PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Republic Bancorp, Inc. (the Company or Republic) The proxies will be voted at the Annual Meeting of Shareholders (Annual Meeting) of Republic Bancorp, Inc. on April 25, 2006, and at any adjournments of the meeting.

This proxy statement and the enclosed proxy card are first being sent to shareholders on or about March 29, 2006. As used in this report, the terms Republic, the Company, we, our and us refer to Republic Bancorp, Inc., a Kentucky corporation.

VOTING

Record date. You are entitled to notice of and to vote at the Annual Meeting, if you held of record, shares of our Class A Common Stock or Class B Common Stock at the close of business on February 15, 2006. On that date, 16,551,116 shares of Class A Common Stock and 2,141,945 shares of Class B Common Stock were issued and outstanding for purposes of the Annual Meeting.

Voting rights. Each share of Class A Common Stock is entitled to one (1) vote and each share of Class B Common Stock is entitled to ten (10) votes. Based on the number of shares outstanding as of the record date, the shares of Class A Common Stock are entitled to an aggregate of 16,551,116 votes, and the shares of Class B Common Stock are entitled to an aggregate of 21,419,450 votes at the Annual Meeting.

Voting by proxy. If a proxy on the accompanying form is properly executed, returned to Republic and not revoked, the shares represented by the proxy will be voted in accordance with the instructions set forth on the proxy. If no instructions are given, the shares represented will be voted for the director nominees named in this proxy statement and on other matters in accordance with the recommendations of the Board of Directors. The Board of Directors at present knows of no other business to be brought before the Annual Meeting. However, persons named in the enclosed proxy, or their substitutes, will have discretionary authority to vote on any other business which may properly come before the Annual Meeting and any adjournment thereof and will vote the proxies in accordance with recommendations of the Board of Directors.

You may attend the Annual Meeting even though you have executed a proxy. You may revoke your proxy at any time before it is voted by delivering written notice of revocation to the Secretary of Republic, or by delivering a later dated proxy, or by voting in person at the Annual Meeting.

Quorum and voting requirements and counting votes. The presence in person or by proxy of the holders of a majority in voting power of the combined voting power of the Class A Common Stock and the Class B Common Stock will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes will be counted as being present or represented at the Annual Meeting for the purpose of establishing a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

The affirmative vote of a plurality of the votes duly cast is required for the election of directors. All other matters presented at the meeting will be approved if the votes cast in favor of the proposal exceed the votes cast opposing the proposal. Abstentions and broker non-votes are not counted as votes cast on any matter to which they relate.

SHARE OWNERSHIP

The following table sets forth certain information regarding the beneficial ownership of the outstanding shares of Republic as of February 15, 2006, based on information available to the Board of Directors. The Class B Common Stock is convertible into Class A Common Stock on a share-for-share basis. In the following table, information in the column headed Class A Common Stock does not reflect the shares of Class A Common Stock issuable upon conversion of Class B Common Stock. Information is included for:

- (1) persons who own more than 5% of the Class A Common Stock or Class B Common Stock outstanding;

- (3) the CEO and the other five executive officers of Republic who earned the highest total salary and bonus during 2005 (the Named Executive Officers); and,

The *Nominating Committee* held one (1) meeting in 2005. The Charter of the Nominating Committee is available in its entirety on the Company's website, www.republicbank.com. Please note, however, that the information contained on the website is not incorporated by reference in, or considered to be a part of, this proxy statement. Each of the members of the Nominating Committee is independent (as independence is defined in Rule 4200(a)(15) of the NASD listing standards). In 2006, the Nominating Committee and the entire Board of Directors approved the director nominees to be considered for election. All nominees served as directors during 2005. No candidates for director nominees for the 2006 Annual Meeting were submitted to the Nominating Committee or the Board of Directors by shareholders that were not also members of management.

The Nominating Committee will consider candidates for director nominees at the 2007 Annual Meeting put forth by security holders. The Company does not pay a third party fee to assist in identifying and evaluating nominees, but the Company does not preclude the potential for utilizing such services if needed as may be determined at the discretion of the Nominating Committee. No candidate that was recommended by a beneficial owner of more than five percent (5%) of the Company's voting

Common Stock was rejected. The Trager Family Members recommended all director nominees approved by the Nominating Committee and the Company's Board of Directors.

The Board of Directors held six (6) regularly scheduled board meetings during 2005. Each of the directors attended at least 75% of the total number of meetings of the Board of Directors and the committees on which such directors served during their respective terms of service in 2005.

