PROXY STATEMENT FOR 2009 ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON JUNE 8, 2009

We are sending you this Proxy Statement in connection with the solicitation of Proxies by our Board of Directors for exercise at our 2009 Annual Meeting of Stockholders and at any adjournment or postponement thereof. We are first providing this Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and Proxy to our stockholders on or about April 28, 2009. Our 2008 Annual Report, including financial statements for the fiscal year ended December 31, 2008, is being provided to stockholders concurrently with this Proxy Statement. Our Annual Report, however, is not part of the proxy solicitation material. We sometimes refer to Macerich as our "Company," "we" or "us" and to our 2009 Annual Meeting, including any adjournment or postponement, as our "Annual Meeting."

Important Notice Regarding the Availability of Proxy Materials for the Stockholders Meeting to be Held on June 8, 2009. This Proxy Statement and our 2008 Annual Report are available at www.proxyvote.com.

ABOUT OUR ANNUAL MEETING

Why did I receive a Notice of Internet Availability of Proxy materials instead of paper copies of the Proxy materials?

This year we are using the Securities and Exchange Commission or "SEC" notice and access rule that allows us to furnish our Proxy materials over the Internet to our stockholders instead of mailing paper copies of those materials to each stockholder. This new rule will allow us to provide our stockholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of our Annual Meeting. Beginning on or about April 28, 2009, we sent to most of our stockholders by mail a Notice of Internet Availability of Proxy Materials or "Notice" containing instructions on how to access our Proxy materials over the Internet and vote online. This Notice is not a Proxy and cannot be used to vote your shares. If you received only a Notice this year, you will not receive paper copies of the Proxy materials unless you request the materials by following the instructions on the Notice or on the website referred to on the Notice (www.proxyvote.com). We did provide some of our stockholders, including stockholders who have previously requested to receive paper copies of the Proxy materials and some of our stockholders who are participants in our benefit plans, with paper copies of the Proxy materials instead of a Notice.

If you own shares of our common stock, \$.01 par value per share, referred to as "Common Stock," in more than one account for example, in a joint account with your spouse and in your individual brokerage account you may have received more than one Notice or more than one set of paper Proxy materials. To vote all of your shares by Proxy, please follow each of the separate Proxy voting instructions that you received for your shares of Common Stock held in each of your different accounts.

When is our Annual Meeting?

Our Annual Meeting will be held on Monday, June 8, 2009 at 10:00 a.m. local time at The Fairmont Miramar Hotel, 101 Wilshire Boulevard, Santa Monica, California.

Table of Contents

What is the purpose of our Annual Meeting?

At our Annual Meeting, our stockholders will consider and vote on the following matters:

- (1) the election of three directors;
- (2) the ratification of the appointment of Deloitte & Touche LLP as our independent accountants;
- (3) the approval of our Amended and Restated 2003 Equity Incentive Plan or "Amended 2003 Incentive Plan"; and
- (4) the approval of an amendment to our charter to increase our authorized shares of Common Stock and our total number of authorized shares of stock.

In addition, our stockholders will transact any other business that properly comes before our Annual Meeting. Management will also respond to appropriate questions from our stockholders.

Who is entitled to vote?

Only holders of record of our Common Stock at the close of business on the record date, March 10, 2009, are entitled to notice of and to vote at our Annual Meeting. Holders of Common Stock are entitled to cast one vote for each share held by them on each matter to be voted upon. Our Common Stock is our only class of securities authorized to vote. Under our charter and applicable law, a stockholder is not entitled to cumulative voting rights in the election of our directors.

Who can attend our Annual Meeting?

All of our stockholders as of the record date, or their duly appointed Proxy holders, may attend our Annual Meeting.

What constitutes a quorum?

The presence, in person or by Proxy, of holders entitled to cast at least a majority of all the votes entitled to be cast at our Annual Meeting is necessary to constitute a quorum for the transaction of business at our Annual Meeting. As of the record date, 77,033,475 shares of Common Stock were outstanding and entitled to vote. Abstentions and broker "non-votes" will count toward the presence of a quorum. A broker non-vote occurs when a broker holding shares for a beneficial owner returns a properly executed Proxy, but does not cast a vote with respect to a particular proposal because the broker does not have discretionary voting power with respect to that matter and has not received voting instructions from the beneficial owner.

As of the record date, we had an aggregate of 11,877,498 outstanding partnership units of The Macerich Partnership, L.P., referred to as our "Operating Partnership" and MACWH, LP, which represent the equivalent of 11,838,864 shares of Common Stock. These units are redeemable at the election of the holder and our Company may redeem them for cash or shares of Common Stock at our election. Holders of these units do not have the right to vote with our holders of Common Stock at our Annual Meeting.

How do I vote?

Voting in Person at our Annual Meeting. If you are a stockholder of record as of the record date and attend our Annual Meeting, you may vote in person. If your shares of Common Stock are held in street name and you wish to vote in person at our meeting, you will need to obtain a "legal proxy" from the broker, bank or other nominee that holds your shares of Common Stock of record.

Voting by Proxy for Shares Registered Directly in the Name of the Stockholder. If you hold your shares of Common Stock in your own name as a holder of record with our transfer agent,

Table of Contents

Computershare Trust Company, N.A., you may instruct the Proxy holders how to vote your shares of Common Stock in one of the following ways:

Authorize your Proxy by Internet. You may authorize your Proxy over the Internet. The website for Internet authorization is provided in the Notice or on your Proxy if you received a printed set of the Proxy materials. Internet authorization is available 24 hours per day until 11:59 p.m., Eastern Time, on June 7, 2009. In order to vote, you will need to have the control number that appears on the Notice or Proxy you received.

Authorize your Proxy by Telephone. If you have received a printed set of the Proxy materials, you may authorize your Proxy by telephone by calling the toll-free number listed on your Proxy. Telephone authorization is available 24 hours per day until 11:59 p.m., Eastern Time, on June 7, 2009. When you call, please have your Proxy in hand, and you will receive a series of voice instructions which will allow you to instruct your Proxy how to vote your shares of Common Stock. To vote by telephone, you will also need your control number referred to above.

Vote by Mail. If you have received a printed set of the Proxy materials and would like to vote by mail, then please mark, sign and date your Proxy and return it promptly to Broadridge Financial Solutions, Inc. in the postage-paid envelope provided.

Voting by Proxy for Shares Registered in Street Name. If your shares of Common Stock are held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares of Common Stock voted.

What if we receive a valid Proxy by mail, telephone or the Internet that doesn't specify how to vote?

If no instructions are given on your received Proxy, the shares will be voted:

FOR the election of each of the three nominees for director;

FOR the ratification of the appointment of Deloitte & Touche LLP;

FOR the approval of our Amended 2003 Incentive Plan; and

FOR the approval of an amendment to our charter to increase our authorized shares of Common Stock and our total number of authorized shares of stock.

The holders of the Proxy will also have authority to vote in their discretion on other matters that may be properly brought before our Annual Meeting or that may be incidental to the conduct of the meeting.

Will other matters be voted on at our Annual Meeting?

It is not anticipated that any matter, other than those set forth in this Proxy Statement, will be presented at our Annual Meeting. If other matters are properly presented, Proxies will be voted by the Proxy holders in their discretion. Stockholder votes will be tabulated by the person appointed to act as inspector of election for our Annual Meeting.

Can I change my vote or revoke my Proxy after I return my Proxy?

If you are a stockholder of record as of the record date, you may change your vote or revoke your Proxy before it has been voted at our Annual Meeting by:

filing a written revocation with the Secretary of The Macerich Company, 401 Wilshire Blvd., Suite 700, Santa Monica, California 90401;

Edgar Filing: MACERICH CO - Form DEF 14A

submitting a new Proxy by Internet, telephone or mail after the time and date of the previously submitted Proxy in accordance with the applicable instructions; or

appearing in person and voting by ballot at our Annual Meeting.

Table of Contents

Any stockholder of record as of the record date attending our Annual Meeting may vote in person whether or not a Proxy has been previously given, but the presence (without further action) of a stockholder at our Annual Meeting will not constitute revocation of a previously given Proxy.

For shares you hold in street name, you may change your vote by submitting new voting instructions to your broker, bank or other nominee or, if you have obtained a legal proxy from your broker, bank or other nominee giving you the right to vote your shares at our Annual Meeting, by appearing in person and voting at our Annual Meeting.

What are our Board of Directors' recommendations?

Unless you give other instructions on your Proxy, the persons named as Proxy holders on the Proxy will vote a properly given Proxy in accordance with the recommendations of our Board of Directors. Our Board's recommendations together with the description of each matter are set forth in this Proxy Statement. In summary, our Board recommends a vote:

FOR election of each of the three nominees for director;

FOR ratification of the appointment of Deloitte & Touche LLP as our independent accountants for the year ending December 31, 2009;

FOR the approval of our Amended 2003 Incentive Plan; and

FOR the approval of an amendment to our charter to increase our authorized shares of Common Stock and our total number of authorized shares of stock.

With respect to any other matter that properly comes before the meeting, the Proxy holders will vote in their discretion.

What vote is required to approve each matter?

Assuming the presence of a quorum, the affirmative vote of a majority of all of the votes cast on the matter at our Annual Meeting in person or by Proxy will be required for the election of each director nominee and the ratification of the appointment of Deloitte & Touche LLP to serve as our independent accountants. Abstentions are not counted as votes cast and will have no effect on the vote for the election of the directors or the ratification of the appointment of Deloitte & Touche LLP.

Approval of the proposal to amend our charter to increase our authorized shares of Common Stock and our total number of authorized shares of stock requires the affirmative vote of two-thirds of all of the votes entitled to be cast on the matter at our Annual Meeting in person or by Proxy. For purposes of the vote on the proposed charter amendment, abstentions will have the same effect as votes against the proposal, although they will be considered present for the purpose of determining the presence of a quorum.

The affirmative vote of a majority of the votes cast on the matter at our Annual Meeting in person or by proxy is required to approve the Amended 2003 Incentive Plan, provided that the total number of votes cast on the matter represents over 50% of the outstanding shares of Common Stock. Under the New York Stock Exchange rules or "NYSE Rules", for purposes of the vote to approve the Amended 2003 Incentive Plan, an abstention constitutes a vote cast but a broker non-vote does not. Accordingly, if holders of more than 50% of the outstanding shares of Common Stock cast votes, a broker non-vote will not have any effect on the result of the vote, while an abstention will have the same effect as a vote against the matter.

We believe that the matters to be presented at our Annual Meeting, except the matter regarding approval of our Amended 2003 Incentive Plan, are each considered a routine item under the NYSE Rules and that each of these matters may be voted on by brokers in the absence of specific instructions by our stockholders and, therefore, there will be no broker non-votes with respect to these matters. The matter regarding approval of our Amended 2003 Incentive Plan is considered a non-routine item under the NYSE Rules and, therefore, there may be broker non-votes if specific instructions by our stockholders are not received by the brokers.

Table of Contents

PROPOSAL 1: ELECTION OF DIRECTORS

Our bylaws provide that our Board of Directors consists of nine directors. Our Board is currently divided into three classes with each class constituting one-third of the total numbers of directors. Prior to this Annual Meeting, one class of our directors was elected at each annual meeting of stockholders to serve a three-year term. At our 2008 annual meeting, our stockholders approved an amendment to our charter to declassify our Board. As a result of this charter amendment, a declassified Board structure will be phased in as follows:

Starting with this Annual Meeting, directors will be elected annually so that by our 2011 annual meeting of stockholders, all directors will be elected annually; and

Current directors will continue to serve the remainder of their three-year terms. The present term for our Class Three directors expires at our Annual Meeting, and the present term for our Class One and Class Two directors expires at our annual meetings of stockholders to be held in 2010 and 2011, respectively. Our three director nominees, if elected at our Annual Meeting, will hold office until our annual meeting of stockholders in 2010 and until their respective successors are duly elected and qualify.

Our Board of Directors, based on the recommendations of the Nominating and Corporate Governance Committee, has nominated the following to serve as directors of our Company:

Arthur M. Coppola

James S. Cownie

Mason G. Ross

Messrs. Coppola and Cownie are currently serving on our Board of Directors. Mr. Ross was recommended as a director nominee to the Nominating and Corporate Governance Committee by Arthur M. Coppola, our Chairman and Chief Executive Officer. Each of our nominees has consented to be nominated and to serve if elected. However, if any nominee is unavailable for election or unable to serve, the Proxy holders may vote for another person nominated by our Board of Directors or our Board may amend our bylaws to reduce the number of directors to be elected at our Annual Meeting.

Our Board of Directors will consider a nominee for election to our Board recommended by a stockholder of record if the stockholder submits the nomination to the Nominating and Corporate Governance Committee c/o our Secretary in compliance with the advance notice and information requirements of our bylaws. See "Other Matters Stockholder Proposals and Director Nominees" for a summary of these requirements.

Vote Required

Election of each director requires the affirmative vote of a majority of all of the votes cast on the matter at our Annual Meeting in person or by Proxy.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF OUR NOMINEES. PROXIES RECEIVED WILL BE VOTED "FOR" EACH OF OUR NOMINEES UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THE PROXY.

The Board of Directors and its Committees

Board of Directors. Our Company is managed under the direction of a Board of Directors composed of nine members. A majority of our current Board members and Mr. Ross, our new director nominee, are independent directors under the requirements set forth in our Director Independence Standards which comply with the Corporate Governance Standards of the NYSE Rules. These Director Independence Standards are outlined in our Guidelines on Corporate Governance which are available at www.macerich.com under "Investing-Corporate Governance" and are also available in print to any stockholder who requests a copy from our Secretary. In addition, the Director Independence Standards are attached as Appendix I. Our Board of Directors met eight times in 2008. Each of our directors attended all Board meetings, except Mr. Moore and Mr. Anderson missed two meetings and Mr. Siegel missed one meeting. In addition, each director attended at least 75% of the aggregate number of meetings of our Board and of each committee on which he or she served during 2008.

Director Independence. For a director to be considered independent, our Board must affirmatively determine that the director does not have any direct or indirect material relationship with our Company or our executive officers. Our Board has established Director Independence Standards to assist it in determining director independence. The Director Independence Standards establish exclusionary standards which conform to the independence requirements of the NYSE Rules and categorical standards which identify permissible immaterial relationships between our directors and our Company and our executive officers. None of our current non-employee directors or our new director nominee has any relationship with our Company or our executive officers which falls within the exclusionary standards or falls outside the categorical standards. Therefore, our Board has determined that the following five current non-employee directors and our new director nominee do not have any

Table of Contents

direct or indirect material relationship with our Company or our executive officers and each is an independent director under our Director Independence Standards and the NYSE Rules: Messrs. Cownie, Hubbell, Moore and Ross, Ms. Laing and Dr. Sexton. Messrs. A. Coppola, E. Coppola and Anderson are not independent directors because they are current executive-level employees of our Company and Mr. Siegel is not an independent director because he was employed by our Company until September 2008.

Executive Committee. The Executive Committee of our Board of Directors consists of Messrs. Moore and A. Coppola and has such authority as is delegated by our Board and as permitted under applicable law, including authority to negotiate and implement acquisitions and to execute certain contracts and agreements with unaffiliated third parties. The primary purpose of the Executive Committee is to exercise the powers and duties of our Board between Board meetings and to implement the policy decisions of our Board on matters not delegated to other committees. Mr. A. Coppola is the chairperson. The Executive Committee did not meet during 2008.

Audit Committee. The Audit Committee consists of Messrs. Cownie and Hubbell, Ms. Laing and Dr. Sexton, each of whom is an independent director and meets the independence requirements for audit committee members under the NYSE Rules and the Securities Exchange Act of 1934, as amended, or "Exchange Act." Ms. Laing is the chairperson of the Committee and has been designated by our Board as an Audit Committee financial expert. The Audit Committee met nine times during 2008 with all members attending each meeting, except Dr. Sexton missed one meeting.

Under the terms of the Audit Committee charter, the purpose of this Committee is to assist our Board in overseeing the accounting and financial reporting processes and the audits of our financial statements, including the integrity of our financial statements, the compliance with legal and regulatory requirements, our independent public accountants' qualifications and independence, and the performance of our independent public accountants and internal audit function. The Committee's duties include:

- (1) appointing, evaluating and, where appropriate, replacing our independent public accountants,
- (2) reviewing our financial statements with management and our independent public accountants,
- (3) reviewing and approving with our independent public accountants the scope and results of the audit engagement,
- (4) pre-approving audit and permissible non-audit services provided by our independent public accountants,
- (5) reviewing the independence of our independent public accountants,
- (6) reviewing the adequacy of our internal accounting controls, and
- (7) reviewing and approving related-party transactions in accordance with our Related Party Transaction Policies and Procedures as described below.

Compensation Committee. The Compensation Committee consists of Messrs. Cownie and Moore, Ms. Laing and Dr. Sexton, each of whom is an independent director. Mr. Moore is the chairperson of this Committee. The Compensation Committee met six times during 2008 with all members attending each meeting, except Dr. Sexton missed one meeting. As outlined in its charter, the Compensation Committee has the following duties and responsibilities:

- (1) approving and evaluating our director and executive officer compensation plans, policies and programs,
- (2) reviewing annually our overall compensation structure and philosophy,

Table of Contents

- (3) reviewing and approving compensation for our executive officers,
- (4) reviewing and recommending to our Board director compensation, and
- (5) administering certain of our employee benefit and stock plans.

The Compensation Committee charter provides that the Compensation Committee has the sole authority to retain and terminate any compensation consultant to be used to assist in the evaluation of director and executive officer compensation, including approving their fees and terms. The Compensation Committee has periodically engaged Towers Perrin, a nationally recognized, independent compensation consulting firm, to conduct compensation studies. During 2008, the Compensation Committee did not retain a compensation consultant to conduct a compensation study or otherwise assist it in determining the compensation levels of our executive officers and directors. Our CEO also generally attends the Compensation Committee meetings and provides his recommendations with respect to the compensation paid to the other executive officers. While Mr. Coppola is viewed by the Compensation Committee as an integral and vital part of the compensation process, the Compensation Committee is solely responsible for making the final decision regarding the form and amount of compensation to our Company's executive officers. See "Compensation Discussion and Analysis." The Compensation Committee may also form and delegate authority to subcommittees, when appropriate, each subcommittee to only consist of independent directors. No subcommittee has been formed.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of Messrs. Cownie, Hubbell and Moore, each of whom is an independent director. Mr. Hubbell serves as chairperson. The Nominating and Corporate Governance Committee met five times in 2008 and all members attended each meeting, except Mr. Moore missed one meeting. The Nominating and Corporate Governance Committee operates under a charter which provides that the Committee will:

- (1) assist our Board by identifying individuals qualified to become Board members and recommend to our Board nominees for election as director by our stockholders or by our Board to fill a vacancy occurring between stockholder meetings,
- (2) recommend adoption of and changes to our Guidelines on Corporate Governance,
- (3) lead our Board in its annual review of the performance of our Board and our committees,
- (4) recommend to our Board director nominees for each Board committee, and
- (5) perform such other duties and responsibilities as are set forth in its charter or delegated by our Board, including developing a succession plan to ensure continuity in management.

Committee Charters. The charters for the Executive Committee, Audit Committee, Compensation Committee and the Nominating and Corporate Governance Committee are available at www.macerich.com under "Investing-Corporate Governance." Each charter is also available in print to any stockholder who requests a copy from our Secretary.

Related Party Transaction Policies and Procedures. The Audit Committee administers our written Related Party Transaction Policies and Procedures. These policies are designed to assist with the proper identification, review and disclosure of related party transactions and apply to any transaction or series of transactions in which our Company or an affiliate is a participant, the amount involved exceeds \$120,000 and a related party has a direct or indirect material interest. A related party generally includes any director, executive officer, stockholder of more than 5% of our Common Stock and any immediate family member thereof. Under the policies, transactions that fall within this definition will be referred to the Audit Committee for approval, ratification or other action. In determining whether to approve or ratify a transaction, the Audit Committee will consider all of the relevant facts and circumstances, including the related party's interest, the amount involved in the transaction, and

Table of Contents

whether the transaction has terms no less favorable than those generally available from an unrelated third party. The Audit Committee will approve or ratify such transaction if it determines, in good faith, that under all of the circumstances the transaction is fair to our Company.

Director Selection Process. The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating and Corporate Governance Committee periodically assesses the appropriate size of our Board of Directors, and whether any vacancies are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating and Corporate Governance Committee through current Board members, officers, professional search firms or other persons. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee and may be considered at any point during the year. The Nominating and Corporate Governance Committee also may review materials provided by professional search firms or other parties in connection with a nominee. In evaluating such nominations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on our Board. This Committee will make the final recommendations of candidates to our Board for nomination.

Our Board of Directors has a policy that stockholders may propose nominees for consideration by the Nominating and Corporate Governance Committee for election at an annual meeting of stockholders by submitting the names and qualifications of such persons to the Nominating and Corporate Governance Committee c/o our Secretary. The submissions must be made in accordance with the advance notice and information requirements set forth in our bylaws, a copy of which will be made available upon request. The Nominating and Corporate Governance Committee does not apply any specific, minimum qualifications in considering a director candidate and does not impose additional qualifications on stockholder-recommended potential nominees. Instead, the Committee reviews the candidates taking into account the current Board membership and considers a variety of factors, including the specific needs of our Company and our Board, the experience, skills, areas of expertise, independence, productivity and length of service of the candidates, as applicable. This process is described in our Guidelines on Corporate Governance which is available at www.macerich.com under "Investing-Corporate Governance" and is also available in print to any stockholder who requests a copy from our Secretary.

Presiding Director. Our independent directors designated Mr. Moore to act as Presiding Director for our non-management directors. The role of the Presiding Director is to prepare with our Chief Executive Officer our Board agendas, chair the executive sessions of the non-management directors, call meetings of the independent directors and perform such other functions as our Board or non-management directors may direct. The non-management directors meet in separate executive sessions after each regularly-scheduled quarterly Board meeting. The non-management directors met four times in 2008. Each non-management director is an independent director.

Attendance at Stockholders' Meetings. Our Board encourages directors in the Santa Monica area at the time of the stockholders' meeting to attend the meeting. Our Board does not require director attendance at our stockholders' meetings because our stock is predominately held by institutional stockholders and attendance is traditionally light. At our 2008 annual stockholders' meeting, a total of four of our directors and three of our executive officers attended.

