Certilman and Haft resigned as an officer of DCAP Group. Messrs. Lang and Weinzimer also resigned as our directors.

The terms of the above sales agreements were the result of arm's length negotiations between us and each of Messrs. Lang, Weinzimer and Certilman that were based upon the terms of other recent sales of our stores to persons who are not affiliated with us, then current market conditions and the termination of the employment agreements with each of them, as discussed above. No independent appraisal or valuation was received in connection with the agreements. We did not utilize a special independent committee of our Board of Directors to perform an analysis of the fairness of the transactions or to negotiate the terms of the

Edgar Filing: DCAP GROUP INC/ - Form PRE 14A

sales on our behalf.

Sale of Brentwood Store

Effective February 27, 2003, we sold our Brentwood, New York store to Mr. Weinzimer, one of our principal stockholders, at a purchase price of \$115,437 (equal to approximately 70% of the store's commission income during 2002). Concurrently with the purchase, the entity acquired by Mr. Weinzimer entered into a franchise agreement with DCAP Management on terms substantially similar to those entered into by Mr. Weinzimer in March 2001 when he purchased three of our stores (as discussed above). The terms of the above sale were the result of arm's length negotiations between us and Mr. Weinzimer that were based upon the terms of other recent sales of our stores to persons who are not affiliated with us and then current market conditions. No independent appraisal or valuation was received in connection with the agreement.

Acquisition of AIA Acquisition Corp.

Effective May 1, 2003, we acquired substantially all of the assets of AIA Acquisition Corp., an insurance brokerage firm with six offices located in eastern Pennsylvania. The salient

9

terms of the acquisition were as follows:

- o A base purchase price of \$904,000, being equal to the approximate sum of (i) \$737,647 (which represents 69% of AIA's includable commission income for the 12 months ended March 31, 2002 or the year ended December 31, 2002, whichever was less), and (ii) \$165,870 (which represents AIA's collected accounts receivable and prepaid expenses). The purchase price was paid in our Series A preferred shares having a liquidation value equal to the base purchase price. The Series A preferred shares carry a 5% dividend, are convertible into our common shares at a conversion price of \$.50 per share and are redeemable on April 30, 2007 (or sooner under certain circumstances).
- o Additional cash consideration based upon the EBITDA of the combined operations of AIA and our wholly-owned subsidiary, Barry Scott Companies Inc., during the five year period ending April 30, 2008. The additional consideration cannot exceed an aggregate of \$335,000.

Barry B. Goldstein, our Chief Executive Officer, is President of AIA Acquisition Corp. and members of his family are principal stockholders of AIA. The terms of the acquisition were the result of arm's length negotiations between AIA and us and were based upon the sales price of stores to persons who are not affiliated with us and current market conditions.

2003 Subordinated Debt Financing

Effective July 10, 2003, in order to fund our premium finance operations, we obtained \$3,500,000 from a private placement of subordinated debt. The subordinated debt is repayable on January 10, 2006 and provides for interest at the rate of 12.625% per annum, payable semi-annually. We have the right to prepay the subordinated debt commencing on July 10, 2004. In consideration of the debt financing, we issued to the lenders warrants for the purchase of an aggregate of 525,000 of our common shares at an exercise price of \$1.25 per share. The warrants expire on January 10, 2006. One of the private placement lenders was a retirement trust established for the benefit of Jack Seibald which loaned us \$625,000 and was issued a warrant for the purchase of 93,750 of our

Edgar Filing: DCAP GROUP INC/ - Form PRE 14A

common shares. Mr. Seibald is one of our principal stockholders.

