There are no family relationships among any of the above directors of the Corporation. No directors of the Corporation are also directors of issuers with a class of securities registered under Section 12 of the United States SECURITIES EXCHANGE ACT OF 1934 (the "EXCHANGE ACT") (or which otherwise are required to file periodic reports under the Exchange Act) except for Robert Quartermain, who is a director of Silver Standard Resources Inc., Repadre Capital Corp. and Western Copper Holdings Ltd.

None of the above directors has entered into any arrangement or understanding with any other person pursuant to which he was, or is to be, elected as a director of the Corporation or a nominee of any other person, except that Mr. Quartermain was appointed to the Board of Directors as a nominee of Global Resource Investments Ltd. ("GLOBAL") in connection with the private placement transaction that was completed in February and March, 2002. See "Interest of Management and Others in Material Transactions". The Corporation understands that all of the outstanding shares of Global are beneficially owned by Mr. A. Richards Rule, and that Mr. Rule beneficially owns approximately 16.9% of the Common Shares of the Corporation and also beneficially owns more than 10% of the issued and outstanding shares of Quest Investment Corporation ("QUEST"). As at March 25, 2003, Quest beneficially owned approximately 8.1% of the Common Shares of the Corporation. See "Ownership of the Corporation's Common Shares".

Additional information regarding the various committees of the Board of Directors, and the attendance of each director at meetings of the Board of Directors and its committees held during 2002 is set out below under "Corporate Governance--Committees of the Board of Directors".

APPOINTMENT OF AUDITORS

Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted for the re-appointment of PricewaterhouseCoopers LLP, Chartered Accountants, of Vancouver, British Columbia, as the auditor of the Corporation to hold office until the close of the next annual general meeting of the Corporation or until a successor is appointed. It is proposed that the remuneration to be paid to the auditor be fixed by the Board of Directors. PricewaterhouseCoopers LLP (then Coopers & Lybrand) was first appointed the auditor of the Corporation on June 28, 1985.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the Meeting and to be available to respond to appropriate questions from persons

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

present at the Meeting. If representatives of PricewaterhouseCoopers LLP are present at the Meeting, the Chairman of the Meeting will provide such representatives with the opportunity to make a statement if they so desire.

FEES PAID TO AUDITORS AND THEIR INDEPENDENCE FROM THE CORPORATION

The aggregate fees billed by PricewaterhouseCoopers LLP for their audit of the Corporation's 2002 financial statements and for their review of the Corporation's financial statements included in the Corporation's quarterly reports on Form 10-QSB for 2002 were approximately U.S.\$37,000. During 2002, PricewaterhouseCoopers LLP did not bill the Corporation for any fees related to financial information systems design and implementation services rendered in fiscal 2002. During 2002, the aggregate fees billed by PricewaterhouseCoopers LLP for all other services rendered in fiscal 2002 were approximately U.S.\$17,000.

3

In reviewing the independence of PricewaterhouseCoopers LLP, the Audit Committee of the Board of Directors considered whether the provision of the services described above, other than the services related to the audit of the Corporation's annual financial statements and review of financial statements included in the Corporation's quarterly reports, is compatible with maintaining the independence of PricewaterhouseCoopers LLP.

AMENDMENT TO STOCK OPTION PLAN

At the Meeting, the shareholders will be asked to consider and, if thought appropriate, approve by way of an ordinary resolution an amendment to the terms of the Corporation's Stock Option Plan adopted on November 1, 1996 and amended as approved by the shareholders on May 10, 1999 (the "CURRENT PLAN"), to increase the maximum number of Common Shares that may be reserved for issuance upon the exercise of stock options issued to directors, officers and employees of the Corporation and its subsidiaries, and persons or companies engaged to provide ongoing consulting or other services for the Corporation or any of its subsidiaries. As at March 25, 2003, the Corporation had two executive officers (one of whom is a director), four non-employee directors, six employees and two consultants, all of whom were eligible to receive awards under the Current Plan. Additional information about the Current Plan is set out below under "Executive Compensation--Stock Options".

The Current Plan provides that the maximum number of Common Shares which may be issued under the Current Plan shall be 225,000 Common Shares (after giving effect to a one for 20 share consolidation of the Corporation's Common Shares made effective on June 19, 2002). The proposed amendment to the Current Plan would increase the maximum number of Common Shares which may be issued under the Current Plan to 1,000,000 Common Shares. This maximum number of Common Shares is subject to an adjustment mechanism to alter, as appropriate, the option price or number of shares issuable under the Current Plan upon a share reorganization, corporate reorganization or other such event not in the ordinary course of business which alters the share price or number of Common Shares outstanding.

Other than the options granted as described herein, subject to shareholder approval of the proposed amendment to the Current Plan, granting of options is discretionary and the Corporation cannot now determine the number of options that will be granted in the future to any particular person or group. As at March 25, 2003, the Board of Directors has granted options to purchase a total of 452,500 Common Shares, which is over and above the current 225,000 limit permitted under the Current Plan, as follows: John M. Clark (Director)--40,000; Ronald J. McGregor (Director, President and Chief Executive Officer)--190,000; C. Thomas Ogryzlo (Director)--40,000; Michael B. Richings (Director)--80,000; Robert A. Quartermain (Director)--40,000; and John F. Engele (Vice President,

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

Finance and Chief Financial Officer)--62,500. The exercise of these options is subject to the shareholders of the Corporation approving the proposed amendment to the Current Plan. On March 25, 2003, the closing price of a Common Share, as reported on the Toronto Stock Exchange (the "TSX"), was Cdn.\$4.65 per share, and as reported on the American Stock Exchange, was U.S.\$3.21 per share.