This Code complies with the requirements of the Sarbanes-Oxley Act of 2002, applicable SEC rules and the NYSE Rules. Compensation of Directors

Our non-employee directors are compensated for their services according to an arrangement authorized by our Board of Directors and recommended by the Compensation Committee. The Compensation Committee generally reviews director compensation annually. A Board member who is also an employee of our Company or a subsidiary does not receive compensation for service as a director. Messrs. A. Coppola, Anderson and E. Coppola are the only directors who are also employees of our Company or a subsidiary. Subject to elections under the Director Phantom Stock Plan, the following sets forth the compensation structure which has been in place for our non-employee directors since January 26, 2006:

Annual Retainer for Service on our Board \$40,000, payable in quarterly installments plus 1,000 shares of restricted stock are automatically granted in March of each year, vesting over three years.

Board Meeting Fees \$1,000 for each meeting attended and \$500 for each telephonic meeting attended.

Committee Meetings \$1,000 for each meeting attended and \$500 for each telephonic meeting attended, unless the committee meeting is held on the day of a meeting of our Board of Directors.

Edgar Filing: MACERICH CO - Form DEF 14A

Table of Contents

Annual Retainer for Chairman of the Audit Committee \$20,000.

Annual Retainer for Chairman of the Compensation Committee \$10,000.

Annual Retainer for Chairman of the Nominating and Corporate Governance Committee Twice the amount of any meeting fees paid to the committee members.

Initial Restricted Grant Upon joining our Board of Directors, 500 shares of restricted stock are granted, vesting over three years.

Expenses The reasonable expenses incurred by each director (including employee directors) in connection with the performance of the director's duties are also reimbursed by our Company.

Each grant of restricted stock to our non-employee directors in 2008 was made pursuant to our 2003 Incentive Plan. In addition, our Director Phantom Stock Plan offers our non-employee directors the opportunity to defer cash compensation for up to three years and to receive that compensation (to the extent that it is actually earned by service during that period) in shares of Common Stock rather than in cash after termination of service or a predetermined period. Such compensation includes the annual retainer, regular meeting fees and special meeting fees. Except for Mr. Siegel, every non-employee director during his or her term of service has elected to receive such compensation in Common Stock. Deferred amounts are credited as stock units at the beginning of the applicable deferral period based on the present value of such deferred compensation divided by the average fair market value of our Common Stock for the preceding 10 trading days. Stock unit balances are credited with additional stock units as dividend equivalents (based on the market price on the crediting date) and are ultimately paid out in shares of our Common Stock on a one-for-one basis. A maximum of 250,000 shares of our Common Stock may be issued in total under our Director Phantom Stock Plan, subject to certain customary adjustments for stock splits, stock dividends and similar events. The vesting of the stock units is accelerated in case of the death or disability of a director or, after a change in control event, the termination of his or her services as a director.

The following table summarizes the compensation paid, awarded, earned or expensed with respect to each of our non-employee directors during 2008.

Pursuant to our Director Phantom Stock Plan, each director, except Mr. Siegel, elected to defer fully the receipt of cash compensation consisting of the annual retainer, regular meeting fees and special meeting fees for 2008 and to receive such compensation in Common Stock at a future date. Therefore, for 2008, Messrs. Cownie, Hubbell and Moore, Ms. Laing and Dr. Sexton were credited with 578, 721, 686, 803 and 447 stock units, respectively, which vested during 2008 as the service was provided. The amount shown for Mr. Siegel represents the prorated share of his director fees since September 4, 2008, the date he became a non-employee director.

Assumptions used in the calculation of these amounts are set forth in footnote 16 to our audited financial statements for the fiscal year ended December 31, 2008 included in our Annual Report on Form 10-K filed with the SEC on February 27, 2009.

Compensation Discussion and Analysis

The Compensation Committee. The Compensation Committee or the "Committee" reviews and approves the compensation for our executive officers, reviews our overall compensation structure and philosophy and administers certain of our employee benefit and stock plans, with authority to authorize awards under our incentive plans. The Committee currently consists of four independent directors, Messrs. Moore and Cownie, Ms. Laing and Dr. Sexton.

The Committee has at various times retained independent compensation consultants to assist in the development and review of our compensation programs for our executive officers and directors. Since 2005, the Committee has retained Towers Perrin periodically to provide reviews of the various elements of our director and executive officer compensation programs. During 2008, the Committee did not retain a compensation consultant to assist it in determining the compensation levels of our named executive officers.

In addition, Mr. A. Coppola also generally attends the Compensation Committee meetings (excluding any executive sessions) and provides his analysis and recommendations with respect to our Company's executive compensation program, including the compensation for our other named executive officers. Given his knowledge of our executive officers and our business, the Committee believes that Mr. A. Coppola is an integral and vital part of the compensation process and therefore values his recommendations. The Committee though is responsible for approving the compensation for all of our named executive officers.

Objectives of the Executive Compensation Program. Our executive compensation program is designed to attract, retain and reward experienced, highly motivated executives who are capable of leading our Company effectively. The Committee believes strongly in linking compensation to performance, and our compensation program includes meaningful pay-for-performance components. Although the Committee has established an executive compensation program that delivers total pay primarily linked to overall business results, it also recognizes individual performance. With this type of

Table of Contents

program, the Committee believes it can attract, motivate and retain highly skilled executives whose performance and contributions benefit our Company and our stockholders. The Committee utilizes a combination of cash and equity-based compensation to provide appropriate incentives for executives to achieve our business objectives as well as further align their interests with our stockholders and encourage their long-term commitment to our Company. The Committee does not have a policy to allocate a specific portion of compensation to our named executive officers between either cash and non-cash or short-term and long-term compensation. Instead, the Committee considers how each component promotes retention and/or motivates performance by the executive.

Elements of the Program. Our executive compensation program includes three principal elements, each of which is intended to serve our overall compensation philosophy.

First, the executive's base salary is intended to create a minimum level of fixed compensation based on the experience and position of the executive.

Second, our Company has an annual incentive compensation plan for executive officers, other senior officers and key employees under which bonuses, which may be paid in the form of cash and/or equity awards, are granted to reflect corporate and individual performance during the prior calendar year. The objective of this annual incentive compensation plan is to motivate and reward executives for performance that benefits our Company and our stockholders and to recognize the contributions of our key employees.

Finally, our 2006 LTIP is designed to further align the interests of our stockholders and management by encouraging our executives to create stockholder value in a pay-for-performance structure through the issuance of LTIP Units. These LTIP Units vest over a three-year period based on our percentile ranking in terms of our total stockholder return relative to the total stockholder return of our peer REITs. (See pages 40-41 of this Proxy Statement for a more detailed description of the material terms of performance-based LTIP Units as well as Appendix II for the list of peer REITs.) Our named executive officers received a grant of performance-based LTIP Units in 2006 or, in the case of Mr. Grossi, 2007. In 2008, the Committee granted SARs to our executive and senior officers, which vest on March 15, 2011. These components of our long-term incentive program are an important means to link the interests of management and our stockholders and to encourage management to adopt a longer-term perspective. All equity awards are granted under our 2003 Incentive Plan which was approved by our stockholders and will, in the future, be granted under our Amended 2003 Incentive Plan if approved by our stockholders. The following provides more detailed information regarding each principal program element.

A. ***Base Salary.*** The base salary of each named executive officer is reviewed by the Committee on an annual basis and is subject to discretionary increases that generally are based on, in the subjective judgment of the Committee, competitive, economic and/or other factors deemed relevant by the Committee.

B. ***Annual Incentive Compensation Plan.*** The Committee historically has awarded annual incentive compensation, 50% of which is cash and 50% of which is equity-based to its named executive officers based on corporate and individual performance. The equity-based awards vest in equal installments over three years.

Corporate Performance. In general, approximately 50-70% of the annual incentive compensation award is based on overall corporate performance which the Committee believes provides an appropriate link between executive compensation and our Company's performance. Measures of performance considered by the Committee in determining corporate performance

Table of Contents

may include funds from operations or "FFO"⁽¹⁾ per share, net operating income, total stockholder return, sales per square foot, occupancy and the successful completion of acquisitions, developments, redevelopments, financings and other business initiatives. The Committee does not establish specific corporate performance targets that must be achieved in order for a named executive officer to earn a specific level of annual incentive compensation. Rather, the Committee retains flexibility and discretion to evaluate the Company's corporate performance for the year and awards a level of annual incentive compensation that corresponds to the level of corporate performance that the Committee determines was achieved for the year. While the Committee may pre-establish corporate performance objectives using the above measures, the level of annual incentive compensation is not conditioned upon achieving any specific corporate performance objective. Instead, the Committee views these corporate performance objectives as internal guidelines to assist in its overall review.

(1) NAREIT defines FFO as net income (loss) (computed in accordance with generally accepted accounting principles or "GAAP"), excluding gains (or losses) from extraordinary items and sales of depreciated operating properties, plus real estate related depreciation and amortization and after adjustments for unconsolidated partnerships and joint ventures. Adjustments for unconsolidated partnerships and joint ventures are calculated to reflect FFO on the same basis.

Individual Performance. Generally, approximately 30%-50% of the annual incentive compensation award focuses upon the Committee's subjective evaluation of the individual executive's performance and therefore provides executives with an incentive for superior individual performance. The Committee evaluates the annual performance of our named executive officers after review of their general goal statements which outline their goals with respect to their respective area of operations for the upcoming year and beyond. The Committee examines these statements as a part of its review process but does not base its compensation decisions on achievement of any specific individual goal. Rather, these goal statements provide the Committee with a general framework to assess individual performance. As part of this process, the Committee also discusses with Mr. A. Coppola his evaluation of the named executive officers' performance as well as his performance for the year.

Award Amounts. The actual bonus amounts awarded to each named executive officer are determined by the Committee in its discretion based on its assessment of corporate and individual performance as described above. For each of corporate and individual performance, the Committee determines whether the "target performance" or "high performance" level has been achieved, which is the equivalent of "meets expectations" or "exceeds expectations".

If the Committee determines overall that the target performance level is achieved, annual incentive compensation generally may range from zero to a maximum of 200% of base salary (for the CEO and President) or 150% of base salary (for the other named executive officers). If the Committee believes the high performance level is met, the bonus may range from zero to a maximum of 400% of base salary (for the CEO and President) or 300% of base salary (for the other named executive officers). Actual awards under the annual incentive program are discretionary. The Committee set annual compensation potential of Messrs. A. Coppola and E. Coppola at a higher percentage level because as the CEO and President, respectively, they are our strategic leaders and manage and direct our other named executive officers.

For a given year, the Committee makes annual incentive compensation decisions retrospectively for both the cash and equity component of the annual incentive compensation award after the end of the year, evaluating performance during that year. The Committee has historically chosen a March date as the date for determining annual incentive compensation awards since it occurs after the release of our year-end financial information and provides the Committee with sufficient time to evaluate the performance of our Company and our executives for the prior

Table of Contents

fiscal year. As a result, annual incentive compensation awards for 2008 performance were made on March 6, 2009 which was after the release of our 2008 financial results and was the same date for the cash and/or equity bonus awards for our other salaried employees.

Restricted Stock/Stock Unit/LTIP Unit Bonus Program. As part of the annual incentive compensation program, the Committee also administers the Restricted Stock/Stock Unit/LTIP Unit Bonus Program, which provides a method for executives to elect to increase their equity ownership in our Company. As described above, annual incentive compensation awards are awarded 50% in cash and 50% in equity, with the form of equity generally determined by the tax and accounting consequences to our Company and/or our executives. Under the Restricted Stock/Stock Unit/LTIP Unit Bonus Program, the named executive officers who receive annual incentive compensation awards for a year are offered the opportunity to receive all or a portion of what would otherwise have been a cash bonus in equity, valued as of the date of the award at 1.5 times the amount otherwise payable in cash to reflect the substantial risks associated with the deferral of payment and vesting restrictions of the award. In this way, the Restricted Stock/Stock Unit/LTIP Unit Bonus Program helps convert a short-term, cash component of the annual incentive compensation program into a long-term, equity-based component. See Note 2 on page 31 of this Proxy Statement. Although there is no pre-established policy or target for the allocation between either cash and non-cash or short-term and long-term compensation, through executive participation in the Restricted Stock/Stock Unit/LTIP Unit Bonus Program, a majority of total compensation to the eligible named executive officers has historically been in the form of equity compensation.

C. *2006 LTIP/SARs.* To provide a meaningful long-term component to our executive compensation program, the Committee granted performance-based LTIP Units in 2006 to Messrs. A. Coppola, E. Coppola, O'Hern and Bayer and in 2007 to Mr. Grossi when he joined our Company. These LTIP Units vest based on our percentile ranking in terms of our total stockholder return per share of Common Stock relative to the total stockholder return of our peer REITs, as measured at the end of each year of the three-year measurement period (2007-2009). As a result, performance-based LTIP Unit grants increase focus on our long-term performance through the key stockholder performance measure of total stockholder return. In 2008, the Committee added SAR grants for executive and senior officers, which are only exercisable after three years and expire after ten years, to further enhance this long-term component. Also, since the base price of SARs is equal to the closing stock price on the date of grant, the SARs only have value if our stock price increases after the grant date. The goal of adopting the 2006 LTIP and granting SAR awards was to encourage management to adopt a longer-term perspective and commitment to our Company. (See pages 40-41 of this Proxy Statement for a more detailed description of the material terms of the LTIP Units.)

Other Benefits and Agreements.

A. *Employment Agreement.* Mr. Grossi is the only named executive officer with an employment agreement. This employment agreement was entered into as an inducement to his employment as our Chief Operating Officer and provides Mr. Grossi with certain severance benefits if his employment is terminated without cause, or by reason of death or disability, on or before December 31, 2009. After such date, the employment agreement terminates except for a severance payment which becomes payable only if Mr. Grossi is terminated without cause on or before December 31, 2011. This employment agreement was amended in December 2008 to comply with Section 409A of the Internal Revenue Code of 1986, as amended or the "Code". This amendment did not increase the intended benefits to Mr. Grossi under his agreement. For a detailed description of these benefits see pages 42-43 of this Proxy Statement.

Table of Contents

B. *Management Continuity Agreements.* On October 26, 2006, our Company entered into a management continuity agreement with Mr. A. Coppola and amended and restated management continuity agreements with Messrs. E. Coppola, O'Hern and Bayer. Mr. Grossi also entered into a management continuity agreement on January 8, 2007. These management continuity agreements were amended in December 2008 to comply with Section 409A of the Code. The amendments did not increase the intended benefits to our named executive officers under these agreements.

The management continuity agreements provide change of control benefits for each executive officer and are designed to promote stability and continuity of management. Each management continuity agreement has a "double trigger" feature with respect to the payment of severance benefits, which means that both a change of control and an actual or constructive termination is required in order for severance benefits to become payable, and has a "single trigger" feature with respect to the automatic vesting of outstanding unvested restricted stock, stock units, service-based LTIP Units, stock options and SARs, which means that only a change of control is required for the awards to vest. We provide single trigger vesting because we believe that the purpose of providing executives with equity incentives is to align the interests of management with our stockholders and that those interests should be enhanced and not disturbed in the context of a change of control. The triggering events for payment of severance benefits and acceleration of outstanding unvested awards were established to reflect industry practice at that time. For a detailed description of these management continuity agreements, see pages 43-45 of this Proxy Statement.

We believe that the management continuity agreements help to aid us in attracting and retaining executives by reducing the personal uncertainty that arises from the possibility of a future business combination. Moreover, the agreements are designed to offset the uncertainty of executives as to their own future if a change in control actually occurs. We believe that the management continuity agreements help to increase stockholder value by making the executives neutral to change in control transactions that may be in the best interests of our Company and our stockholders.

C. *Other.* Certain of our named executive officers further participate in certain deferred compensation plans available to all Vice Presidents and above who make more than \$120,000 annually and are eligible to receive other benefits which are generally available to all salaried employees. See the "Nonqualified Deferred Compensation" table.

Compensation for 2008 Performance.

A. *Base Salary.*

Effective March 2, 2008, the Committee decided to raise the base salaries of Messrs. A. Coppola, E. Coppola, Grossi, O'Hern and Bayer, respectively, to \$950,000, \$675,000, \$600,000, \$550,000 and \$500,000, respectively, since they had not been increased in over two years. In connection with Mr. E. Coppola's promotion to President on September 4, 2008, his salary was increased to \$800,000. Except for Mr. E. Coppola's raises in connection with his 2008 and 2004 promotions, this was only the second salary increase since 2002 for these executives. The Committee did not increase any of these base salaries when it conducted its annual review in

Table of Contents

the first quarter of 2009. The following chart shows the amount of salary paid to our named executive officers for 2008.

2008 Salary Paid

Name	Amount (\$)
Arthur M. Coppola	907,692
Thomas E. O'Hern	528,846
Edward C. Coppola	677,885
Tony Grossi	578,846
Richard A. Bayer	478,846

B. *Annual Incentive Compensation Award.*

1. Awards Reflected in Summary Compensation Table.

The Summary Compensation Table under "Stock Awards" for 2008 sets forth the amount of compensation expense recognized with respect to equity compensation awards for financial reporting purposes under FAS 123(R) for 2008 as required by the SEC's rules. Therefore, the amounts set forth in that table for each named executive officer reflect a portion of the grants awarded in and prior to 2008. These grants represent, in part, the executive's annual incentive compensation awarded for the prior applicable fiscal year. As noted previously, these annual incentive awards are based on corporate and individual performance. Our Company has in prior proxy statements described the basis for the amount of each of these awards granted for the respective year's performance.

2. Awards for 2008 Performance.

We believe that to understand the total compensation awarded for the 2008 performance of our named executive officers it is important to describe the annual incentive compensation awarded on March 6, 2009 for 2008 performance, which is not completely reflected in the tables. Although the cash component of this annual incentive award is reflected in the "Summary Compensation" Table, the equity component is not in the "Summary Compensation" Table or the "Grants of Plan-Based Awards" Table and will not be reflected in these tables until 2009.

a. *2008 Corporate Performance.* In reviewing 2008 performance, the Committee recognized that this past year was one of the most economically challenging years in recent history. This current worldwide recession has impacted our retail real estate sector, our tenants, their customers and our stockholders. It was against this backdrop that the Committee conducted its review of 2008 performance.

In reviewing 2008 results, the Committee first reviewed our overall corporate performance focusing on a variety of measures. The Committee did not assign any particular weight to any single measure or require that any particular target be achieved in order for a named executive officer to earn incentive compensation for the year. Although no performance targets were established for determining a target or high performance level, the Committee did pre-establish the following corporate performance objectives as internal guidelines to assist in its evaluation of the Company's corporate performance for the year.

(i) *FFO Per Share-Diluted.* The first corporate performance objective was to meet the 2008 published guidance range for FFO-diluted of \$5.00 to \$5.15 per share. The

Table of Contents

Committee believes FFO per share-diluted is an important supplemental measure and is one of the most commonly utilized performance measures for REITs. For the year ended December 31, 2008, FFO-diluted was \$5.50 per share, which exceeded the guidance range and represented a 19% increase from 2007.

(ii) *Financings/Refinancings.* The Committee also established a 2008 objective of completing \$1 billion of financings/refinancings. During 2008, 12 financing transactions were completed and our prorata share of the loan proceeds was approximately \$1.3 billion. The Committee believes that our excellent relationships with lenders and joint venture partners as developed by our executive officers helped secure advantageous refinancings in 2008. The Committee also noted that \$222.8 million of our convertible notes were retired in 2008 at an average 45% discount to the face amount, resulting in a \$95 million gain.

(iii) *Leasing.* In addition, the Committee established a regional mall occupancy objective of 92% at December 31, 2008. This objective was met with regional mall occupancy of 92.3% which the Committee viewed as a healthy level in light of the current recession. The Committee also noted that releasing spreads remained strong with starting base rent on new lease signings 24% higher than the expiring base rent.

Furthermore, the Committee reviewed the progress in the redevelopment/development areas. While acknowledging and supporting the narrowing and redefining of our redevelopment/development opportunities, the Committee recognized the progress made with respect to three key redevelopment properties: Santa Monica Place, The Oaks and Scottsdale Fashion Square. It was noted that the new Santa Monica Place had attracted a Nordstrom and the first ever Bloomingdale's Soho Concept outside Manhattan, while The Oaks welcomed a first to market Nordstrom and Scottsdale Fashion Square will be anchored by Barneys New York. In addition, the Committee reviewed various deals, which were announced throughout 2008, with quality retailers and restaurants at each location.

Although the Committee was disappointed by our total stockholder return for 2008, the Committee believes 2008 was a productive year especially in light of the difficult economic environment. The Committee noted that our overall operational strength and management's success in meeting the three pre-established corporate performance objectives may have justified a high performance level award in a different year. However, it was the Committee's subjective final analysis that, after considering all performance measures including total stockholder return, our 2008 corporate performance met the target performance level.

b. *2008 Individual Performance.* The Committee also focused on the 2008 individual performance of our named executive officers with Mr. Arthur Coppola who advised the Committee with respect to the performance of the other executives. The Committee also discussed with Mr. A. Coppola his 2008 performance. As part of this process, the Committee reviewed the general goal statements prepared by each such executive for 2008 and beyond, as well as Mr. A. Coppola's evaluation of the progress made regarding their respective goals. In determining the level of individual performance, the Committee did not pre-establish what criteria would result in a target vs. high performance level but instead subjectively weighed with Mr. A. Coppola the accomplishments and progress of each individual.

After this review and based on Mr. A. Coppola's recommendation, it was the Committee's view that Messrs. E. Coppola, Grossi, O'Hern and Bayer all had a strong

Table of Contents

2008 performance based on the role each executive played in achieving a variety of our 2008 corporate accomplishments. The Committee noted the leadership of Mr. E. Coppola as he assumed the responsibility of President and continued his integral role as a key partner and advisor to our CEO, especially in the investment area. The Committee also highlighted Mr. Grossi's role in achieving our 2008 leasing objective and addressing tenant bankruptcy and other issues; Mr. O'Hern's success in completing 12 financing transactions and furthering our investor relationships; and Mr. Bayer's important accomplishments with respect to various ongoing legal and litigation matters. Based on this overall review of corporate and individual performance and Mr. A. Coppola's recommendation, the Committee approved a target performance level bonus for each of the above named executive officers. The amount of the annual incentive bonus for our President and these executive vice presidents was set at 200% and 150% respectively, of 2008 base salary.