All directors are requested to attend the 2006 Annual Meeting. All Company directors and nominees of record attended the 2005 Annual Meeting which was held on April 14, 2005.

(1) Bonus compensation reflects incentive bonuses awarded and paid after fiscal year-end for achievement of corporate, individual and organizational objectives. Bonuses listed for fiscal year 2006 represent bonus potential based on achievement of corporate, individual and organizational objectives and, if earned as determined by the Compensation Committee, is payable in 2007.

(2) Other compensation for 2006 represents an estimate based on other compensation received in 2005.

(3) Other compensation for 2005 includes matching contributions to 401(k) Retirement Plan (\$7,875 for each person listed), and on life, medical, dental, and disability insurance policies (\$4,233 for Bernard M. Trager, \$5,350 for Steven E. Trager, \$5,350 for A. Scott Trager, \$5,350 for Bill Petter, \$5,173 for David Vest and \$5,137 for Kevin Sipes) and, for membership in various organizations (\$8,882 for Bernard M. Trager, \$16,148 for Steven E. Trager and \$15,920 for A. Scott Trager) and, for Bill Petter, David Vest and Kevin Sipes, an auto allowance of \$9,600 each and, for Steven E. Trager, an auto allowance of \$800 a month beginning on August 1, 2005.

(4) Other compensation for Bernard M. Trager for 2003 was reduced by \$17,165 repaid by Bernard M. Trager to Republic Bank & Trust Company to reimburse a payment made by Republic Bank & Trust Company during 2002 on Bernard M. Trager's split dollar life insurance policy.

(5) Bernard M. Trager receives a lump sum \$90,000 payment each year. In prior years, the Company disclosed this \$90,000 payment as a bonus payment. Because the \$90,000 payment is not contingent upon performance factors, it is now classified as a component of salary compensation rather than bonus.

Employment Contracts and Termination, Severance and Change of Control Arrangements

Republic Bank & Trust Company entered into a death benefit agreement with Bernard M. Trager which became effective September 10, 1996. The agreement provides, subject to certain conditions, for the payment in an amount equal to his average gross IRS W-2 compensation during his two prior years of service from the terminating event multiplied by three. The payment shall be paid to the designated beneficiary in thirty-six consecutive equal installments. The agreement terminates in the event of a change of control.

Republic entered into Officer Compensation Continuation Agreements with Steven E. Trager, A. Scott Trager, Bill Petter and David Vest, which became effective January 12, 1995. Republic entered into an Officer Compensation Continuation Agreement with Kevin Sipes, which became effective June 15, 2001 (all collectively, "Agreements"). These Agreements provide for the payment of the executive officer's base salary and continuation of such executive officer's other employment benefits for up to a period of two (2) years if, following a change in control, the executive officer terminates his employment for "Good Reason" or his employment is terminated other than pursuant to death or for "Cause," as defined in the Agreements. In addition, any stock options or other similar rights will become immediately exercisable upon a change in control that results in termination. For purposes of these Agreements, a change in control includes the acquisition by a person of beneficial ownership of securities representing greater voting power than held by the Trager Family Members as a group or a reduction to less than 25% of the combined voting power of the stock held by the Trager Family Members.

Republic and its wholly-owned banking subsidiary, Republic Bank & Trust Company, approved separate Modification Agreements (collectively, "Modifications") to the Agreements on February 15, 2006. Each Modification conforms the Agreement to recent changes in law enacted under section 409A of the Internal Revenue Code of 1986, as amended, and generally provides that payments under an Agreement to an executive who is a "key employee" may not commence earlier than six months following the executive's separation from service from Republic and Republic Bank & Trust Company. The initial payment to an executive will include any make up payments that would have been made to the executive but for the delay due to the executive's status as a "key employee." In other respects, the original Agreements continue in effect, without change. The agreement signed by Kevin Sipes calls for a lump sum payment, rather than continuation periodic compensation payments. Consequently, the Modification for Kevin Sipes provides that his lump sum will not be paid earlier than six months following his separation from service.

These Agreements were renewed on December 31, 2005 for two additional years. The agreements are automatically extended for two additional years at December 31, unless Republic and Republic Bank & Trust Company gives notice to the executive(s) that it elects not to extend the Agreement(s).