The Board believes that the amendment of the Current Plan is necessary and in the best interests of shareholders in order for the Corporation and its subsidiaries to continue to attract and retain capable and experienced directors, officers and employees, as well as to provide incentives to other key service providers. In order to attract personnel who are capable and experienced and to align their compensation with the interests of the shareholders, the Corporation needs to be in a position to offer options to acquire Common Shares in excess of the 225,000 Common Share maximum under the Current Plan.

Shareholder approval of the proposed amendment to the Current Plan is required pursuant to the terms of the Current Plan and the rules and policies of the TSX. The rules and policies of the TSX further require that the amendment to the Current Plan must be approved by a majority of votes cast at the Meeting other than votes attaching to Common Shares beneficially owned by insiders to whom options under the Current Plan may be issued and their associates. As at March 25, 2003, the Corporation understands that a total of

4

93,465 votes will not be counted for the purposes of determining whether the required level of shareholder approval has been obtained for the amendment to the Current Plan.

The Corporation does not provide financial assistance to facilitate the purchase of Common Shares to directors, officers or employees of the Corporation or its subsidiaries, or persons or companies engaged to provide ongoing consulting or other services for the Corporation or any of its subsidiaries, who hold options granted under the Current Plan.

The text of the ordinary resolution to amend the Current Plan is annexed as Resolution No. 1 of SCHEDULE "A" to this Information Circular. The text of the Corporation's amended Stock Option Plan is set forth in SCHEDULE "B" to this Information Circular.

U.S. TAX INFORMATION

Under U.S. tax law, a participant will not recognize taxable income upon the grant of a non-statutory stock option (i.e., an option that does not qualify as an "incentive stock option" under Section 422 of the U.S. Internal Revenue Code). Upon exercise of a non-statutory stock option, a participant generally will recognize ordinary compensation income in an amount equal to the excess of the fair market value of the common shares acquired through the exercise of the option ("OPTION SHARES") on the exercise date over the exercise price.

With respect to any Option Shares, a participant will have a tax basis equal to the exercise price plus any income recognized upon the exercise of the option. Upon selling Option Shares, a participant generally will recognize capital gain or loss in an amount equal to the difference between the sale price of the Option Shares and the participant's tax basis in the Option Shares. This capital gain or loss will be a long-term gain or loss if the participant has held the Option Shares for more than one year prior to the date of the sale.

As to the Corporation, the grant of a stock option generally will have no United States income tax consequences, but the Corporation will be entitled to a business-expense deduction in the United States with respect to any ordinary compensation income recognized by a participant as a result of the exercise of a

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

non-statutory stock option.

CANADIAN TAX INFORMATION

Under Canadian income tax law, a Canadian resident employee who receives options under the Stock Option Plan will not recognize a taxable benefit (the "BENEFIT") upon the grant of the option. Under section 7 of the Canadian INCOME TAX ACT, the Benefit is recognized and, unless an election is filed by the employee under subsection 7(10) of the Canadian INCOME TAX ACT, will be included in the employee's employment income, when the option is exercised. The amount of the Benefit will be the excess of the fair market value of the Option Shares on the exercise date over the exercise price. In computing the employee's taxable income for Canadian tax purposes, an offsetting deduction of one-half of the Benefit is available as against the employee's total income if certain requirements are satisfied.

An employee who makes a "qualifying acquisition" as defined in subsection 7(9) of the Canadian INCOME TAX ACT may file an election before January 16 of the year following the year in which the option is exercised to defer the recognition of a taxable benefit arising from the exercise of stock options until the Option Shares are disposed of by the employee, the employee dies, or the employee becomes non-resident for Canadian income tax law purposes. The deferral is subject to an annual limit of \$100,000, based on the year in which the option becomes exercisable and on the value of the Common Shares when the option was granted.

The employee's adjusted cost base of the Option Shares is equal to the exercise price plus the amount of the Benefit. Upon the disposition of the Option Shares, the employee will generally recognize a capital gain or loss in an amount equal to the difference between the sale price of the Option Shares and the employee's adjusted cost base.

5

As for the Corporation, there are no Canadian income tax consequences with respect to the grant of the stock options. The Corporation will not be entitled to a deduction in Canada with respect to the exercise of stock options even though the employee is deemed to receive a taxable benefit from employment.

INFORMATION ABOUT PROXIES

SOLICITATION OF PROXIES

The solicitation for proxies will be conducted by mail and may be supplemented by telephone or other personal contact to be made, without special compensation, by officers and employees of the Corporation. THE CORPORATION MAY RETAIN OTHER PERSONS OR COMPANIES TO SOLICIT PROXIES ON BEHALF OF MANAGEMENT, IN WHICH EVENT THE CUSTOMARY FEES FOR SUCH SERVICES WILL BE PAID. THE COST OF THE SOLICITATION WILL BE BORNE BY THE CORPORATION.

