Vodafone Group Public Limited Company

\$500,000,000 3.375% Notes due November 2015

The issuer has filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement and other documents the issuer has filed with the SEC for more complete information about the issuer and this offering. You may get these documents for free by visiting EDGAR on the SEC Web site at www.sec.gov. Alternatively, the issuer, any underwriter or any dealer participating in the offering will arrange to send you the prospectus if you request it by calling Deutsche Bank Securities Inc. toll free at 1-800-503-4611, Goldman, Sachs & Co. at Prospectus Department, 1-866-471-2526 or Morgan Stanley & Co. Incorporated toll free at 1-866-718-1879.

3.375% Notes due November 2015 (the "Notes")

Maturity Date We will repay the Notes on November 24, 2015 at 100% of their principal amount plus accrued

interest.

Issue Date November 24, 2009.

Issue Price 99.200% of the principal amount, plus accrued interest, if any, from and including

November 24, 2009, if delivery occurs after that date.

Interest Rate 3.375% per annum.

Interest Payment Dates Semi-annually on May 24 and November 24 of each year, commencing May 24, 2010, up to

and including the maturity date for the Notes, subject to the applicable business day convention.

Business Day Convention Following.

Day Count Fraction 30/360.

Optional Make-Whole Redemption We have the right to redeem the Notes, in whole or in part, at any time and from time to time at

a redemption price equal to the greater of (1) 100% of the principal amount of such Notes plus accrued interest to the date of redemption and (2) as determined by the quotation agent, the sum of the present values of the remaining scheduled payments of principal and interest on such Notes (excluding any portion of such payments of interest accrued as of the date of redemption)

discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the adjusted treasury rate, plus 25 basis points, together with accrued interest to the date of redemption.

Business Days New York.

Ranking The Notes will rank equally with all present and future unsecured and unsubordinated

indebtedness of Vodafone. Because we are a holding company, the Notes will effectively rank

junior to any indebtedness or other liabilities of our subsidiaries.

Regular Record Dates for Interest With respect to each interest payment date, the date that is 15 calendar days prior to such date,

whether or not such date is a business day.

Payment of Additional Amounts We intend to make all payments on the Notes without deducting United Kingdom (U.K.)

withholding taxes. If any deduction is required on payments to non-U.K. investors, we will pay additional amounts on those payments to the extent described under "Description of Debt

Securities We May Offer Payment of Additional Amounts" in the prospectus.

Optional Tax Redemption We may redeem the Notes before they mature if we are obligated to pay additional amounts due

to changes on or after the date of this final term sheet in U.K. withholding tax requirements, a merger or consolidation with another entity or a sale or lease of substantially all our assets and other limited circumstances described under "Description of Debt Securities We May

Offer Payment of Additional Amounts" in the prospectus. In that event, we may redeem the Notes in whole but not in part on any interest payment date, at a price equal to 100% of their

principal amount plus accrued interest to the date fixed for redemption.

Tax Treatment The Notes may constitute "Deeply Discounted Securities" within the meaning of Chapter 8 of

Part 4 of the United Kingdom Income Tax (Trading and Other Income) Act 2005 such that any profit made by an individual or trustee resident for tax purposes in the United Kingdom on the

disposal (including redemption) of the Notes would be taxed as income.

Adjusted Treasury Rate "Adjusted treasury rate" means, with respect to any redemption date, the rate per year equal to

the semi-annual equivalent yield to maturity of the comparable treasury issue, assuming a price for the comparable treasury issue (expressed as a percentage of its principal amount) equal to

the comparable treasury price for such redemption date.

"Comparable treasury issue" means the U.S. Treasury security selected by the quotation agent as having a maturity comparable to the remaining term of such notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining terms

of such notes.

2

"Comparable treasury price" means, with respect to any redemption date, the average of the reference treasury dealer quotations for such redemption date.

"Quotation agent" means the reference treasury dealer appointed by the trustee after consultation with us. "Reference treasury dealer" means any primary U.S. government securities dealer in New York City selected by the trustee after consultation with us.

"Reference treasury dealer quotations" means with respect to each reference treasury dealer and any redemption date, the average, as determined by the trustee, of the bid and asked prices for the comparable treasury issue (expressed as a percentage of its principal amount) quoted in writing to the trustee by such reference treasury dealer at 5:00 p.m. Eastern Standard Time on the third business day preceding such redemption date.

We will file an application to list the Notes on the New York Stock Exchange. We expect that the Notes will be eligible for trading on the New York Stock Exchange within 30 days after delivery of the Notes.

We intend to use the net proceeds from the sale of the Notes for general corporate purposes. General corporate purposes may include working capital, the repayment of existing debt (including debt of acquired companies), financing capital investments or acquisitions and any other purposes. We may temporarily invest funds that we do not need immediately for these purposes in short-term marketable securities.

You should carefully consider all of the information in this final term sheet, the prospectus supplement and the prospectus, which includes information incorporated by reference. In particular, you should evaluate the specific factors under "Risk Factors" beginning on page 5 of the prospectus and "Principal risk factors and uncertainties" beginning on page 38 of our Annual Report on Form 20-F for the fiscal year ended March 31, 2009 for risks involved with an investment in the Notes.

The Bank of New York Mellon.

We currently expect delivery of the Notes to occur on or about November 24, 2009.

Deutsche Bank Securities Inc., Goldman, Sachs & Co. and Morgan Stanley & Co. Incorporated.