COMPENSATION COMMITTEE REPORT

Under rules established by the Securities and Exchange Commission, the Compensation Committee (the Committee) is required to disclose: (1) the Committee's compensation policies applicable to Republic's executive officers; (2) the relationship of executive compensation to corporate performance; and (3) the Committee's basis for determining the compensation of Republic's Chief Executive Officer (CEO). Pursuant to those requirements, the Committee has prepared this report for inclusion in the proxy statement.

The Committee is responsible for establishing the compensation of and compensation policies for key executive officers of the Bank. Republic does not separately compensate its executive officers, all of whom serve as key executive officers of the Bank. The Chairman of the Board and the CEO also play a significant role in determining compensation. The compensation package, generally consisting of salary, bonus, stock options and other employee benefits, is intended to be competitive in the marketplace and to provide an incentive to meet and exceed individual and corporate performance goals.

The Committee has the responsibility of assuring that the compensation for key executives is appropriate. The Committee requires that there be a specific relationship between executive compensation and the performance of Republic, but it also recognizes additional factors beyond financial performance such as salaries paid to peers, attainment of non-financial corporate objectives and other factors which act to contribute to shareholder value. The achievement of both annual and long-term corporate objectives is considered, with the emphasis being placed on annual performance. Consequently, at the beginning of each year, the Committee establishes salaries and potential bonuses for executive officers, including the Chairman of the Board and the CEO, based on their ability to achieve annual corporate and individual targets and goals. Recommendations of the Chairman and CEO are of major importance to the Committee's deliberations and determinations.

The Committee's approval responsibility under the provisions of the 2005 Stock Incentive Program is limited to Named Executive Officers. Republic's 2005 Stock Incentive Plan provides for the granting of options to Directors, Named Executive Officers and those employees that have demonstrated superior performance and who are deemed beneficial to Republic's future success.

As in prior years, performance appraisals were completed on each key executive with the exception of the Chairman. The Chairman's compensation is tied more closely to the profitability of Republic than to any other performance factor. The purpose of performance appraisals for the remaining key executives is to provide, as objectively as possible, a documented method for reviewing their job performance, an appraisal of their potential to be assigned projects of enhanced responsibility and to provide a written development plan with specific goals and objectives that will promote further professional development while providing motivation for superior future performance. Specific, quantitative financial goals that were established for each key executive for the year may be tied to operating profits, growth in loans, deposits and fees, as well as expense control and reduction. General performance goals may include special projects

related to Republic's strategic plan and initiatives, specific program performance, expansion opportunities, unique marketing opportunities, customer satisfaction, operational efficiencies, business referrals and community involvement. The Committee also considers certain more subjective considerations of management effectiveness, maintenance of regulatory compliance standards and professional leadership. The degree to which a key executive has attained his or her written goals and objectives is a factor in determining his or her compensation for the next fiscal year.

The Committee recognizes that compensation to key executives should be reasonably representative of that typically offered in Republic's market area in order to attract, motivate, reward and retain key executives. The Committee's philosophy is to provide compensation to key executives that is not only competitive with that of comparable institutions, but that also provides retention incentive for the highly skilled management necessary to achieve the long-term profit objectives of Republic.

Consistent with the executive compensation policy and components described above, the Committee determined the salary and bonus received by Steven E. Trager, CEO, for services rendered in 2005 and also determined his salary for 2006. Steven E. Trager's salary remains unchanged from 2005 to 2006. The determination of Steven E. Trager's salary was not tied to any one specific performance criteria, but the Committee determined such salary to be appropriate based primarily on the Company's overall performance, Steven E. Trager's personal performance, his attainment of corporate objectives and, to a lesser extent, other factors referenced herein.

The Compensation Committee approved the key executive compensation packages and bonus potential for 2006 on February 15, 2006. All Committee members took part in the Committee's deliberations and final determinations.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Edgar Filing: REPUBLIC BANCORP INC /KY/ - Form DEF 14A

Certain directors and executive officers, including certain members of the Compensation Committee and members of their immediate families and affiliates, were clients of and had transactions with Republic and the Bank during 2005. Transactions which involved loans or commitments by the Bank were made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than normal risk of collection or present other unfavorable features.

Charles E. Anderson is the retired CEO of The Anderson Group, an insurance agency that is agent of record for the Company's workers compensation insurance, life insurance and long term disability insurance. Commissions paid to the agency totaled \$38,000 in 2005.

Susan Stout Tamme is the President and CEO of Baptist Healthcare System, Inc. doing business as Baptist Hospital East, a hospital that leases space to Republic. Fees paid by Republic totaled \$13,016 for the year ended December 31, 2005.

