## THE COMPANY

Realty Income Corporation, The Monthly Dividend Company<sup>®</sup>, is a Maryland corporation organized to operate as an equity real estate investment trust, commonly referred to as a REIT. Our primary business objective is to generate dependable monthly cash distributions from a consistent and predictable level of funds from operations, or FFO, per share. The monthly distributions are supported by the cash flow from our portfolio of retail properties leased to regional and national retail chains. We are a fully integrated, self-administered real estate company with in-house acquisition, leasing, legal, retail research, real estate research, portfolio management and capital markets expertise. Over the past 37 years, Realty Income and its predecessors have been acquiring and owning freestanding retail properties that generate rental revenue under long-term lease agreements (primarily 15- to 20-years).

In addition, we seek to increase distributions to stockholders and FFO per share through both active portfolio management and the acquisition of additional properties. Our portfolio management focus includes:

Contractual rent increases on existing leases;

Rent increases at the termination of existing leases when market conditions permit; and

The active management of our property portfolio, including re-leasing of vacant properties and selective sales of properties.

Our acquisition of additional properties adheres to a focused strategy of primarily acquiring properties that are:

Freestanding, single-tenant, retail locations;

Leased to regional and national retail chains; and

Leased under long-term, net-lease agreements.

As of December 31, 2005, we owned a diversified portfolio:

Of 1,646 retail properties;

With an occupancy rate of 98.5%, or 1,621 properties occupied of the 1,646 properties in the portfolio;

Leased to 101 different retail chains doing business in 29 separate retail industries;

Located in 48 states;

With over 13.4 million square feet of leasable space; and

With an average leasable retail space of 8,200 square feet.

Of the 1,646 properties in the portfolio at December 31, 2005, 1,641, or 99.7% were single-tenant, retail properties and the remaining five were multi-tenant, distribution and office properties. At December 31, 2005, 1,617, or 98.5%, of the 1,641 single-tenant properties were leased with a weighted average remaining lease term (excluding extension options) of approximately 12.4 years.

In addition, at December 31, 2005, our wholly-owned taxable REIT subsidiary, Crest Net Lease, Inc., owned 17 properties with a total investment of \$45.7 million, which were classified as held for sale. Crest Net was created to buy, own and sell properties, primarily to individual investors, many of whom are involved in tax-deferred exchanges under Section 1031 of the Internal Revenue Code of 1986, as amended, or the Code.

We typically acquire retail store properties under long-term leases with retail chain store operators. These transactions generally provide capital to owners of retail real estate and retail chains for expansion or other corporate purposes. Our acquisition and investment activities are concentrated in well-defined target markets and generally focus on retailers providing goods and services that satisfy basic consumer needs.

Our net-lease agreements generally:

Are for initial terms of 15 to 20 years;

Require the tenant to pay minimum monthly rents and property operating expenses (taxes, insurance and maintenance); and

Provide for future rent increases (typically subject to ceilings) based on increases in the consumer price index, fixed increases, or, to a lesser degree, additional rent calculated as a percentage of the tenants gross sales above a specified level.

Our principal executive offices are located at 220 West Crest Street, Escondido, California 92025 and our telephone number is (760) 741-2111.

This prospectus and the documents incorporated by reference herein contain, and any related prospectus supplements, other offering materials and documents deemed to be incorporated by reference herein or therein may contain, forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended, or the Exchange Act. When used in this prospectus, the words estimated, anticipated, believes, intends and similar expressions are intended to identify forward-looking statements. Forward-looking statements are subject to risks, uncertainties, and assumptions about Realty Income Corporation, including, among other things:

Our anticipated growth strategies;

Our intention to acquire additional properties and the timing of these acquisitions;

Our intention to sell properties and the timing of these property sales;

Our intention to re-lease vacant properties;

Anticipated trends in our business, including trends in the market for long-term net-leases of freestanding, single-tenant retail properties;

Future expenditures for development projects; and

Profitability of our subsidiary, Crest Net Lease, Inc.

Future events and actual results, financial and otherwise, may differ materially from the results discussed in the forward-looking statements. In particular, some of the factors that could cause actual results to differ materially are:

Our continued qualification as a real estate investment trust;

General business and economic conditions;

Competition;

Fluctuating interest rates;

Access to debt and equity capital markets;

Other risks inherent in the real estate business including tenant defaults, potential liability relating to environmental matters, illiquidity of real estate investments and potential damages from natural disasters;

Impairments in the value of our real estate assets;

Changes in the tax laws of the United States of America;

The outcome of any legal proceeding to which we are a party; and

Acts of terrorism and war.

Additional factors that may cause risks and uncertainties include those discussed in the sections entitled "Business", "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005, and may also include risk factors and other information discussed in other documents that are incorporated or deemed to be incorporated by reference in this prospectus.