Finally, the Committee reviewed the performance of Mr. Arthur Coppola in the same manner as the other named executive officers and highlighted the following key accomplishments in what they viewed as a productive year for Mr. Coppola:

Arthur Coppola The Committee believes that Mr. A. Coppola's management and direction of our executive team was critical to our operations and success in 2008, especially, in such an adverse economic environment. The Committee considered, not only his overall responsibilities for overseeing our strategies and operations, but also his new responsibilities in leading our transition as Mr. A. Coppola became Chairman and CEO, following Mace Siegel's retirement as Chairman. The Committee believes Mr. A. Coppola worked well with our management team to successfully insure a smooth transition as Mr. Grossi entered his second year as COO and Mr. E. Coppola became President. The Committee also believes Mr. A. Coppola provided the leadership for our strong 2008 operational results concerning FFO growth, refinancings and leasing. In addition, Mr. A. Coppola was instrumental in dealing with the Mervyn's bankruptcy and the subsequent successful leasing of 23 Mervyn's stores to Kohl's and Forever 21. Furthermore, he oversaw our development/redevelopment department and refocused our efforts on key projects to maximize potential profits for our Company. As a result of these achievements and his new responsibilities, the Committee believes that Mr. A. Coppola had a strong year which warranted a target performance level bonus. His annual incentive bonus was, therefore, set at 200% of his 2008 base salary.

For 2008, all eligible named executive officers participated in the Restricted Stock/Stock Unit/LTIP Unit Bonus Program and elected in advance to convert all of what would otherwise have been a cash bonus into additional stock units. To preserve share capacity under the 2003 Incentive Plan for certain types of awards, the Committee, however, awarded 66.85% of this total amount in stock units and 33.15% in cash. These grants as well as the continuation of the Restricted Stock/Stock Unit/LTIP Unit Bonus Program were made on a basis that is consistent with our philosophy of granting awards to provide executives with a promise of longer-term rewards directly linked to increased stockholder value.

The following table shows the annual incentive compensation awarded on March 6, 2009 to the named executive officers for their 2008 performance based on a closing stock price of our Common Stock of \$7.17. The table shows the original bonus amount in cash and stock units; the value of the total stock units the executive received under the Restricted Stock/Stock Unit/LTIP Unit Bonus Plan instead of cash; his total number of

stock units; the cash portion of his bonus; and his total annual incentive compensation bonus (including total value of stock units and cash). These stock units will vest in equal annual installments over three years.

C. Performance-Based LTIP Unit Awards.

Each of our named executive officers was granted performance-based LTIP Units in 2006 or, in the case of Mr. Grossi, 2007. As described above, vesting of these LTIP Units is determined as of the end of each year of the three-year measurement period (2007-2009) based on the percentile ranking of our total stockholder return as compared to our peer REITs for that year. The Committee determined in accordance with the 2006 LTIP that none of the performance-based LTIP Units of Messrs. A. Coppola, E. Coppola, Grossi, O'Hern and Bayer vested on December 31, 2008 since our 2008 total stockholder return was below the 50th percentile of the total stockholder return of our peer REITs as a group during the same period. See pages 40-41 of this Proxy Statement for detailed information about the definition of total stockholder return and the vesting of performance-based LTIP Units as well as Appendix II for the list of peer REITs.

D. SAR Awards

In 2008, the Committee added SAR grants for executive and senior officers, which are only exercisable after three years and expire after ten years, as a long-term component of our executive compensation. All March 7, 2008 SAR grants were made on the same basis 1 SAR for each \$10 of 2008 base salary, with a base price equal to the closing price on the grant date of \$61.17.

Accounting and Tax Issues. The Committee considers both the accounting and tax issues raised by the various compensation elements for our Company and our executives.

Section 162(m). The Committee's policy with respect to Section 162(m) of the Code has been to make reasonable efforts to design compensation arrangements such that compensation, in the ordinary course, is deductible while preserving the ability to pay incentive compensation that may not be deductible if such compensation in its view is appropriate to incentivize and reward our executives relative to their performance. As the Committee in recent years has increased the use of restricted stock and stock units as a form of incentive compensation, an increasing proportion of the compensation paid to our named executive officers has exceeded the \$1,000,000 limitation imposed by Section 162(m). Our restricted stock and stock unit grants have not been performance-based for these tax purposes; consequently, the regular and cumulative vesting, or any accelerated vesting, of one or more awards can result in non-deductible compensation. However, as long as we continue to qualify as a REIT under the Code, the payment of non-deductible compensation should not have material adverse consequences for our Company so long as we continue to distribute at least 90% of our taxable income.

Stock Ownership Policies. Our Board believes that our directors and executive officers should have a meaningful investment in our Common Stock in order to more closely align their interests with those of our stockholders. Accordingly, our Board has established (1) a policy that all non-employee directors own at least the lesser of (i) 3,500 shares or (ii) \$250,000 of Common Stock by the fourth anniversary of the director's election to our Board and (2) a policy that, within three years of becoming an executive officer, the Chairman of the Board, Vice Chairman of the Board and Chief Executive Officer own Common Stock with a value equal to five times their respective base salaries and that the other named executive officers own Common Stock with a value equal to three times their respective base salaries. These policies also set forth the forms of equity interests in our Company which will count toward stock ownership and allow the Board to approve exceptions from time to time.

Table of Contents**Executive Compensation**

The following table and accompanying notes show for our Chief Executive Officer, our Chief Financial Officer and our three next most highly compensated executive officers, as of December 31, 2008, the aggregate compensation paid, awarded, earned or expensed with respect to such persons in 2006, 2007 and 2008. In accordance with the SEC rules, only fiscal 2007 and 2008 information is presented with respect to Mr. Grossi since he was not an executive officer of our Company in 2006. Amounts shown in the columns titled "Stock Awards" and "Option Awards" in the table below reflect the dollar amount recognized by our Company for financial statement reporting purposes using GAAP for these fiscal years in accordance with FAS 123(R).

- (1) Includes any amount of salary deferred under our qualified and nonqualified deferred compensation plans. See "Nonqualified Deferred Compensation" table. Effective March 2, 2008, the base salaries for Messrs. A. Coppola, O'Hern, E. Coppola, Grossi and Bayer were increased to \$950,000, \$550,000, \$675,000, \$600,000 and \$500,000, respectively. In connection with Mr. E. Coppola's promotion to President on September 4, 2008, his salary was raised to \$800,000.
- (2) Under the Restricted Stock/Stock Unit/LTIP Unit Bonus Program, participants are offered the opportunity to elect to receive all or a portion of what would otherwise have been a cash bonus in the form of an equity award. Subject to certain conditions, if a participant timely elected to receive an equity award instead of cash, he received an equity award that had a market value (not considering the effect of vesting restrictions) as of the date of the award equal to 1.5 times the amount he would otherwise then receive in cash.

Although this column shows the amount of the cash bonus awarded (i) in 2009 for 2008 performance; (ii) in 2008 for 2007 performance; and (iii) in 2007 for 2006 performance, Messrs. A. Coppola, E. Coppola, O'Hern, Grossi and Bayer elected to participate in the Restricted Stock/Stock Unit/LTIP Unit Bonus Program and therefore

received additional equity in lieu of their cash bonus. See the "Grants of Plan-Based Awards" table, footnote (1). In accordance with the SEC rules, the original cash bonus amount is set forth under the "Bonus" column even though no cash payment for this original amount was made in 2007, 2008 or 2009. In 2009, to preserve share capacity under the 2003 Incentive Plan, a separate bonus amount was awarded in cash as more fully discussed on page 28 of this Proxy Statement.

The following chart shows the notional cash amount of the executive's bonus received in equity, the number of shares or units he received under the Restricted Stock/Stock Unit/LTIP Unit Bonus Program instead of this cash bonus, the dollar value of such awards as of the grant date based on the closing price of our Common Stock and, for 2009 only, the amount of the cash bonus he received to preserve share capacity under the 2003 Incentive Plan.

Any estimated forfeitures were excluded from the determination of these amounts and there were no forfeitures of awards during 2008, 2007 or 2006 by our named executive officers. Assumptions

used in the calculation of these amounts are set forth in footnote 16 to our audited financial statements for the fiscal year ended December 31, 2008 included in our Annual Report on Form 10-K filed with the SEC on February 27, 2009. Restricted stock awards and service-based LTIP Units vest over a three-year period, with 33¹/₃% of the shares vesting on or about each of the first, second and third anniversaries of the grant date. In addition, performance-based LTIP Units vest in two cumulative stages as more fully described on pages 40-41 of this Proxy Statement.

(4) The amounts represent the dollar amount recognized for financial statement reporting purposes using GAAP for the fiscal year ended December 31, 2008 in accordance with FAS 123(R), of SAR awards granted in 2008 under our 2003 Incentive Plan. Any estimated forfeitures were excluded from the determination of these amounts and there were no forfeitures of awards during 2008 by our named executive officers. Assumptions used in the calculation of these amounts are set forth in footnote 16 to our audited financial statements for the fiscal year ended December 31, 2008 included in our Annual Report on Form 10-K filed with the SEC on February 27, 2009. The SARs awards will vest on March 15, 2011.

(5) None of the earnings on the deferred compensation were considered above-market or preferential as determined under SEC rules.

(6) "All Other Compensation" includes the following components for 2008:

	Matching Contributions under 401(k) Plan \$	Matching Contributions under Nonqualified Deferred Compensation Plans \$	Life Insurance Premiums \$	Other Welfare Benefit Premiums \$	Use of Private Aircraft \$	Relocation- Related Payments \$
Arthur M. Coppola			900	14,826	125,037

Richard A. Bayer	8,808	53,942	20,567	14,826		

Matching Contributions. Amounts shown include matching deferred compensation contributions by our Company as determined by our Board of Directors annually under certain deferred compensation plans and matching contributions by our Company under our 401(k) Plan. The amount of the matching contributions under these plans is determined in the same manner for all plan participants. See the "Nonqualified Deferred Compensation" table.

Other Welfare Benefit Premiums. Amounts shown reflect the premiums paid by our Company for health and disability insurance.

Private Aircraft Use. Amounts shown reflect the incremental cost to our Company of such executive's personal use of a private aircraft in which our Company owns a fractional interest. The incremental cost is determined by using the amount our Company is billed for such use less any portion reimbursed by the executives and such amount may include: landing fees, parking and flight planning expenses; crew travel expenses; supplies and catering; aircraft fuel and oil expenses; maintenance, parts and external labor (inspections and repairs); engine insurance expenses; position flight costs; and passenger ground transportation. Since the aircraft is used primarily for business travel, our Company does not include the fixed costs that do not change based on usage, such as management fees and the acquisition costs.

Relocation-Related Payments. Amount shown reflects relocation-related payments, which include payment of the commission on the sale of his home in Canada of \$94,497.

(7) Mr. Grossi began his employment with our Company on January 8, 2007. His annualized base salary for 2007 was \$500,000. His employment agreement provides that his salary may be increased but not decreased during the term of his agreement.

These awards are service-based LTIP Units granted under our 2006 LTIP and 2003 Incentive Plan and represent the annual incentive compensation award for each executive based on 2007 performance. The awards in this column also include any additional LTIP Units that were received in lieu of cash bonuses earned for 2007 performance under the Restricted Stock/Stock Unit/LTIP Unit Bonus Program but granted in 2008. All of these awards vest over a three-year period, with 33 $\frac{1}{3}$ % of the LTIP Units vesting in equal annual installments. LTIP Units though do not realize their full economic value until certain conditions are met as described on page 40 of this Proxy Statement. These conditions have not yet been met. Distributions are payable on the LTIP Units to the same extent and on the same date that distributions are paid on common OP Units of our Operating Partnership. LTIP Units have the same voting rights as common OP Units of our Operating Partnership.

The awards to our named executive officers for annual incentive compensation for 2008 performance were made on March 6, 2009 and consist of stock unit awards, which vest over a three-year period in equal annual installments. Stock units have no voting rights and have dividend equivalent rights in the same amount as the dividend payable to holders of Common Stock. The annual incentive compensation awards for 2008 performance (which, in accordance with SEC rules, will be included in the Grants of Plan-Based Awards Table in our 2010 proxy statement) are as follows:

- (3) The market value is based upon the closing price of our Common Stock on the NYSE on December 31, 2008 of \$18.16. The awards in this column consist of restricted stock and service-based LTIP Units and include any additional shares of restricted stock and service-based LTIP Units that were received in lieu of cash bonuses under the Restricted Stock/Stock Unit/LTIP Unit Bonus Program. Although these LTIP Units have not vested, for purposes of this table, it is assumed that one service-based LTIP Unit represents the economic equivalent of one share of Common Stock. These LTIP Units do not realize their full economic value until certain conditions are met as described on page 40 of this Proxy Statement and such conditions have not yet been met.
- (4) The Equity Incentive Plan Awards in this table reflect performance-based LTIP Units granted on October 26, 2006 to all named executive officers, other than Mr. Grossi and performance-based LTIP Units granted on January 8, 2007 to Mr. Grossi.

Edgar Filing: MACERICH CO - Form DEF 14A

The vesting of the performance-based LTIP Units occurs in two cumulative stages as described on pages 40-41 of this Proxy Statement. Although these LTIP Units have not vested, for purposes of this table, it is assumed that one performance-based LTIP Unit represents the economic equivalent of one share of Common Stock. The market value is based upon the closing price of our Common Stock on the NYSE on December 31, 2008 of \$18.16. The LTIP Units do not realize their full economic value until certain conditions are met as described on page 40 of this Proxy Statement. These conditions have been met for all performance-based LTIP Units, except for those held by Mr. Grossi, including his 14,396 vested performance-based LTIP Units.

Certain of our named executive officers participate in our 2005 Deferred Compensation Plan for Senior Executives, referred to as our "2005 Plan" and our Deferred Compensation Plan for Senior Executives, which governs deferred compensation elections and contributions made prior to 2005. These two plans are collectively referred to as our "Deferred Compensation Plans." In addition, our Company has an Executive Officer Deferral Plan, referred to as our "Executive Officer Plan," which was suspended in 2003 and in which Messrs. A. Coppola and E. Coppola currently have account balances. The following table provides information with respect to our named executive officers for these plans for fiscal year 2008.

Description of Nonqualified Deferred Compensation Plans.

a.

The Deferred Compensation Plans.

As of December 31, 2008, Messrs. O'Hern, E. Coppola, Grossi and Bayer had account balances under our Deferred Compensation Plans. Under the 2005 Plan, our key executives who satisfy certain eligibility requirements may make annual irrevocable elections to defer a specified portion of their base salary (up to 50%) and bonus (up to 100%) to be earned during the following calendar year. Our Company will credit an amount equal to the compensation deferred by a participant to that participant's deferral account under the 2005 Plan. In addition, our Company may credit matching

Table of Contents

amounts to an account established for each participant in an amount equal to a percentage, established by our Company in its sole discretion prior to the beginning of the plan year, of the amount of compensation deferred by each participant under the plan. For 2008, our Company matched 25% of the amount of salary and bonus deferred up to a limit of 5% of total salary and bonus.

Account balances under the Deferred Compensation Plans will be credited with income, gains and losses based on the performance of investment funds selected by the participant from a list of funds designated by our Company. The amounts credited to participants' deferred accounts and Company matching accounts are at all times 100% vested. Participants will be eligible to receive distributions of the amounts credited to their accounts before, at or after their termination of employment in a lump sum or installments pursuant to elections made under the rules of the Deferred Compensation Plans. Changes to these elections under the Plans may be made under limited circumstances. Under the 2005 Plan, key employees who have elected a lump sum payment at termination of employment must wait six months after termination, other than as a result of death, to receive a distribution. Employees who are eligible to participate in the 2005 Plan may also be eligible for life insurance coverage in an amount equal to two times their annual salaries.

b.

Executive Officer Plan.

As of December 31, 2008, only Messrs. A. Coppola and E. Coppola had account balances under our Executive Officer Plan and all amounts in these accounts are fully vested. The Executive Officer Plan allowed eligible participants to defer a portion of their salary (up to 100%) and to receive a matching contribution equal to a discretionary percentage of the amount of salary deferred by the participant. Our Executive Officer Plan provided that a participant was 25% vested in the amount of salary deferred and matching contribution made by our Company every January 1, beginning January 1 of the year following the year in which the salary deferrals and matching contributions were made. As of the plan year 2003, all deferred contributions made by the participants and the matching contributions made by our Company were suspended under our Executive Officer Plan. Therefore, no participant deferral contributions or Company matching contributions were made to our Executive Officer Plan in 2008. Generally, the account balances in our Executive Officer Plan are not credited with income, gains and losses. Participants will be eligible to receive distributions of the amounts credited to their accounts pursuant to elections made under the rules of our Executive Officer Plan.

Discussion of Summary Compensation and Grants of Plan-Based Awards Table

Our executive compensation policies and practices, pursuant to which the compensation set forth in the Summary Compensation Tables and the Grants of Plan-Based Awards Table was paid, awarded, earned or expensed are generally described under "Compensation Discussion and Analysis" and in the footnotes to the compensation tables. The material terms of our 2006 LTIP pursuant to which LTIP Units are granted are described below. There are no employment agreements with the named executive officers, except with Mr. Grossi which our Company entered into on November 1, 2006, in connection with his hiring as our Chief Operating Officer. Mr. Grossi's employment agreement provides for a three-year term ending December 31, 2009. There are management continuity agreements with all of our named executive officers. On October 26, 2006, our Company entered into a management continuity agreement with Mr. A. Coppola and amended and restated management continuity agreements with Messrs. E. Coppola, O'Hern and Bayer and on January 8, 2007, our Company entered into a management continuity agreement with Mr. Grossi. Mr. Grossi's employment agreement provides severance benefits and the management continuity agreements provide change of control benefits for each such executive officer, which are more fully described under "Potential Payments Upon Termination or Change of Control." All of these agreements were amended in December 2008 to comply with Section 409A of the Code. These amendments did not increase the intended benefits to the named executive officers under these agreements.

LTIP Unit Awards

LTIP Units of our Operating Partnership are structured to qualify as "profits interests" for federal income tax purposes. Accordingly, LTIP Units initially do not have full parity, on a per unit basis, with our Operating Partnership's common OP Units with respect to liquidating distributions. Upon the occurrence of specified events, the LTIP Units can over time achieve full parity with the common OP Units, at which time LTIP Units are convertible, subject to the satisfaction of applicable vesting conditions, on a one-for-one basis into common OP Units. LTIP Units that have been converted into common OP Units and have become vested are redeemable by the holder for shares of Common Stock on a one-for-one basis or the cash value of such shares, at our Company's election. LTIP Units may be subject to performance-based vesting or service-based vesting.

a.

Performance-Based LTIP Units.

Certain of our LTIP Units are subject to performance-based vesting over a three-year measurement period ending December 31, 2009. Messrs. A. Coppola, E. Coppola, O'Hern and Bayer were granted performance-based LTIP Units in October 2006 and Mr. Grossi was granted performance-based LTIP Units in January 2007. These LTIP Units were issued prior to the determination of performance-based vesting, but remain subject to forfeiture to the extent that less than the full number of LTIP Units awarded become vested over the three-year performance measurement period. These LTIP Units vest based on our percentile ranking in terms of our total stockholder return per share of Common Stock relative to the total stockholder return of our peer REITs, as measured at the end of each year (2007, 2008 and 2009) of the three year measurement period, each referred to as a "Vesting Year." (Our peer REITs are listed on Appendix II). Total stockholder return is measured by the total percentage return per share achieved by the common shares of our Company or such peer REIT and assumes reinvestment of all dividends and distributions.

The vesting of the performance-based LTIP Units occurs in two cumulative stages. In the first stage, following the end of each Vesting Year, the Compensation Committee will determine our performance and the performance of each of our peer REITs for the applicable Vesting Year and, depending on our total stockholder return relative to the total stockholder return of our peer REITs, vesting of these LTIP Units will occur as follows:

Company's Percentile Ranking	Vesting
Less than 50%	0%
Equal to or greater than 50% and less than 60%	20%
Equal to or greater than 60% and less than 70%	33%
Equal to or greater than 70%	50%

The second stage of vesting of our performance-based LTIP Units occurs at the end of the three year vesting period or earlier in the event of a change of control or qualified termination of employment, referred to as the "Final Vesting Date." The Compensation Committee will determine our performance and the performance of each of our peer REITs for the entire three year period (or the entire period beginning on January 1, 2007 and ending on the Final Vesting Date, if shorter) and perform the following calculation:

if

- (1) for the entire vesting period our total stockholder return is at or above the 40th percentile of the total stockholder return of our peer REITs, but below the 60th percentile, and
- (2) less than 50% of the award recipient's LTIP Units have become vested in the aggregate in the first stage, then that number of additional LTIP Units will vest as of the Final Vesting Date which is sufficient to bring the number of vested LTIP Units to 50% of the award recipient's total LTIP Units; or

Table of Contents

if

(1) for the entire vesting period our total stockholder return is at or above the 60th percentile of the total stockholder return of our peer REITs, and

(2) less than 100% of the award recipient's LTIP Units have become vested in the aggregate in the first stage, then that number of additional LTIP Units will vest as of the Final Vesting Date which is sufficient to bring the number of vested LTIP Units to 100% of the award recipient's total LTIP Units.

The Compensation Committee may, upon consideration of the statistical distribution of our peer REITs within the full range of total stockholder return for any applicable period, exercise its reasonable discretion to allow for vesting of performance-based LTIP Units on a basis other than a strict mathematical calculation of percentiles. All unvested performance-based LTIP Units will be forfeited as of the Final Vesting Date.

b.

Service-Based LTIP Units.

Service-based LTIP Units vest in equal annual installments over a three-year period and are issued as part of our annual incentive compensation.

c.

General Terms.

Vesting is conditioned upon the award recipient remaining an employee of our Company through the applicable vesting dates, and subject to acceleration of vesting with respect to service-based LTIP Units, or acceleration of the determination of vesting with respect to performance-based LTIP Units, in the event of a change of control of our Company or termination of the award recipient's service relationship with our Company under specified circumstances, including death, disability and, as applicable, termination by our Company without cause.

Regular and other non-liquidating distributions will be made with respect to the LTIP Units from the date of their issuance to the award recipient. Distributions will be in the same amount and at the same time as those made with respect to common OP Units, which are equal to the regular dividends and other distributions paid on an equal number of shares of Common Stock. At the end of the vesting period and upon the final determination of performance-based vesting, as applicable, distributions will continue to be made only to the extent that the LTIP Units have become vested.

Potential Payments Upon Termination or Change of Control

The following section describes potential payments and benefits to our named executive officers under our compensation and benefit plans and arrangements upon termination of employment or a change of control of our Company as of December 31, 2008. In addition, certain of our compensatory plans contain provisions regarding the acceleration of vesting of equity awards. The Compensation Committee under certain circumstances is authorized to accelerate the vesting of stock options and SARs and to modify outstanding stock options and SARs. The Compensation Committee also has the authority to accelerate vesting of restricted stock, stock units and LTIP Units as well as authorize discretionary severance payments to our named executive officers upon termination.