CERTAIN OTHER RELATIONSHIPS AND RELATED TRANSACTIONS

Leasing Arrangements. Within the Louisville, Kentucky, metropolitan area, Republic leases space in buildings owned by Bernard M. Trager, Chairman of Republic and Jean Trager, his spouse, and partnerships in which they own controlling interests, including Jaytee Properties Limited Partnership (Jaytee), a shareholder of Republic. Relatives of Bernard M. Trager, including Steven E. Trager and A. Scott Trager, directors and executive officers of Republic, are also partners in Jaytee. See notes to the table under SHARE OWNERSHIP. The buildings include Republic Corporate Center, which serves as both the Bank's main office and administrative headquarters in Louisville, Kentucky, and is owned and leased by TEECO Properties, which is owned by Bernard M. Trager. During 2005, additional leasing relations include the Bank's Hurstbourne Parkway, Bardstown Road and Springhurst banking centers, which are all owned and leased to the Bank by Jaytee. Under certain of these lease arrangements, Republic was responsible for the fit-up and certain build out costs associated with the Bank's leased premises at those facilities. Altogether, these affiliates currently lease approximately 132,000 square feet to the Bank and the Bank pays \$191,762 per month in rent, with lease terms expiring between 2006 and 2010. The aggregate annual amount paid under these affiliate leasing arrangements in 2005 was \$1,997,217. Each of the above leasing transactions was approved by the Board of Directors and the Audit Committee and all were determined by the Board of Directors and the Audit Committee to be on terms comparable to those that could have been obtained from unaffiliated parties.

Relationships with Directors. There are no additional relationships with directors not described in this section or the previous section of this proxy statement titled Compensation Committee Interlocks and Insider Participation.

Indebtedness of Management. There is no absolute prohibition on personal loans to directors or executive officers of insured depository institutions. However, Federal banking laws require that all loans or extensions of credit by the Bank to the Company's or the Bank's executive officers and directors be made on substantially the same terms, including interest rate and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features. These loans must be of a type generally made available to the Company's employees or the public at large. In addition, loans made to Company or the Bank's directors must be approved in advance by a majority of the disinterested members of the Board of Directors.

During 2005, directors and executive officers of Republic and other persons or entities with which they are affiliated or with whom they are members of the same immediate family were customers of and had in the ordinary course of business banking transactions with Republic. All loans included in such transactions were generally available to the public, were made on substantially the same terms, including interest rate and collateral, as those prevailing at the time for comparable transactions with other persons, which loans do not involve more than the normal risk of collection or present other unfavorable features. As of December 31, 2005, directors, executive officers, principal shareholders and related parties of Republic had loans outstanding of \$21.3 million.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Republic's officers, directors and greater than 10% beneficial owners to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers and directors are required to furnish Republic with copies of all Section 16(a) forms filed. Based solely upon review of copies of such forms received, or written representations that there were no unreported holdings or transactions, Republic believes that for the most recent fiscal year all Section 16(a) filing requirements applicable to its officers, directors and 10% beneficial owners were complied with on a timely basis.

SOLICITATION OF PROXIES

The cost of solicitation of proxies by the Board of Directors will be borne by Republic. Some of Republic's directors and officers who will receive no additional compensation may solicit proxies in person and by telephone, electronic media, facsimile, and mail from brokerage houses and other institutions, nominees, fiduciaries and custodians, who will be requested to forward the proxy materials to beneficial owners of the Class A Common Stock and Class B Common Stock. Republic will, upon request, reimburse such intermediaries for their reasonable expenses in forwarding proxy materials but will not pay fees, commissions, or other compensation.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At its meeting held on April 22, 2005, the Audit Committee selected Crowe Chizek and Company LLC to serve as Republic's independent registered public accounting firm and auditors for the fiscal year ending December 31, 2005. Crowe Chizek and Company LLC has served as Republic's independent registered public accounting firm since the 1996 fiscal year. The Company's independent registered public accounting firm leases space from Jaytee, a partnership of which the Chairman & CEO of Republic are partners. The Company and Crowe Chizek and Company LLC have determined that such lease is an arm's length transaction and complies with all applicable independence standards.

Representatives of Crowe Chizek and Company LLC are expected to be present at the Annual Meeting and will be available to respond to appropriate questions and will have the opportunity to make a statement if they desire to do so.
