NOTES TO FINANCIAL STATEMENTS
(PREPARED BY MANAGEMENT)

NOTE 1 - BASIS OF PRESENTATION

The accompanying financial statements have been prepared in accordance with US Securities and Exchange Commission ("SEC") requirements for interim financial statements. Therefore, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. The financial statements should be read in conjunction with the year ended December 31, 2001 financial statements of Paragon Polaris Strategies Inc.

The results of operations for the interim period shown in this report are not necessarily indicative of the results to be expected for the full year. In the opinion of management, the information contained herein reflects all adjustments necessary to make the results of operations for the interim periods a fair statement of such operation. All such adjustments are of a normal recurring nature.

NOTE 2 - RELATED PARTY TRANSACTIONS

The Company has entered into an agreement made effective July 1, 1999 with David R. Mortenson & Associates (Grantor) to receive the rights to distribute the water treatment products developed by NW Technologies, Inc. for the States of Arizona and Nevada. Minimum purchase requirements were $125,000 the first year and $175,000 the second year.

On July 6, 1999 the Company filed a Form D pursuant to Section 3(b) of the Securities Act and Rule 504 promulgated thereunder, with the Securities and Exchange Commission registering the issuance of 200,000 shares of common stock to each of the ten general partners of David R. Mortenson and Associates, a Texas general Partnership. The shares were issued at a price of $0.001 per share being the par value per share for a total of $2,000 in exchange for the water remediation license. The water remediation license is recorded a cost of $NIL, being the original cost of the license to David R. Mortenson and Associates. The difference between the issue price of the shares and the cost of the license is recorded as a deemed dividend.

The agreement with David R. Mortenson & Associates was entered into by previous management.

In December, 1999 N.W. Technologies, Inc. unilaterally cancelled its contract with David Mortenson & Associates. Early in the year 2000 David Mortenson & Associates laid suit against N.W. Technologies, Inc. in Harris County Court, Texas.

In the opinion of management, the Company has no direct or indirect interest in the Texas lawsuit

In a letter dated January 5, 2000 David Mortenson & Associates suspended all present and future payments under the License Agreement until their dispute with N.W. Technologies is resolved.

Due to the dispute regarding the water remediation license, David R. Mortenson and Associates gave and additional license to the Company on January 20, 2000. The license is to distribute vitamins, minerals, herbs and other health products and supplements via the Internet. The license calls for a 10% add-on for all products purchased and an annual $500 website maintenance fee. The effective date of the License Agreement was January 3, 2000. The license is for an initial three years from the effective date and is automatically renewable unless either party to the license agreement gives ninety days written notice of non-renewal prior to expiration date. No amounts have been recorded in these financial statements regarding the granting of the license.

Dorothy Mortenson is the wife of David R. Mortenson. She is an original incorporator of the Company and served as Corporate Secretary until January 17, 2000 when her shares were purchased by present management. David R. Mortenson is a principal in both David Mortenson & Associates and Vitamineralherb.com. Neither Mr. nor Mrs. Mortenson own or have owned any of the Company's securities since November 24, 1999. Outside of his association with Vitamineralherb.com, Mr. Mortenson has no connection with Paragon Polaris. As a result, management considers that he is at arms length with the Company.

Item 2. Management's Discussion and Analysis or Plan of Operation.

Paragon Polaris Strategies Inc. has a three-year license to market and sell vitamins, minerals, nutritional supplements, and other health and fitness products to medical professionals, alternative health professionals, martial arts studios and instructors, sports and fitness trainers, other health and fitness professionals, school and other fund raising programs and other similar types of customers. All of these individuals and organizations will order their products via the Internet for sale to their clients. The license will be automatically renewed unless the Company or VitaMineralHerb.com gives the other notice of its intent not to renew.

As a licensee of VitaMineralHerb.com, Paragon Polaris Strategies Inc. eliminates the need to develop products, store inventory, build and maintain a website, establish banking liaisons, and develop a fulfillment system, thereby enabling us to focus strictly on marketing and sales. The Company plans to target health and fitness professionals in the Province of Alberta, Canada who wish to offer health and fitness products to their customers.

Paragon Polaris (and its customers) will have access to all products offered on the VitaMineralHerb.com website, as well as the ability to order custom-formulated and custom-labeled products. VitaMineralHerb.com sets the price for products based on the manufacturer's price, plus a markup that provides a 10% commission to VitaMineralHerb.com and a profit for Paragon Polaris Strategies Inc.

(b) Management's Discussion and Analysis of Financial Condition and Results of Operations.

Liquidity and Capital Resources

Paragon Polaris Strategies Inc. remains in the development stage and, since inception, has experienced some small expenses for the preparation of financial statements and periodic reports as required by the Securities Exchange Act of 1934.

In January 2002 the registrant issued 250,000 shares of common stock as part of self-underwritten financing contained in its effective SB2 filing. Shortly thereafter sale of stock was terminated. Consequently, our balance sheet for the period ending June 30, 2002 reflects current assets of $24,339 in the form of cash, and total assets of $ 24,339.

During the three month period ending June 30, 2002, management reimbursed $7,500 to a related party, paid $6,840 in legal expenses $7,321 in accounting charges and a further $4,000 in electronic filing fees. The balance of $24,339 is being retained as working capital pending scaling-down of our business plan and management's attempts to raise further capital.
