**ITEM 1**

**ELECTION OF CLASS II DIRECTORS**

Pursuant to the Company's Articles of Association, the Board of Directors (other than our external directors) is divided into three classes: Class I, Class II and Class III. Each director, when and however elected, is designated as a member of a certain class of directors.

Each director (other than our external directors or a director elected to fill a vacancy in accordance with the Articles of Association of the Company) serves for a term ending on the date of the third annual general meeting following the annual general meeting at which such director was elected; provided, that each director in Class I will serve for a term ending on the date of the annual general meeting in 2009; each director in Class II will serve for a term ending on the date of the annual general meeting in 2007; and each director in Class III will serve for a term ending on the date of the annual general meeting in 2008. The term of service of Mr. Roy Zisapel and Professor Liora Katzenstein, the two directors in Class II, expires on the date of this year's Annual General Meeting. Mr. Herbert Anderson was appointed as a director after last year's annual general meeting and was not assigned to any class.

We currently have a board of 8 directors, including two external directors. The initial term of an external director is three years and may be extended for one additional three year term. Thereafter, he or she may be reelected by our shareholders for additional periods of up to three years each only if the Audit Committee and Board of Directors confirm that, in light of the external director's expertise and special contribution to the work of the Board of Directors and its committees, the reelection for such additional period is beneficial to the Company. Our external directors are Mr. Zohar Gilon and Dr. Orna Berry, who were elected by our shareholders in October 2006 to serve for three-year terms ending in October 2009.

It is intended that proxies (other than those directing the proxy holders to vote against the listed nominee or to abstain) will be voted for the re-election of Mr. Roy Zisapel and the election of Mr. Herbert Anderson to hold office for a term ending at the third annual general meeting following their election, i.e. until the annual general meeting held in the year 2010, and until their successors have taken office, unless their office is earlier vacated under any relevant provision of the Articles of Association of the Company. These nominees were approved and recommended to the Board of Directors by the Company's independent directors as determined under the NASDAQ rules.

In the event such nominees are unable to serve, the proxies will be voted for the election of such other person or persons as determined by the persons named in the proxy in accordance with their best judgment. The Company is not aware of any reason why the nominees, if elected, would be unable to serve as directors. The Company does not have any understanding or agreement regarding the future election of the above nominees.

## **Board Meeting and Committees**

During 2006, the Board of Directors held 8 Board meetings. The Board of Directors has an Audit Committee, which is comprised of Mr. Zohar Gilon, Dr. Orna Berry and Prof. Liora Katzenstein (the latter, whose term as a Board member expires at the date of the Annual General Meeting and who will be replaced by Herbert Anderson), all of whom qualify as independent directors, as determined under the NASDAQ rules. The Audit Committee exercises the powers of the Board of Directors with respect to the Company's accounting, reporting and financial control practices. Our Board of Directors has determined that Mr. Zohar Gilon, a member of our Audit Committee, is an audit committee financial expert under the rules of the Securities and Exchange Commission and NASDAQ, and has determined that all members of the Audit Committee qualify as independent as this term is defined in the NASDAQ Listing Standards. During 2006, our Audit Committee held 5 meetings.

The Board of Directors also has a Compensation Committee, which is comprised of Dr. Hagen Hultsch and Dr. Orna Berry. The Compensation Committee is authorized to make decisions regarding executive compensation and administers the Company's share option plans. Our board of directors has determined that all members of the Compensation Committee are independent as this term is defined in the NASDAQ Listing Standards. During 2006, our Compensation Committee held 5 meetings.

### **Executive Compensation**

The aggregate direct compensation paid to or accrued for the account of all directors and executive officers as a group during the 2006 fiscal year was \$1,662,000. This amount includes officers' compensation, amounts set aside or accrued to provide pension, retirement, insurance or similar benefits, amounts expended by the Company for automobiles made available to its officers and expenses (including business association dues and expenses) for which officers were reimbursed, as well as Board of Directors fees, which include a retainer fee of \$20,000 per annum, an attendance fee for participation in a meeting in person outside the director's country of residence, and an annual fee of \$5,000 per annum for chairing a committee.

The total number of options granted to officers and directors of the Company during 2006 as a group was 240,500 at an average exercise price of \$15.64.

