**Item 2.04. Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.**

On June 18, 2007, pursuant to the Agreement and Plan of Merger (the Merger Agreement ), dated as of April 22, 2007, by and among AstraZeneca PLC, a public limited company incorporated under the laws of England and Wales ( Parent ), AstraZeneca Biopharmaceuticals, Inc., a Delaware corporation and indirect wholly owned subsidiary of Parent ( Purchaser ), and MedImmune, Inc., a Delaware corporation ( MedImmune ), Purchaser was merged with and into MedImmune (the Merger ), with MedImmune surviving the Merger as an indirect wholly owned subsidiary of Parent (the Surviving Corporation ). As a result of the Merger, all outstanding shares of common stock of MedImmune, par value \$0.01 per share (including the associated preferred stock purchase rights, the Shares ), other than any Shares in respect of which appraisal rights are validly exercised under Delaware law and any Shares owned by MedImmune, Parent or any of their subsidiaries, were converted into the right to receive \$58.00 in cash per Share, without interest.

In connection with the consummation of the Merger and the previously completed tender offer by Purchaser for all of MedImmune s outstanding common stock, on June 18, 2007, MedImmune announced that it is delivering a notice to holders of its 1.375% Convertible Senior Notes Due 2011 (the 2011 Notes ) and 1.625% Convertible Senior Notes Due 2013 (the 2013 Notes ), and, together with the 2011 Notes, the Notes ), the Notes being governed by their respective indentures, each dated as of June 28, 2006, by and between the Company and Bank of New York, as trustee (the Trustee ) (collectively, the indentures governing the 2011 Notes and the 2013 Notes are referred to as the Indentures ), of the Fundamental Change and Make-Whole Fundamental Change (in each case, as defined in the Indentures) that occurred upon the consummation of the acquisition.

As more fully described in the notice to the noteholders, which notice is attached to this report as Exhibit 99.1 and incorporated herein by reference, in accordance with Section 10.01(A)(iv), 10.01(C) and 10.14(D) of the Indentures, Notes may be converted at any time during the period that began on Wednesday, May 2, 2007, and ends on, and includes, Tuesday, July 31, 2007 (the Make-Whole Convertibility Period ).

The conversion rate in effect as of June 18, 2007 is 29.9679 shares of MedImmune common stock per \$1,000 principal amount of Notes. Pursuant to the Indentures, the Notes are convertible solely into cash. The conversion rates for the Notes that are converted during the Make-Whole Convertibility Period are increased to 30.9510 shares for each \$1,000 principal amount of the 2011 Notes and 31.4753 shares for each \$1,000 principal amount of 2013 Notes. In order to receive the increased conversion rate set forth above, holders must surrender their Notes for conversion during the Make-Whole Convertibility Period. If a holder fails to convert its Notes during the Make-Whole Convertibility Period, such holder will be entitled, notwithstanding the expiration of the Make-Whole Convertibility Period, to convert its Notes up until the business day immediately preceding the respective maturity date of the Notes. However, such holder will not be entitled to any increase in the conversion rate pursuant to Section 10.14 of the Indentures in respect of such Notes so converted, unless such conversion occurs during the Make-Whole Convertibility Period.

MedImmune has also announced that, as a result of the Fundamental Change described above, holders of the Notes have the right to require MedImmune to repurchase all of their Notes (or portions thereof that are integral multiples of \$1,000 in principal amount) on Monday, July 23, 2007, the Fundamental Change Repurchase Date, at a repurchase price payable in cash equal to 100% of the principal amount of the Notes to be repurchased, plus accrued and unpaid interest to, but excluding July 23, 2007.

Holders of Notes should read carefully the notice they will be receiving regarding their conversion rights and their rights to require MedImmune to repurchase their Notes in connection with the Fundamental Change and Make-Whole Fundamental Change, as it contains important information as to the procedures and timing for the exercise of such rights.

**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

The information disclosed in the first paragraph under Item 2.04 above is hereby incorporated by reference.

As a result of the Merger, MedImmune no longer fulfills the numerical listing requirements of the NASDAQ Global Select Market ( NASDAQ ). Accordingly, on June 18, 2007, at MedImmune s request, NASDAQ filed with the Securities and Exchange Commission (the SEC ) a Notification of Removal from Listing and/or Registration under Section 12(b) of the Securities Exchange Act of 1934, as amended (the Exchange Act ) on Form 25 thereby effecting the delisting of the Shares from NASDAQ and the deregistration of the Shares under the Exchange Act. Additionally, MedImmune filed with the SEC a Certification on Form 15 under the Exchange Act to suspend MedImmune s reporting obligations under Sections 13(a) and 15(d) of the Exchange Act with respect to the Shares and MedImmune s 1% Convertible Notes due 2023.

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**
