**ITEM 8.01 Other Events**

On March 1, 2007, Coherent, Inc. (the Company) received a letter from the trustee for the holders of the Company's \$200 million aggregate outstanding principal amount of 2.75% Convertible Subordinated Notes due 2011 stating that the Company has violated certain indenture provisions as a result of its failure to file its Quarterly Report on Form 10-Q for the fiscal quarter ended December 30, 2006 with the Securities and Exchange Commission.

The indenture for the notes provide that such a default could be cured by making that filing with the Securities and Exchange Commission within 60 days after the receipt by the Company of the notice of default. Such indenture also provide that such a default, if not cured by that date, would give certain holders and the trustee the right to accelerate the maturity of the notes.

As previously disclosed in its current report on Form 8-K filed with the Securities and Exchange Commission on December 20, 2006, the Company received a similar notice from the trustee with respect to its failure to file its Annual Report on Form 10-K for its fiscal year ended September 30, 2006. The Company did not cure the condition within the 60-day period provided by the notice. Under the indenture, if such default is not cured or waived within such 60-day period, certain holders and the trustee currently have the right to accelerate the maturity of the notes, although they have no obligation to do so.