Relationship

Certilman Balin Adler & Hyman, LLP, a law firm with which Mr. Certilman is affiliated, serves as our counsel. It is presently anticipated that such firm will continue to represent us and will receive fees for its services at rates and in amounts not greater than would be paid to unrelated law firms performing similar services. Certilman Balin has also served as counsel to Messrs. Lang and Weinzimer with respect to certain matters; however, it did not serve as counsel to Messrs. Lang and Weinzimer in connection with the acquisition of our DCAP insurance operations from them, to Messrs. Lang or Weinzimer in connection with the transactions with

10

them discussed under "March 2001 Transactions" or to Mr. Weinzimer in connection with the transaction with him discussed under "Sale of Brentwood Store" above. In addition, Certilman Balin did not serve as counsel to either us or Mr. Certilman in connection with the transactions with him discussed under "March 2001 Transactions" above.

PROPOSAL 1: ELECTION OF DIRECTORS

Four directors are to be elected at the meeting to serve until the next annual meeting of stockholders and until their respective successors shall have been elected and have qualified.

Our Restated Certificate of Incorporation provides for cumulative voting of shares for the election of directors. This means that each stockholder has the right to cumulate his votes and give to one or more nominees as many votes as equals the number of directors to be elected (four) multiplied by the number of shares he is entitled to vote. A stockholder may therefore cast his votes for one nominee or distribute them among two or more of the nominees.

Nominees for Directors

All four of the nominees are currently members of our Board. The following table sets forth each nominee's age as of September 23, 2003, the positions and offices presently held by him with us, and the year in which he became a director. The Board recommends a vote FOR all nominees. The person named as proxy intends to vote cumulatively all shares represented by proxies equally among all nominees for election as directors, unless proxies are marked to the contrary.

automobile insurance. He has served as one of our directors since 1999.

There are no family relationships among any of our executive officers and directors.

Each director will hold office until the next annual meeting of stockholders and until his successor is elected and qualified or until his earlier resignation or removal. Each executive officer will hold office until the initial meeting of the Board of Directors following the next annual meeting of stockholders and until his successor is elected and qualified or until his earlier resignation or removal.

Committees

The Audit Committee of the Board of Directors is responsible for (i) recommending independent accountants to the Board, (ii) reviewing our financial statements with management and the independent accountants, (iii) making an appraisal of our audit effort and the effectiveness of our financial policies and practices and (iv) consulting with management and our independent accountants with regard to the adequacy of internal accounting controls. The members of the Audit Committee currently are Messrs. Certilman and Haft. The directors who serve on the Audit Committee are not "independent" directors based on the definition of independence in the listing standards of the National Association of Securities Dealers. To date, our Board of Directors has not adopted a written charter for the Audit Committee.

We do not have any standing nominating or compensation committees of the Board of Directors or committees performing similar functions. These functions are currently performed by our Board as a whole.

Report of the Audit Committee

In overseeing the preparation of DCAP's financial statements as of December 31, 2002 and for the years ended December 31, 2002 and 2001, the Audit Committee met with management to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the Committee discussed the statements with management. The Committee also discussed with Holtz Rubenstein LLP, DCAP's outside auditors, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Committee received the written disclosures and letter from Holtz Rubenstein LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and the Committee discussed the independence of Holtz Rubenstein LLP with that firm.

On the basis of these reviews and discussions, the Committee recommended to the Board of Directors that the audited financial statements be included in DCAP's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2002, for filing with the Securities and Exchange

Commission.

Meetings

Our Board of Directors held five meetings during the fiscal year ended December 31, 2002. All of our directors attended all such meetings with the exception of Mr. Wallach, who did not attend any of the meetings. Our Audit Committee of the Board of Directors held three meetings during the fiscal year ended December 31, 2002.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16 of the Securities Exchange Act of 1934, as amended, requires that reports of beneficial ownership of common shares and changes in such ownership be filed with the Securities and Exchange Commission by Section 16 "reporting persons," including directors, certain officers, holders of more than 10% of the outstanding common shares and certain trusts of which reporting persons are trustees. We are required to disclose in this proxy statement each reporting person whom we know to have failed to file any required reports under Section 16 on a timely basis during the fiscal year ended December 31, 2002. To our knowledge, based solely on a review of written representations received by us, during the fiscal year ended December 31, 2002, our officers, directors and 10% stockholders complied with all Section 16(a) filing requirements applicable to them, except that Mr. Haft filed a Form 4 one day late (which form reported one transaction).

