Edgar Filing: MGP INGREDIENTS INC - Form DEFR14A

The holders of outstanding shares of Common Stock and Preferred Stock of the Company at the close of business on August 20, 2005 are entitled to notice of and to vote at the Annual Meeting. The presence in person or by proxy of persons entitled to vote a majority of the issued and outstanding stock of each class of stock entitled to vote will constitute a quorum for the transaction of business at the meeting. As of August 20, 2005, there were 16,288,630 shares of Common Stock outstanding and 437 shares of Preferred Stock outstanding.

Generally, holders of Common and Preferred Stock each vote separately as a class with respect to each matter that the class is authorized to vote on, with each share of stock in each class being entitled to one vote. In connection with the election of directors, the holders of Common Stock are entitled to vote on the election of Group A directors and the holders of Preferred Stock are entitled to vote on the election of Group B directors. The candidates for office who receive the highest number of votes will be elected. Although no other proposals are scheduled to come before the meeting, the affirmative vote of the holders of a majority of the shares of Preferred Stock and of the holders of a majority of the shares of Common Stock present in person or by proxy at the meeting and entitled to vote thereat (or such higher voting requirement as may be specified by law or the Company's Amended and Restated Articles of Incorporation) is required for approval of other proposals.

Abstentions and broker non-votes will be counted as present for purposes of determining the existence of a quorum at the Annual Meeting. With respect to shares relating to any Proxy as to which a broker non-vote is indicated on a proposal, those shares will not be considered present and entitled to vote with respect to any such proposal. With respect to any matter brought before the Annual Meeting requiring the affirmative vote of a majority or other proportion of the outstanding shares of a class, an abstention or non-vote will have the same effect as a vote against the matter being voted upon.

Any stockholder giving a Proxy may revoke it at any time prior to its use by executing a later dated Proxy or by filing a written revocation with the Secretary of the Company. A stockholder may also revoke a Proxy by appearing at the meeting and voting by written ballot. Each director attended at least 75% of the meetings of the Board and the Committees of which the director was a member.

Audit Review Committee. The Audit Review Committee reviews the process involved in the preparation of the Company's annual audited financial statements and appoints a firm of independent public accountants to serve as independent auditor and to conduct that audit and review the Company's quarterly financial statements. It also reviews and makes recommendations with regard to the process involved in the Company's implementation of its conflict of interest and business conduct policy and is responsible for establishing and monitoring compliance under the code of ethics applicable to the chief executive and financial officers. In connection with this work, the Committee annually reviews: (a) the adequacy of the Audit Review Committee's written charter that has been adopted by the Board of Directors; (b) the independence and financial literacy of each member of the Audit Review Committee; (c) the plan for and scope of the annual audit; (d) the services and fees of the independent auditor; (e) certain matters relating to the independence of the independent auditor; (f) certain matters required to be discussed with the independent auditor relative to the quality of the Company's accounting principles; (f) the audited financial statements and results of the

annual audit; (g)

recommendations of the independent auditor with respect to internal controls and other financial matters; (h) significant changes in accounting principles that are brought to the attention of the Committee; and (i) various other matters that are brought to the attention of the Committee.

The Board of Directors has determined that John E. Byom is an audit committee financial expert, as defined in Item 401(h) of SEC Regulation S-K. The Board has determined that Mr. Byom is independent, as independence for audit committees is defined in the applicable listing standards of the National Association of Securities Dealers. Under SEC regulations, a person who is determined to be an audit committee financial expert will not be deemed an expert for any purpose, including without limitation for purposes of section 11 of the Securities Act of 1933. Further, the designation or identification of a person as an audit committee financial expert does not impose any duties, obligations or liability on such person that are greater than the duties, obligations and liability imposed on such person as a member of the audit committee and board of directors in the absence of such designation or identification and does not affect the duties, obligations or liability of any other member of the audit committee or board of directors.

The Board has determined that each member of the Audit Review Committee is independent, as independence for audit committees is defined in the applicable listing standards of the National Association of Securities Dealers. The Board of Directors has adopted a written charter for the Audit Review Committee, a copy of which is attached as an appendix to this proxy statement.

The information in or referred to in the foregoing paragraph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Human Resources and Compensation Committee. The Human Resources and Compensation Committee recommends to the Board of Directors the compensation of the Chief Executive Officer and other executive officers of the Company.

The Committee approves a bonus system for various key employees and reviews the scope and type of compensation plans for management personnel. The Committee administers the Company's Executive Stock Bonus Plan, the Salaried and Senior Stock Incentive Plans and the Directors' Stock Option Plans, and also serves as an executive search committee. Each of the members of the Human Resources and Compensation Committee is independent, as defined in the listing standards of the National Association of Securities Dealers applicable to compensation committees.

