PROXY STATEMENT

GENERAL

The Annual Meeting of Shareholders of Winmark Corporation (Company) will be held on Wednesday, April 30, 2003, at 4:00 p.m., Central Daylight Time, at the Company's corporate offices, 4200 Dahlberg Drive, Suite 100, Minneapolis, Minnesota, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

The enclosed proxy is solicited by the Board of Directors of the Company. Such solicitation is being made by mail and may also be made by directors, officers and regular employees of the Company personally or by telephone. Any proxy given pursuant to such solicitation may be revoked by the shareholder at any time prior to the voting thereof by so notifying the Company in writing at the above address, attention: General Counsel, or by appearing in person at the meeting. Shares represented by proxies will be voted as specified in such proxies, and if no choice is specified, will be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Board of Directors and listed herein.

Shares voted as abstentions on any matter (or a withhold authority vote as to directors) will be counted as present and entitled to vote for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but will not be deemed to have been voted in favor of such matter. If a broker submits a non-vote proxy, indicating that the broker does not have discretionary authority to vote certain shares on a particular matter, those shares will be counted as present for purposes of determining a quorum, but will not be considered present and entitled to vote for purposes of calculating the vote with respect to such matter.

All of the expenses involved in preparing, assembling and mailing this proxy statement and the material enclosed herewith will be paid by the Company. The Company may reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to beneficial owners of stock. This proxy statement and accompanying form of proxy are first being mailed to shareholders on or about March 24, 2003.

OUTSTANDING SHARES AND VOTING RIGHTS

The Board of Directors of the Company has fixed March 10, 2003, as the record date for determining shareholders entitled to vote at the Annual Meeting. Persons who were not shareholders on such date will not be allowed to vote at the Annual Meeting. At the close of business on March

Edgar Filing: WINMARK CORP - Form DEF 14A

10, 2003, 5,607,197 shares of the Company's Common Stock were issued and outstanding. The Common Stock is the only outstanding class of capital stock of the Company entitled to vote at the meeting. Each share of Common Stock is entitled to one vote on each matter to be voted on at the meeting. Holders of Common Stock are not entitled to cumulative voting rights.

ELECTION OF DIRECTORS**(Proposals #1 and #2)**

At the meeting, the Board of Directors of the Company is to be elected to hold office until the 2004 Annual Meeting or until successors are elected and have qualified. The Bylaws of the Company provide that the number of directors of the Company shall be fixed by the shareholders, subject to increase by the Board of Directors. The Board recommends that the shareholders set the number of directors at seven and elect the nominees named below. Under applicable Minnesota law, approval of the proposal to set the number of directors at seven, as well as the election of each nominee, requires the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below, unless one or more of such nominees should become unavailable for election, in which event such shares shall be voted for the election of such substitute nominees as the Board of Directors may propose. Each person nominated has agreed to serve if elected, and the Company knows of no reason why any of the listed nominees would be unavailable to serve.

COMPENSATION COMMITTEE REPORT

Compensation Committee. The purpose of the Compensation Committee of the Board of Directors is to oversee compensation of officers, key employees and nonemployee directors of the Company. The Committee's policy is to insure that compensation programs contribute directly to the success of the Company including enhanced share value. The Compensation Committee is comprised of three members of the Board of Directors, none of whom is an employee of the Company.

Executive Compensation Policies and Programs. The Company's executive compensation programs are designed to attract and retain qualified executives and to motivate them to maximize shareholder investment by achieving strategic Company goals. There are three basic components to the Company's executive compensation program: base pay, annual incentive bonus and long-term, equity-based incentive compensation in the form of stock options. Each component is established in light of individual and Company performance, comparable compensation programs in the Minneapolis/Saint Paul metropolitan area, equity among employees and cost effectiveness.

Base Pay. Base pay is designed to be competitive, although conservative, as compared to salary levels for equivalent positions at comparable companies in the Minneapolis/Saint Paul metropolitan area. The executive's actual salary within this competitive framework depends on the individual's performance, responsibilities, experience, leadership and potential future contribution. The salary of all executive officers is set by the Chief Executive Officer and reviewed annually by the Compensation Committee. Annual increases in base salary for the Chief Executive Officer and President are determined by the Committee.

Annual Incentive Bonus. In addition to base pay, each executive is eligible to receive an annual cash bonus. For fiscal 2002, the bonus for all executives was based on the amount of royalties collected by the Company from its franchising operations, the Company's earnings and specific job performance criteria. The Committee believes that it is not in the best interests of the Company to identify the specific financial performance measures. Executives were eligible for a bonus of up to 50% of their base pay.

Long-Term, Equity-Based Incentive Compensation. Under the current program, long-term incentive compensation consists of stock options that generally do not fully vest until after four years. Generally, stock options are awarded with an exercise price equal to the fair market value of the Company's common shares on the date of grant. Accordingly, the executive is rewarded only if the shareholders receive the benefit of appreciation in the price of the Common Stock.

Because long-term options vest over time, the Company periodically grants new options to provide continuing incentives for future performance. Each executive's annual grants are based upon the individual's performance, responsibilities, experience, leadership and potential future contribution and any other factors deemed relevant by the Committee.

Stock options are designed to align the interests of the Company's executives with those of shareholders by encouraging executives to enhance the value of the Company and, hence, the price of the Common Stock and the shareholders' investment. In addition, through deferred vesting, this component of the compensation system is designed to create an incentive for the executive to remain with the Company.

Annual Reviews. Each year the Compensation Committee reviews its executive compensation policies and programs and determines what changes, if any, are appropriate for the following year. In addition, the Committee reviews the individual performance of the Chief Executive Officer and Chairman of the Board.

