Item 1.01 Entry Into A Material Definitive Agreement

On February 2, 2007 the Company entered into a \$200 million credit facility agreement entitled Third Amended and Restated Credit Agreement with JPMorgan Chase Bank, N.A., as Administrative Agent, and a syndicate of lenders. The credit facility consists of a \$180 million letter of credit facility and a \$20 million revolving line of credit facility. This new credit facility replaced an existing \$125 million credit facility consisting of a \$115 million letter of credit facility and a \$10 million revolving line of credit facility. The letter of credit facility will continue to be used primarily to support the Company's capacity at its Lloyd's of London operations. The credit facility contains customary covenants for facilities of this type, including restrictions on indebtedness and liens, limitations on mergers, dividends and the sale of assets, and maintaining certain consolidated tangible net worth, statutory surplus and other financial ratios. The credit facility also provides for customary events of default, including failure to pay principal, interest or fees when due, failure to comply with covenants, any representation or warranty made by the Company being false in any material respect, default under certain other indebtedness, certain insolvency or receivership events affecting the Company and its subsidiaries, the occurrence of certain material judgments, or a change in control of the Company. The Company expects to use the line of credit for general corporate purposes. The credit facility expires on March 31, 2009. The credit facility agreement is attached hereto as Exhibit 10-1.