PROPOSAL 2: REVERSE STOCK SPLIT

Introduction

Our Board of Directors has approved and recommended a proposal to effect a reverse stock split of all outstanding common shares at an exchange ratio ranging from one-for-three to one-for-ten (the "Reverse Split"), with the exact ratio to be determined by our Board of Directors in its sole discretion.

The proposal provides that our Board will have the sole discretion pursuant to Section 242(c) of the Delaware General Corporation Law to elect, at any time before the first anniversary of the date of the annual meeting of stockholders (the "One Year Anniversary") as it determines to be in the best interests of DCAP Group and our stockholders, whether or not to effect the Reverse Split, and, if so, the number of our common shares between and including three and ten which will be combined into one of our common shares. Our Board believes that granting it this discretion provides it with

maximum flexibility to react to then current market conditions and, therefore, is in the best interests of DCAP Group and our stockholders.

Edgar Filing: DCAP GROUP INC/ - Form PRE 14A

If our Board determines that effecting the Reverse Split is in the best interests of DCAP Group and our stockholders, the Reverse Split will become effective upon filing of an amendment to our Restated Certificate of Incorporation with the Secretary of State of the State of Delaware. The amendment filed thereby will set forth the number of shares to be combined into one of our common shares within the limits set forth in the proposal. Except for adjustments that may result from the treatment of fractional shares as described below, each stockholder will hold the same percentage of our outstanding common shares immediately following the Reverse Split as such stockholder holds immediately prior to the Reverse Split.

Reasons

The purposes of the Reverse Split are as follows:

- o to increase the marketability of our common shares; and
- o to meet the Nasdaq listing requirements with regard to minimum bid price.

Marketability

Our Board of Directors believes that the Reverse Split will facilitate future financings by us predicated upon its view that a low per share market price for our common shares may impair the acceptability of such securities by the financial community and the investing public. Theoretically, the number of shares outstanding and per share price should not, by themselves, affect the marketability of our common shares, the type of investor who acquires them, or our reputation in the financial community. However, in practice, this is not necessarily the case, as many investors look upon low-priced stocks as unduly speculative in nature and, as a matter of policy, avoid investment in such securities. Our Board is aware of the reluctance of many leading brokerage firms to recommend low-priced stocks to their clients. Further, a variety of brokerage house policies and practices tend to discourage individual brokers within those firms from dealing in low-priced stocks. Institutional investors typically are restricted from investing in companies whose stocks trade at less than five dollars per share. Stockbrokers are also subject to restrictions on their ability to recommend stocks trading at less than five dollars per share because of the general presumption that such securities may be highly speculative. In addition, the structure of trading commissions tends to have an adverse impact upon holders of low-priced stocks because the brokerage commission on a sale of such securities generally represents a higher percentage of the sales price than the commission on a relatively higher-priced issue.

The Reverse Split is intended, in part, to result in a price level for our common shares that will increase investor interest and eliminate the resistance of brokerage firms. On September ____, 2003, the closing bid price for our common shares, as reported by the OTC Bulletin Board,

15

was \$_____. No assurances can be given that the market price for our common shares will increase in the same proportion as the Reverse Split or, if increased, that such price will be maintained. In addition, no assurances can be given that the Reverse Split will increase the price of our common shares to a level in excess of the five dollar threshold discussed above.

Nasdaq Requirements

Our common shares currently trade on the OTC Bulletin Board. Such trading market is considered to be less efficient than that provided by The Nasdaq Stock

Edgar Filing: DCAP GROUP INC/ - Form PRE 14A

Market. Our Board of Directors is currently considering whether to seek to have our common shares listed on Nasdaq. In order for us to list our common shares on Nasdaq, we must fulfill certain Nasdaq listing requirements. Set forth below are the salient minimum quantitative listing requirements that we must meet, together with a comparison of how we currently stand with regard to the requirements.