None of our named executive officers has an employment agreement with our Company, except Mr. Grossi. Messrs. A. Coppola, O'Hern, E. Coppola, Grossi and Bayer have each entered into a management continuity agreement. Each of these agreements provides for severance and/or change in control benefits as described below.

Regardless of the manner in which a named executive officer's employment terminates, he is entitled to receive all accrued, vested or earned but deferred compensation and benefits during his term of employment. The information below sets forth the additional payments and/or benefits to our named executive officers under the specified circumstances.

Payments Made/Benefits Received Upon Termination

a.

With Cause

If a named executive officer's employment is terminated with cause, he will forfeit all unvested options, SARs, restricted stock, stock units and LTIP Units as of the termination date.

b.

Without Cause

If a named executive officer's employment is terminated for any reason, other than the death, disability, resignation or retirement of such officer or with cause,

(1)

his stock options, SARs, restricted stock, stock units and service-based LTIP Units that have not vested as of such termination date will be forfeited,

(2)

he will have three months (or such other period in the Compensation Committee's discretion) from the termination date to exercise vested options and SARs, subject to specified limitations, and

(3)

his performance-based LTIP Units will be subject to an accelerated vesting determination. (This will also occur if the executive terminates his employment for good reason.)

In addition, during the term of Mr. Grossi's employment agreement (which is scheduled to end on December 31, 2009), he will receive a lump sum payment equal to two times the aggregate of his (1) base salary (which is deemed for these purposes under the agreement to be \$600,000) and (2) target bonus for one year (which is deemed for these purposes under the agreement to be \$900,000), less standard withholdings and deductions. Furthermore, if at any time during the 24 months immediately following the term of his employment agreement, Mr. Grossi's employment is terminated by our Company other than for death, disability or cause, he will receive a pro rata portion of the above amount based on the number of months remaining in such 24 month period. In either circumstance, payments of such amounts are conditioned upon receipt of a standard employee release and settlement agreement.

Table of Contents

Payments Made/Benefits Received Upon Resignation

In the event of the resignation of a named executive officer,

his stock options, SARs, restricted stock, stock units, service-based and performance-based LTIP Units that have not vested as of such termination date will be forfeited, and

he will have three months (or such other period in the Compensation Committee's discretion) from the termination date to exercise vested options and SARs, subject to specified limitations.

Payments Made/Benefits Received Upon Retirement

In the event of the retirement of a named executive officer,

under our current retirement policy, all outstanding options, SARs, restricted stock, stock units and service-based LTIP Units will continue to vest in accordance with the vesting schedule originally set forth in his award agreement provided the named executive officer retires at 55 or older, has at least ten years of service with our Company and has not been directly or indirectly employed by a competitor at any time after his retirement.

he will forfeit all unvested performance-based LTIP Units unless the Compensation Committee determines in its sole discretion to provide for partial or complete vesting of his performance-based LTIP Units.

if a named executive officer does not meet the requirements for retirement under our current retirement policy and the Compensation Committee does not otherwise provide:

his stock options, SARs, restricted stock, stock units and service-based LTIP Units that have not vested as of his retirement date will be forfeited, and

he will have 12 months (or such other period in the Compensation Committee's discretion) from his retirement date to exercise vested options and SARs, subject to specified limitations.

Payments Made/Benefits Received Upon Death or Disability

In the event of death or disability of a named executive officer while employed,

his benefits under our long-term disability plan or payments under our life insurance plan(s), as appropriate, will be distributed,

his vested stock options or SARs may be exercised for twelve months after the date of his disability or death,

his unvested restricted stock, stock units, or service-based LTIP Units will immediately vest, and

his unvested performance-based LTIP Units will be subject to an accelerated vesting determination.

Edgar Filing: MACERICH CO - Form DEF 14A

In addition, Mr. Grossi or his beneficiaries, as applicable, will receive in a lump sum his annual base salary for the remainder of the term of his employment agreement (which is scheduled to end on December 31, 2009).

Payments Made/Benefits Received Upon Change of Control

Management Continuity Agreements

The management continuity agreements provide that if, within two years following a change of control, the executive officer's employment is terminated by us for no reason or any reason other than

Table of Contents

for cause, by reason of death or disability or by the executive for good reason, such executive officer will be entitled to receive an amount equal to three times the sum of:

- (1) the executive's base salary; and
- (2) the amount of the highest cash and stock/unit portion of the executive's annual incentive bonus (which shall include any supplemental or special cash and/or stock/unit bonus) awarded for performance for each of the three preceding fiscal years, referred to as the "Bonus Amount."

In addition, the executive will receive all accrued obligations, including a pro rata share of the Bonus Amount for the applicable bonus year. The Bonus Amount shall also include,

- (1) any cash portion of an incentive bonus which the executive has elected to convert into restricted stock, stock units or service-based LTIP Units under the Restricted Stock/Stock Unit/LTIP Unit Bonus Program or other comparable, optional stock-in-lieu of cash benefit programs; and
- (2) the value of any outstanding performance-based LTIP Units that vest during the applicable year as provided in any LTIP Unit award agreement.

Our Company will also generally continue welfare benefits for the executive officer and his family at least equal to, and at the same after-tax cost to the executive officer and/or his family, as those that would have been provided to them in accordance with the plans, programs, practices and policies as in effect immediately prior to the change of control, generally until up to the third anniversary of the termination date.

Upon a change of control, any shares of restricted stock, stock units or service-based LTIP Units held by the executive that remain unvested shall immediately vest, any unvested stock options or SARs held by the executive shall vest in full and be immediately exercisable and any outstanding performance-based LTIP Units shall vest as provided in the applicable award agreement. See "Discussion of Summary Compensation and Grants of Plan-Based Awards Table Performance-Based LTIP Units." Any such stock options or SARs shall remain exercisable for a period at least until the first to occur of (1) the expiration of the full term of the option or SAR and (2) one year after the date on which the change of control occurs.

"Good reason" means an action taken by our Company resulting in a material negative change in the employment relationship and generally includes the assignment to the executive of any duties materially inconsistent in any respect with the executive's position, authority, duties or responsibilities or any other material diminution in such position, authority, duties or responsibilities, one or more reductions in base salary that, individually or in the aggregate, exceed 10%, a change in his principal office location, material modification of bonus, benefit plans or fringe benefits or material breach of the management continuity agreement or any employment agreement by our Company or its successors or assigns.

"Change of control" generally requires a corporate transaction involving a 40% or greater change in ownership, certain majority changes in our Board of Directors or with limited exceptions the acquisition of 33% or more of our outstanding shares of Common Stock or voting securities by any person.

"Cause" generally includes for each executive (1) a failure to perform in a material respect without proper cause his obligations under the management continuity agreement or any written employment agreement, (2) a felony conviction or a plea of guilty or nolo contendere to a felony, or (3) an act of fraud, dishonesty or gross misconduct materially injurious to our Company.

Table of Contents

In addition, the management continuity agreements provide that if any payment by our Company to or for the benefit of the executive (whether pursuant to the terms of the management continuity agreement or otherwise) would be subject to an excise tax imposed under certain provisions of the Code or any interest or penalties with respect thereto, referred to as the "Excise Tax," then the executive shall be entitled to receive a gross-up payment in an amount so that the executive is in the same after-tax position as if there were no Excise Tax. The executive will not receive this gross-up payment if the parachute value of all such payments does not exceed 110% of an amount equal to 2.99 times the executive's "base amount" referred to as the "Safe Harbor Amount." In such event, the amounts payable under the management continuity agreement shall be reduced so that the parachute value of all payments to the executive, in the aggregate, equals the Safe Harbor Amount.

These management continuity agreements were amended in December 2008 to comply with Section 409A of the Code. These amendments did not increase the intended benefits to our named executive officers under these agreements. As a result of these amendments and depending on the circumstances at the time of a change of control, certain of these payments and/or the vesting of awards may be delayed.

Under the management continuity agreements, each executive has agreed to certain covenants, including confidentiality in perpetuity and non-solicitation for two years after the later of termination of his employment or the expiration of the management continuity agreement. Mr. Grossi also has a confidentiality provision in his employment agreement which survives his termination of employment.

Termination/Change of Control Payments Table

The following table provides the potential payments and benefits to the named executive officers upon termination of employment or a change of control, assuming such event occurred on December 31, 2008. These numbers do not reflect the actual amounts that may be paid to such persons, which will only be known at the time that they become eligible for payment and will only be payable if the specified event occurs.

Items Not Reflected in Table.

The following items are not reflected in the table set forth below:

Accrued salary, bonus, personal time and vacation.

Costs of COBRA or any other mandated governmental assistance program to former employees.

Welfare benefits, including life insurance, provided to all salaried employees.

Amounts outstanding under our 401(k) plan or deferred compensation plans. There are no special or enhanced benefits under these plans for our named executive officers, and all of such participating officers are fully vested in these plans. See "Nonqualified Deferred Compensation" table.

Change of Control Payments Code Section 280G valuation.

For purposes of the table below, our Company engaged PricewaterhouseCoopers, LLP to estimate the Excise Tax gross-up payment to be paid by our Company arising under Code Section 280G in connection with the management continuity agreements. Code Section 280G imposes tax sanctions for payments made by our Company that are contingent upon a change of control and equal to or greater than three times an executive's most recent five-year average annual taxable compensation referred to

Table of Contents

as the "base amount." If tax sanctions apply, all payments above the base amount become subject to a 20% excise tax. Key assumptions of the analysis include:

Change of control and termination of employment occurs as of December 31, 2008 and the bonus amount is based on amounts for the fiscal years ended December 31, 2005, 2006 and 2007; and

The only applicable payments are cash severance (3x salary plus annual bonus, with the bonus being the highest bonus awarded for the prior three fiscal years and including the value of any performance-based LTIPs that vest during the applicable year), a prorata bonus based on amount of time employed during 2008, welfare benefits, the accelerated vesting of restricted stock and service-based LTIP Units and the accelerated vesting determination of performance-based LTIP Units.

Other Notes Applicable to the Table

For accelerated vesting of restricted stock and service-based LTIP Units, the table reflects the intrinsic value of such acceleration, which for each unvested share or unit is \$18.16, which represents the closing price of our Common Stock on the NYSE on December 31, 2008. No stock units were outstanding as of December 31, 2008.

Any stock options held by these executive officers were fully vested. None of the outstanding SARs were vested as of December 31, 2008 and in each case the base price of the SAR was greater than the closing price of our Common Stock on that date.

Upon retirement, if certain conditions are met as described on page 43 of this Proxy Statement, unvested restricted stock, service-based LTIP Units, stock units and SARs will continue to vest in accordance with the vesting schedule in the award agreement. As of December 31, 2008, Messrs. A. Coppola and Bayer met the conditions for retirement under our retirement policy.

For the accelerated determination of vesting of performance-based LTIP Units in accordance with the 2006 LTIP, the table reflects no vesting of the remaining 67% of the unvested LTIP Units since our total stockholder return for the period ended December 31, 2008 was below the 40th percentile of the total stockholder return of our peer REITs.

Life insurance amounts only reflect policies paid for by our Company and in effect on December 31, 2008.

The table assumes that a "disability" is of a long-term nature, which triggers vesting of equity awards, the accelerated vesting determination of performance-based LTIP Units and payments under Mr. Grossi's employment agreement.

Messrs. A. Coppola and E. Coppola also have death benefit coverage under a split-dollar life insurance policy. No premiums have been paid by our Company under this policy since July 30, 2002. At the time of their death, the total premiums our Company previously paid for the policies will be recovered and the remaining death benefits will be paid to their designated beneficiaries.

- (6) Although this person is eligible for a 280G tax gross-up, we estimate that no such payment would have been made upon a change of control as of December 31, 2008, since the parachute value of all the amounts payable under his management continuity agreement did not exceed 110% of the Safe Harbor Amount. As a result, his severance amount would have been reduced by \$2,268,267 so that the parachute value of all payments in the aggregate equals the Safe Harbor Amount.

Compensation Committee Interlocks and Insider Participation

James Cownie, Stanley Moore, Diana Laing and Dr. William Sexton each served as a member of the Compensation Committee during 2008. No member of the Compensation Committee is a past or present officer or employee of our Company or had any relationship with us requiring disclosure under the SEC rules requiring disclosure of certain transactions with related persons. In addition, none of our executive officers served as a director or a member of a compensation committee (or other committee serving an equivalent function) of any other entity, the executive officer of which served as a director or member of the Compensation Committee during 2008.

Certain Transactions

The following provides a description of certain relationships and related transactions between various executive officers of our Company or members of their immediate families and our Company or our subsidiaries and affiliates.

Macerich Management Company. Macerich Management Company provided property management and other related services during 2008 to four community shopping centers in which Mr. Siegel has interests. Under the terms of the applicable management agreements, Macerich Management Company pays compensation to on-site employees and redevelopment and construction staff, and other administrative expenses, which amounts are then reimbursed by Mr. Siegel. In addition, Macerich Management Company earns a management fee equal to approximately two percent of gross rental revenue. Management fees earned from services provided to these four community shopping centers during the year ended December 31, 2008 were \$69,000.

Macerich Management Company employs Mr. A. Coppola's son-in-law and Mr. Anderson's son as an Assistant Vice President of Development Leasing and Vice President of Leasing, respectively. Neither of these individuals is considered an officer under Section 16 of the Exchange Act. The compensation and benefits provided to these individuals are consistent with those provided to other employees with comparable qualifications, responsibilities and experience. The 2008 salary and bonus paid for 2008 performance to each of Mr. Coppola's son-in-law and Mr. Anderson's son did not exceed \$290,000.

Guarantees. Messrs. Siegel, A. Coppola, Anderson, and E. Coppola guaranteed a mortgage loan encumbering one of our centers until July 31, 2008 when the guarantees were terminated. The aggregate principal amount of the loan was approximately \$21,750,000, of which approximately \$13,676,400 was guaranteed by them as follows: Mr. Siegel \$6,525,000; Mr. A. Coppola \$1,631,250; Mr. Anderson \$3,480,000; and Mr. E. Coppola \$2,040,150.

Table of Contents**Principal Stockholders**

Audit Committee Matters

The Audit Committee consists of four members, Messrs. Cownie and Hubbell, Ms. Laing and Dr. Sexton. Ms. Laing is the chairperson of the Committee and has been designated as an Audit Committee financial expert. In 2008, the Audit Committee met nine times. The Audit Committee and our Board of Directors amended and restated the Audit Committee charter in February of 2009 and such charter complies with the requirements of the Sarbanes-Oxley Act of 2002 and the NYSE Rules. The Committee reviews and reassesses the adequacy of its charter annually. Our securities are listed on the New York Stock Exchange and are governed by its listing standards. All members of the Audit Committee are independent directors and meet the independence requirements for audit committees under the NYSE Rules and the Exchange Act. (See "The Board of Directors and its Committees Director Independence, Committee Charters and Audit Committee.")

Table of Contents

The following Report of the Audit Committee shall not be deemed filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent our Company specifically incorporates this Report by reference into a filing under either of such Acts. The Report shall not be deemed soliciting material, or subject to Regulation 14A or 14C or the liabilities of Section 18 of the Securities Exchange Act.

Report of the Audit Committee

The Audit Committee of our Board of Directors assists our Board in performing its oversight responsibilities for our financial reporting process, audit process and internal controls as more fully described in the Audit Committee's charter. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. Our independent accountants are responsible for auditing our financial statements and expressing an opinion as to their conformity to accounting principles generally accepted in the United States.

In the performance of its oversight function, the Audit Committee reviewed and discussed our audited financial statements for the year ended December 31, 2008 with management and with our independent accountants. In addition, the Committee discussed with our independent accountants the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended, (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, which includes, among other items, matters related to the conduct of the audit of our financial statements. The Committee has also received and reviewed the written disclosures and the letter from our independent accountants required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with the independent accountants their independence from our Company.

Based on the review and discussions with management and our independent accountants described above, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the SEC.

Table of Contents

Audit-Related Fees

Fees for audit-related services totaled \$438,900 in 2008 and \$579,960 in 2007. Audit-related services principally include fees for internal control reviews and assistance with internal control reporting requirements, including under the Sarbanes-Oxley Act of 2002.

Tax Fees

No fees for tax services, including tax return preparation, tax compliance, tax advice and tax planning, were paid to Deloitte & Touche LLP in 2008 or 2007.

All Other Fees

There were no fees paid for any other services not described above in 2008 or 2007.

Our Company has been advised by Deloitte & Touche LLP that neither the firm, nor any member of the firm, has any financial interest, direct or indirect, in any capacity in our Company or its subsidiaries.

Audit Committee Pre-Approval Policy

Consistent with SEC policies regarding independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of our independent accountants. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by our independent accountants. The Audit Committee approves a list of services and related fees expected to be rendered during any year period within each of four categories of service:

- (1) *Audit Services* include audit work performed on the financial statements, as well as work that generally only our independent accountants can reasonably be expected to provide, including work associated with registration statements under the Securities Act of 1933, as amended, periodic reports and other SEC documents, statutory or other financial audit work for subsidiaries and consultations surrounding the proper application of financial accounting and/or reporting standards.
- (2) *Audit-Related Services* include assurance and related services that are reasonably related to performance of an audit or traditionally performed by our independent accountants, including due diligence or agreed-upon procedures related to mergers, acquisitions, dispositions or refinancings, internal control reviews and assistance with internal control reporting requirements, special procedures required to meet certain financial, accounting or regulatory requirements and accounting, regulatory or disclosure consultations.
- (3) *Tax Services* include tax return preparation, tax planning and related tax services, tax advice, tax compliance, tax reporting, year-end estimated taxable income and distribution projections and tax due diligence for REIT compliance and other tax issues.
- (4) *Other Services* include those permissible non-audit services that do not fall within the above categories and are routine and recurring services that would not impair the independence of our accountants.

The Audit Committee pre-approves our independent accountants' services within each category. In 2008, the Audit Committee pre-approved the retention of Deloitte & Touche LLP to perform various audit and permitted non-audit services for our Company, within each of the four categories except tax services. For each proposed service, our independent accountant is generally required to provide documentation at the time of approval to permit the Audit Committee to make a determination whether the provision of such services would impair our independent accountants' independence. The

Table of Contents

fees are budgeted and the Audit Committee requires our independent accountants and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage our independent accountants for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging our independent accountants. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting. None of the non-audit services described above were approved by the Audit Committee pursuant to the de minimis exceptions provided in the Exchange Act.

**PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP
AS OUR COMPANY'S INDEPENDENT ACCOUNTANTS**

Independent Accountants

The Audit Committee has appointed Deloitte & Touche LLP as our independent accountants to audit our financial statements for the year ending December 31, 2009.

Although ratification by stockholders is not required by law, our Board has determined that it is desirable to request approval of this appointment by our stockholders. If our stockholders do not ratify the appointment, the Audit Committee will reconsider whether to retain Deloitte & Touche LLP, and may decide to retain the firm notwithstanding the vote. Even if the appointment is ratified, the Audit Committee in its discretion may change the appointment at any time during the year if it determines that such a change would be in the best interests of our Company. In addition, if Deloitte & Touche LLP should decline to act or otherwise become incapable of acting, or if the appointment should be discontinued, the Audit Committee will appoint substitute independent public accountants. A representative of Deloitte & Touche LLP will be present at our Annual Meeting, will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Vote Required

Ratification of the appointment of Deloitte & Touche LLP as our independent accountants requires the affirmative vote of a majority of all the votes cast on the matter at our Annual Meeting in person or by Proxy.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2009. PROXIES RECEIVED WILL BE VOTED "FOR" RATIFICATION UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THE PROXY.

PROPOSAL 3: APPROVAL OF OUR AMENDED 2003 INCENTIVE PLAN

At our Annual Meeting, stockholders will be asked to approve our Amended 2003 Incentive Plan, which was adopted, subject to stockholder approval of the following amendments, by our Board of Directors on April 21, 2009.

Increase in Aggregate Share Limit. Our 2003 Incentive Plan currently limits the aggregate number of shares of our Common Stock that may be delivered pursuant to all awards granted under our 2003 Incentive Plan to 6,000,000 shares. Our Amended 2003 Incentive Plan will increase this limit by an additional 6,800,000 shares so that the new aggregate share limit for the plan will be 12,800,000 shares. Our Amended 2003 Incentive Plan also includes adjustments to

Table of Contents

certain other sub-limits under the plan as described in more detail in the "Summary Description of our Amended 2003 Incentive Plan" below.

Change in Share-Counting Procedures. Our 2003 Incentive Plan currently limits the number of shares of our Common Stock that may be delivered pursuant to so-called "full-value awards" (i.e. awards other than stock options and SARs) granted under our 2003 Incentive Plan to 3,000,000 shares. Our Amended 2003 Incentive Plan would replace the existing sub-limit on full-value awards with a formula under which any shares of our Common Stock issued in payment of full-value awards granted under our Amended 2003 Incentive Plan after June 8, 2009 will be counted against the plan's share limit as 2.62 shares for every one share actually issued in payment of the award. For example, if 100 shares were issued as a restricted stock award under our Amended 2003 Incentive Plan after June 8, 2009, 262 shares would be charged against the plan's share limit. See "Summary Description of our Amended 2003 Incentive Plan Shares Available for Awards" below.

Extension of Plan Term. Our 2003 Incentive Plan is currently scheduled to expire on March 31, 2013. If our stockholders approve this Amended 2003 Incentive Plan proposal, the term of our Amended 2003 Incentive Plan would be extended until June 8, 2019.

Extension of Performance-Based Award Feature. One element of our 2003 Incentive Plan is the flexibility to grant certain performance-based awards designed to satisfy the requirements for deductibility of compensation under Section 162(m) of the Code. These awards are referred to as "Performance-Based Awards" and are in addition to other awards, such as stock options and SARs, expressly authorized under our 2003 Incentive Plan which may also qualify as performance-based compensation for Section 162(m) purposes. If our stockholders approve this Amended 2003 Incentive Plan proposal, the Performance-Based Award feature of our Amended 2003 Incentive Plan will be extended through our first annual meeting of stockholders that occurs in 2014. In addition, the existing dollar limit on cash-based awards granted under our Amended 2003 Incentive Plan to any individual for each year during the performance period for the award would be increased from \$800,000 to \$3,000,000. See "Summary Description of our Amended 2003 Incentive Plan Performance-Based Awards" below.

