Item 3.02. Unregistered Sales of Equity Securities.

As previously disclosed, on January 31, 2018, Northern Oil and Gas, Inc. (the “Company”) entered into an agreement (the “Exchange Agreement”) with holders (the “Supporting Noteholders”) of approximately \$497 million, or 71%, of the aggregate principal amount of the Company’s outstanding 8.000% Senior Notes due 2020 (the “Outstanding Notes”), pursuant to which the Supporting Noteholders have agreed to exchange all of the Outstanding Notes held by each such Supporting Noteholder for approximately \$155 million of the Company’s common stock, par value \$0.001 (the “Common Stock”), and approximately \$344 million in aggregate principal amount of new senior secured second lien notes due 2023 (the “Second Lien Notes”) (such proposed exchange, the “Exchange Transaction”).

Also as previously disclosed, on January 31, 2018, the Company and certain investors entered into subscription agreements (the “Subscription Agreements”) whereby such investors agreed to purchase \$40.0 million of Common Stock at \$3.00 per share (subject to downward adjustment based on the pricing of the \$156 million equity raise requirement under the Exchange Agreement (the “Equity Raise”), subject to the closing of the Exchange Transaction (the “Exchange Closing”).

On March 18, 2018, additional investors entered into a subscription agreement to purchase \$12.0 million of Common Stock at the lowest price per share paid in connection with the Equity Raise, subject to conditions to closing that are customary in private placements of this type and subject to the closing of the Exchange Transaction. In accordance with the terms of the subscription agreement, at the closing of the sale of these shares of Common Stock, the Company will enter into a registration rights agreement (the “Registration Rights Agreement”) with the additional investors pursuant to which the Company will agree to file with the Securities and Exchange Commission a registration statement registering for resale such shares of Common Stock. As a result, the Company now expects to receive an aggregate of \$52.0 million in proceeds from the sale of the Common Stock under the most recent subscription agreement and the Subscription Agreements.

The Common Stock to be issued pursuant to the Subscription Agreements and the most recent subscription agreement was offered, and will be sold, pursuant to the exemption provided by Section 4(a)(2) of the Securities Act. This offer was made by the Company to a limited number of persons, each of which is an accredited investor (within the meaning of Rule 501 promulgated under the Securities Act) or a qualified institutional buyer (as defined in Rule 144A under the Securities Act).