APPOINTMENT OF PROXYHOLDER

THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY FOR THE MEETING ARE DIRECTORS OR OFFICERS OF THE CORPORATION AND ARE NOMINEES OF MANAGEMENT. A SHAREHOLDER HAS THE RIGHT TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER, TO REPRESENT SUCH SHAREHOLDER AT THE MEETING BY STRIKING OUT THE NAMES OF THE PERSONS DESIGNATED IN THE ACCOMPANYING FORM OF PROXY AND BY INSERTING THAT OTHER PERSON'S NAME IN THE BLANK SPACE PROVIDED. IF A SHAREHOLDER APPOINTS ONE OF THE PERSONS DESIGNATED IN THE ACCOMPANYING FORM OF PROXY AS A NOMINEE AND DOES NOT DIRECT THE SAID NOMINEE TO VOTE EITHER FOR OR AGAINST OR WITHHOLD FROM VOTING ON A MATTER OR MATTERS WITH RESPECT TO WHICH AN OPPORTUNITY TO SPECIFY HOW THE COMMON SHARES REGISTERED IN THE NAME OF SUCH SHAREHOLDER SHALL BE VOTED, THE

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

PROXY SHALL BE VOTED IN FAVOUR OF SUCH MATTER OR MATTERS.

The instrument appointing a proxyholder must be in writing and signed by the shareholder, or such shareholder's attorney authorized in writing, or if the shareholder is a corporation, by a duly authorized officer, or attorney, of the corporation. An instrument of proxy will only be valid if it is duly completed, signed, dated and received at the office of the Corporation's registrar and transfer agent, Computershare Trust Company of Canada at 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, before 10:00 a.m., Toronto time, on Wednesday, April 30, 2003, or no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment of the Meeting, unless the Chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

REVOCATION OF PROXY

A shareholder may revoke a proxy by delivering an instrument in writing executed by such shareholder or by the shareholder's attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, either to the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, before any vote in respect of which the proxy is to be used shall have been taken, or in any other manner permitted by law.

VOTING OF PROXIES

A shareholder may direct the manner in which his or her Common Shares are to be voted or withheld from voting in accordance with the instructions of the shareholder by marking the form of proxy accordingly. If the instructions in a proxy given to management are certain, the Common Shares represented by that proxy will be voted on any poll and where a choice has been specified in the proxy, the Common Shares will be voted on any poll in accordance with the specifications so made. WHERE NO CHOICE IS SO SPECIFIED WITH RESPECT TO ANY RESOLUTION OR IN THE ABSENCE OF CERTAIN INSTRUCTIONS, THE COMMON SHARES REPRESENTED BY A

6

PROXY GIVEN TO MANAGEMENT WILL BE VOTED IN FAVOUR OF THE RESOLUTION. IF MORE THAN ONE DIRECTION IS MADE WITH RESPECT TO ANY RESOLUTION, SUCH COMMON SHARES WILL SIMILARLY BE VOTED IN FAVOUR OF THE RESOLUTION.

EXERCISE OF DISCRETION BY PROXYHOLDERS

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the proxyholders named therein with respect to amendments or variations of matters identified in the accompanying Notice of Meeting, and other matters not so identified which may properly be brought before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. If any other matter comes before the Meeting, the persons named in the proxy will vote in accordance with their judgement on such matter.

SECURITIES ENTITLED TO VOTE

As of March 25, 2003, the authorized share capital of the Corporation is divided into an unlimited number of Common Shares, of which 12,566,725 Common Shares are issued and outstanding, and an unlimited number of preferred shares, none of which are issued. Every shareholder who is present in person and entitled to vote at the Meeting shall have one vote on a show of hands and on a poll shall

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

have one vote for each Common Share of which the shareholder is the registered holder, and such shareholder may exercise such vote either in person or by proxyholder.

The Board of Directors of the Corporation has fixed the close of business on March 26, 2003 as the record date for the purpose of determining the shareholders entitled to receive notice of the Meeting, but the failure of any shareholder to receive notice of the Meeting does not deprive such shareholder of the entitlement to vote at the Meeting. Every shareholder of record at the close of business on March 26, 2003 who personally attends the Meeting will be entitled to vote at the Meeting or any adjournment thereof, except to the extent that:

- (a) such shareholder has transferred the ownership of any of his or her Common Shares after March 26, 2003; and
- (b) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares, and demands, not later than 10 days before the Meeting, that his or her name be included in the list of shareholders entitled to vote at the Meeting, in which case the transferee is entitled to vote those Common Shares at the Meeting.

The ordinary resolution authorizing the Corporation to amend the Current Plan must be approved by a majority of more than 50% of the votes cast by shareholders who vote in person or by proxy at the Meeting with respect to this resolution. As at March 25, 2003, the Corporation understands that a total of 93,465 votes will not be counted for the purposes of determining whether the required level of shareholder approval has been obtained for the amendment to the Current Plan. See "Particulars of Matters to be Acted Upon--Amendment to Stock Option Plan". Directors will be elected by a plurality of the votes cast by shareholders who vote in person or by proxy at the Meeting.

Abstentions will be counted as present for purposes of determining the presence of a quorum for purposes of this matter, but will not be counted as votes cast. Broker non-votes (shares held by a broker or nominee as to which the broker or nominee does not have the authority to vote on a particular matter) will not be counted as present for purposes of determining the presence of a quorum for purposes of this matter and will not be voted. Accordingly, neither abstentions nor broker non-votes will have any effect on the outcome of the votes on this matter.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Corporation's accounting functions and internal controls. The Audit Committee acts under a written charter adopted and approved by the Board of Directors in 2001 and is reviewed annually. Each of the members of the Audit Committee is independent, as defined by the American Stock Exchange listing standards. A copy of the Audit Committee charter is attached hereto as SCHEDULE "D".