Increase in Individual Award Sub-Limits. The proposed amendments would increase the existing limit on the number of shares that may be subject to stock options and SARs granted under our Amended 2003 Incentive Plan to any individual in a calendar year from 500,000 shares to 750,000 shares. In addition, the proposed amendments would increase the existing limit on the number of shares that may be subject to all stock-based awards granted under our Amended 2003 Incentive Plan to any individual in a calendar year from 750,000 shares to 1,000,000 shares.

As of March 31, 2009, a total of 4,253,101 shares of our Common Stock were subject to outstanding awards granted under our 2003 Incentive Plan, and an additional 1,746,899 shares of our Common Stock were then available for certain types of new award grants under our 2003 Incentive Plan.

Our Company believes that incentives and stock-based awards focus employees on the objective of creating stockholder value and promoting the success of our Company, as well as further aligning employees' interests with those of our stockholders and encouraging their long-term commitment to our Company. Incentive compensation plans like our 2003 Incentive Plan are an important attraction, retention and motivation tool for participants in the plan. Our Board of Directors approved our Amended 2003 Incentive Plan based on a belief that the number of shares of our Common Stock available under our 2003 Incentive Plan does not give our Company sufficient authority and flexibility to adequately provide for future incentives. Our Board of Directors believes that these amendments would give our Company greater flexibility to structure future incentives and better attract, retain and reward key employees. If our Company's stockholders do not approve this proposal, the current share limits under, and other terms and conditions of, our 2003 Incentive Plan will continue in effect.

Table of Contents

The foregoing amendments, along with other technical changes deemed advisable by our Board of Directors, are included in our Amended 2003 Incentive Plan, which has been filed as an appendix to the copy of this Proxy Statement that was filed electronically with the SEC and can be reviewed on the SEC's website at <http://www.sec.gov>. A copy of our Amended 2003 Incentive Plan document may also be obtained by written request to our Corporate Secretary at The Macerich Company, 401 Wilshire Boulevard, Suite 700, Santa Monica, California 90401.

The principal terms of our Amended 2003 Incentive Plan are summarized below. The summary is qualified in its entirety by the full text of our Amended 2003 Incentive Plan.

Summary Description of our Amended 2003 Incentive Plan

Purpose. The purpose of our Amended 2003 Incentive Plan is to promote the success of our Company by providing an additional means, through the grant of stock based incentives and other awards, to attract, retain, motivate and reward key employees (including employees who are officers) and directors of, and certain consultants and advisors to, our Company, its subsidiaries, and related entities. Our Amended 2003 Incentive Plan generally provides for incentives and awards which may vest or become payable based on performance criteria or past or continued service. Our Company's subsidiaries and its related entities are collectively referred to as our "Subsidiaries."

Administration. Our Amended 2003 Incentive Plan provides that it may be administered by our Board of Directors or a committee consisting of one or more directors (or such greater number of directors as may be required under applicable law). Our Board of Directors has delegated general administrative authority for our Amended 2003 Incentive Plan to the Compensation Committee of our Board of Directors and each member of that Committee is a non-employee director as well as an independent director.

The Compensation Committee has broad authority under our Amended 2003 Incentive Plan with respect to awards granted to eligible persons, which generally includes the authority:

to select the participants and the types of awards they may receive;

to determine the number of shares that are subject to awards and the specific terms and conditions of awards, including the price (if any) to be paid for the shares and/or the awards and any vesting criteria;

to cancel, modify or waive our Company's rights to, or modify, discontinue, suspend or terminate, any or all outstanding awards, subject to any required consents;

to accelerate or extend the exercisability or extend the term of any or all outstanding awards within the maximum term; and

to approve the forms of award agreements and construe and interpret our Amended 2003 Incentive Plan and make all other determinations necessary or advisable for the administration of our Amended 2003 Incentive Plan.

Notwithstanding this authority, without prior stockholder approval, our Company will not reduce the exercise or base price of any option or SAR granted under our Amended 2003 Incentive Plan (i.e. "reprice") by amendment, substitution, cancellation and regrant or other means, other than as a result of antidilution or other adjustments under our Amended 2003 Incentive Plan incident to certain events such as a stock split, stock dividend, recapitalization, reorganization, or similar transaction affecting the underlying securities.

Eligibility. Persons eligible to receive discretionary awards under our Amended 2003 Incentive Plan include key employees, (including employees who are officers) and directors of, and certain consultants or advisors to, our Company or our Subsidiaries, which we refer to as "Eligible Persons".

As of March 31, 2009, approximately 100 officers and employees of our Company and our Subsidiaries (including all of the named executive officers) and all of our non-employee directors were

Table of Contents

considered eligible under our Amended 2003 Incentive Plan, subject to the Compensation Committee's discretion to determine the particular individuals who, from time to time, will be selected to receive awards.

Shares Available for Awards. The aggregate number of shares of Common Stock that may be issued pursuant to all awards under our 2003 Incentive Plan currently is 6,000,000 shares. If stockholders approve this Amended 2003 Incentive Plan proposal, the aggregate share limit for our Amended 2003 Incentive Plan would be increased by an additional 6,800,000 shares so that the new aggregate share limit would be 12,800,000 shares. In addition, if stockholders approve this Amended 2003 Incentive Plan proposal, shares issued in respect of any "full-value award" granted under our Amended 2003 Incentive Plan after June 8, 2009 will be counted against the share limit as 2.62 shares for every one share actually issued in connection with the award. For example, if our Company granted a restricted stock award of 100 shares of Common Stock under our Amended 2003 Incentive Plan after June 8, 2009, 262 shares would be charged against the share limit with respect to that award. For this purpose, a "full-value award" generally means any award granted under our Amended 2003 Incentive Plan other than a stock option or SAR.

Various additional share limits are imposed under our Amended 2003 Incentive Plan. A maximum of:

1,950,000 shares may be issued pursuant to incentive stock options, or "ISOs" granted under our 2003 Incentive Plan. If stockholders approve our Amended 2003 Incentive Plan proposal, this limit would be increased to 4,000,000 shares. For purposes of clarity, any shares that are delivered pursuant to ISOs also count against (and are not in addition to) the aggregate Amended 2003 Incentive Plan share limit described above.

500,000 shares may be issued under our 2003 Incentive Plan pursuant to stock options and SARs granted to any individual in any calendar year. If stockholders approve our Amended 2003 Incentive Plan proposal, this limit would be increased to 750,000 shares.

750,000 shares may be issued under our 2003 Incentive Plan pursuant to all stock-based awards granted to an individual in any calendar year. If stockholders approve our Amended 2003 Incentive Plan proposal, this limit would be increased to 1,000,000 shares.

350,000 shares in the aggregate (excluding shares issued in lieu of cash compensation otherwise payable to the non-employee directors) may be issued under our 2003 Incentive Plan pursuant to awards granted to non-employee directors. If stockholders approve our Amended 2003 Incentive Plan proposal, this limit would be eliminated.

To the extent that the exercise of an option or other award would cause the holder to own more than 9.8% of the lesser of the number or the value of the outstanding Common Stock and preferred stock (except as otherwise permitted under our charter), our Company has the option to deliver either shares of Common Stock or an amount in cash equal to the closing price of a share of Common Stock, as reported on the New York Stock Exchange.

To the extent that an award is settled in cash or a form other than shares, the shares that would have been delivered had there been no such cash or other settlement will not be counted against the shares available for issuance under our Amended 2003 Incentive Plan. In the event that shares are delivered in respect of a dividend equivalent right, or "DER" (and, for purposes of clarity, other than as a result of an adjustment pursuant to a stock split, stock dividend or similar event), only the actual number of shares delivered with respect to the award shall be counted against the share limits of our Amended 2003 Incentive Plan. To the extent that shares are delivered pursuant to the exercise of a SAR or stock option, the number of underlying shares as to which the exercise related shall be counted against the applicable share limits, as opposed to only counting the shares actually issued. (For purposes of clarity, if a SAR relates to 100,000 shares and is exercised at a time when the payment due to the participant is 15,000 shares, 100,000 shares shall be charged against the applicable share limits)

Table of Contents

with respect to such exercise.) Shares that are subject to or underlie awards which expire or for any reason are cancelled, terminated, or forfeited, fail to vest, or for any other reason are not paid or delivered under our Amended 2003 Incentive Plan will again be available for subsequent awards under our Amended 2003 Incentive Plan. Shares that are exchanged by a participant or withheld by our Company to pay the exercise price of an award granted under our Amended 2003 Incentive Plan, as well as any shares exchanged or withheld to satisfy the tax withholding obligations related to any award, will not be available for subsequent awards under our Amended 2003 Incentive Plan. In addition, our Amended 2003 Incentive Plan generally provides that shares issued in connection with awards that are granted by or become obligations of our Company through the assumption of awards (or in substitution for awards) in connection with an acquisition of another company will not count against the shares available for issuance under our Amended 2003 Incentive Plan. Our Company may not increase the applicable share limits of our Amended 2003 Incentive Plan by repurchasing shares of Common Stock on the market (by using cash received through the exercise of stock options or otherwise).

Types of Awards. Our Amended 2003 Incentive Plan authorizes the grant of stock options, SARs, restricted stock, stock units, stock bonuses, Performance-Based Awards (described below), DERs and OP Units or other convertible or exchangeable units, as well as cash bonus awards.

Except as may be provided in or by amendment to an applicable award agreement or another written agreement, generally speaking, no award granted under our Amended 2003 Incentive Plan may be exercisable or may vest until at least six months after the date of grant. The Compensation Committee may authorize settlement of awards in cash or shares or other awards, subject to certain preexisting rights of participants evidenced by an award agreement.

The Compensation Committee in making or amending an award may determine the effect of termination of service (including retirement) on the rights and benefits under awards and in doing so may make distinctions based upon the cause of termination or other factors.

Our Amended 2003 Incentive Plan permits participants to pay the exercise price of an option or the cash purchase price (if any) of any shares in one or a combination of the following methods: (1) in cash or by electronic funds transfer; (2) by check payable to the order of our Company; (3) if permitted by the Compensation Committee, by notice and third party payment; or (4) by the delivery of shares of Common Stock already owned by the participant. Shares may also be issued solely for services or other rights or property. Our Amended 2003 Incentive Plan does not permit loans to participants to finance awards or stock purchases.

Transfer Restrictions. Subject to customary exceptions, rights and benefits under awards under our Amended 2003 Incentive Plan are not transferable by the recipient other than by will or the laws of descent and distribution, and are generally only exercisable by the participant (or, if the participant has suffered a disability, his or her legal representative). The Compensation Committee may, however, permit certain transfers of an award if the transferor presents satisfactory evidence that the transfer is for donative, estate and/or tax planning purposes to certain related persons or entities and without consideration (other than nominal consideration), or in certain other circumstances.

Stock Options. An option is the right to purchase shares of Common Stock at a future date at a specified price (the "exercise price") during a specified term not to exceed 10 years. The Compensation Committee may grant one or more options to any Eligible Person.

The exercise price of any options granted to Eligible Persons under our Amended 2003 Incentive Plan is determined by the Compensation Committee at the time of the grant and must be at least 100% (110% in the case of an ISO granted to a participant who owns or is deemed to own more than 10% of the total combined voting power of all classes of stock of our Company) of the fair market value of the Common Stock on the date of grant. The Compensation Committee may grant ISOs or nonqualified stock options under our Amended 2003 Incentive Plan. ISOs have more restrictive eligibility criteria and are taxed differently from nonqualified stock options, as described under

Table of Contents

"Federal Income Tax Consequences of Options" below. ISOs are also subject to more restrictive terms and are limited in amount by the Code and our Amended 2003 Incentive Plan.

Stock Appreciation Rights. In its discretion, the Compensation Committee may grant a SAR concurrently with or after the grant of an option, and with reference to all or a portion of the shares covered by such option, or on a stand-alone basis. A SAR granted in connection with an option is typically the right to receive payment of an amount equal to the excess of the fair market value of Common Stock on the date the SAR is exercised over the exercise price of the related option, which we refer to as the "spread value". The base price of a stand-alone SAR must be at least the fair market value of the Common Stock on the grant date. The base price of a SAR granted with reference to an outstanding option may be less than the fair market value of Common Stock on the date of grant, but if so, may not be less than the option exercise price. A SAR granted in connection with an option is only exercisable if and to the extent that the related option is exercisable. Upon exercise of a SAR, the holder receives the spread value in shares of Common Stock (valued at fair market value at date of exercise), in cash, or in a combination of Common Stock and cash. The maximum term of SARs granted under our Amended 2003 Incentive Plan is 10 years.

Restricted Stock and Stock Units. A restricted stock award is an award typically for a fixed number of shares of Common Stock, which is subject to vesting or other restrictions. The Compensation Committee must specify the price, if any, or services the recipient must provide for the shares of restricted stock, the conditions on vesting (which may include, among others, the passage of time or specified performance objectives or both) and any other restrictions (for example, restrictions on transfer) imposed on the shares. Unless the Compensation Committee otherwise provides in an award agreement, a restricted stock award confers voting and dividend rights prior to vesting.

A stock unit represents a bookkeeping entry which serves as a unit of measurement relative to a share for purposes of determining the payment, in shares or cash, of a deferred benefit or right. Stock units may be granted for services rendered, in lieu of other compensation, or in lieu of, in exchange for or in addition to any other award under the Plan. The Compensation Committee will specify the terms relating to the stock units, the conditions on vesting and any other restrictions imposed on the units in making the award. The stock units do not confer voting rights but may provide for DERs as determined by the Compensation Committee.

Performance-Based Awards. The Compensation Committee may grant to eligible employees of our Company and our Subsidiaries Performance-Based Awards (other than qualifying options or SARs) designed to satisfy the requirements for deductibility under Section 162(m) of the Code, which we refer to as "Qualified PBAs".

Qualified PBAs are earned and payable only if performance reaches specific, pre-established performance goals related to one or more business criteria approved by the Compensation Committee. The performance goals must be approved by the Compensation Committee in advance of applicable deadlines under the Code and while the performance relating to the goals remains substantially uncertain. The performance goals may be established based on one or a combination of the following business criteria:

funds from operations;

net income;

EBITDA (earnings before interest, taxes, depreciation and amortization);

total revenue growth;

total stockholder return;

occupancy gains;

stock appreciation;

Table of Contents

square footage growth; and/or

sales per square foot growth

The business criteria (as each is defined in the Amended 2003 Incentive Plan) may be applied based on the performance of our Company (including our Subsidiaries) on a consolidated, Subsidiary, segment, division, region or property basis. The performance measurement period with respect to an award may be from one to 10 years. To the extent provided in the applicable award agreement, performance goals will be adjusted to mitigate the unbudgeted impact of material, unusual or nonrecurring gains and losses, accounting changes or other extraordinary events not foreseen at the time the targets were set.

Performance-Based Awards may be stock-based (payable in stock only or in cash or stock) or may be cash-only awards. Before any Performance-Based Award is paid, the Compensation Committee must certify that the performance goals have been satisfied. The Compensation Committee will have discretion to determine the performance goals and restrictions or other limitations of the individual awards and may reserve "negative" discretion to reduce payments below maximum award limits. The maximum number of shares of Common Stock which may be delivered pursuant to all stock-related awards to any participant under our 2003 Incentive Plan in any calendar year may not exceed 750,000 shares (subject to standard anti-dilution adjustments). The aggregate amount of compensation that may be paid to any participant in respect of Performance-Based Awards payable only in cash and not related to stock under our 2003 Incentive Plan may not exceed (x) the lesser of 200% of base salary as of the beginning of the applicable performance period or \$800,000, times (y) the applicable number of years (not to exceed 10) in the performance period for the award. In addition, if a Performance-Based Award is payable in cash or shares of restricted stock, the lesser of the share limit or the dollar limit will apply, and for the purposes of these limits, the restricted stock will be deemed to have a value not less than two-thirds of the fair market value of the Common Stock on the applicable measurement date. If stockholders approve this Amended 2003 Incentive Plan proposal, the share limit referred to in this paragraph would be increased to 1,000,000 shares, the cash limit referred to in this paragraph would be increased to \$3,000,000 multiplied by the applicable number of years (not to exceed 10) in the performance period for the award and the limitation based on a percentage of the participant's base salary would be eliminated.

Stock Bonuses. A stock bonus typically represents a bonus in shares for services rendered (in excess of cash payment for the shares, if any). The Compensation Committee may grant stock bonuses to reward services, contributions or achievements or in connection with the deferral of compensation, in such manner and on such terms and conditions (including any restrictions on the shares) as the Compensation Committee may determine from time to time.

Dividend Equivalent Rights. Our Amended 2003 Incentive Plan authorizes awards, excluding options and SARs, to be granted with or without DERs. DERs are amounts payable in cash, stock or other property (or additional stock units that may be paid in stock or cash) and are based on all or part of the amount of dividends that would have been paid on shares had the shares been outstanding from the date the stock-based award was granted. The Compensation Committee determines the time and conditions of payment and may limit amounts payable as DERs. Restricted stock and other stock-based awards are not considered awards coupled with DERs insofar as shares of Common Stock or other securities underlying these awards carry by their own terms the right to receive dividends or distributions.

Operating Partnership Units or other Convertible or Exchangeable Units. The Compensation Committee may authorize for the benefit of any Eligible Person, the issuance of Common Stock or the payment of cash in connection with, or upon the exercise, conversion or exchange of, phantom units or other interests in Subsidiaries that are issued by the Subsidiary, subject to the Compensation

Table of Contents

Committee's approval and any required Board approval. Such interests or rights may be convertible or exchangeable into shares of Common Stock, units or cash.

Deferred Payments. Our Amended 2003 Incentive Plan authorizes the Compensation Committee to permit the deferred payment of awards. The Compensation Committee may determine the form and timing of payment, vesting, and other terms applicable to deferrals.

Adjustments; Acceleration. As is customary in incentive plans of this nature, each share limit and the number and kind of shares available under our Amended 2003 Incentive Plan and any outstanding stock-based awards, as well as the exercise, base or purchase prices of awards, and performance targets under certain types of performance-based awards (e.g., a SAR), are subject to adjustment in the event of certain reorganizations, mergers, combinations, recapitalizations, stock splits, stock dividends, or other similar events that change the number or kind of shares outstanding, and extraordinary dividends or distributions of property to the stockholders.

Our Amended 2003 Incentive Plan also generally provides for full vesting and acceleration of awards upon a termination of the Eligible Person's employment other than for cause or due to the Eligible Person's death or disability (including, in certain cases, a constructive termination) upon or not later than 12 months following a Change in Control Event affecting our Company, unless the Compensation Committee or our Board of Directors otherwise provides either for more favorable or less favorable acceleration to some or all participants. As defined in our Amended 2003 Incentive Plan, a Change in Control Event generally includes (subject to certain exceptions and as more specifically defined in our Amended 2003 Incentive Plan):

an acquisition by any person of beneficial ownership of 20% or more of the voting stock of our Company.

certain changes in a majority of our Board of Directors.

stockholder approval of a liquidation or dissolution of our Company.

the consummation of a merger or consolidation or sale of all or substantially all of our Company's assets, in any case involving more than a 40% change in ownership.

In certain circumstances, awards that have been fully accelerated and that have not been exercised prior to the occurrence of certain events will terminate unless provision has been made for their survival, exchange, substitution, exchange or other settlement.

No Limit on Other Plans or Agreements. Our Amended 2003 Incentive Plan generally does not limit the authority of our Board of Directors or the Compensation Committee to grant awards or authorize any other compensation, with or without reference to the Common Stock, under any other plan or authority. Neither does our Amended 2003 Incentive Plan limit the authority of our Board of Directors or Compensation Committee by agreement with a participant to alter standard provisions as to the vesting or exercisability of awards.

Termination of or Changes to our Amended 2003 Incentive Plan. Our Board of Directors may terminate, suspend, modify or amend our Amended 2003 Incentive Plan at any time. Stockholder approval for an amendment will be obtained if required under our Amended 2003 Incentive Plan, or under Sections 162(m), 422 or 424 of the Code, by other applicable law (including stock exchange rules), or if deemed necessary or advisable by our Board of Directors.

Our 2003 Incentive Plan is currently scheduled to expire on March 31, 2013. If stockholders approve this Amended 2003 Incentive Plan proposal, the term of our Amended 2003 Incentive Plan would be extended until June 8, 2019, subject to earlier termination by our Board of Directors. The applicable provisions of our Amended 2003 Incentive Plan and the Compensation Committee's authority will continue with respect to any awards then outstanding.

Table of Contents

Generally speaking, outstanding options and other awards may be amended by the Compensation Committee (subject to the no-repricing provision referred to above), but the consent of the holder is required if the amendment (or any plan amendment) materially adversely affects the holder.

Securities Underlying Awards. The closing price of a share of Common Stock on April 23, 2009 was \$15.59 per share. If our Amended 2003 Incentive Plan proposal is approved by stockholders, our Company plans to register the 6,800,000 additional shares of Common Stock available for issuance under our Amended 2003 Incentive Plan under the Securities Act of 1933, as amended.

Federal Income Tax Consequences of Options

The U.S. federal income tax consequences of our Amended 2003 Incentive Plan under current federal law, which is subject to change, are summarized in the following discussion of the general tax principles applicable to our Amended 2003 Incentive Plan. This summary is not intended to be exhaustive and, among other considerations, does not describe the deferred compensation provisions of Section 409A of the Code to the extent an award is subject to and does not satisfy those rules, nor does it describe state, local, or international tax consequences.

With respect to nonqualified stock options, our Company is generally entitled to deduct and the participant recognizes taxable income in an amount equal to the difference between the option exercise price and the fair market value of the shares at the time of exercise. With respect to ISOs, our Company is generally not entitled to a deduction nor does the participant recognize income at the time of exercise, although the participant may be subject to the U.S. federal alternative minimum tax.

The current federal income tax consequences of other awards authorized under our Amended 2003 Incentive Plan generally follow certain basic patterns: nontransferable restricted stock subject to a substantial risk of forfeiture results in income recognition equal to the excess of the fair market value over the price paid (if any) only at the time the restrictions lapse (unless the recipient elects to accelerate recognition as of the date of grant); bonuses, SARs, cash and stock-based performance awards, DERs, stock units, and other types of awards are generally subject to tax at the time of payment; and compensation otherwise effectively deferred is taxed when paid. In each of the foregoing cases, our Company will generally have a corresponding deduction at the time the participant recognizes income.

If an award is accelerated under our Amended 2003 Incentive Plan in connection with a change in control (as this term is used under the Code), our Company may not be permitted to deduct the portion of the compensation attributable to the acceleration if it exceeds certain threshold limits under the Code; related excise taxes also may be triggered. Furthermore, if compensation attributable to awards is not performance-based within the meaning of Section 162(m) of the Code, our Company may not be permitted to deduct that compensation to certain executive officers to the extent that aggregate non-performance-based compensation exceeds \$1,000,000 in any tax year.

