Section 4 - Matters Related to Accountants and Financial Statements

Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On September 13, 2008, the Board of Directors of Greystone Logistics, Inc. (the "Company") concluded that its previously issued financial statements for the fiscal year ended May 31, 2007 should not be relied upon because of errors in those financial statements and that the Company would restate those financial statements to make the necessary accounting adjustments. The Company's Board of Directors reached this conclusion based upon the recommendation of the Company's management and with the concurrence of the Company's independent auditors.

Effective May 31, 2008, the Company restated the above mentioned financial statements to correct an error in the application of accounting principles as a result of failing to consolidate Greystone Properties, LLC, a variable interest entity. As a result of the error, the Company's consolidated financial statements as of and for the fiscal year ended May 31, 2007 included in its Form 10-KSB for the same period did not include the assets, liabilities, operations and cash flows of Greystone Properties, LLC. Similarly, the Company's financial statements included in each of its quarterly reports on Form 10-QSB for fiscal years 2008 and 2007 did not include the accounts of Greystone Properties, LLC. The Company's fiscal year 2007 financial statements included in its fiscal year 2008 Form 10-KSB were restated to correct the error in application of accounting principles.

The Company's management has discussed with Eide Bailly LLP (successor to Murrell, Hall, McIntosh & Co., PLLP), the Company's predecessor independent registered public accounting firm, the matters disclosed under Item 4.02 in this Current Report on Form 8-K. The Company's management has also discussed with HoganTaylor LLP (formerly known as Tullius Taylor Sartain & Sartain LLP), the Company's current independent registered public accounting firm, the matters disclosed under Item 4.02 in this Current Report on Form 8-K.