The responsibilities of the Audit Committee include recommending to the Board of Directors an accounting firm to be engaged as the Corporation's independent accountants. The Audit Committee is responsible for recommending to the Board of Directors that Corporation's financial statements be included in its annual report. The Audit Committee took a number of steps in making this recommendation for fiscal year 2002.

First, the Audit Committee discussed with PricewaterhouseCoopers LLP those matters required to be discussed by Statement on Auditing Standards. No. 61,

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

including information regarding the scope and results of the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process. Second, the Audit Committee discussed with PricewaterhouseCoopers LLP the independence of PricewaterhouseCoopers LLP and received from PricewaterhouseCoopers LLP the letter required by Independence Standards Board Standard No. 1, concerning their independence as required under applicable independence standards for auditors of public companies. This discussion and disclosure assisted the Audit Committee in evaluating such independence. Finally, the Audit Committee reviewed and discussed, with the Corporation's management and PricewaterhouseCoopers LLP, the Corporation's audited consolidated balance sheets at December 31, 2002, and consolidated statements of income, cash flows and shareholders' equity for the fiscal year ended December 31, 2002. Based on the discussions with PricewaterhouseCoopers LLP concerning the audit, the independence discussions, and the financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board of Directors that the Corporation's financial statements be included in its 2002 Annual Report on Form 10-K.

STOCK OPTIONS

The Corporation has established a Stock Option Plan which provides for grants to directors, officers, employees and consultants of the Corporation, or its subsidiaries, of options to purchase Common Shares. Under the Stock Option Plan, no more than 5% of the issued and outstanding Common Shares may from time to time be reserved for issuance pursuant to the exercise of stock options granted to any one individual. Under the Stock Option Plan, options may be exercised by the payment in cash of the option exercise price to the Corporation. All options are subject to the terms and conditions of an option agreement entered into by the Corporation and each participant at the time an option is granted.

The Stock Option Plan is administered by the Board of Directors which has full and final discretion to determine (i) the total number of optioned shares to be made available under the Stock Option Plan, (ii) the directors, officers, employees and consultants of the Corporation who are eligible to receive stock options under the Stock Option Plan ("OPTIONEES"), (iii) the time when and the price at which stock options will be granted, (iv) the time when and the price at which stock options may be exercised, and (v) the conditions and restrictions on the exercise of options. Pursuant to the terms of the Stock Option Plan, the exercise price must not be less than the closing price of the Common Shares on the TSX on the day preceding the date of grant. Options become exercisable only after they vest in accordance with the respective stock option agreement and must expire no later than ten years from the date of grant.

If an Optionee ceases to be an officer or employee of the Corporation, or its subsidiaries, as a result of termination for cause, all unexercised options will immediately terminate. If an Optionee ceases to be a director, officer or employee of the Corporation, or its subsidiaries, or ceases to be a consultant to the Corporation, for any reason other than termination for cause, the Optionee shall have the right to exercise

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

his or her options at any time up to but not after the earlier of 30 days from the date of ceasing to be a director, officer, employee or consultant, or the expiry date. REPORT OF THE COMPENSATION COMMITTEE

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Corporation has a Compensation Committee comprised of the following directors: John M. Clark (Chairman), C. Thomas Ogryzlo, Robert A. Quartermain (as of April 26, 2002) and A. Murray Sinclair (from February 21, 2002 until October 24, 2002). None of the members of the Compensation Committee is or has been an executive officer or employee of the Corporation or any of its subsidiaries or affiliates. No executive officer of the Corporation is or has been a director or a member of the Compensation Committee of another entity

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

having an executive officer who is or has been a director or a member of the Compensation Committee of the Corporation.

REPORT ON EXECUTIVE COMPENSATION

It is the responsibility of the Compensation Committee to review and recommend compensation policies and programs to the Corporation as well as salary and benefit levels for its executives. The committee makes recommendations to the Board of Directors which gives final approval on compensation matters.

The Corporation's compensation policies and programs are designed to be competitive with similar mining companies and to recognize and reward executive performance consistent with the success of the Corporation's business. These policies and programs are intended to attract and retain capable and experienced people.

In addition to industry comparables, the Compensation Committee considers a variety of factors when determining both compensation policies and programs and individual compensation levels. These factors include the long-range interests of the Corporation and its shareholders, overall financial and operating performance of the Corporation and the committee's assessment of each executive's individual performance and contribution toward meeting corporate objectives. Superior performance is recognized through the Corporation's incentive policy.

The total compensation plan for executive officers is comprised of three components: base salary, an incentive payment and stock options. As a general rule for establishing base salaries, the Compensation Committee reviews competitive market data for each of the executive positions and determines placement at an appropriate level in a range. Compensation levels are typically negotiated with the candidate for the position prior to his or her final selection as an executive officer. The compensation range for executives normally moves annually to reflect external factors such as inflation.

The Corporation's incentive policy generally allows executive officers and management personnel to earn an incentive payment to a maximum of 15% of his or her base salary, two-thirds of which is based upon individual performance and one-third of which is based upon the performance of the Corporation. All executive officers and management personnel participate in this policy, except the President and Chief Executive Officer. By contract, he is entitled to earn a bonus the amount of which is at the sole discretion of the Board of Directors. Following the end of each fiscal year, the Compensation Committee makes a

15

recommendation to the Board of Directors as to the appropriate incentive payment for the executive officers and management personnel. No specific performance criteria or objectives are utilized by the Compensation Committee or the Board of Directors in making their determinations. In 2002, no incentive payments were paid to any executive officers or employees of the Corporation.