Specific Benefits.

Our Company has not approved any awards that are conditioned upon stockholder approval of our Amended 2003 Incentive Plan. If the additional shares that will be available under our Amended 2003 Incentive Plan if stockholders approve the proposed amendments had been available for award purposes in fiscal 2008, our Company expects that its award grants made in fiscal 2008 would not have been substantially different from those actually made in that year under our 2003 Incentive Plan. For information regarding the bonuses paid to our named executive officers for 2008 performance (and certain stock-based awards granted to our named executive officers in 2009 with respect to their bonuses for 2008), see the discussion in the "Compensation Discussion and Analysis" section above. For information regarding stock-based awards granted to our Company's named executive officers during 2008, see the material under the heading "Grants of Plan-Based Awards" above.

In addition to awards of restricted stock and stock units covering shares of Common Stock granted under our 2003 Incentive Plan, these columns also include outstanding "LTIP Units" granted to certain of our employees. Under certain circumstances, LTIP Units that become vested may be redeemed by the holder for shares of Common Stock on a one-for-one basis or the cash value of such shares, at our Company's election. Any shares of Common Stock issued pursuant to such LTIP Units would be charged against the applicable share limits of our 2003 Incentive Plan. The terms of the LTIP Units are more fully described on pages 40-41 of this Proxy Statement.

Arthur M. Coppola, James S. Cownie and Mason Ross are nominees for election as directors at our Annual Meeting.

Table of Contents**EQUITY COMPENSATION PLAN INFORMATION**

Our Company currently maintains two equity compensation plans for the granting of equity awards to directors, officers and employees: our 2003 Incentive Plan and the Director Phantom Stock Plan. Certain of our Company's outstanding stock awards were granted under other equity compensation plans which are no longer available for stock awards: the Director Plan, the 1994 Incentive Plan and the 2000 Incentive Plan. Our Company also maintains the Employee Stock Purchase Plan ("ESPP"). With the exception of the 2000 Incentive Plan, these plans have each been approved by our Company's stockholders.

The following table sets forth, for each of our Company's equity compensation plans, the number of shares of common stock subject to outstanding awards, the weighted-average exercise price of outstanding options, and the number of shares remaining available for future award grants as of December 31, 2008.

Plan category	Number of shares of Common Stock to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights(1)	Number of shares of Common Stock remaining available for future issuance under equity compensation plans (excluding shares reflected in the first column)
Equity compensation plans approved by stockholders	620,195(2)	\$ 69.28	4,150,737(3)
Equity compensation plans not approved by stockholders	10,000(4)	\$ 30.75	
Total	630,195	\$ 66.50	4,150,737

- (1) These weighted-average exercise prices do not reflect the shares that will be issued upon the payment of outstanding stock units or limited partnership units.
- (2) Of these shares, 102,500 were subject to options then outstanding under our 2003 Incentive Plan, 23,434 were subject to options then outstanding under the 1994 Incentive Plan, 3,000 were subject to options then outstanding under the Director Plan, 365,151 may be issued upon redemption of LTIP Units or OP Units under our 2003 Incentive Plan, and 126,110 were subject to stock units, payable on a one-for-one basis, then credited under the Director Phantom Stock Plan. As noted above, our Company's authority to grant new awards under the 1994 Incentive Plan and the Director Plan has terminated. This number of shares is presented after giving effect to the 58,192 shares purchased under the ESPP for the purchase period that ended December 31, 2008.
- (3) Of these shares, 3,352,901 were available for options, stock appreciation rights, restricted stock, stock units, stock bonuses, performance based awards, dividend equivalent rights and OP Units or other units convertible into or exchangeable for Common Stock under our 2003 Incentive Plan, 106,028 were available for the issuance of stock units under the Director Phantom Stock Plan, and 691,808 were available for issuance under the ESPP. This table does not reflect the 6,800,000 additional shares that will be available under our Amended 2003 Incentive Plan if stockholders approve our Amended 2003 Incentive Plan proposal.
- (4) These shares were subject to outstanding options under the 2000 Plan. The 2000 Plan did not require approval of, and has not been approved by, our Company's stockholders. No additional awards will be made under the 2000 Plan and none have been made since the 2003 Incentive Plan was adopted. The 2000 Plan generally provided for the grant of options, stock appreciation rights, restricted stock awards, stock units, stock bonuses and dividend equivalent rights to employees, directors and consultants of our Company or its subsidiaries. The only awards that were granted under the 2000 Plan were stock options and restricted stock. The stock options granted generally expire not more than 10 years after the date of grant and vest in three equal annual installments,

commencing on the first anniversary of the grant date. The restricted stock grants generally vested in equal installments over three years.

Vote Required.

Our Board of Directors believes that the proposed amendments to our 2003 Incentive Plan will promote the interests of our Company and its stockholders and continue to enable our Company to attract, retain and reward persons important to our Company's success.

All members of our Board of Directors and all of our Company's executive officers are eligible to receive awards under our Amended 2003 Incentive Plan and thus have a personal interest in the approval of our Amended 2003 Incentive Plan proposal.

Approval of our Amended 2003 Incentive Plan proposal requires the affirmative vote of a majority of the votes cast on the matter at our Annual Meeting in person or by Proxy and a total number of votes cast on the matter representing over 50% of the outstanding shares of Common Stock. Broker non-votes and abstentions on the proposal have the effect described on page 4 of this Proxy Statement.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" APPROVAL OF OUR AMENDED 2003 INCENTIVE PLAN. PROXIES RECEIVED WILL BE VOTED "FOR" APPROVAL OF OUR AMENDED 2003 INCENTIVE PLAN UNLESS STOCKHOLDERS SPECIFY OTHERWISE IN THEIR INSTRUCTIONS TO THEIR PROXY.

AUTHORIZED SHARES OF COMMON STOCK AND
OUR TOTAL NUMBER OF AUTHORIZED SHARES OF STOCK**

On April 21, 2009, our Board of Directors adopted a resolution declaring it advisable to amend Article Fifth, subsection (a) of our Company's charter, as supplemented by Articles Supplementary filed on February 10, 2009, May 20, 2002 and November 13, 1998, to increase the number of authorized shares of our Common Stock from 145,000,000 to 250,000,000 shares and the total number of shares of stock of all classes that our Company has authority to issue from 220,000,000 to 325,000,000 shares. The text of the proposed amendment to the charter is set forth in Appendix III.

General Information

Our charter currently authorizes us to issue up to 220,000,000 shares of capital stock, par value \$.01 per share, consisting of 145,000,000 shares of Common Stock, 15,000,000 shares of preferred stock and 60,000,000 shares of excess stock. As of April 1, 2009, there were 77,033,475 shares of Common Stock outstanding and no shares of preferred or excess stock outstanding. In addition, as of April 1, 2009, we had reserved the following number of shares of Common Stock for possible issuance as specified below:

11,773,063 shares of Common Stock for issuance upon the redemption of outstanding limited partnership units of our Operating Partnership and MACWH, LP;

7,326,668 shares of Common Stock for issuance upon the conversion of our Company's Convertible Senior Notes due 2012;

4,489,363 shares of Common Stock for issuance upon exercise of outstanding awards under our stockholder-approved equity compensation plans;

2,530,637 shares of Common Stock available for issuance under our stockholder-approved equity compensation plans; and

Table of Contents

6,800,000 shares of Common Stock which will be available for issuance under our Amended 2003 Incentive Plan, if it is approved by our stockholders at our Annual Meeting.

Assuming stockholder approval of the proposed amendment, the aggregate number of shares of capital stock that we will be authorized to issue will be 325,000,000 shares, consisting of 250,000,000 shares of Common Stock, 15,000,000 shares of preferred stock and 60,000,000 shares of excess stock. The additional shares of Common Stock to be authorized by the proposed amendment will have rights identical to currently outstanding Common Stock.

Purpose and Effect of the Proposed Amendment

The purpose of the proposed amendment is to allow us to have a sufficient number of shares of authorized and unissued Common Stock that can be used in connection with such corporate purposes as may, from time to time, be considered advisable by our Board of Directors. Having such shares available for issuance in the future will give us greater flexibility and will also allow the shares to be issued as determined by our Board of Directors without the expense and delay of a special stockholders' meeting to approve the additional authorized capital stock. The corporate purposes for which we may issue Common Stock or securities that may be convertible or redeemable for Common Stock could include, without limitation, expanding our Company's business through the acquisition of other businesses, raising capital, paying stock dividends, providing equity incentives to employees, officers and directors and establishing strategic relationships with other companies. Our Company currently does not have specific plans, arrangements or agreements relating to the issuance of additional shares of Common Stock that would be authorized by the amendment to our charter; however, our Company from time to time considers potential transactions and evaluates growth opportunities that might require the issuance of additional shares of Common Stock.

The increase in our authorized Common Stock will not have any immediate effect on the rights of existing stockholders. To the extent that the additional authorized shares are issued in the future, such shares will have a dilutive effect on the voting power of existing stockholders and, depending on the price for which they are issued, may have a dilutive effect on our earnings per share and FFO per share and may adversely affect the market price of our Common Stock. In addition, the increase in the authorized number of shares of our Common Stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of our Company without further action by the stockholders. Shares of authorized and unissued Common Stock could (within the limits imposed by applicable law) be issued in one or more transactions that would make a change in control of us more difficult, and therefore less likely. Any such issuance of additional stock could have the effect of diluting the earnings per share, FFO per share and book value per share of our outstanding shares of Common Stock, and such additional shares could be used to dilute the stock ownership or voting rights of a person seeking to obtain control of our Company. Our Board of Directors is not aware of any attempt to take control of our Company and has not presented this proposal with the intention that the increase in our authorized shares of Common Stock be used as a type of antitakeover device.

Maryland law and our charter permit our Board of Directors, or any duly authorized committee thereof, to classify and reclassify any unissued shares of our capital stock by setting or changing in any one or more respects the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications or terms or conditions of redemption of the classified or reclassified shares of our capital stock. The terms of any stock classified or reclassified by our Board of Directors or a duly authorized committee thereof in accordance with our charter will be set forth in articles supplementary filed with the State Department of Assessments and Taxation of Maryland prior to the issuance of any classified or reclassified stock.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange. Officers, directors and greater than 10% stockholders are required by the SEC's regulations to furnish our Company with copies of all Section 16(a) forms they file. To our knowledge, based solely on our review of the copies of such reports furnished to our Company during and with respect to the fiscal year ended December 31, 2008, all Section 16(a) filing requirements applicable to our executive officers, directors and greater than 10% beneficial owners were satisfied, except for one Form 4 that was not timely filed to report the involuntary sale of 5,406 shares by Mr. A. Coppola's brokerage firm as a result of its error.

Other Matters

Our Board of Directors does not know of any matter other than those described in this Proxy Statement which will be presented for action at our Annual Meeting. If other matters are presented, Proxies will be voted in accordance with the discretion of the Proxy holders.

REGARDLESS OF THE NUMBER OF SHARES YOU OWN, YOUR VOTE IS IMPORTANT TO OUR COMPANY.

A majority of the members of the Board of Directors of The Macerich Company, ("Macerich") shall be independent of Macerich and its executive officers. For a Director to be deemed independent, the Board shall affirmatively determine that the Board member has no material relationship with Macerich (either directly or as a partner, shareholder or officer of an organization that has a relationship with Macerich) or any of its executive officers. (For purposes of this standard, principal loaned or repaid on any outstanding indebtedness is excluded but the amount of any interest payments or other fees paid by Macerich in association with any such loans is included. In addition, contributions to tax-exempt organizations shall not be considered payments for purposes of this standard.)

II. Categorical Standards

III. Other Transactions

Relationships not specifically covered by the above categorical standards may, in the Board's judgment, be deemed not to be material and the Director will be deemed independent, if, after taking into account all relevant facts and circumstances, the Board determines that the existence of such relationship or transaction would not impair the Director's exercise of independent judgment. The Nominating and Corporate Governance Committee will review the independence of each non-management Director and make its recommendation to the full Board for their consideration.

In making a determination regarding a Director's independence, the Board shall consider all relevant facts and circumstances, including the Director's commercial, industrial, banking, consulting, legal, accounting, charitable, and familial relationships and such other criteria as the Board may determine from time to time.

The Board shall undertake an annual review of the independence of all non-management Directors. In advance of the meeting at which this review occurs, each non-management Director shall be asked to provide the Board with full information regarding the Director's business and other relationships with Macerich and with its executive officers to enable the Board to evaluate the Director's independence. Directors also have an affirmative obligation to inform the Board of any material changes in circumstances or relationships that may impact their designation by the Board as independent.

For purposes of the Categorical Standards, the holdings of immediate family members of the Director and the executive officer will be included in determining whether the Director and/or executive officers owns more than 10% of the outstanding equity securities of a company or is a controlling equity holder.

2003 EQUITY INCENTIVE PLAN**

(Amended and Restated as of [], 2009)

1. THE PLAN

1.1 Purpose

The purpose of this Plan is to promote the success of the Company by providing an additional means through the grant of Awards to attract, motivate, retain and reward key employees (including employees who are officers) and directors of, and certain consultants and advisors to, the Company with awards and incentives for individual service or performance, financial performance of the Company and market performance of the Corporation's Common Stock. "Corporation" means The Macerich Company, a Maryland corporation, and its successors, and "Company" means the Corporation and its Subsidiaries, collectively. These terms and other capitalized terms are defined in Article 7.

1.2 Administration and Authorization; Power and Procedure.

(a) *Committee.* This Plan shall be administered by and all Awards to Eligible Persons shall be authorized by the Committee. Action of the Committee with respect to the administration of this Plan shall be taken pursuant to a majority vote or by unanimous written consent of its members. Where the Committee authorizes the issuance of shares under this Plan, the Committee shall adopt a resolution which sets the minimum consideration for the shares to be issued or a formula for its determination, fairly describes any consideration other than money and states any findings required by this Plan or the partnership agreement of The Macerich Partnership, L.P.

(b) *Plan Awards; Interpretation; Powers of Committee.* Subject to the express provisions of this Plan, the resolutions of the Board approving this Plan, and compliance with Section 2-203 of the Maryland General Corporation Law, the Committee shall have the authority:

- (i) to determine eligibility and, from among those persons determined to be eligible, the particular Eligible Persons who will receive an Award;
- (ii) to grant or approve Awards, including Awards issued by its Subsidiaries, to Eligible Persons, determine the price at which securities will be offered or awarded and the amount of securities to be offered or awarded to any of such persons, and determine the other specific terms and conditions of such Awards, including any performance criteria, consistent with the express limits of this Plan, and establish the installments (if any) in which such Awards shall become exercisable or shall vest, or determine that no delayed exercisability or vesting is required, and establish the events of termination or reversion of such Awards;

Notwithstanding the foregoing and except for an adjustment pursuant to Section 6.2(a) or a repricing approved by stockholders, in no case may the Committee (1) amend an outstanding Option or SAR to reduce the exercise price or base price of the Award, (2) cancel, exchange, or surrender an outstanding Option or SAR in exchange for cash or other Awards for the purpose of repricing the Award, or (3) cancel, exchange, or surrender an outstanding Option or SAR in exchange for an Option or SAR with an exercise or base price that is less than the exercise or base price of the original Award.

(c) *Binding Determinations/Liability Limitation.* Any action taken by, or inaction of, the Corporation, any Subsidiary, the Board or the Committee relating or pursuant to this Plan and within its authority hereunder or under applicable law shall be within the absolute discretion of that entity or body and shall be conclusive and binding upon all persons. Neither the Board nor any Committee, nor any member thereof or person acting at the direction thereof shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with this Plan (or any Award made under this Plan), and all such persons shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under any directors and officers liability insurance coverage that may be in effect from time to time.

(d) *Reliance on Experts.* In making any determination or in taking or not taking any action under this Plan, the Committee or the Board, as the case may be, may obtain and may rely upon the advice of experts, including professional advisors to the Corporation. No director, officer or agent of the Company shall be liable for any such action or determination taken or made or omitted in good faith.

(e) *Delegation.* The Committee may delegate ministerial, non-discretionary functions to individuals who are officers or employees of the Company.

1.3 Participation

Awards may be granted by the Committee only to those persons that the Committee determines to be Eligible Persons. An Eligible Person who has been granted an Award may, if otherwise eligible, be granted additional Awards if the Committee shall so determine.

1.4 Shares Available for Awards; Share Limits.

(a) *Shares Available.* Subject to the provisions of Section 6.2, the capital stock that may be delivered under this Plan shall be shares of the Corporation's authorized but unissued Common Stock. The shares may be delivered for any lawful consideration.

(b) *Share Limits.*(1)

(1) The current aggregate Share Limit for this Plan is 6,000,000 shares. Stockholders are being asked to approve amendments to this Plan that would increase this aggregate Share Limit by an additional 6,800,000 shares (so that the new aggregate Share Limit for the plan would be 12,800,000 shares). In addition, stockholders are being asked to approve the following changes to the sub-limits set forth in this Section 1.4(b): (1) an increase in the Incentive Stock Option limit from 1,950,000 shares to 4,000,000 shares; (2) an increase in the annual limit on Options and SARs granted to one individual from 500,000 shares to 750,000 shares; and (3) an increase in the annual limit on all stock-related Awards granted to one individual from 750,000 shares to 1,000,000 shares. Stockholders are also being asked to approve the elimination of the sub-limit on awards granted to non-employee directors under the plan.

(i) The maximum number of shares of Common Stock that may be delivered pursuant to Awards granted to Eligible Persons under this Plan shall not exceed 12,800,000 shares (the "*Share Limit*"). Shares issued in respect of any Full-Value Award granted under this Plan after June 8, 2009 shall be counted against the foregoing Share Limit as 2.62 shares for every one share actually issued in connection with such Award. (For example, if a stock bonus of 100 shares of Common

Table of Contents

Stock is granted under this Plan after June 8, 2009, 262 shares shall be charged against the Share Limit in connection with that Award.)

(ii) The maximum number of shares of Common Stock that may be delivered pursuant to options qualified as Incentive Stock Options granted under this Plan is 4,000,000 shares.

(iii) The maximum number of shares subject to those Options and Stock Appreciation Rights that are granted during any calendar year to any individual under this Plan shall be limited to 750,000 and the maximum limit on the number of shares in the aggregate subject to all stock-related Awards that during any calendar year are granted to any individual under this Plan shall be 1,000,000.

(iv) Each of the foregoing numerical limits shall be subject to adjustment as contemplated by this Section 1.4 and Section 6.2.

(c) *Calculation of Available Shares and Replenishment.* To the extent that an Award granted under this Plan is settled in cash or a form other than shares of Common Stock, the shares that would have been delivered had there been no such cash or other settlement shall not be counted against the shares available for issuance under this Plan. In the event that shares of Common Stock are delivered in respect of a Dividend Equivalent Right granted under this Plan (and for purposes of clarity, other than as a result of an adjustment pursuant to Section 6.2), the actual number of shares delivered with respect to the Award shall be counted against the share limits of this Plan. (For purposes of clarity, if 1,000 Dividend Equivalent Rights are granted and outstanding when the Corporation pays a dividend, and 50 shares are delivered in payment of those rights with respect to that dividend, 50 shares shall be counted against the share limits of this Plan). To the extent that shares of Common Stock are delivered pursuant to the exercise of an Option or Stock Appreciation Right granted under this Plan, the number of underlying shares as to which the exercise related shall be counted against the applicable share limits under Section 1.4(b), as opposed to only counting the shares actually issued. (For purposes of clarity, if a Stock Appreciation Right relates to 100,000 shares and is exercised at a time when the payment due to the Participant is 15,000 shares, 100,000 shares shall be charged against the applicable share limits under Section 1.4(b) with respect to such exercise.) Shares that are subject to or underlie Awards granted under this Plan which expire or for any reason are cancelled or terminated, are forfeited, fail to vest, or for any other reason are not paid or delivered under this Plan shall again be available for subsequent Awards under this Plan. Shares that are exchanged by a Participant or withheld by the Corporation as full or partial payment in connection with any Award under this Plan, as well as any shares exchanged by a Participant or withheld by the Corporation or one of its Subsidiaries to satisfy the tax withholding obligations related to any Award, shall not be available for subsequent Awards under this Plan. Refer to Section 6.12 for application of the foregoing share limits with respect to assumed awards. The foregoing adjustments to the share limits of this Plan are subject to any applicable limitations under Section 162(m) of the Code with respect to Awards intended as performance-based compensation thereunder.

1.5 *Grant of Awards.*

Subject to the express provisions of this Plan, the Committee shall determine the number of shares of Common Stock subject to each Award, the price (if any) to be paid for the shares or the Award and, in the case of Performance Share Awards, in addition to matters addressed in Section 1.2(b), the specific objectives, goals and performance criteria that further define the terms of the Performance Share Award. Each Award shall be evidenced by an Award Agreement. The Award Agreement shall set forth the material terms and conditions of the Award established by the Committee consistent with the specific provisions of this Plan.

Table of Contents

1.6 *Award Period.*

Each Award and all executory rights or obligations under the related Award Agreement shall expire on such date (if any) as shall be determined by the Committee, but, subject to Section 4.1(c), in the case of Options and Stock Appreciation Rights, not later than ten (10) years after the Award Date.

1.7 *Limitations on Exercise and Vesting of Awards.*

(a) *Provisions for Exercise.* Unless the Committee otherwise expressly provides or as provided in or pursuant to Section 6.2, no Award shall be exercisable or shall vest until at least six months after the initial Award Date, and once exercisable an Award shall remain exercisable until the expiration or earlier termination of the Award.

(b) *Procedure.* Any exercisable Award shall be deemed to be exercised when the Secretary or the Treasurer of the Corporation or its or their designee approves a notice of such exercise in the form required by the Company from the Participant, together with any required payment made in accordance with Section 2.2.

(c) *Fractional Shares/Minimum Issue.* Fractional share interests shall be disregarded, but may be accumulated. The Committee, however, may determine in the case of Eligible Persons that cash, other securities, or other property will be paid or transferred in lieu of any fractional share interests. No fewer than 100 shares may be purchased on exercise of any Award at one time unless the number purchased is the total number at the time available for purchase under the Award.

1.8 *No Transferability; Limited Exception to Transfer Restrictions.*

(a) *Limit On Exercise and Transfer.* Unless otherwise expressly provided in (or pursuant to) this Section 1.8, by applicable law and by the Award Agreement, as the same may be amended, (i) Awards are non-transferable and shall not be subject in any manner to sale, transfer, anticipation, alienation, assignment, pledge, encumbrance or charge; (ii) Awards shall be exercised only by the Participant; and (iii) amounts payable or shares issuable pursuant to any Award shall be delivered only to (or for the account of) the Participant.

