On February 21, 2008, the Compensation Committee ( Committee ) of the Board of Directors (the Board ) of Forest Oil Corporation ( Forest ) approved Forest s 2008 Annual Incentive Plan (the 2008 Plan ), including the performance criteria and specific measures and goals for Forest s executive officers and all other participants. Under the 2008 Plan, any incentive rewards will be tied to five performance criteria: Total Shareholder Return, Cash Cost (such as lease operating expense, transportation expense, and total general and administrative expense), Acquisitions, Production, and Rate of Return on Capital Investments. Each of the performance criteria included in the 2008 Plan is tied to a percentage of the participant s target bonus, which is expressed as a percentage of a participant s base salary. In addition to the target level, the 2008 Plan includes completion percentages for a range of performance levels, starting at a minimum threshold level, which is equal to 25% of the target level, up to an outstanding performance level, which is equal to 200% of the target level.

The 2008 Plan is administered by the Committee and the President and Chief Executive Officer (for all participant awards other than his own award), although certain administrative aspects of the 2008 Plan may be delegated to the Vice President of Human Resources. Participation in the 2008 Plan is determined by the President and Chief Executive Officer. The Committee is responsible for determining the achievement of any of the completion levels. No awards will be made under the 2008 Plan unless the minimum 25% completion threshold is achieved for the total plan. Any modifications to the 2008 Plan must be approved by the Committee. The 2008 Plan will be filed as an Exhibit to Forest s Annual Report on Form 10-K for the year ended December 31, 2007.