The third element in the total compensation plan is the Stock Option Plan. This plan is intended to emphasize management's commitment to growth of the Corporation and enhancement of shareholders' wealth through, for example, improvements in net earnings, resource base, and share price increments.

The compensation of Ronald J. McGregor, the President and Chief Executive Officer of the Corporation, is determined in the same manner as for other executive officers (as described above). Under the employment contract between the Corporation and Mr. McGregor, Mr. McGregor is entitled to receive a base salary, an annual discretionary incentive bonus, four weeks vacation time and various minor perquisites. In addition, Mr. McGregor is entitled to receive

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

incentive stock options under the Stock Option Plan. During 2002, Mr. McGregor did not receive an incentive bonus. Further details regarding the compensation received by Mr. McGregor during 2002 are outlined above under "Executive Compensation--Summary Compensation Table".

In addition, the Corporation paid Global a total of Cdn.\$21,621.88 representing the legal costs incurred by Global in connection with the Special Warrant Offering.

In November 2002, the Corporation entered into a non-binding letter of intent to grant to Silver Standard Resources Inc. ("SILVER STANDARD") an option to acquire the Corporation's interest in the silver resources hosted in the Maverick Springs project in Nevada. As of the date of this Information Circular, a definitive agreement has not yet been finalized between the Corporation and Silver Standard. Robert A. Quartermain is a director of both Silver Standard and the Corporation.

In February and March 2002, the Corporation completed a private placement transaction for gross proceeds of approximately U.S.\$3.8 million. Global acted as the Corporation's agent with respect to this transaction, and was issued a total of 296,296 Common Shares and warrants to acquire an additional 296,296 Common Shares (such numbers after giving effect to the consolidation of the Corporation's Common Shares made effective on June 19, 2002) as consideration for its services as agent. Shareholders approved this transaction, including the issuance of these Common Shares and warrants to Global, at the Corporation's annual and special general meeting held in April 2002.

The Corporation understands that all of the outstanding shares of Global are beneficially owned by Mr. A. Richards Rule, and that Mr. Rule beneficially owns approximately 16.9% of the Common Shares of the Corporation and also beneficially owns more than 10% of the issued and outstanding shares of Quest

17

Investment Corporation (defined above as "QUEST"). As at March 25, 2003, Quest beneficially owned approximately 8.1% of the Common Shares of the Corporation. See "Ownership of the Corporation's Common Shares".

MANAGEMENT CONTRACTS

There are no management functions of the Corporation which are to any substantial degree performed by persons other than the directors or senior officers of the Corporation.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed herein, no person who has been a director or officer of the Corporation at any time since the beginning of the last financial year or any proposed nominee for election as director, nor any associate or affiliate of such person, has an interest in the matters to be acted upon at the Meeting.

SHAREHOLDER PROPOSALS

Under the Exchange Act, the deadline for submitting shareholder proposals for inclusion in the management information and proxy circular for an annual meeting of the Corporation is calculated in accordance with Rule 14a-8(e)(3) of Regulation 14A to that Act. If the proposal is submitted for a regularly scheduled annual meeting, the proposal must be received at the Corporation's principal executive offices not less than 120 calendar days before the date of the Corporation's management information and proxy circular released to the Corporation's shareholders in connection with the previous year's annual meeting. However, if the Corporation did not hold an annual meeting the previous year, or if the date of the current year's annual meeting has been changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before the Corporation begins to print and mail its proxy materials. Accordingly, unless the date of the next annual meeting is changed by more than 30 days from the date of this year's meeting the deadline for submitting shareholder proposals for inclusion in the management information and proxy circular for the next annual meeting of the Corporation will be November 25, 2003.

OTHER MATTERS

Management of the Corporation knows of no other matters, which will be brought before the Meeting other than those set forth in the Notice of Meeting. Should any other matters properly come before the Meeting, the Common Shares represented by the proxies solicited hereby will be voted on those matters in accordance with the best judgement of the persons voting such proxies.

DISSENTERS' RIGHTS OF APPRAISAL

No action is proposed herein for which the laws of the Yukon Territory, the Articles of Continuation or By-laws of the Corporation provide a right of a shareholder to dissent and obtain appraisal of or payment for such shareholder's Common Shares.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Corporation's officers and directors, and persons who own more than 10% of the Corporation's Common Shares, to file reports of ownership and changes of ownership of such securities with the United States Securities and Exchange Commission. Based on a review of the Corporation's records, management believes that all filing requirements applicable to the Corporation's officers, directors and holders of more than 10% of the Corporation's Common Shares were complied with during the 2002 fiscal year, except that: with respect to Mr. Quartermain, a Form 3 was filed late, a Form 4 was filed late concerning a sale of Common Shares, and a Form 4 was filed late concerning the automatic conversion of debentures upon effectiveness of a resale registration statement covering

resale by selling security holders of the Corporation's Common Shares; with respect to Murray Sinclair (who was a director until October 24, 2002), a Form 4 was filed late concerning an indirect acquisition of convertible debentures, the same Form 4 included another late report of option exercise and sale of Common Shares, and a Form 4 was filed late concerning the automatic conversion of debentures upon effectiveness of the resale registration statement; with respect to Exploration Capital and Resource Capital, joint filers and holders of more than ten percent of the Corporation's Common Shares, a Form 4 was filed late concerning automatic conversion of debentures upon effectiveness of the resale registration statement; with respect to A.R. Rule and the Rule Trust, joint filers and holders of more than 10% of the Corporation's Common Shares, a Form 4 was filed late concerning the automatic conversion of debentures upon effectiveness of the resale registration statement; and with respect to Stockscape.com Technologies Inc., a predecessor of Quest, which until February 3, 2003 was a holder of more than 10% of the Corporation's Common Shares, a Form 3 was filed late concerning acquisition of more than 10% of the Corporation's Common Shares.