(b) *Exceptions.* The Committee may permit Awards to be exercised by and paid to certain persons or entities related to the Participant, including but not limited to members of the Participant's immediate family, or charitable institutions, trusts or other entities controlled by or whose beneficiaries or beneficial owners are the Participant and/or members of the Participant's immediate family or to such other related persons or entities as may be approved by the Committee, pursuant to such conditions and procedures, including limitations on subsequent transfers, as the Committee may establish. Consistent with Section 6.4, any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer (i) is being made for essentially donative, estate and/or tax planning purposes on a gratuitous or donative basis and without consideration (other than nominal consideration or in exchange for an interest in a qualified transferee), and (ii) will not compromise the Corporation's ability to register shares issuable under this Plan on SEC Form S-8 under the Securities Act or a Subsidiary's ability to rely on SEC Rule 701 thereunder with respect to Subsidiary interests or securities. Notwithstanding the foregoing, ISOs and Restricted Stock Awards shall be subject to any and all additional transfer restrictions under the Code.

(c) *Further Exceptions to Limits On Transfer.* The exercise and transfer restrictions in Section 1.8(a) shall not apply to:

(i) transfers to the Corporation,

(ii) the designation of a beneficiary to receive benefits in the event of the Participant's death or, if the Participant has died, transfers to or exercise by the Participant's beneficiary, or, in the absence of a validly designated beneficiary, transfers by will or the laws of descent and distribution,

(iii) subject to any applicable ISO limitations, transfers to a family member (or former family member) pursuant to a domestic relations order if approved or ratified by the Committee,

(iv) if the Participant has suffered a disability, permitted transfers or exercises on behalf of the Participant by his or her legal representative, or

(v) the authorization by the Committee of "cashless exercise" procedures with third parties who provide financing for the purpose of (or who otherwise facilitate) the exercise of Awards consistent with applicable laws and the express authorization of the Committee.

2.

OPTIONS.

2.1 *Grants.*

One or more Options may be granted under this Article to any Eligible Person. Each Option granted shall be designated in the applicable Award Agreement, by the Committee as either an Incentive Stock Option, subject to Section 2.3, or a Nonqualified Stock Option.

2.2 *Option Price.*

(a) *Pricing Limits.* The purchase price per share of the Common Stock covered by each Option shall be determined by the Committee at the time of the Award, provided that such price shall be no less than 100% (110% in the case of an Incentive Stock Option granted to a Participant described in Section 2.4) of the Fair Market Value of the Common Stock on the date of grant and in all cases shall not be less than the par value thereof, payable in any form of lawful consideration specified by the Committee.

(b) *Payment Provisions.* The purchase price of any shares purchased on exercise of an Option granted under this Article shall be paid in full at the time of each purchase in one or a combination of the following methods: (i) in cash or by electronic funds transfer; (ii) by check payable to the order of the Corporation; or (iii) by the delivery of shares of Common Stock of the Corporation already owned by the Participant, *provided, however*, that the Committee may in its absolute discretion limit the Participant's ability to exercise an Award by delivering such shares. Shares of Common Stock used to satisfy the exercise price of an Option shall be valued at their Fair Market Value on the date of exercise. In addition to the payment methods described above and to the extent permitted by applicable law, the Committee may provide that the Option can be exercised and payment made by delivering a properly executed exercise notice together with irrevocable instructions to a broker to promptly deliver to the Corporation the amount of sale proceeds necessary to pay the exercise price and, unless otherwise allowed by the Committee, any applicable tax withholding under Section 6.5. The Corporation shall not be obligated to deliver the shares unless and until it receives full payment of the exercise price therefor and any related withholding obligations have been satisfied.

2.3 *Limitations on Grant and Terms of Incentive Stock Options.*

(a) *\$100,000 Limit.* To the extent that the aggregate "Fair Market Value" of stock with respect to which incentive stock options first become exercisable by a Participant in any calendar year exceeds \$100,000, taking into account both Common Stock subject to Incentive Stock Options under this Plan and stock subject to incentive stock options under all other plans of the Company, such options shall be treated as Nonqualified Stock Options. For this purpose, the "Fair Market Value" of the stock subject to options shall be determined as of the date the options were awarded. In reducing the number of options treated as incentive stock options to meet the \$100,000 limit, the most recently granted options shall be reduced first. To the extent a reduction of simultaneously granted options is necessary to meet the \$100,000 limit, the Committee may, in the manner and to the extent permitted by law, designate which shares of Common Stock are to be treated as shares acquired pursuant to the exercise of an Incentive Stock Option.

Table of Contents

(b) *Other Code Limits.* Incentive Stock Options may only be granted to Eligible Employees of the Corporation or a Subsidiary that qualifies as a "subsidiary corporation" pursuant to Section 424(f) of the Code. For this purpose, a "subsidiary corporation" means any Subsidiary that is a corporation in an unbroken chain of corporations beginning with the Corporation if, at the time of the granting of the option, each of the corporations other than the last corporation in the unbroken chain of corporations owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in such chain. There shall be imposed in any Award Agreement relating to Incentive Stock Options such other terms and conditions as from time to time are required in order that the Option be an "incentive stock option" as that term is defined in Section 422 of the Code.

2.4 *Limits on 10% Holders.*

No Incentive Stock Option may be granted to any person who, at the time the Option is granted, owns (or is deemed to own under Section 424(d) of the Code) shares of outstanding Common Stock possessing more than 10% of the total combined voting power of all classes of stock of the Corporation, unless the exercise price of such Option is at least 110% of the Fair Market Value of the stock subject to the Option and such Option by its terms is not exercisable after the expiration of five years from the date such Option is granted.

2.5 *Effects of Termination of Employment or Service.*

(a) *Options.* Unless otherwise provided in, or by authorized amendment to, the Award Agreement or provided in another applicable agreement with the Participant:

(i) *Options Resignation or Dismissal.* If the Participant's employment by (or other service specified in the Award Agreement to) the Company terminates for any reason (the date of such termination being referred to as the "*Severance Date*") (other than Total Disability or death, Retirement, or for Cause (as determined in the discretion of the Committee)), the Participant shall have three months after the Severance Date to exercise any Option to the extent it shall have become exercisable on the Severance Date. In the case of a termination for Cause, the Option shall terminate on the Severance Date. In other cases, the Option, to the extent not exercisable on the Severance Date, shall terminate on that date.

(ii) *Options Death or Disability.* If the Participant's employment by (or specified service to) the Company terminates as a result of Total Disability or death, the Participant, Participant's Personal Representative or his or her Beneficiary, as the case may be, shall have until 12 months after the Severance Date to exercise any Option to the extent it shall have become exercisable by the Severance Date. The Option, to the extent not exercisable on the Severance Date, shall terminate on that date.

(iii) *Options Retirement.* If the Participant's employment by (or specified service to) the Company terminates as a result of Retirement, the Participant, Participant's Personal Representative or his or her Beneficiary, as the case may be, shall have until 12 months after the Severance Date to exercise any Nonqualified Stock Option (three months after the Severance Date in the case of an Incentive Stock Option) to the extent it shall have become exercisable by the Severance Date. The Option, to the extent not exercisable on the Severance Date, shall terminate on that date.

(b) *Certain SARs.* Any SAR granted concurrently or in tandem with an Option shall have the same post-termination provisions and exercisability periods as the Option to which it relates, unless the Committee otherwise provides.

(c) *Committee Discretion.* Notwithstanding and without limiting the foregoing provisions of this Section 2.5, in the event of, or in anticipation of, a termination of employment or service with the Company for any reason the Committee may, in its discretion, increase the portion of the Participant's

Table of Contents

Award available to the Participant, or Participant's Beneficiary or Personal Representative, as the case may be, or, subject to the provisions of Section 1.6, extend the exercisability period, upon such terms as the Committee shall determine and expressly set forth in or by amendment to the Award Agreement.

(e) *Limitations on Incentive Stock Options.* Notwithstanding the foregoing, to the extent that the post-termination exercise period of an Incentive Stock Option exceeds the limitations under Section 422 the Code, such Option will cease to be treated as Incentive Stock Option and shall be treated as a Nonqualified Stock Option at such time that the applicable time limit is exceeded.

2.6 *Limitation on Exercise of Option Award.* No Participant may receive Common Stock upon exercise of an Option to the extent that it will cause such person to Beneficially or Constructively Own Equity Shares in excess of the Ownership Limit. If a Participant exercises any portion of an Option (by tendering the exercise price to the Corporation) which upon delivery of the Common Stock would cause the holder of the Option to Beneficially or Constructively Own Equity Shares in excess of the Ownership Limit, the Corporation shall have the right to deliver to the Participant, in lieu of Common Stock, a check or cash in the amount equal to the Fair Market Value of the Common Stock otherwise deliverable on the date of exercise (minus any amounts withheld pursuant to Section 6.5).

3.
STOCK APPRECIATION RIGHTS (INCLUDING LIMITED STOCK APPRECIATION RIGHTS).

3.1 *Grants.*

In its discretion, the Committee may grant to any Eligible Person Stock Appreciation Rights either concurrently with the grant of another Award or in respect of an outstanding Award, in whole or in part, or independently of any other Award. Any Stock Appreciation Right granted in connection with an Incentive Stock Option shall contain such terms as may be required to comply with the provisions of Section 422 of the Code and the regulations promulgated thereunder, unless the holder otherwise agrees.

3.2 *Exercise of Stock Appreciation Rights.*

(a) *Tandem SARs.* Unless the Award Agreement or the Committee otherwise provides, a Stock Appreciation Right related to an Option shall be exercisable at such time or times, and to the extent, that the related Option shall be exercisable. The base price of any SAR related to an Option may be less than the Fair Market Value of the Common Stock on the grant date, provided that such price shall be no less than the exercise price of the related Option. To the extent that a Stock Appreciation Right is exercised, the number of shares subject to the Stock Appreciation Right and the related Option of the Participant shall, however, be reduced by the referenced number of underlying shares as to which the exercise related.

(b) *Stand-Alone SARs.* Subject to Sections 1.6 and 1.7, a Stock Appreciation Right granted independently of any other Award shall be exercisable pursuant to the terms of the Award Agreement. The base price of each stand-alone SAR shall be determined by the Committee at the time of the Award, provided that such price shall be no less than 100% of the Fair Market Value of the Common Stock on the date of grant.

3.3 *Payment.*

(a) *Amount.* Unless the Committee otherwise provides, upon exercise of a Stock Appreciation Right and the attendant surrender of an exercisable portion of any related Award, the Participant shall be entitled to receive payment of an amount determined by multiplying:

(i) the difference obtained by subtracting the exercise price per share of Common Stock under the related Award (if applicable) or the initial share value specified in the Award from the

Table of Contents

Fair Market Value of a share of Common Stock on the date of exercise of the Stock Appreciation Right, by

(ii) the number of shares with respect to which the Stock Appreciation Right shall have been exercised.

(b) *Form of Payment.* The Committee, in its sole discretion, shall determine the form in which payment shall be made of the amount determined under paragraph (a) above, either solely in cash, solely in shares of Common Stock (valued at Fair Market Value on the date of exercise of the Stock Appreciation Right), or partly in such shares and partly in cash, provided that the Committee shall have determined that such exercise and payment are consistent with applicable law. If the Committee permits the Participant to elect to receive cash or shares (or a combination thereof) on such exercise, any such election shall be subject to such conditions as the Committee may impose. Notwithstanding anything contained herein to the contrary, no Participant may receive Common Stock upon the exercise of a Stock Appreciation Right to the extent it will cause such person to Beneficially or Constructively Own Equity Shares in excess of the Ownership Limit. In the event that a Participant exercises any portion of a Stock Appreciation Right which upon delivery of Common Stock would cause such Participant to Beneficially or Constructively Own Equity Shares in excess of the Ownership Limit, the Corporation shall have the right, notwithstanding any election granted to the Participant by the Committee, to deliver a check or cash to the Participant.

3.4 *Limited Stock Appreciation Rights.*

The Committee may grant to any Eligible Person Stock Appreciation Rights exercisable only upon or in respect of a change in control or any other specified event ("Limited SARs") and such Limited SARs may relate to or operate in tandem or combination with or substitution for Options, other SARs or other Awards (or any combination thereof), and may be payable in cash or shares based on the spread between the base price of the SAR and a price based upon the Fair Market Value of the Shares during a specified period or at a specified time within a specified period before, after or including the date of such event.

4.

RESTRICTED STOCK AND STOCK UNIT AWARDS.

Subject to any applicable limitations under applicable law, resolutions of the Board, other generally applicable terms and conditions of this Plan, and such rules and procedures as the Committee may establish from time to time:

4.1 *Grants.*

(a) *Restricted Stock.* The Committee may, in its discretion, grant one or more Restricted Stock Awards to any Eligible Person. Each Restricted Stock Award Agreement shall specify the number of shares of Common Stock to be issued to the Participant, the date of such issuance, the consideration for such shares (but not less than the minimum lawful consideration under applicable law) by the Participant, the extent (if any) to which and the time (if ever) at which the Participant shall be entitled to dividends, voting and other rights in respect of the shares prior to vesting, and the restrictions (which may be based on performance criteria, passage of time or other factors or any combination thereof) imposed on such shares and the conditions of release or lapse of such restrictions. Such restrictions shall not lapse earlier than six months after the Award Date, except to the extent the Committee may otherwise provide, such as in the case of Awards principally for services already rendered, or to the extent provided in an applicable agreement with the Participant. Stock certificates or book entries evidencing shares of Restricted Stock pending the lapse of the restrictions ("Restricted Shares") shall bear a legend or notation making appropriate reference to the restrictions imposed hereunder and (if in certificate form) shall be held by the Corporation or by a third party designated by the Committee until the restrictions on such shares shall have lapsed and the shares shall have vested

Table of Contents

in accordance with the provisions of the Award and Section 1.7. Upon issuance of the Restricted Stock Award, the Participant may be required to provide such further assurance and documents as the Committee may require to enforce the restrictions.

(b) *Stock Units.* The Committee may, in its discretion, authorize and grant to any Eligible Person a Stock Unit Award or the crediting of Stock Units for services rendered or to be rendered or in lieu of other compensation, consistent with other applicable terms of this Plan, may permit an Eligible Person to irrevocably elect to defer by means of Stock Units or receive in Stock Units all or a portion of any Award hereunder, or may grant Stock Units in lieu of, in exchange for, in respect of, or in addition to any other compensation or Award under this Plan. The specific terms, conditions, and provisions relating to each Stock Unit grant or election, including the applicable vesting and payout provisions of the Stock Units and the form of payment to be made at or following the vesting thereof, shall be set forth in or pursuant to the applicable agreement or Award and any relevant Company bonus, performance or other service or deferred compensation plan, in form substantially as approved by the Committee.

(c) *Payouts.* The Committee in the applicable Award Agreement or the relevant Company deferred compensation plan may permit the Participant to elect the form and time of payout of vested Stock Units on such conditions or subject to such procedures as the Committee may impose, and may permit or require Restricted Stock or Stock Unit offsets or other provision for payment of any applicable taxes that may be due on the crediting, vesting or payment in respect of the Stock Units in accordance with Section 6.5.

4.2 *Restrictions.*

(a) *Pre-Vesting Restraints.* Except as provided in Section 4.1 and 1.8, Restricted Shares comprising any Restricted Stock Award and rights in respect of Stock Unit Awards may not be sold, assigned, transferred, pledged or otherwise disposed of or encumbered, either voluntarily or involuntarily, until the restrictions on Restricted Shares have lapsed and the shares issuable pursuant to the Stock Unit Award have been issued.

(b) *Dividend and Voting Rights.* Unless otherwise provided in the applicable Award Agreement, a Participant receiving a Restricted Stock Award shall be entitled to dividend and voting rights for all shares issued even though they are not vested, provided that such rights shall terminate immediately as to any Restricted Shares that cease to be eligible for vesting. Restricted Stock Awards (to the extent not also entitled to receive dividends) and Stock Unit Awards may include Dividend Equivalent Rights to the extent authorized by the Committee, as provided in Section 5.6.

(c) *Payments.* If the Participant shall have paid or received cash, shares or other property (including any payments in respect of dividends) in connection with the Restricted Stock Award or Stock Unit Award, the Award Agreement shall specify the extent (if any) to which such amounts shall be returned (with or without an earnings factor) as to any Restricted Shares or Stock Unit Awards which cease to be eligible for vesting.

4.3 *Return to the Corporation.*

Unless the Committee otherwise expressly provides, Restricted Shares or Stock Units that remain subject to conditions to vesting upon restrictions at the time of termination of employment or service or are subject to other conditions to vesting that have not been satisfied by the time specified in the applicable Award Agreement shall not vest and shall be returned to the Corporation or cancelled, as the case may be, unless the Committee otherwise provides in or by amendment to the applicable terms of the Award.

5. PERFORMANCE SHARE AWARDS, OTHER STOCK AWARDS AND DIVIDEND EQUIVALENT RIGHTS.

5.1 *Grants of Performance Share Awards.*

Subject to Section 6.4, the Committee may, in its discretion, grant Performance Share Awards to Eligible Persons based upon such factors as the Committee shall deem relevant in light of the specific type and terms of the award. An Award Agreement shall specify the maximum number of shares of Common Stock (if any) subject to the Performance Share Award, the consideration (but not less than the minimum lawful consideration and subject to any limitations under applicable law, resolutions of the Board, other generally applicable terms and conditions of this Plan) to be paid for any such shares as may be issuable to the Participant, the duration of the Award and the conditions upon which delivery of any shares, cash or other property to the Participant shall be based. The amount of cash or shares or other property that may be deliverable pursuant to such Award shall be based upon the degree of attainment over a specified period of not more than 10 years (a "performance cycle") as may be established by the Committee of such measure(s) of the performance of the Company (or any part thereof) or the Participant as may be established by the Committee. The Committee may provide for full or partial credit, prior to completion of such performance cycle or the attainment of the performance achievement specified in the Award, in the event of the Participant's death, Retirement, Total Disability, a Change in Control Event or in such other circumstances as the Committee may determine.

5.2 *Special Performance-Based Awards.*

(a) *General Provisions.* Without limiting the generality of the foregoing, and in addition to qualifying awards granted under other provisions of this Plan (i.e. Options or SARs granted with an exercise price not less than Fair Market Value at the applicable date of grant for Section 162(m) purposes to Eligible Employees ("Presumptively Qualifying Awards")), the Committee may authorize and grant to any Eligible Employee, other cash or stock-related performance-based awards, including "performance-based" awards within the meaning of Section 162(m) of the Code ("Performance-Based Awards"), whether in the form of restricted stock, stock appreciation rights, performance stock, phantom stock, stock units, Dividend Equivalent Rights ("DERs"), or other rights, whether or not related to stock values or appreciation, and whether payable in cash, Common Stock or a combination thereof. If the Award (other than a Presumptively Qualifying Award) is intended as performance-based compensation under Section 162(m) of the Code, the vesting or payment thereof will depend on the performance of the Company on a consolidated, Subsidiary, segment, division, region or property basis with reference to performance goals relative to one or more of the following business criteria (the "criterion"): funds from operations, EBITDA, stock appreciation, total stockholder return, total revenue growth, net income, occupancy gains, square footage growth, and sales per square foot growth, each as defined in Exhibit A. To qualify Awards as performance-based under Section 162(m), the applicable business criteria and specific performance goal or goals ("targets") must be established and approved by the Committee during the first 90 days of the year (or before one-quarter of the performance measurement period has elapsed, if such period exceeds one year) and while the performance relating to such targets remains substantially uncertain within the meaning thereof. To the extent provided in the applicable Award Agreement, performance targets shall be adjusted to mitigate the unbudgeted impact of material, unusual or nonrecurring gains and losses, accounting changes or other extraordinary events not foreseen at the time the targets were set. The applicable performance measurement period may be not less than one nor more than 10 years.

(b) *Maximum Award.* Grants or awards under this Section 5.2 may be paid in cash or stock or any combination thereof. In no event shall grants of stock-related Awards made in any calendar year to any Eligible Employee under this Plan relate to more than 1,000,000 shares, subject to adjustment pursuant to Section 6.2. In no event shall grants made to any Eligible Employee under this Plan of

Table of Contents

Awards payable only in cash and not related to stock provide for payment of more than (x) \$3,000,000, times (y) the applicable number of years (not more than 10) to which the Awards relate in the performance periods.(2) If an Award pursuant to this Section 5.2 is payable in cash or restricted shares, the lesser of the share limit or the dollar limit of this Section 5.2(b) shall apply and, for purposes of such limits, the restricted shares shall be deemed to have a value not less than two-thirds of the Fair Market Value of the Common Stock on the applicable measurement date.

(2) Stockholders are being asked to approve increases in the share limit referred to in this section from 750,000 shares to 1,000,000 shares and in the dollar limit from \$800,000 to \$3,000,000.

(c) *Committee Certification.* Except as otherwise permitted to qualify as performance-based compensation under Section 162(m), before any Performance-Based Award under this Section 5.2 is paid, the Committee must certify that the performance standard, target(s), and the other material terms of the Performance-Based Award were in fact satisfied.

(d) *Terms and Conditions of Awards.* The Committee will have discretion to determine the restrictions or other limitations of the individual Awards under this Section 5.2, including the authority to reduce Awards, to determine payout schedules and the extent of vesting or to pay no Awards, in its sole discretion, *if* the Committee preserves such authority at the time of grant by language to this effect in its authorizing resolutions or otherwise. The Committee may provide that in the event a Participant terminates employment or service for any one or more reason during a Plan Year, the Participant shall forfeit all rights to any Award for the Plan Year.

(e) *Stock Payout Features.* In lieu of cash payment of an Award, the Committee may require or allow a portion of the Award to be paid in the form of stock, Restricted Shares or an Option.

(f) *Expiration of Grant Authority.* As required pursuant to Section 162(m) of the Code and the regulations promulgated thereunder, the Committee's authority to grant new awards that are intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code (other than Presumptively Qualifying Awards) shall terminate upon the first meeting of the Corporation's stockholders that occurs in the fifth year following the year in which the Corporation's stockholders first approve this Plan, subject to any subsequent extension that may be approved by stockholders..

