Cincinnati, Ohio - February 17, 2004 - American Financial Group, Inc. (NYSE: AFG) today announced that the proposed merger of Provident Financial Group, Inc. (NASDAQ: PFGI) with National City Corporation (NYSE: NCC) is expected to result in a significant after-tax realized gain. The proposed merger was announced earlier today by Provident and National City.

AFG owns 6.1 million Provident common shares and 70,000 shares of Provident preferred stock, convertible into another 1 million common shares. Through the operations of the Great American Insurance Group, AFG is engaged primarily in property and casualty insurance, focusing on specialized commercial products for businesses, and in the sale of retirement annuities, life and supplemental health insurance products.
