Comments of Management

Guy Bernstein, Chief Executive Officer of Formula Systems, said: "I am pleased to report the constant improvement in Formula's profitability, demonstrating the continuous demand for the products and services offered by the group's subsidiaries, as well as the cost-saving measures implemented throughout the group. We will strive to maintain the growth momentum going forward."

About Formula Systems

Formula Systems (1985) Ltd. (NASDAQ: FORTY) is a global information technology company principally engaged, through its subsidiaries and affiliates, in providing software consulting services, developing proprietary software products and providing computer-based business solutions.

Statements made in this press release that are not historical facts are forward-looking statements. Such statements involve various risks that may cause actual results to differ materially. These risks and uncertainties include, but are not limited to: market demand for the company's products, dependence on strategic partners, integration of new business, successful implementation of Formula's products, economic and competitive factors, international market conditions, management of growth, technological developments, the ability to finance operations and other factors which are detailed in Formula's Securities and Exchange Commission filings, including its most recent report on Form 20-F. Formula undertakes no obligation to publicly release any revision to any forward-looking statement.