MULTIPLE SHAREHOLDERS SHARING THE SAME ADDRESS

Recent changes in the regulations regarding the delivery of copies of proxy materials and annual reports to shareholders permit the Corporation and brokerage firms to send one annual report and proxy statement to multiple shareholders who share the same address under certain circumstances. Shareholders who hold their shares through a broker may have consented to reducing the number of copies of materials delivered to their address. In the event that a shareholder wishes to revoke such a consent previously provided to a broker, the shareholder must contact the broker to revoke the consent. In any event, if a shareholder wishes to receive a separate Information Circular and accompanying materials for the 2003 Annual General Meeting, or the Corporation's Annual Report on Form 10-K for the year ended December 31, 2002, the shareholder may receive copies by contacting the Vice President Finance and Chief Financial

SCHEDULE "B"
VISTA GOLD CORP.
STOCK OPTION PLAN
NOVEMBER 1996, AS AMENDED NOVEMBER 1998 AND MAY 2003

1. PURPOSE OF THE PLAN

The purpose of the Stock Option Plan (the "Plan") is to assist Vista Gold Corp. (the "Corporation") in attracting, retaining and motivating directors, officers and employees of the Corporation and of its subsidiaries and other persons providing consulting or other services to the Corporation and to more closely align the personal interests of such persons with those of the shareholders by providing them with the opportunity to purchase Common Shares ("Shares") in the capital of the Corporation through options to purchase Shares ("Options").

2. IMPLEMENTATION

The Plan and the grant and exercise of any Options under the Plan are subject to compliance with all applicable securities laws and regulations and rules

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

promulgated thereunder (including the requirements of section 16 of the Securities Exchange Act of 1934 (the "1934 Act") and Rule 16b-3 thereunder) and with the requirements of each stock exchange on which the Shares are listed at the time of the grant of any Options under the Plan and of any governmental authority or regulatory body to which the Corporation is subject (collectively "Securities Laws").

3. ADMINISTRATION

The Plan shall be administered by the Board of Directors of the Corporation which shall, without limitation, have full and final authority in its discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to it and to make all other determinations deemed necessary or advisable for the administration of the Plan.

4. MAXIMUM NUMBER OF OPTIONED SHARES RESERVED UNDER THE PLAN

Subject to the applicable requirements of each stock exchange on which the Shares are listed, a maximum of 1,000,000 Shares will be reserved, set aside and made available for issue under and in accordance with the Plan and the maximum number of Shares that may be reserved for issuance to any individual under the Plan is that number of Shares that is equivalent to 5% of the Shares issued and outstanding from time to time. If Options granted to an individual under the Plan shall expire or terminate for any reason without having been exercised in respect of certain Shares, such Shares may be made available for purchase upon exercise of other Options to be granted under the Plan.

5. ELIGIBILITY

Options may be granted under the Plan to such directors, officers and employees of the Corporation and of its subsidiaries and, subject to applicable Securities Laws, to such other persons providing consulting or other services to the Corporation as the Board of Directors may from time to time designate as participants (collectively the "Participants" and individually a "Participant") under the Plan. Subject to the provisions of the Plan, the total number of Shares to be made available under the Plan and to each Participant, the time or times and price or prices at which Options shall be granted, the time or times at which such Options are exercisable, and any conditions or restrictions on the exercise of Options, shall be in the full and final discretion of the Board of Directors.

B-1

6. TERMS AND CONDITIONS

All Options under the Plan shall be granted upon and subject to the terms and conditions hereinafter set forth.

6.1 Option Agreement

All Options shall be granted under the Plan by means of an agreement (the "Option Agreement") between the Corporation and each Participant substantially in the form set out in Schedule A attached hereto, and which shall first be approved by the Board of Directors with such changes to such form as the Board of Directors may approve, such approval to be conclusively evidenced by the execution of the Option Agreement by the President or any two directors or officers of the Corporation.

6.2 Exercise Price

The price (the "Exercise Price") payable in cash at the time of exercise of an

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

Option by a Participant for any Optioned Share will be not less than the price of a Share as recorded at the close of business on the Toronto Stock Exchange on the last trading day preceding the date a resolution of the Board of Directors was passed or consented to in writing granting the Option and authorizing the Corporation to enter into the Option Agreement. Subject to regulatory approval and applicable Securities Laws, the Exercise Price under any Option may be amended at any time with the consent of the Participant by resolution of the Board of Directors, in which event the relevant Option Agreement shall be deemed to be amended accordingly.

6.3 Length of Grant

Subject to paragraphs 6.8 through 6.12 inclusive, all Options granted under the Plan shall expire not later than that date which is 10 years from the date such Options were granted.

6.4 Non-Assignability of Options

An Option granted under the Plan shall not be transferable or assignable (whether absolutely or by way of mortgage, pledge or other charge) by a Participant other than by will or other testamentary instrument or the laws of succession or administration and may be exercisable during the lifetime of the Participant only by such Participant.

