Senior Credit Facility

On May 10, 2005, Carter's, Inc. issued a joint press release with OshKosh B'Gosh, Inc. announcing that Carter's wholly owned subsidiary, The William Carter Company (TWCC), had entered into a definitive agreement (the Merger Agreement) to acquire OshKosh B'Gosh, Inc. (the Acquisition). The following is a summary of the proposed terms of the previously announced senior credit facility, into which TWCC expects to enter, in connection with the proposed acquisition of Oshkosh B'Gosh, Inc.

BORROWER: The William Carter Company, a Delaware corporation (*Borrower*).

Company: OshKosh B Gosh, Inc., a Delaware corporation (the *Company*). Upon consummation of the Acquisition, the Company will be a wholly-owned subsidiary of Borrower.

Guarantors: The obligations of Borrower and its subsidiaries under the Senior Credit Facilities and under any treasury management, interest protection or other hedging arrangements entered into with a Lender (or any affiliate thereof) will be guaranteed by each existing and future wholly-owned direct and indirect domestic subsidiary of Borrower. All guarantees will be guarantees of payment and not of collection.

Administrative and collateral agent: Bank of America, N.A. (*Bank of America*) will act as sole and exclusive administrative and collateral agent (the *Administrative Agent*).

Syndication agent: Credit Suisse First Boston, acting through one or more of its branches or affiliates (*CSFB*), will act as sole and exclusive syndication agent (the *Syndication Agent*).

Joint lead arranger and joint bookrunning Manager: Banc of America Securities LLC (*BAS*) and CSFB will act as joint lead arrangers and joint bookrunning managers.

Lenders: Bank of America, CSFB and other banks, financial institutions and institutional lenders acceptable to the Joint Lead Arrangers and selected in consultation with Borrower.

Senior credit facilities: An aggregate principal amount of up to \$625.0 million

will be available through the following facilities:

Revolving Credit Facility: a \$125.0 million revolving credit facility, available from time to time on and after the Closing Date until the sixth anniversary of the Closing Date, and of which \$4.0 million will be drawn on the Closing Date, which will include a \$60 million sublimit for the issuance of standby and trade letters of credit (each a **Letter of Credit**). Letters of Credit will be initially issued by Bank of America (in such capacity, the **Fronting Bank**), and each of the Lenders under the Revolving Credit Facility will purchase an irrevocable and unconditional participation in each Letter of Credit.

In connection with the Revolving Credit Facility, Bank of America (in such capacity, the **Swingline Lender**) will make available to Borrower a swingline facility under which Borrower may make short-term borrowings of up to \$10.0 million. Except for purposes of calculating the Commitment Fee described below, any such swingline borrowings will reduce availability under the Revolving Credit Facility on a dollar-for-dollar basis. Each Lender under the Revolving Credit Facility shall, promptly upon request by the Swingline Lender, fund to the Swingline Lender its pro rata share of any swingline borrowings.

Term B Facility: a \$500 million term loan facility, all of which will be drawn on the Closing Date (the **Term Loan Facility**).

Purpose:

The proceeds of the Term Loan Facility shall be used to (i) finance in part the Acquisition; (ii) refinance certain existing indebtedness of the Company and its subsidiaries; and (iii) pay fees and expenses incurred in connection with the Acquisition and all related transactions (the **Transaction**). The proceeds of the Revolving Credit Facility shall be used to provide ongoing working capital and for other general corporate purposes of Borrower and its subsidiaries.

Closing date:

The date of the initial extension of credit under the Senior Credit Facilities, which shall occur on or before September 30, 2005 (the **Closing Date**).

Interest rates:

The interest rates per annum applicable to the Senior Credit Facilities will be LIBOR *plus* the Applicable Margin (as hereinafter defined) or, at the option of Borrower, the Alternate Base Rate (to be defined as the higher of (x) the Bank of America prime rate and (y) the Federal Funds rate plus 0.50%) *plus* the Applicable Margin. The Applicable Margin will be the basis points set forth in the following table; *provided, however*, that on or after the date that is six months after the Closing Date, the Applicable Margin with respect to the Revolving Credit Facility will be determined pursuant to a grid to be determined based on the applicable Leverage Ratio

(total debt/EBITDA):

	Base Rate Loans	LIBOR Loans
If rated at least B1/BB- (in each case, stable or positive outlook), respectively, by both Moody's and S&P:	75	175
Otherwise:	100	200

Borrower may select interest periods of one, two, three, six, nine or twelve months (to the extent available) for LIBOR advances. Interest shall be payable at the end of the selected interest period, but no less frequently than quarterly.

During the continuance of any default under the loan documentation, the Applicable Margin on all overdue obligations owing under the loan documentation shall increase by 2% per annum.

Commitment Fee:

Commencing on the Closing Date, a commitment fee of 0.50% per annum shall be payable on the unused portions of the Senior Credit Facilities, such fee to be payable quarterly in arrears and on the date of termination or expiration of the commitments.