Readers are cautioned not to place undue reliance on forward-looking statements contained or incorporated by reference in this prospectus, which speak only as of the date of this prospectus or the date of the incorporated document, as the case may be. We undertake no obligation to publicly release the results of any revisions to these forward-looking statements that may be made to reflect events or circumstances after the date of this prospectus or to reflect the occurrence of unanticipated events. In light of these risks and uncertainties, the forward-looking events discussed in this prospectus might not occur.

**USE OF PROCEEDS**

Unless otherwise described in the applicable prospectus supplement or other offering materials, we intend to use the net proceeds from the sale of our securities for general corporate purposes, which may include, among other things, the repayment of indebtedness, the development and acquisition of additional properties and other acquisition transactions, and the expansion and improvement of certain properties in our portfolio.

**RATIOS OF EARNINGS TO FIXED CHARGES AND COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS**

The following table sets forth the ratios of earnings to fixed charges and the ratios of earnings to combined fixed charges and preferred stock dividends for the periods shown. The ratios of earnings to fixed charges were computed by dividing our earnings by our fixed charges. For this purpose, earnings consist of net income before interest expense. Fixed charges consist of interest costs (including capitalized interest) and the amortization of debt issuance costs. In computing the ratios of earnings to combined fixed charges and preferred stock dividends, preferred stock dividends consist of dividends on our 9.375% Class B cumulative redeemable preferred stock, 9.50% Class C cumulative redeemable preferred stock and our outstanding 7.375% Monthly Income Class D cumulative redeemable preferred stock, as applicable. We redeemed our Class B preferred stock on June 6, 2004 and our Class C preferred stock on July 30, 2004. On May 27, 2004 and October 19, 2004 we issued 4,000,000 shares and 1,100,000 shares, respectively, of our Class D Preferred Stock.

	<b>Year Ended December 31</b>

## DESCRIPTION OF DEBT SECURITIES

### General

This prospectus describes certain general terms and provisions of our debt securities. When we offer to sell a particular series of debt securities, we will describe the specific terms of the series in a prospectus supplement, a pricing supplement or other offering materials. We will also indicate in the supplement or other offering materials whether the general terms and provisions described in this prospectus apply to a particular series of debt securities. Our debt securities will be our direct obligations and they may be secured or unsecured, senior or subordinated indebtedness. We may issue our debt securities under one or more indentures and each indenture will be dated on or before the issuance of the debt securities to which it relates. Additionally, each indenture must be in the form filed as an exhibit to the Registration Statement containing this prospectus or in a form incorporated by reference to this prospectus in a post-effective amendment to the Registration Statement or a Form 8-K. The form of indenture is subject to any amendments or supplements that may be adopted from time to time. We will enter into each indenture with a trustee and the trustee for each indenture may be the same. Each indenture will be subject to, and governed by, the Trust Indenture Act of 1939, as amended. Because this description of debt securities is a summary, it does not contain all the information that may be important to you. You should read all provisions of the applicable indenture and our debt securities to assure that you have all the important information you need to make any required decisions. All capitalized terms used, but not defined, in this section shall have the meanings set forth in the applicable indenture.

### Terms

The particular terms of any series of our debt securities will be described in a prospectus supplement or other offering materials. Additionally, any applicable modifications of or additions to the general terms of our debt securities, described in this prospectus and in the applicable indenture, will also be described in a prospectus supplement or other offering materials. Accordingly, for a description of the terms of any series of our debt securities, you must refer to both the prospectus supplement or other offering materials, if any, relating to those debt securities and the description of the debt securities set forth in this prospectus. If any particular terms of our debt securities, described in a prospectus supplement or other offering materials, differ from any of the terms described in this prospectus, then those terms as set forth in the relevant prospectus supplement or other offering materials will control.

Except as set forth in any prospectus supplement or other offering materials, our debt securities may be issued without limit as to aggregate principal amount, in one or more series, in each case as established from time to time by our board of directors, a committee of the board of directors or as set forth in the applicable indenture or one or more supplements to the indenture. All of our debt securities of one series need not be issued at the same time, and unless otherwise provided, a series may be reopened for issuance of additional debt securities without the consent of the holders of the debt securities of that series.

Each indenture will provide that we may, but need not, designate more than one trustee for the indenture, each with respect to one or more series of our debt securities. Any trustee under an indenture may resign or be removed with respect to one or more series of our debt securities, and a successor trustee may be appointed to act with respect to that series. If two or more persons are acting as trustee to different series of our debt securities, each trustee shall be a trustee of a trust under the applicable indenture separate and apart from the trust administered by any other trustee and, except as otherwise indicated in this prospectus, any action taken by a trustee may be taken by that trustee with respect to, and only with respect to, the one or more series of debt securities for which it is trustee under the applicable indenture.

