SECTION 5 — Corporate Governance and Management

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Effective July 28, 2016, the Board of Directors (“Board”) of American Axle & Manufacturing Holdings, Inc. (the “Company” or “AAM”) amended AAM’s by-laws to provide for a majority vote standard for the election of directors in uncontested elections. Accordingly, to be elected a director at a stockholder meeting, a nominee must receive the affirmative vote of a majority of the votes cast with respect to that director’s election. A majority of votes cast means that the number of votes cast “for” a nominee must exceed 50 percent of the votes cast with respect to that nominee (excluding “abstentions” and “broker non-votes”). If a director is not elected, the director must promptly tender his or her resignation to the Board for consideration in accordance with the procedures set forth in the by-laws. The Nominating/Corporate Governance Committee will then evaluate the best interests of AAM and its shareholders and will recommend to the Board the action to be taken with respect to the tendered resignation. Within 90 days from the date of the certification of the election results, the Company will publicly disclose the Board’s decision and the rationale behind it.

The foregoing summary of the terms of the amendment to the by-laws is qualified in its entirety by reference to the text of the Second Amended and Restated By-Laws of the Company (adopted as of July 28, 2016), a copy of which is filed as Exhibit 3.03, and incorporated herein by reference.