Chief Executive Officer. The Chief Executive Officer's compensation is established by the Compensation Committee or the Board of Directors based on a subjective consideration of his performance. The Chief Executive Officer is eligible for an annual incentive bonus as determined appropriate by the Compensation Committee. No bonus was paid for fiscal 2002.

Limits On Deductible Compensation Payable To Executive Officers. The Omnibus Reconciliation Act of 1993 added Section 162(m) to the Internal Revenue Code of 1986, as amended (the Code) limiting corporate deductions to \$1,000,000 for certain compensation paid to the chief executive officer and each of the four other most highly compensated executives of publicly held companies. The Company does not believe it will pay compensation within the meaning of Section 162(m) to such executive officers in excess of \$1,000,000 in the foreseeable future. Therefore, the Company does not have a policy at this time regarding qualifying compensation paid to its executive officers for deductibility under Section 162(m), but will formulate a policy if compensation levels ever approach \$1,000,000.

The foregoing report is submitted by Paul C. Reyelts, William D. Dunlap, Jr. and Mark L. Wilson, the members of the Compensation Committee.

APPOINTMENT OF INDEPENDENT AUDITORS

(Proposal #3)

On June 20, 2002, the Board of Directors of the Company, with the unanimous recommendation of the Audit Committee of the Board of Directors, dismissed Arthur Andersen LLP (Andersen) as the Company s independent public accountants, effective immediately on that date.

The audit reports of Andersen on the consolidated financial statements of the Company for the fiscal years ended December 29, 2001 and December 30, 2000, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company s fiscal years ended December 29, 2001 and December 30, 2000, and through the date of Andersen s dismissal: (a) there were no disagreements with Andersen on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen s satisfaction, would have caused Andersen to make reference to the subject matter of such disagreement in connection with Andersen s report on the Company s consolidated financial statements for such years; and (b) there were no reportable events as listed in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Andersen with a copy of the foregoing disclosures. Attached as Exhibit A to this Proxy Statement is a copy of Andersen s letter, dated June 20, 2002, stating its agreement with such statements.

Also on June 20, 2002, the Board of Directors of the Company, with the unanimous recommendation of the Audit Committee of the Board of Directors, appointed KPMG LLP as the Company s independent public accountant for the Company s fiscal year ending December 28, 2002, effective immediately on that date. During the Company s fiscal years 2000 and 2001 and through June 20, 2002, neither the Company nor anyone acting on its behalf consulted KPMG LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company s consolidated financial statements, or any other matters or reportable events listed in Item 304((a)(2)(ii) of Regulation S-K.

Based on the recommendation of the Audit Committee, the Board of Directors has voted to retain KPMG LLP to serve as independent auditors for the Company for fiscal year 2003 and is submitting its appointment of such firm to the shareholders for ratification. KPMG LLP has served as the Company s independent auditors since June 20, 2002. If the appointment is not ratified, the Board of Directors will reconsider its selection. Representatives from KPMG LLP will be present at the meeting, will have the opportunity to make a statement if they desire and will be available to respond to appropriate questions.

DISCLOSURE OF FEES PAID TO INDEPENDENT AUDITORS

The aggregate fees billed by Arthur Andersen LLP and KPMG LLP for professional services rendered in fiscal 2002 were \$113,037.

Edgar Filing: WINMARK CORP - Form DEF 14A

Audit Fees. The aggregate fees billed by KPMG LLP for professional services rendered in connection with the audit of the Company's annual financial statements for fiscal 2002 and reviews of the financial statements included in the Company's Forms 10-Q for fiscal 2002 were \$61,500.

Financial Information Systems Design and Implementation Fees. The aggregate fees billed by Arthur Andersen LLP and KPMG LLP for financial information systems design and implementation services rendered to the Company during fiscal 2002 were \$0.

All Other Fees. The aggregate fees billed by Arthur Andersen LLP and KPMG LLP for all other non-audit services rendered to the Company during fiscal 2002, including fees for tax-related services, were \$51,537.

The Company's Audit Committee has considered whether provision of the above non-audit services is compatible with maintaining KPMG LLP's independence and has determined that such services have not adversely affected KPMG LLP's independence.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During fiscal year 2002, the Company paid Initio, Inc., an advertising and marketing firm, \$133,422. Initio assisted the Company with marketing efforts related to its Music Go Round® brand. Mr. Geoff Grassle owns 30% of the outstanding stock of Initio and is the husband of Jenele Grassle, a director of the Company. The Company does not intend to spend significant amounts with Initio, Inc. during fiscal 2003.

On July 31, 2000, the Company entered into a credit agreement with Rush River Group, LLC, to provide a credit facility of up to \$7.5 million (Rush River Facility). John Morgan, CEO, and Kirk MacKenzie, director, each own one third of the voting equity of Rush River Group, LLC. The credit agreement allowed such amount to be drawn upon by the Company in one or more term loans. The initial term loan was \$5.0 million dollars to be repaid by the Company over a seven-year period. Each term loan was accruing interest at 14% per year. In connection with the Rush River Facility, the Company has issued to Rush River Group, LLC a warrant to purchase 200,000 shares of the Company s common stock at an exercise price of \$2.00 per share. The warrant was exercised on May 21, 2002. The balance of the Rush River Facility was paid on September 17, 2001. As of December 28, 2002, the Company terminated the Rush River Facility and accelerated the amortization of the remaining associated debt issuance cost, charging it to interest expense. The Rush River Facility was secured by a lien against substantially all of the Company s assets, which lien has been released.