Category -----	Nasdaq Requirement -----	DCAP Group Status -----
Net income from continuing operations in latest fiscal year or 2 of last 3 fiscal years	\$750,000	\$742,107 (six months ended June 30, 2003)
Publicly-held shares (1)	1,000,000	_____ (as of September __, 2003)
Market value of publicly-held shares (1)	\$5,000,000	\$_____ (as of September __, 2003)
Minimum bid price	\$4.00	\$_____ (as of September __, 2003)
Shareholders (round lot holders) (2)	300	_____ (as of September __, 2003)

- (1) "Publicly-held shares" is defined as total shares outstanding less any shares held by officers, directors or beneficial owners of 10% or more.
 (2) Round lot holders are holders of 100 shares or more.

Nasdaq also requires that an applicant have at least three market makers and comply with certain corporate governance requirements, including having at least two Audit Committee members (a majority of whom must be independent). In addition, Nasdaq has proposed new rules that would require that a majority of our Board members be independent. Currently we do not satisfy either the Audit Committee independence requirement or the proposed Board independence requirement.

No assurance can be given that, even if we satisfy the above listing requirements, we will apply to have our common shares listed on Nasdaq, or that, if we do so apply, that our application will be approved, or that, if our common shares are listed on Nasdaq, we will be able to satisfy the maintenance requirements for continued listing.

Board Discretion to Implement or Abandon Reverse Split

The Reverse Split will be effected, if at all, only upon a determination by our Board that the Reverse Split (with an exchange ratio determined by our Board as described above) is in the best interests of DCAP Group and our stockholders. Such determination shall be based upon certain factors, including, but not limited to, our ability to meet the Nasdaq listing requirements, existing and expected marketability and liquidity of our common shares and the expense of effecting the Reverse Split. Notwithstanding approval of the Reverse Split by

Edgar Filing: DCAP GROUP INC/ - Form PRE 14A

our stockholders, our Board may, in its sole discretion, abandon the proposal and determine, prior to the effectiveness of any filing with the Secretary of State of the State of Delaware, not to effect the Reverse Split. If our Board fails to implement the Reverse Split on or prior to the One Year Anniversary, stockholder approval again would be required prior to implementing any reverse stock split.

Reduction in Authorized Common Shares

Stockholder approval of this proposal shall constitute authorization for us to reduce the number of our authorized common shares to a number which results in a ratio of authorized common shares to issued and outstanding common shares that most closely approximates the ratio of our authorized common shares to issued and outstanding common shares immediately prior to the Reverse Split. Accordingly, assuming that our Board determines to implement a one-for-five Reverse Split, our Board would have the authority to reduce our authorized common shares in the same proportion. This would result in our authorized common shares being reduced from 40,000,000 to 8,000,000. However, our Board will have the sole discretion to determine whether or not to implement such a reduction in authorized common shares in connection with the Reverse Split. Alternatively, our Board will have the sole discretion to implement a reduction in authorized common shares to a lesser degree such that, following the Reverse Split, the ratio of authorized common shares to issued and outstanding common shares would be higher than that in effect prior to the Reverse Split.

Effective Date

If implemented by our Board, the Reverse Split would become effective upon filing of an amendment to our Restated Certificate of Incorporation with the office of the Secretary of State of the State of Delaware. Except as explained below with respect to fractional shares, on the effective date, our outstanding common shares immediately prior thereto will be combined and converted, automatically and without any action on the part of the stockholders, into new common shares in accordance with exchange ratio determined by our Board within the limits

17

described above.

Fractional Shares

No fractional common shares will be issued as a result of the Reverse Split. Instead, stockholders who otherwise would be entitled to receive fractional shares will be entitled to receive cash in an amount equal to the product obtained by multiplying (i) the closing price of our common shares on the day immediately preceding the effective date of the Reverse Split, as reported on the OTC Bulletin Board (or, if the closing price of our common shares is not then reported on the OTC Bulletin Board, then the fair market value of our common shares as determined by the Board) by (ii) the number of our common shares held by such stockholder that would otherwise have been exchanged for such fractional share interest.