As previously approved by the shareholders on October 4, 2006, each of the Company's non-employee directors is entitled to a grant of options under our stock option plans to purchase 10,000 Ordinary Shares for each year in which such non-employee director holds office. The options will be granted for three (3) years in advance, and therefore every director receives an initial grant of options to purchase 30,000 Ordinary Shares, which vest over a period of three years, with a third (10,000) to vest upon each anniversary of service, provided that the director still serves on the Company's Board of Directors on such date. The grant is made on the date of the director's election, and thereafter, every three years, if reelected, an additional grant of options to purchase an additional 30,000 Ordinary Shares, subject to the vesting schedule described above, will be made on the date of each annual meeting in which such director is re-elected. The exercise price of all options shall be equal to the fair market value of the Ordinary Shares on the date of the grant (i.e., an exercise price equal to the market price of our Ordinary Shares on the date of the annual meeting approving the election or reelection of a director).

The Chief Executive Officer's compensation includes base salary in NIS equivalent to \$200,000 per annum and, effective as of the year 2007, an annual bonus of up to \$100,000, subject to achievement of certain milestones to be determined by the Compensation Committee and approved by the Audit Committee and the Board of Directors before the beginning of each year. His last option grant consisted of 400,000 options in 2003. See also Item 4.

## **ITEM 2**

**RE-APPOINTMENT OF AUDITORS**

At the Annual General Meeting, the shareholders will be asked to approve the Audit Committee's recommendation to re-appoint Kost, Forer, Gabbay & Kasierer, a member of the Ernst & Young international accounting firm, and independent certified public accountants in Israel, as our auditors until immediately following the next annual general meeting of shareholders. They have no relationship with the Company or with any affiliate of the Company except, to a limited extent, as tax consultants. The Board of Directors believes that such limited non-audit function does not affect the independence of Kost, Forer, Gabbay & Kasierer. A representative of the auditors will be present at the Annual General Meeting and will be available to respond to appropriate questions from shareholders.

The shareholders will also be asked to authorize our Board of Directors to delegate to our Audit Committee the authority to fix the fees paid to our independent auditors, as contemplated by the U.S. Sarbanes-Oxley Act. With respect to the year 2006, we paid Kost, Forer, Gabbay & Kasierer approximately \$128,000 for auditing and audit related services and \$7,000 for tax related services.

We propose that at the Annual General Meeting the following resolutions be adopted:

**RESOLVED**, that Kost, Forer, Gabbay & Kasierer, a member of the Ernst & Young international accounting firm, be, and they hereby are, re-appointed as auditors of the Company until immediately following the next annual general meeting of the Company's shareholders.

**RESOLVED**, that the Board of Directors of the Company be authorized to delegate to the Audit Committee the authority to fix the remuneration of said auditors in accordance with the volume and nature of their services.

The affirmative vote of the holders of a majority of the voting power represented at the Annual Shareholders Meeting, in person or by proxy, and voting on this matter, is required for the approval of this matter.

**The Board of Directors recommends a vote FOR the approval of the proposed resolutions.**

**ITEM 3**

**APPROVAL OF COMPENSATION AND GRANT OF STOCK OPTIONS**

**TO THE EXECUTIVE CHAIRMAN OF THE BOARD**

Mr. Christopher McCleary has served as a member of our Board of Directors since February 2000. On August 6, 2006, the Board of Directors elected Mr. McCleary to serve as Chairman of the Board of Directors. To that end, the Compensation Committee determined to enter into an agreement with Mr. McCleary whereby (1) he will undertake to serve as our Chairman and, in such role commit at least 10 hours per month to the Company's affairs; and (2) in consideration for his services, he will receive, in addition to his compensation as a non-employee director (see Item 1 Election of Class II Directors - Executive Compensation, above), (a) an annual fee of \$20,000 and (b) a one-time grant of options to purchase 30,000 Ordinary Shares, which shall vest over a period of three years, with a third (10,000) to vest upon each anniversary of service starting with August 31, 2006, provided that Mr. McCleary still serves on the Company's Board of Directors on such date. The exercise price of the options was the fair market value of the Ordinary Shares on the date of the 2006 shareholder meeting (October 4, 2006). The agreement was approved by the shareholders at the meeting held on October 4, 2006.

On May 8, 2007, following the recommendation and approval of the Compensation Committee and the Audit Committee, the Company's Board of Directors approved an agreement with Mr. McCleary pursuant to which Mr.