6.5 Exercise of Options

Each Participant, upon becoming entitled to exercise the Option in respect of any Shares in accordance with the Option Agreement relating thereto, shall thereafter be entitled to exercise the Option to purchase such Shares at any time or times after such Options vest and become exercisable in accordance with the Option Agreement relating thereto and prior to the expiration or other termination of the Option in accordance with the Option Agreement.

6.6 Exercise and Payment

Any Option granted under the Plan may be exercised in whole or in part by a Participant or, if applicable, the legal representative of a Participant by delivering to the Corporation at its registered office written notice specifying the number of Shares in respect of which such Option is being exercised, accompanied by payment (by cash or certified cheque payable to the Corporation) of the entire Exercise Price (determined in accordance with the Option Agreement) for the number of Shares specified in the notice. Upon the exercise of an Option by a Participant the Corporation shall cause the transfer agent and registrar of Shares of the Corporation to promptly deliver to that Participant or the legal representative of that Participant, as the case may be, a share certificate in the name of that Participant or the legal

B-2

representative of that Participant, as the case may be, representing the number of Shares specified in the written notice.

6.7 Rights of Participants

The Participants shall have no rights whatsoever as shareholders in respect of any of the Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering) other than Shares in respect of which Participants have exercised their Options and which have been issued by the Corporation.

6.8 Third Party Offer

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

If at any time when an Option granted under the Plan remains unexercised with respect to any Shares, an offer to purchase all of the outstanding common shares in the capital of the Corporation is made by a third party, the Corporation may, upon giving each Participant written notice to that effect, require the acceleration of the time for the exercise of the unexercised Options granted under the Plan and of the time for the fulfilment of any conditions or restrictions on such exercise.

6.9 Alterations in Shares

In the event of a stock dividend, subdivision, redivision, consolidation, share reclassification, amalgamation, merger, consolidation, corporate arrangement, reorganization, liquidation or the like of or by the Corporation, the Board of Directors may, subject to any required prior regulatory approval, make adjustments, if any, to the number of Shares that may be purchased upon exercise of unexercised Options or to the Exercise Price therefor, or both, as it shall deem appropriate and may amend the Option Agreements relating to those Options to give effect to such adjustments and may adjust the maximum number of Shares available under the Plan as may be appropriate. If because of a proposed merger, amalgamation or other corporate arrangement or reorganization, the exchange or replacement of Shares for shares or other securities in another company is imminent, the Board of Directors may, in a fair and equitable manner and subject to prior regulatory approval, determine the manner in which all unexercised Options granted under the Plan shall be treated including, for example, requiring the acceleration of the time for the exercise of such Options by the Participants and of the time for the fulfilment of any conditions or restrictions on such exercise.

6.10 Termination for Cause

Subject to paragraph 6.11 and section 7, if a Participant is dismissed as an officer or employee by the Corporation or by one of its subsidiaries for cause, all unexercised Options of that Participant under the Plan shall immediately be deemed to be terminated and shall lapse notwithstanding the original term of the Option granted to such Participant under the Plan. Nothing contained in the Plan shall be deemed to give an officer or employee the right to be retained in the employ of the Corporation, or to interfere with the right of the Corporation to terminate the employment of an officer or employee at any time.

6.11 Termination Other Than for Cause

If a Participant ceases to be a director, officer or employee of the Corporation or of one of its subsidiaries or ceases to provide consulting or other services to the Corporation for any reason other than as a result of having been dismissed for cause as provided in paragraph 6.10 or as a result of the Participant's death, such Participant shall have the right for a period of 30 days (or until the normal expiry date of the Option rights of such Participant if earlier) from the date of ceasing to be a director, officer, employee or provider of services to exercise the Options of such Participant to the extent they were then exercisable. Upon the expiration of such 30 day period all unexercised Options of that Participant shall immediately be terminated notwithstanding the original term of the Option granted to such Participant under the Plan.

B-3

6.12 Deceased Participant

In the event of the death of a Participant, the legal representatives of the deceased Participant shall have the right for a period of 90 days (or until the normal expiry date of the Options of such Participant if earlier) from the date of death of the deceased Participant to exercise the deceased Participant's

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

Options to the extent they were exercisable on the date of death. Upon the expiration of such period all unexercised Options of the deceased Participant shall immediately terminate and shall lapse notwithstanding the original term of the Options granted to the deceased Participant under the Plan.

7. AMENDMENT AND DISCONTINUANCE OF PLAN AND OPTIONS

The Board of Directors may from time to time, subject to any applicable Securities Laws and any required prior regulatory approval, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Options previously granted to a Participant under the Plan without the consent of that Participant.

8. NO FURTHER RIGHTS

Nothing contained in the Plan nor in any Option granted hereunder shall give any Participant or any other person any interest or title in or to any Shares or any rights as a shareholder of the Corporation or any other legal or equitable right against the Corporation whatsoever other than as set forth in the Plan and pursuant to the exercise of any Option, nor shall it confer upon the Participants any right to continue as an employee or executive of the Corporation or of its subsidiaries.