Nominating Committee. The purposes of the Nominating Committee are to recommend to the Board the qualifications for new director nominees, candidates for nomination and policies concerning compensation and length of service. The Nominating Committee has a charter, a copy of which is available to stockholders on the company's website at www.mgpingredients.com. Each of the members of the Nominating Committee is independent, as defined in the listing standards of the National Association of Securities Dealers applicable to nominating committees.

In identifying nominees for the Board of Directors, the Nominating Committee relies on personal contacts of the committee members and other members of the Board of Directors and management. The Nominating Committee will also consider candidates recommended by stockholders in accordance with its policies and procedures. However, the Nominating Committee may choose not to consider an unsolicited candidate recommendation if no vacancy exists on the Board. The Nominating Committee may, in its discretion, use an independent search firm to identify nominees. This year's new nominee, Mr. Gradinger, was recommended to the Nominating Committee by the Company's Chairman of

the Board, Mr. Cray.

The Nominating Committee believes each candidate for the Board should be a person known for his or her integrity and honesty and should have, by education or experience, knowledge or skills which may be helpful to the Board in exercising its oversight responsibilities. A sufficient number of Board members must meet the tests for independence set forth in the applicable listing standards of the National Association of Securities Dealers and Section 10A of the Exchange Act to permit the Company to satisfy applicable NASD and legal requirements. The Committee also believes it is desirable for at least one Board member to be an

audit committee financial expert, as defined in Rule 401(h) of Regulation S-K. In considering candidates, the Committee may take into account other factors as it deems relevant.

In evaluating potential nominees, the Nominating Committee determines whether the nominee is eligible and qualified for service on the Board of Directors by evaluating the candidate under the selection criteria set forth above. The Nominating Committee will conduct a check of the individual's background and will conduct personal interviews before recommending any candidate to the Board. The Nominating Committee in its sole discretion may require candidates (including a stockholder's recommended candidate) to complete a form of questionnaire to elicit information required to be disclosed in the Company's proxy statement.

Stockholders who wish to recommend candidates for consideration by the Nominating Committee in connection with next year's annual meeting should submit the candidate's name and related information in writing to the chairperson of the Nominating Committee in care of the Company's Secretary, at 1300 Main, P.O. Box 130, Atchison, Kansas, 66002, on or before May 25, 2006. In addition to the name of the candidate, a stockholder should submit

his or her own name and address as they appear on the Company's records;

if not the record owner, a written statement from the record owner of the shares that verifies the recommending stockholder's beneficial ownership and period of ownership and that provides the record holder's name and address as they appear on the Company's records;

a statement disclosing whether such recommending stockholder is acting with or on behalf of any other person, entity or group and, if so, the identity of such person, entity or group;

the written consent of the person being recommended to being named in the proxy statement as a nominee if nominated and to serving as a director if elected;

pertinent information concerning the candidate's background and experience, including information regarding such person required to be disclosed in solicitations of proxies for election of directors under Regulation 14A of the Securities Exchange Act of 1934, as amended.

Director Fees. Non-employee directors are paid a retainer at the rate of \$2,500 quarterly, \$625 for attendance at each meeting of the Board, and \$312.50 for attendance at each meeting of a committee of the Board. Employee directors receive a fee of \$437.50 for attendance at each meeting of the Board of Directors. Pursuant to a stockholder approved plan, each non-employee director also receives an automatic grant of an option to purchase 2,000 shares of the Company's Common Stock on the first business day following each annual meeting of stockholders at a price equal to

the fair market value of the Common Stock on that date. Options become exercisable on the 184th day following the date of grant and expire on the sooner of (a) ten years from the date of grant, (b) three years following termination of the director's office due to retirement following age 70, (c) one year following termination of the director's office due to death or (d) 90 days following the date of the termination of the director's term of office for any other reason.

Communications with Directors and Director Attendance at Shareholder Meetings. The Company's policy is to ask directors to attend the annual meeting of stockholders, and all of the directors attended last year's annual meeting. Stockholders may communicate directly with board members by writing the board or individual board members in care of the Company's secretary at the Company's executive offices. The stock performance graph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The following performance graph compares the performance of the Company's Common Stock during the period beginning June 30, 2000 and ending June 30, 2005, to the Center for Research in Security Prices of the University of Chicago Graduate School of Business (CRSP) index for the NASDAQ Stock Market (the NASDAQ COMPOSITE index consisting of US companies) and a peer group CRSP index consisting of active NASDAQ stocks of US processors of food and kindred products having SIC codes between 2000 - 2099 (the NASDAQ Food index) for the same period. The number of companies in the NASDAQ Food index varies from period to period but consisted of 35 companies at the end of June 2005.