#### **Denominations, Interest, Registration and Transfer**

Unless otherwise described in the applicable prospectus supplement or other offering materials, the debt securities of any series will be issuable in denominations of \$1,000 and integral multiples of \$1,000.

Unless otherwise described in the applicable prospectus supplement or other offering materials, we will pay the principal of (and premium, if any) and interest on any series of debt securities at the applicable trustee's corporate trust office, the address of which will be set forth in the applicable prospectus supplement or other offering materials, provided however, that unless otherwise provided in the applicable prospectus supplement or other offering materials, we may make interest payments (1) by check mailed to the address of the person entitled to the payment as that address appears in the applicable register for those debt securities, or (2) by wire transfer of funds to the person at an account maintained within the United States.

Subject to certain limitations imposed on debt securities issued in book-entry form, the debt securities of any series will be exchangeable for any authorized denomination of other debt securities of the same series and of a like aggregate principal amount and tenor upon surrender of those debt securities at the office of any transfer agent we designate for that purpose. In addition, subject to certain limitations imposed on debt securities issued in book-entry form, the debt securities of any series may be surrendered for conversion or registration of transfer thereof at the office of any transfer agent we designate for that purpose. Every debt security surrendered for conversion, registration of transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer and the person requesting that transfer must provide evidence of title and identity satisfactory to us and the applicable transfer agent. No service charge will be made for any registration of transfer or exchange of any debt securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. We may at any time rescind the designation of any transfer agent appointed with respect to the debt securities of any series or approve a change in the location through which any transfer agent acts, except that we will be required to maintain a transfer agent in each place of payment for that series. We may at any time designate additional transfer agents with respect to any series of debt securities.

Neither we nor any trustee shall be required to

issue, register the transfer of, or exchange debt securities of any series if that debt security may be among those selected for redemption during a period beginning at the opening of business 15 days before the mailing or first publication, as the case may be, of notice of redemption of those debt securities and ending at the close of business on

1. the day of mailing of the relevant notice of redemption if the debt securities of that series are issuable only in registered form, or
  
2. the day of the first publication of the relevant notice of redemption if the debt securities of that series are issuable in bearer form, or
  
3. the day of mailing of the relevant notice of redemption if those debt securities are issuable in both bearer and registered form and there is no publication; or

register the transfer of or exchange any debt security in registered form, or portion thereof, so selected for redemption, in whole or in part, except the unredeemed portion of any debt security being redeemed in part; or

exchange any debt security in bearer form selected for redemption, except in exchange for a debt security of that series in registered form that is simultaneously surrendered for redemption; or

issue, register the transfer of, or exchange any debt security that has been surrendered for repayment at the holder's option, except the portion, if any, of that debt security not to be repaid.

#### **Merger, Consolidation or Sale of Assets**

Each indenture will provide that we will not consolidate with, sell, lease or convey all or substantially all of our assets to, or merge with or into, any person unless

either we shall be the continuing entity, or the successor person (if not us) formed by or resulting from the consolidation or merger or which shall have received the transfer of the assets shall be a corporation organized and existing under the laws of the United States or any State thereof and shall expressly assume (1) our obligation to pay the principal of (and premium, if any) and interest on all the debt securities issued under the indenture and (2) the due and punctual performance and observance of all the covenants and conditions contained in the indenture and in the debt securities;

immediately after giving effect to the transaction and treating any indebtedness that becomes our obligation or the obligation of any Subsidiary as a result of the transaction as having been incurred, and treating any liens on any property or assets of ours or any Subsidiary that are incurred, created or assumed as a result of the transaction as having been created, incurred or assumed, by us or the Subsidiary at the time of the transaction, no event of default under the indenture, and no event that, after notice or the lapse of time, or both, would become an event of default, shall have occurred and be continuing; and

an officers' certificate and legal opinion covering these conditions shall be delivered to the trustee.

#### **Certain Covenants**

*Existence.* Except as permitted under the heading above, entitled "Merger, Consolidation or Sale of Assets," we will be required under each indenture to do or cause to be done all things necessary to preserve and keep in full force and effect our corporate existence, all material rights (by charter, bylaws and statute) and all material franchises; provided, however, that we shall not be required to preserve any right or franchise if our board of directors determines that the preservation thereof is no longer desirable in the conduct of our business.

*Maintenance of Properties.* Each indenture will require us to cause all of our material properties used or useful in the conduct of our business or the business of any Subsidiary to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will require us to cause to be made all necessary repairs, renewals, replacements, betterments and improvements to those properties, as in our judgment may be necessary so that the business carried on in connection with those properties may be properly and advantageously conducted at all times; provided, however, that we and our Subsidiaries shall not be prevented from selling or otherwise disposing of these properties for value in the ordinary course of business.
