On August 9 and August 10, 2005, members of Duke Realty Corporation's (the "Company") management provided to an analyst and certain investors presentation materials (the "Presentation Materials") regarding the Company. Pursuant to General Instruction F to Form 8-K, a copy of the Presentation Materials is attached hereto as Exhibit 99.1 and is incorporated into this Item 7.01 by this reference.

Cautionary Notice Regarding Forward-Looking Statements

Certain statements and information contained in the Presentation Materials constitute forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. The words believe, estimate, expect, anticipate, intend, plan, seek and similar expressions or statements regarding future periods, as well as information and projections provided in respect of future periods, are intended to identify these forward-looking statements and forward-looking information. These forward-looking statements involve known and unknown risks, uncertainties and other important factors that could cause the Company's actual results, performance or achievements, or industry results, to differ materially from any predictions of future results, performance or achievements that the Company expresses or implies in this report. These risks, uncertainties and other important factors may include general factors that affect the Company's industry and business, as well as factors specific to the particular properties and transactions discussed in the Presentation Materials. Although the Company presently believes that the plans, expectations and results expressed in or suggested by the forward-looking statements are reasonable, all forward-looking statements are inherently uncertain as they involve substantial risks and uncertainties beyond the Company's control, as well as subjective, and inherently uncertain, analysis by the Company's management. New factors emerge from time to time, and it is not possible for the Company to predict the nature or assess the potential impact of each new factor on the Company's business. Given these uncertainties, the Company cautions readers not to place undue reliance on these forward-looking statements. The Company undertakes no obligation to update or revise any forward-looking statement or information for events or circumstances that arise after the statement is made.

The information contained in this Item 7.01, including the information set forth in the Presentation Materials attached hereto and incorporated by reference herein, is being furnished and shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise. The information in this Item 7.01 shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended, or into any filing or other document pursuant to the Securities Exchange Act of 1934, as amended, except as otherwise expressly stated in any such filing.
