INDEPENDENT AUDITORS' REPORT

Board of Directors
Sun River Mining, Inc.
Denver, CO

We have reviewed the accompanying balance sheet of Sun River Mining, Inc. (An Exploration Stage Company) as of June 30, 2003 and the related statements of operation for the three and nine months ended June 30, 2003 and 2002 and the period February 27, 1997 (inception) to June 30, 2003, and cash flows and stockholders' equity for the nine-months ended June 30, 2003 and 2002 and the period from February 27, 1997 (inception) to June 30, 2003, included in the accompanying Securities and Exchange Commission Form 10-QSB for the period June 30, 2003. These financial statements are the responsibility of the Company's management.

We conducted our review in accordance with standards established by the American Institute of Certified Public Accountants. A review of interim financial information consists primarily of applying analytical procedures to financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with auditing standards generally accepted in the United States, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements for them to be in conformity with accounting principles generally accepted in the United States.

We have previously audited, in accordance with auditing standards generally accepted in the United States, the balance sheet as of June 30, 2003, and the related statements of operations, stockholders' equity and cash flows for the year ended (not presented herein). In our report dated January 6, 2003, we expressed an unqualified opinion on those financial statements. In our opinion, the information set forth in the accompanying balance sheet as of June 30, 2003 is fairly stated in all material respects in relation to the balance sheet from