Letter of Credit Fees:

A per annum fee equal to the Applicable Margin from time to time on Revolving Credit Facility LIBOR advances on a per annum basis will accrue on the aggregate face amount of outstanding standby Letters of Credit under the Revolving Credit Facility, will be payable in arrears and shared proportionately by the Lenders under the Revolving Credit Facility, A per annum fee equal to 50% of the Applicable Margin from time to time on Revolving Credit Facility LIBOR advances on a per annum basis will accrue on the aggregate face amount of outstanding trade Letters of Credit under the Revolving Credit Facility, will be payable in arrears and shared proportionately by the Lenders under the Revolving Credit Facility. In addition, a fronting fee will be payable to the Fronting Bank for its own account, in an amount equal to with respect to each Letter of Credit issued and outstanding, 0.125% per annum of the amount available to be drawn under such Letter of Credit, payable quarterly in arrears.

Calculation of Interest and fees:

Other than calculations in respect of interest at the Alternate Base Rate (which shall be made on the basis of actual number of days elapsed in a 365/366 day year), all calculations of interest and fees shall be made on the basis of actual number of days elapsed in a 360-day year.

Maturity:

The Term Loan Facility shall be subject to repayment according to the Scheduled Amortization, with the final payment of all amounts outstanding, plus accrued interest, being due seven years after the Closing Date.

The Revolving Credit Facility shall terminate and all amounts outstanding thereunder shall be due and payable in full six years after the Closing Date:

Scheduled Amortization:

Term Loan Facility: The Term Loan Facility will be subject to quarterly amortization of principal, with 0.25% of the initial aggregate Term Loan Facility advances to be payable during each calendar year in each of the first six years and nine months of the seventh year and 93.25% of the initial aggregate Term Loan Facility advances to be payable on the date that is seven years after the Closing Date (collectively, the ***Scheduled Amortization***).

Revolving Credit Facility: Advances under the Revolving Credit Facility may be made, and Letters of Credit may be issued, on a revolving basis up to the full amount of the Revolving Credit Facility.

Mandatory prepayments and commitment reductions:

In addition to the amortization set forth above, subject to customary and other exceptions to be agreed, the Senior Credit Facilities shall be prepaid (and the commitments thereunder shall be permanently reduced with):

(a) 100% of all net cash proceeds (i) from sales of property and assets of Borrower and its subsidiaries (including casualty and condemnation proceeds) with exceptions to include sales of inventory in the ordinary course of business and subject to reinvestment provisions to be agreed upon and (ii) from the issuance or incurrence after the Closing Date of additional debt of Borrower or any of its subsidiaries (subject to customary exceptions for permitted indebtedness), and

(b) 50% of Excess Cash Flow of Borrower (to be agreed upon, including credit against cash flow prepayment obligations for voluntary prepayments on a dollar-for-dollar basis (for the fiscal year in which such voluntary prepayments are made)) for each fiscal year (commencing with the fiscal year ending January 2007), with reductions to be agreed upon based upon achievement and maintenance of leverage ratios to be agreed upon.

The above-described mandatory prepayments shall be applied *first*, to the first four scheduled amortization payments under the Term Loan Facility and any excess shall be applied pro rata to the remaining amortization payments under the Term Loan Facility and, *second*, to the Revolving Credit Facility.

**Optional Prepayments
and Commitment Reductions:**

The Senior Credit Facilities may be prepaid at any time in whole or in part without premium or penalty, except that any prepayment of LIBOR advances other than at the end of the applicable interest periods therefor shall be made with reimbursement for any funding losses and redeployment costs of the Lenders resulting therefrom. Each such prepayment of the Term Loan Facility shall be applied thereunder. The unutilized portion of any commitment under the Senior Credit Facilities may be reduced or terminated by Borrower at any time without penalty.

Security:

Borrower and each of the Guarantors shall grant the Administrative Agent for the benefit of the Lenders valid and perfected first priority (subject to certain exceptions to be set forth in the loan documentation) liens and security interests in all of the following (the *Collateral*):

(a) All present and future shares of capital stock of (or other ownership or profit interests in) each of its present and future subsidiaries (limited, in the case of foreign subsidiaries, to a pledge of 65% of the capital stock of each first-tier foreign subsidiary.

(c) All of the present and future property and assets, real and personal, of Borrower and each Guarantor, including, but not limited to, machinery and equipment, inventory and other goods, accounts receivable, material owned real estate (provided that the Borrower shall only be required to provide currently existing Phase I reports and the parties shall work to minimize having to do updated surveys and title requirements, if any), fixtures, bank accounts, general intangibles, financial assets, investment property, license rights, patents, trademarks, tradenames, copyrights, chattel paper, insurance proceeds, contract rights, hedge agreements, documents, instruments, indemnification rights, tax refunds and cash.

(d) All proceeds and products of the property and assets described in clauses (a), (b) and (c) above.

Assets shall be excluded from the Collateral to the extent that the Administrative Agent shall determine reasonably that the costs of obtaining such a security interest are excessive in relation to the benefit of the Lenders of the security to be afforded thereby.
