Item 1.01 Entry into a Material Definitive Agreement.

On November 15, 2010, BSD Medical Corporation (the “Company”) entered into a placement agency agreement (the “Agency Agreement”) with Roth Capital Partners, LLC (the “Placement Agent”), pursuant to which the Placement Agent agreed to use its reasonable efforts to arrange for the sale of up to 1,750,000 shares of the Company’s common stock and warrants to purchase up to 875,000 shares of the Company’s common stock in a registered direct public offering (the “Offering”). The Placement Agent will be entitled to a cash fee of 6.5% of the gross proceeds paid to the Company for the securities the Company sells in this Offering. The Company will also reimburse the Placement Agent for all reasonable and documented out-of-pocket expenses that have been incurred by the Placement Agent in connection with the Offering, which shall not exceed the lesser of (i) \$30,000 or (ii) 8% of the gross proceeds of the Offering, less the Placement Agent’s placement fee.

The Agency Agreement contains customary representations, warranties and covenants by the Company. It also provides for customary indemnification by the Company and the Placement Agent for losses or damages arising out of or in connection with the sale of the securities being offered. The Company has agreed to indemnify the Placement Agent against liabilities under the Securities Act of 1933, as amended. The Company has also agreed to contribute to payments the Placement Agent may be required to make in respect of such liabilities.

Also on November 15, 2010, the Company and certain existing institutional investors entered into a securities purchase agreement (the “Purchase Agreement”) in connection with the Offering, pursuant to which the Company agreed to sell an aggregate of 1,750,000 shares of its common stock and warrants to purchase a total of 875,000 shares of its common stock to such investors for aggregate gross proceeds, before deducting fees to the Placement Agent and other estimated offering expenses payable by the Company, of approximately \$10.45 million. The common stock and warrants were sold in fixed combinations, with each combination consisting of one share of common stock and a warrant to purchase 0.50 shares of common stock. The purchase price is \$5.97 per fixed combination. The warrants will become exercisable six months and one day following the closing date of the Offering and will remain exercisable for five years thereafter at an exercise price of \$7.73 per share. The exercise price of the warrants is subject to adjustment in the case of stock splits, stock dividends, combinations of shares and similar recapitalization transactions.

The exercisability of the warrants may be limited if, upon exercise, the holder or any of its affiliates would beneficially own more than 4.9% of the Company’s common stock.

Under the Purchase Agreement, the Company has agreed with each of the purchasers that, subject to certain exceptions, it will not, within the 30 trading days following the closing of the Offering (which period may be extended in certain circumstances), enter into any agreement to issue or announce the issuance or proposed issuance of any securities.

The Company has also agreed with each of the purchasers that while the warrants are outstanding, it will not effect or enter into an agreement to effect a "Variable Rate Transaction," which means a transaction in which the Company:

- issues or sells any convertible securities either (A) at a conversion, exercise or exchange rate or other price that is based upon and/or varies with the trading prices of, or quotations for, the shares of our common stock at any time after the initial issuance of such convertible securities, or (B) with a conversion, exercise or exchange price that is subject to being reset at some future date after the initial issuance of such convertible securities or upon the occurrence of specified or contingent events directly or indirectly related to the business of the Company or the market for our common stock, other than pursuant to a customary "weighted average" anti-dilution provision; or
- enters into any agreement (including, without limitation, an equity line of credit) whereby we may sell securities at a future determined price (other than standard and customary "preemptive" or "participation" rights).

The Company has also agreed with each of the purchasers if the Company issues securities within the 12 months following the closing of the Offering, the purchasers shall have the right to purchase all of the securities on the same terms, conditions and price provided for in the proposed issuance of securities.

The Company has also agreed to indemnify each of the purchasers against certain losses resulting from its breach of any of its representations, warranties, or covenants under agreements with each of the purchasers, as well as under certain other circumstances described in the Purchase Agreement.

The net proceeds to the Company from the Offering, after deducting placement agent fees and the estimated offering expenses borne by the Company, and excluding the proceeds, if any, from the exercise of the warrants issued in the Offering, are expected to be approximately \$9.7 million. The Offering will close on or before November 18, 2010. After giving effect to the Offering, but without giving effect to the exercise of the warrants being offered, the Company will have 28,790,034 shares of common stock outstanding.

The Offering was effected as a takedown off the Company's shelf registration statement on Form S-3 (File No. 333-162080), which became effective on October 1, 2009 pursuant to a prospectus supplement to be filed with the Securities and Exchange Commission.

The foregoing summaries of the terms of the Agency Agreement, the form of warrant to be issued to the purchasers and the Purchase Agreement are subject to, and qualified in their entirety by, such documents attached hereto as Exhibits 1.1, 4.1, and 10.1 respectively, which are incorporated herein by reference.

Item 8.01 Other Events.

The information set forth in Item 1.01 with respect to the Offering is hereby incorporated herein by reference. The Company will file the opinion of its counsel, Dorsey & Whitney LLP, relating to the legality of the issuance and sale of the shares of common stock, warrants and shares of common stock issuable upon exercise of the warrants in the Offering, by amendment to this report.

On November 15, 2010, the Company issued a press release announcing the execution of the Purchase Agreement. A copy of the press release is attached as Exhibit 99.1 hereto and incorporated by reference herein.