McCleary will serve as an Executive Chairman of the Company in a full-time capacity, as of June 1, 2007, and in such role he will report to the Board of Directors and work closely with the Chief Executive Officer and other members of the senior management team. The Executive Chairman's roles and responsibilities include: (i) developing and overseeing the Company's long-term strategic plan; (ii) developing and enhancing relationships with investors, analysts, media, key customers and partners; (iii) leading the Board of Directors; and (iv) undertaking special projects as agreed upon by the Board of Directors or the Chief Executive Officer. In consideration for his services, Mr. McCleary will be entitled to:

- 

an annual salary of \$395,000 (which replaces the salary of \$40,000 paid to him in his previous position as a non-Executive Chairman);

- 

a one-time grant of options to purchase 460,000 Ordinary Shares, which shall vest after three years of service as Executive Chairman (unless accelerated in the event of change of control or termination without cause), and shall expire 12 months after vesting. The exercise price of the options will be equal to the fair market value of the Ordinary Shares as of the date of the Annual General Meeting (i.e., the share's closing price on NASDAQ on July 9, 2007); and

- 

additional standard company benefits, which include medical and life insurance, paid vacation of 4 weeks per year, car allowance and expense reimbursement.

Since Mr. McCleary is a director of the Company, his compensation requires the approval of the Audit Committee, Board of Directors and shareholders, in accordance with the Companies Law. As noted above, the Audit Committee and Board of Directors have approved his compensation.

We propose that at the Annual General Meeting, the following resolution will be adopted:

### APPROVAL OF THE COMPANY'S DIRECTORS AND OFFICERS LIABILITY INSURANCE

The Companies Law and the Company's Articles of Association authorize the Company, subject to the requisite corporate approvals, to purchase an insurance policy for the benefit of its officers and directors for liability of certain acts or omissions committed while serving in their respective capacities as officers or directors.

The Companies Law provides that a company may not enter into an insurance policy that would provide coverage for the liability of an officer or director for: (a) a breach of his or her duty of loyalty, except if he or she acted in good faith and had reasonable grounds to believe that such act would not prejudice the interests of the Company and is otherwise permitted by law; (b) a breach of his or her duty of care committed intentionally or recklessly; (c) an act or omission done with the intent to unlawfully recognize personal gain; or (d) a fine or monetary settlement imposed upon him or her.

Under the Israeli Companies Law, the insurance of directors requires the approval of our Audit Committee, followed by our Board of Directors and then followed by our shareholders.

Following approval by our Audit Committee and Board of Directors, we purchased (1) Directors and Officers Liability Insurance Policy from AIG for the period commencing on November 1, 2006 and ending on October 31, 2007 with aggregate coverage of \$5,000,000; premium of \$73,000 per annum (compared to \$85,000 in 2006 and \$119,000 in 2005); and the Company's contribution for each securities claim under the policy is \$250,000 and (2) a Side A Excess Liability Insurance Policy from Axis Specialty Europe Limited, to cover excess claims up to an aggregate coverage of \$5,000,000, for an annual premium of \$50,000 (together, the 2006-7 D&O Policy). The

shareholders are being asked to ratify and approve the purchase by the Company of the 2006-7 D&O Policy. Our Audit Committee and Board of Directors also approved, subject to shareholder approval, any renewal, extension of such insurance policy (including Side A Excess Liability) and/or purchase of a new policy (from any insurer(s)) for the benefit of all directors and officers of the Company that may serve from time to time; provided that any such renewal, extension or purchase is conditioned upon (i) further approval by the Audit Committee and the Board of Directors; (ii) the annual aggregate premium not exceeding 115% of the previous year's aggregate premium, and (iii) nonoccurrence for periods after November 1, 2012, without further shareholder approval.

We propose that at the Annual General Meeting, the following resolution be adopted:

**RESOLVED**, that the purchase of a Directors and Officers Liability Insurance Policy for the period commencing on November 1, 2006 and ending on October 31, 2007, including Side A Excess Liability Insurance Policy, for the benefit of all of the directors of the Company that may serve from time to time as described in the Company's Proxy Statement dated June 5, 2007, is hereby approved; and

**RESOLVED FURTHER**, that any renewal, extension and/or purchase (from any insurer(s)) of a new directors and officers liability insurance policy (including Side A Excess Liability) in respect of all directors of the Company, who may serve the Company from time to time, is hereby approved; and that the management of the Company be, and it is hereby is, authorized and directed to negotiate and execute in the name and on behalf of the Company, contracts for such renewal, extension and/or purchase of insurance, upon the terms and conditions so negotiated; provided that any such renewal, extension or purchase is conditioned upon (i) further approval by the Audit Committee and the Board of Directors; (ii) the annual aggregate premium not exceeding 115% of the previous year's aggregate premium, and (iii) nonoccurrence for periods after November 1, 2012, without further shareholder approval; it being hereby clarified that no further approval of the shareholders of the Company will be required in connection with any renewal and/or extension and/or the purchase of any such insurance policy in accordance with these resolutions.

The affirmative vote of the holders of a majority of the voting power represented at the Annual General Meeting, in person or by proxy, and voting on this matter, is required for the approval of this matter.