Other Effect

If approved, the Reverse Split will result in some stockholders owning "odd-lots" of fewer than 100 common shares. Brokerage commissions and other costs of transactions in odd-lots are generally somewhat higher than the costs of transactions in "round-lots" of even multiples of 100 shares.

Edgar Filing: DCAP GROUP INC/ - Form PRE 14A

Exchange of Stock Certificates

As soon as practicable after the effective date, stockholders will be notified that the Reverse Split has been effected. We will appoint an exchange agent for purposes of implementing the exchange of stock certificates. Holders of pre-Reverse Split shares ("Old Shares") will be asked to surrender to the exchange agent certificates representing the Old Shares in exchange for certificates representing post-Reverse Split shares ("New Shares") in accordance with the procedures to be set forth in a letter of transmittal to be sent by us. No new certificates will be issued to a stockholder until such stockholder has surrendered such stockholder's outstanding certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent. Stockholders should not submit any certificates until requested to do so.

No Appraisal Rights

Under the Delaware General Corporation Law, our stockholders are not entitled to appraisal rights with respect to the proposed amendment to our Restated Certificate of Incorporation to effect the Reverse Split.

Tax Consequences

The proposed Reverse Split is being presented for approval based upon the expectation that, among other things, no gain or loss will be recognized by the holders of our common shares

18

(except to the extent of cash, if any, received in lieu of fractional shares) or by DCAP Group. A holder who receives cash will generally recognize gain or loss equal to the difference between the portion of the tax basis of the Old Shares allocated to the fractional share interest and the cash received.

Each stockholder will have a basis in the New Shares equal to the basis of the Old Shares (except to the extent the basis is allocated to fractional shares). For purposes of determining whether gain or loss on a subsequent disposition is long-term or short-term, the holding period of the New Shares will include the period during which the corresponding Old Shares were held, provided such corresponding Old Shares were held as a capital asset on the date of filing of the amendment to our Restated Certificate of Incorporation.

No ruling has been requested from the Internal Revenue Service with respect to the foregoing tax matters. Stockholders should consult their own tax advisors as to the effect of the Reverse Split under applicable tax laws.

Recommendation and Vote

The affirmative vote of the holders of a majority of all of our outstanding common shares is required for approval of this proposal. The Board recommends a vote FOR the approval of the proposal to authorize the Board to effect the Reverse Split.

INDEPENDENT PUBLIC ACCOUNTANTS

Holtz Rubenstein & Co., LLP has served as our auditors since 1990 and was selected as our independent public accountants with respect to the fiscal year ended December 31, 2002. We have not yet selected our auditors for the current fiscal year. Our Audit Committee will review Holtz Rubenstein's proposal with respect to the audit prior to making a determination regarding the engagement.

Edgar Filing: DCAP GROUP INC/ - Form PRE 14A

It is not expected that a representative of Holtz Rubenstein will attend the meeting.

Audit Fees

The aggregate fees billed by Holtz Rubenstein for professional services rendered for the audit of our annual financial statements for the 2002 fiscal year and the review of the financial statements included in our Forms 10-QSB for that fiscal year were approximately \$48,700.

Financial Information Systems Design and Implementation Fees

During fiscal 2002, Holtz Rubenstein did not render to us any of the professional services with regard to financial information systems design and implementation described in paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X.

19

All Other Fees

The aggregate fees billed for services rendered by Holtz Rubenstein for fiscal 2002, other than the services described above under "Audit Fees," were approximately \$19,750.

The Audit Committee has determined that the provision of the services covered in "All Other Fees" is compatible with maintaining Holtz Rubenstein's independence.

The foregoing is only a summary of the provisions of our By-Laws that relate to stockholder proposals and stockholder nominations for director.
