Item 5. Other Events and Regulation FD Disclosure

On June 30, 2003, Metromedia International Group, Inc. (the Company or MIG) announced that it had sold its entire business interest in Technocom Limited (Technocom) to Grosco Holding Limited, a Cypriot company, for cash consideration of \$4.5 million. Technocom, a wholly-owned subsidiary, held interests in several Russian telecommunication enterprises including satellite-based transport operator Teleport-TP.

Simultaneous with the sale of Technocom, the Company entered into agreements intended to settle all historical claims concerning Technocom-related businesses; including claims arising from the litigation in Guernsey that Technocom initiated in 2002 concerning its majority-owned subsidiary Roscomm and from arbitration proceedings initiated in 2003 in connection with that Guernsey litigation. The Company further expects that the broad releases, from and among all potential claimants contained in the settlement agreements will avoid any further dispute in connection with Technocom, its subsidiary businesses, or its past or present stakeholders.

The press release announcing this matter is attached as Exhibit 99.1 and is incorporated herein by reference.

Item 7. Financial Statements and Exhibits

(c) Exhibits.

99.1 Press Release of Metromedia International Group, Inc., dated June 30, 2003
