Public Accounting Firm  
The Board of Directors of  
Dreyfus High Yield Strategies Fund:

We have examined management's assertion, included in the accompanying Management Statement Regarding Compliance With Certain Provisions of the Investment Company Act of 1940, that Dreyfus High Yield Strategies Fund complied with the requirements of subsections (b) and (c) of Rule 17f-2 under the Investment Company Act of 1940 as of October 31, 2017, with respect to securities reflected in the investment accounts of the Fund. Management is responsible for the Fund's compliance with those requirements. Our responsibility is to express an opinion on management's assertion about the Fund's compliance based on our examination.

Our examination was conducted in accordance with the standards of the American Institute of Certified Public Accountants (AICPA) and, accordingly, included examining, on a test basis, evidence about the Fund's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Included among our procedures were the following tests performed as of October 31, 2017, and with respect to agreement of security purchases and sales, for the period from March 31, 2017 (the date of the Fund's last examination) through October 31, 2017:

4. Reconciliation of the Fund's securities to the books and records of the Fund and the Custodian;

5. Confirmation of all repurchase agreements, if any, with broker(s)/bank(s) and/or agreement of corresponding subsequent cash receipts to bank statements and agreement of underlying collateral with the Custodian records, if any;

6. Agreement of pending purchase and sale activity for the Fund as of October 31, 2017, if any, to documentation of corresponding subsequent bank statements;

7. Agreement of five security purchases and five security sales or maturities, or all purchases, sales or maturities, if fewer than five occurred since the date of the last examination, from the books and records of the Fund to corresponding bank statements;

8. Review of the BNY Mellon Asset Servicing Custody and Securities Lending Services Service Organization Control Report ("SOC 1 Report") for the period October 1, 2016 to September 30, 2017 and noted no relevant findings were reported in the areas of Asset Custody and Trade Settlement.

We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Fund's compliance with specified requirements.

In our opinion, management's assertion that the Fund complied with the requirements of subsections (b) and (c) of Rule 17f-2 of the Investment Company Act of 1940 as of October 31, 2017, with respect to securities reflected in the investment accounts of the Fund is fairly stated, in all material respects.