1. Board should explicitly assume responsibility for stewardship of the corporation, and specifically for:	Yes	Pursuant to the BUSINESS CORPORATIONS ACT of the Yukon Territory, the Board of Directors is required to manage or supervise the management of the affairs and business of the Corporation. The Board of Directors has adopted a written mandate, which defines its stewardship responsibilities in light of this statutory obligation. The Directors' principal responsibilities are to supervise and evaluate management, to oversee the conduct of the business, to set policies appropriate for the business and to approve corporate strategies and goals. In carrying out these responsibilities, the Board of Directors is entitled to place reasonable reliance on management. The mandate and responsibilities of the Board of Directors are to be carried out in a manner consistent with the fundamental objective of protecting and enhancing the value of the Corporation and providing ongoing benefit to the shareholders.

(b) identification of principal risks, and implementing risk management systems	Yes	The Board of Directors specifically assumes responsibility for identification of principal risks, and implementing risk management systems.

(e)	integrity of internal control and management information systems	Yes	The Board of Directors specifically assumes responsibility for the integrity of internal control and management information systems.
2.	Majority of directors should be "unrelated" (independent of management and free from conflicting interest)	Yes	The present Board of Directors consists of five directors, three of whom qualify as unrelated directors who are independent of management and free from any interest or business relationship which could, or could be perceived to, materially interfere with their ability to act in the best interest of the Corporation.

3. Disclosure for each director whether he or she is related, and how that conclusion was reached	Yes	Ronald J. McGregor is a related director because of his management position with the Corporation. Michael B. Richings was President and Chief Executive Officer of the Corporation until September 8, 2000 and since then has continued to provide services to management of the Corporation on an informal consulting basis. Accordingly, the Corporate Governance Committee of the Board of Directors has determined that Mr. Richings is a related director. The remaining three directors are all independent of management and have no interest, business or other relationship other than shareholdings, which could, or could reasonably be perceived to materially interfere with the directors ability to act with a view to the best interests of the Corporation. The Corporation does not have a significant shareholder with the ability to exercise a majority of the votes for the election of the Board of Directors.
4. (a) Appoint a committee responsible for appointment/assessment of directors	Yes	The Corporate Governance Committee, which is required to meet at least once each year, is required to identify, review the qualifications of and recommend to the Board of Directors possible nominees for the Board of Directors to be proposed in management's Information Circular for election or re-election at each annual meeting of the Corporation and to identify, review the qualifications of and recommend to the Board of Directors possible candidates to fill vacancies on the Board of Directors between annual meetings.

6. Provide orientation and education programs for new directors	Yes	New Board members receive a director's orientation. As well, presentations are from time to time given to the Board on legal and other matters applicable to the Corporation and directors' duties.

7. Consider reducing size of Board, with a view to improving effectiveness	Yes	A board must have enough directors to carry out its duties efficiently, while presenting a diversity of views and experience. The Board of Directors believes that its present size effectively fulfills this goal. The size of the Board, at five members, is the same as last year but smaller than in previous years, and allows the Board to react more quickly in changing market conditions. The Corporate Governance Committee reviews the Board size annually.
8. Review compensation of directors in light of risks and responsibilities	Yes	The Compensation Committee is comprised of three directors, John M. Clark, C. Thomas Ogryzlo, Robert A. Quartermain (as of April 26, 2002) and A. Murray Sinclair (from February 21, 2002 until October 24, 2002), all of whom are unrelated directors who are independent of management. The Compensation Committee reviews and makes recommendations to the Board of Directors in respect of the compensation levels for the directors and executive officers of the Corporation.
9. (a) Committees should generally be composed of non-management directors	Yes	The Board of Directors has established three committees: the Audit Committee; the Compensation Committee; and the Corporate Governance Committee. All three committees are entirely composed of non-management directors.

SCHEDULE "D" AUDIT COMMITTEE CHARTER

I. RESPONSIBILITIES

The Audit Committee is a committee of the Board of Directors. Its primary function is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing (1) the financial statements, reports and other financial information provided to shareholders, regulators and others, (2) the internal controls that management and the Board have established and (3) the audit, accounting and financial reporting processes generally. In meeting these responsibilities, the Audit Committee will:

- (a) monitor the financial reporting process and internal control system;
- (b) review and appraise the work of the external auditors; and
- (c) provide an open avenue of communication between the external auditors, senior management and the Board of Directors.

The external auditors are accountable to the shareholders through the Audit Committee and the Board of Directors. The Board of Directors, on the recommendation of the Audit Committee, has the ultimate authority and responsibility to evaluate and, where appropriate, recommend to the shareholders the appointment and replacement of the external auditors. The Audit Committee is responsible for ensuring that the external auditors comply with the requirements stipulated in this Charter and satisfying itself of the external auditors' independence.

II. COMPOSITION AND EXPERTISE

The Audit Committee shall be comprised of three or more directors appointed by the Board. Each shall be an independent director free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. The following persons shall not be considered independent:

- (a) a director who is employed by the Corporation or any of its affiliates for the current year or any of the preceding three years;

Edgar Filing: VISTA GOLD CORP - Form DEF 14A

- (b) a director who receives compensation from the Corporation or any of its affiliates during the current or previous fiscal year, other than compensation for Board service, benefits under a tax-qualified retirement plan or non-discretionary compensation;
- (c) a director who is a member of the immediate family of an individual who is, or has been in any of the preceding three years, employed by the Corporation or any of its affiliates as an executive officer;
- (d) a director who is a partner, controlling shareholder or executive officer of an organization that has a business relationship with the Corporation or who has a direct personal business relationship with the Corporation, unless the Board of Directors determines that the relationship does not interfere with the director's exercise of independent judgment after taking into consideration the materiality of the relationship both to the Corporation and to the director and/or the organization with which the director is affiliated;