5.3 *Grants of Stock Bonuses and Other Awards.*

Subject to Section 6.4, the Committee may grant a Stock Bonus to any Eligible Person to reward services, contributions or achievements, or in connection with the deferral of compensation, the value of which shall be determined by the Committee, in the manner and on such terms and conditions (including restrictions on such shares, if any) as determined from time to time by the Committee. The number of shares so awarded shall be determined by the Committee. The Award may be granted independently or in lieu of a cash bonus.

5.4 *Deferred Payments.*

The Committee may authorize for the benefit of any Eligible Person the deferral of any payment of cash or shares or other property that may become due or of cash otherwise payable under this Plan, and provide for accretions to benefits thereon based upon such deferral (including, but not limited to a greater nominal value in shares than in cash or an allowance for interest, dividend equivalents or appreciation rights) at the election or at the request of such Participant or as a mandatory basis as a condition of the Award, subject to the other terms of this Plan. Such deferral shall be subject to such further conditions, restrictions or requirements as the Committee may impose, subject to any then vested rights of Participants.

5.5 *Limitations on Awards.*

Notwithstanding the provisions of this Article 5, in no case may any Award of shares be granted to the extent that it will cause an Eligible Person to Beneficially or Constructively Own Equity Shares in excess of the Ownership Limit.

5.6 *Dividend Equivalent Rights.*

In its discretion, the Committee may grant to any Eligible Person DERs concurrently with the grant of any Award on such terms as set forth by the Committee in the Award Agreement; provided that DERs shall not be granted as to any shares covered by an Option or a Stock Appreciation Right. DERs shall be based on all or part of the amount of dividends declared on shares of Common Stock and shall be paid or credited as of dividend payment dates, during the period between the date of grant (or such later date as the Committee may set) and the date the Award is settled or expires (or such earlier date as the Committee may set), as determined by the Committee. DERs shall be payable in cash, shares or other property, or (to the extent permitted by law) may be subject to such conditions, not inconsistent with Section 162(m) (in the case of Options or SARs, or other Awards intended to satisfy its conditions with respect to deductibility), as may be determined by the Committee.

5.7 *Operating Partnership Units or other Convertible Units.* The Committee may authorize for the benefit of any Eligible Person the issuance of Common Stock or the payment of cash in connection with, or upon exercise, conversion or exchange of, phantom units or other interests in Subsidiaries that are issued by the Subsidiary with the Committee's approval and any required Board approval and that are convertible or exchangeable into Common Stock, units or cash.

5.8 *Alternative Payments*

The Committee may require or allow all or a portion of an Award under this Article 5 to be paid or credited in the form of shares of Common Stock, Restricted Shares, Stock Units, an Option or other Award.

6.

OTHER PROVISIONS

6.1 *Rights of Eligible Persons, Participants and Beneficiaries.*

(a) *Employment Status.* Status as an Eligible Person shall not be construed as a commitment that any Award will be made under this Plan to an Eligible Person or to Eligible Persons generally.

(b) *No Employment/Service Agreement.* Nothing contained in this Plan (or in any other documents under this Plan or in any Award) shall confer upon any Eligible Employee or other Participant any right to continue in the employ or other service of the Company, constitute any contract or agreement of employment or other service or affect an employee's status as an employee at will, nor shall interfere in any way with the right of the Company to change a person's compensation or other benefits, or to terminate his or her employment or other service, with or without cause. Nothing in this Section, however, is intended to adversely affect any express independent right of such person under a separate employment or other agreement other than an Award Agreement.

(c) *Plan Not Funded.* Awards payable under this Plan shall be payable in shares or from the general assets of the Company, and (except as provided in Section 1.4) no special or separate reserve, fund or deposit shall be made to assure payment of such Awards. No Participant, Beneficiary or other person shall have any right, title or interest in any fund or in any specific asset (including shares of Common Stock, except as expressly otherwise provided) of the Company by reason of any Award hereunder. Neither the provisions of this Plan (or of any related documents), nor the creation or adoption of this Plan, nor any action taken pursuant to the provisions of this Plan shall create, or be construed to

create, a trust of any kind or a fiduciary relationship between the Company and any Participant, Beneficiary or other person. To the extent that a Participant, Beneficiary or other person

IV-12

Table of Contents

acquires a right to receive payment pursuant to any Award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company.

6.2 *Adjustments; Acceleration.*

(a) *Adjustments.* Upon or in contemplation of: any reclassification, recapitalization, stock split, stock dividend or reverse stock split (collectively, a "stock split"); any merger, combination, consolidation, or other reorganization; any spin-off, split-up, or similar extraordinary dividend distribution in respect of the Common Stock (whether in the form of securities or property); any exchange of Common Stock or other securities of the Corporation, or any similar, unusual or extraordinary corporate transaction in respect of the Common Stock; or a sale of all or substantially all the assets of the Corporation as an entirety; then the Committee shall:

(1) equitably and proportionately adjust any or all of (a) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of Awards (including the specific share limits, maximums and numbers of shares set forth elsewhere in this Plan), (b) the number, amount and type of shares of Common Stock (or other securities or property) subject to any or all outstanding Awards, (c) the grant, purchase, or exercise price (which term includes the base price in the case of SARs or similar rights) of any or all outstanding Awards, (d) the securities, cash or other property deliverable upon exercise of any or all outstanding Awards, or (e) (subject to limitations under Section 6.10(c)) the performance standards appropriate to any or all outstanding Awards, or

(2) make provision for a cash payment or for the assumption, substitution or exchange of any or all outstanding share-based Awards or the cash, securities or property deliverable to the holder of any or all outstanding share-based Awards, based upon the distribution or consideration payable to holders of the outstanding Common Stock upon or in respect of such event.

The Committee may adopt such valuation methodologies for outstanding Awards as it deems reasonable in the event of a cash or property settlement and, in the case of Options, SARs or similar rights, but without limitation on other methodologies, may base such settlement *solely* upon the excess if any of the per share amount payable upon or in respect of such event over the exercise price of the Award, unless otherwise provided in, or by authorized amendment to, the Award Agreement or provided in another applicable agreement with the Participant.

The Committee shall also make equitable or proportionate adjustments in the number of shares subject to outstanding Awards and the exercise price and/or the terms of outstanding Awards to take into account cash dividends declared and paid other than in the ordinary course to the extent determined to be necessary by the Committee to avoid distortion in the value of the Awards. Notwithstanding anything to the contrary set forth in this Section 6.2(a), no adjustment shall be required if such action would cause an Award to fail to satisfy the conditions of any applicable exception from the requirements of Section 409A of the Code or otherwise would subject a participant to the additional tax imposed under Section 409A of the Code in respect of an outstanding Award.

In any of such events, the Committee may take such action prior to such event to the extent that the Committee deems the action necessary to permit the Participant to realize the benefits intended to be conveyed with respect to the underlying shares in the same manner as is or will be available to stockholders generally. In the case of any stock split, if no action is taken by the Committee, the proportionate adjustments contemplated by clause (a)(1) above shall nevertheless be made.

It is intended that, if possible, any adjustments contemplated by the preceding provisions of this Section 6.2(a) be made in a manner that satisfies applicable U.S. legal, tax (including, without limitation and as applicable in the circumstances, Section 424 of the Code, Section 409A of the Code and Section 162(m) of the Code) and accounting (so as to not trigger any charge to earnings with respect to such adjustment) requirements.

Table of Contents

Without limiting the generality of Section 1.2(c), any good faith determination by the Committee as to whether an adjustment is required in the circumstances pursuant to this Section 6.2(a), and the extent and nature of any such adjustment, shall be conclusive and binding on all persons.

(b) *Automatic Termination upon Settlement.* Without limiting the authority of the Company under Section 6.2(a) or (c), if provision has been made by the Committee for the assumption, substitution, exchange or other settlement (each of the foregoing, a "settlement") or continuation of at least the vested portion of an outstanding Award pursuant to Section 6.2(a) upon or in anticipation of either (i) a Change in Control Event approved by the Board, or (ii) a reorganization event which the Company does not survive (or does not survive as a public company in respect of its outstanding common stock) then (subject, however, to the terms of such settlement or continuation and any specific terms of the Award or another applicable written agreement to the contrary) the prior outstanding Award shall terminate upon consummation of the event to the extent so provided.

(c) *Acceleration of Awards Upon Change in Control.* Except as otherwise expressly provided in the Award or another applicable written agreement with the Participant: unless prior to a Change in Control Event the Committee determines that, upon its occurrence, the benefits under any or all Awards shall not be subject to acceleration as provided below or determines that only certain or limited benefits under any or all Awards shall be so accelerated and the extent to which they shall be accelerated, and/or establishes a different time or circumstance in respect of such Change in Control Event for such acceleration, by the Award Agreement or otherwise, then as to the Awards (or replacement awards) held by any Participant immediately prior to the occurrence of a Qualified Termination upon or not later than 12 months following a Change in Control Event:

- (i) each Option and Stock Appreciation Right shall become immediately vested and exercisable,
- (ii) all shares of Restricted Stock shall immediately vest free of restrictions, and
- (iii) each other Award shall become immediately payable to the Participant.

A "Qualified Termination" for these purposes (i) includes any termination of employment by the Company (other than for Cause or because of the Participant's death or Total Disability), subject to the actual occurrence of the Change in Control Event, (ii) may include a constructive termination by the Company (such as a termination by the Participant for specified reasons), and (iii) may be deemed (subject to actual occurrence of the Change in Control Event before expiration or other termination of the Award) to include any such termination by the Company in express contemplation of a publicly announced Change in Control Event.

The Committee may override the provisions regarding acceleration in this Section 6.2(c) by express provision in the Award Agreement or otherwise and may accord any Eligible Person a right to refuse any acceleration, whether pursuant to the Award Agreement or otherwise, in such circumstances as the Committee may approve. Any acceleration of Awards shall comply with applicable legal requirements and, if necessary to accomplish the purposes of the acceleration or if the circumstances require, may be deemed by the Committee to occur (subject to Section 6.2(d)), immediately prior to the event.

(d) *Limitation on Award Adjustments.* To the extent limited by Section 162(m) in the case of an Award intended as a performance-based award for purposes of Section 162(m) and necessary to assure deductibility of the compensation payable under the Award, the Committee shall have no discretion under this Plan (i) to increase the amount of compensation or the number of shares that would otherwise be due upon the attainment of the applicable performance goal or the exercise of the option or SAR or (ii) to waive the achievement of any applicable performance goal as a condition to receiving a benefit or right under an Award.

(e) *No Extension Beyond Expiration.* Notwithstanding the foregoing, in no event shall an Award be reinstated or extended beyond its final expiration date.

Table of Contents

(f) *Possible Rescission of Acceleration.* If the vesting of an Award has been accelerated expressly in anticipation of an event or upon stockholder approval of an event and the Committee or the Board later determines that the event will not occur, the Committee may rescind the effect of the acceleration as to any then outstanding and unexercised or otherwise unvested Awards.

(g) *Terminology.* As used in this Section 6.2 and without limiting the authority of the Board in other contexts, the term "Committee" includes alternatively, the Board.

6.3 *Effect of Termination of Service on Awards.*

(a) *General.* Subject to Section 2.5, the Committee shall establish the effect of a termination of employment or service on the rights and benefits under each Award under this Plan and in so doing may make distinctions based upon, inter alia, the cause of termination and type of Award. Unless otherwise provided in the Award or other provision of this Plan or another written agreement with the Participant, the Severance Date shall be the later of (1) the date of termination (for any reason whatsoever) of the Participant's employment by the Company, in the case of an Award granted to an employee; (2) the date of termination of directorship in the case of an Award granted to or held by a director (or former employee continuing in service as a director); or (3) the date of termination of services to the Company, as determined by the Committee, in the case of an Other Eligible Person. Notwithstanding the foregoing, the Committee may authorize by express provision in or amendment to an Award an extension of the date of termination of the Award if a person's status after grant changes from one eligible category to another, or in other circumstances that the Committee deems appropriate.

(b) *Termination of Consulting or Affiliate Services.* If the Participant is not an Eligible Employee or Non-Employee Director and provides services as an Other Eligible Person, the Committee shall be the sole judge of whether the Participant continues to render services to the Company, unless a written agreement with the Participant or the Award otherwise provides. If in these circumstances the Company notifies the Participant in writing that a termination of services of the Participant for purposes of this Plan has occurred, then (unless the written agreement or Award otherwise expressly provides), the Participant's termination of services for purposes of Section 2.5, 3, 4.3 or 5 shall be the date which is 10 days after the Company's mailing of the notice or, in the case of a termination for Cause, the date of the mailing of the notice.

(c) *Effect on Unvested Awards.* Unless otherwise provided in the applicable Award Agreement and subject to the other provisions of this Plan, a Restricted Stock Award, Stock Appreciation Right, Performance Share Award, or Stock Unit Award, to the extent such Award has not become exercisable, or vested, as the case may be, as of the applicable Severance Date, shall terminate on the Severance Date without further payment or benefit of any kind; and any Option theretofore outstanding and not exercisable shall terminate. Vested Options and any related SARs are further subject to the provisions of Section 2.5.

(d) *Events Not Deemed Terminations of Service.* Unless Company policy or the Committee otherwise provides, the employment relationship shall not be considered terminated in the case of (i) sick leave, (ii) military leave, or (iii) any other leave of absence authorized by the Company or the Committee; provided that unless reemployment upon the expiration of such leave is guaranteed by contract or law, such leave is for a period of not more than 90 days. In the case of any Eligible Employee on an approved leave of absence, continued vesting of the Award while on leave from the employ of the Company may be suspended until the employee returns to service, unless the Committee otherwise provides or applicable law otherwise requires. In no event shall an Award be exercised after the expiration of the term set forth in the Award Agreement.

(e) *Effect of Change of Subsidiary Status.* For purposes of this Plan and any Award, if an entity ceases to be a Subsidiary an involuntary termination of employment or service shall be deemed to have occurred with respect to each Eligible Person in respect of the Subsidiary who does not continue as an

Table of Contents

Eligible Person in respect of another entity within the Company after giving effect to the Subsidiary's change of status.

6.4 *Compliance with Laws.*

This Plan, the granting and vesting of Awards under this Plan, the offer, issuance and delivery of shares of Common Stock, and/or the payment of money under this Plan or under Awards are subject to compliance with all applicable federal and state laws, rules and regulations (including but not limited to state and federal securities law), and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. The person acquiring any securities under this Plan will, if requested by the Company, provide such assurances and representations to the Company as the Committee may deem necessary or desirable to assure compliance with all applicable legal and accounting requirements.

6.5 *Tax Matters.*

Upon any exercise, vesting, or payment of any Award or upon the disposition of shares of Common Stock acquired pursuant to the exercise of an Incentive Stock Option prior to satisfaction of the holding period requirements of Section 422 of the Code, the Company shall have the right at its option to (i) require the Participant (or Personal Representative or Beneficiary, as the case may be) to pay or provide for payment of at least the minimum amount of any taxes which the Company may be required to withhold with respect to such Award event or payment or (ii) deduct from any amount payable in cash the minimum amount of any taxes which the Company may be required to withhold with respect to such cash payment. In any case where a tax is required to be withheld in connection with the delivery of shares of Common Stock under this Plan, the Committee may in its sole discretion (subject to Section 6.4) require or grant (either at the time of the Award or thereafter) to the Participant the right to elect, pursuant to such rules and subject to such conditions as the Committee may establish, that the Corporation reduce the number of shares to be delivered by (or otherwise reacquire) the appropriate number of shares, valued in a consistent manner at their Fair Market Value or at the sales price in accordance with authorized procedures for cashless exercises, necessary to satisfy the minimum applicable withholding obligation on exercise, vesting or payment. In no event shall the shares withheld exceed the minimum number required for tax withholding under applicable law.

6.6 *Plan and Award Amendments, Termination and Suspension.*

(a) *Board Authorization.* The Board may, at any time, terminate or, from time to time, amend, modify or suspend this Plan, in whole or in part. No Awards may be granted during any suspension of this Plan or after termination of this Plan, but the Committee shall retain jurisdiction as to Awards then outstanding in accordance with the terms of this Plan.

(b) *Stockholder Approval.* To the extent then required under Section 1.2(b) of the Plan, Sections 162, 422 or 424 of the Code or any other applicable law or listing agency, or deemed necessary or advisable by the Board, any amendment to this Plan shall be subject to stockholder approval.

(c) *Amendments to Awards.* Without limiting any other express authority of the Committee under (but subject to) the express limits of this Plan, the Committee by agreement or resolution may waive conditions of or limitations on Awards to Participants that the Committee in the prior exercise of its discretion has imposed, without the consent of a Participant, and (subject to the requirements of Sections 1.2(b), 1.6 and 6.6(d) and subject to the resolutions of the Board approving the Plan) may make other changes to the terms and conditions of Awards, including without limitation, providing for shorter vesting periods or longer exercise periods for Awards.

(d) *Limitations on Amendments to Plan and Awards.* No amendment, suspension or termination of this Plan or change of or affecting any outstanding Award shall, without written consent of the Participant, affect in any manner materially adverse to the Participant any rights or benefits of the

Table of Contents

Participant or obligations of the Company under any Award granted under this Plan prior to the effective date of such change. Changes contemplated by Section 6.2 shall not be deemed to constitute changes or amendments for purposes of this Section 6.6.

(e) *ISO Acceleration.* The portion of any Incentive Stock Option accelerated in connection with a Change in Control Event or any other action permitted hereunder shall remain exercisable as an Incentive Stock Option only to the extent the applicable \$100,000 limitation is not exceeded. To the extent exceeded, the accelerated portion of the Option shall be exercisable as a Nonqualified Stock Option under the Code.

6.7 *Privileges of Stock Ownership.*

Except as otherwise expressly authorized by the Committee or this Plan, a Participant shall not be entitled to any privilege of stock ownership as to any shares of Common Stock not actually delivered to and held of record by the Participant. No adjustment will be made for dividends or other rights as a stockholder for which a record date is prior to such date of delivery.

6.8 *Effective Date of the Plan.*

This Plan is effective as of April 1, 2003 the date of approval by the Board. The Plan shall be submitted for and subject to stockholder approval.

6.9 *Term of the Plan.*

No Award will be granted under this Plan after June 8, 2019⁽³⁾ (the "termination date"). Unless otherwise expressly provided in this Plan or in an applicable Award Agreement, any Award granted prior to the termination date may extend beyond such date, and all authority of the Committee with respect to Awards hereunder, including the authority to amend an Award, shall continue during any suspension of this Plan and in respect of Awards outstanding on the termination date.

(3) The current termination date for this Plan is March 31, 2013. Stockholders are being asked to approve an extension of the termination date until June 8, 2019.

6.10 *Governing Law/Construction/Severability.*

(a) *Choice of Law.* This Plan, the Awards, all documents evidencing Awards and all other related documents shall be governed by, and construed in accordance with the laws of the State of Maryland.

(b) *Severability.* If a court of competent jurisdiction holds any provision invalid and unenforceable, the remaining provisions of this Plan shall continue in effect.

(c) *Plan Construction.*

(1) *Rule 16b-3.* It is the intent of the Corporation that the Awards and transactions permitted by Awards be interpreted in a manner that, in the case of Participants who are or may be subject to Section 16 of the Exchange Act, qualify, to the maximum extent compatible with the express terms of the Award, for exemption from matching liability under Rule 16b-3. Notwithstanding the foregoing, the Corporation shall have no liability to any Participant for Section 16 consequences of Awards or events under Awards or if a particular Award or event does not so qualify.

(2) *Section 162(m).* It is the further intent of the Company that (to the extent the Company or Awards under this Plan may be or become subject to limitations on deductibility under Section 162(m) of the Code), Options or SARs granted with an exercise or base

Section 162(m) of the Code, to the extent that the authorization of the Award (or the payment thereof, as the case may be) satisfies any applicable administrative requirements thereof.

6.11 *Captions.*

Captions and headings are given to the sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.

6.12 *Stock-Based Awards in Substitution for Stock Options or Awards Granted by Other Corporation.*

Awards may be granted under this Plan in substitution for or in connection with an assumption of employee stock options, SARs, restricted stock or other stock-based awards granted by other entities to persons who are or who will become Eligible Persons in respect of the Company, in connection with a distribution, merger or other reorganization by or with the granting entity or an affiliated entity, or the acquisition by the Company, directly or indirectly, of all or a substantial part of the stock or assets of the employing entity. The Awards so granted need not comply with other specific terms of this Plan, provided the Awards reflect only adjustments giving effect to the assumption or substitution consistent with the conversion applicable to the Common Stock in the transaction and any change in the issuer of the security.

Any such shares that are issued and any awards that are granted by, or become obligations of, the Company, as a result of the assumption by the Company or an affiliate of, or in substitution for, outstanding awards previously granted by an acquired company (or previously granted by a predecessor employer (or direct or indirect parent thereof) in the case of persons that become employed by the Company (or a subsidiary or affiliate) in connection with a business or asset acquisition or similar transaction) shall not be counted against the maximum number of shares and awards available for issuance under the Plan.

6.13 *Non-Exclusivity of Plan.*

Nothing in this Plan shall limit or be deemed to limit the authority of the Board or the Committee to grant awards or authorize any other compensation, with or without reference to the Common Stock, under any other plan or authority.

6.14 *No Corporate Action Restriction.*

The existence of the Plan, the Award Agreements and the Awards granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the stockholders of the Corporation to make or authorize: (a) any adjustment, recapitalization, reorganization or other change in the Corporation's or any Subsidiary's capital structure or its business, (b) any merger, amalgamation, consolidation or change in the ownership of the Corporation or any subsidiary, (c) any issue of bonds, debentures, capital, preferred or prior preference stock ahead of or affecting the Corporation's or any Subsidiary's capital stock or the rights thereof, (d) any dissolution or liquidation of the Corporation or any Subsidiary, (e) any sale or transfer of all or any part of the Corporation or any Subsidiary's assets or business, or (f) any other corporate act or proceeding by the Corporation or any Subsidiary. No participant, beneficiary or any other person shall have any claim under any Award or Award Agreement against any member of the Board or the Committee, or the Corporation or any employees, officers or agents of the Corporation or any Subsidiary, as a result of any such action.

6.15 *Other Company Benefit and Compensation Program.*

Edgar Filing: MACERICH CO - Form DEF 14A

Payments and other benefits received by a Participant under an Award made pursuant to this Plan shall not be deemed a part of a Participant's compensation for purposes of the determination of benefits under any other employee welfare or benefit plans or arrangements, if any, provided by the Corporation or any Subsidiary, except where the Committee or the Board expressly otherwise provides or authorizes in writing. Awards under this Plan may be made in addition to, in combination with, as

alternatives to or in payment of grants, awards or commitments under any other plans or arrangements of the Company or the Subsidiaries.
